Redefining Success: Vision versus Reality
Sara Parme
Scholarly Communication / Digital Initiatives Librarian, Indiana University of Pennsylvania

What happens if your repository isn't the rousing success you hope or need it to be? This presentation outlines some of the challenges and lessons learned when launching IUP's institutional repository three years ago. Topics include stakeholder buy-in, faculty pushback, sustainable funding, leadership turnover and more. IUP's bepress subscription is up in June. Did it get refunded? Is this presentation about a resuscitation or a post-mortem? Find out!
