Here is the latest notice to the Kenyon community regarding COVID-19.

We all have had much to take in since the College's announcements earlier this week. Many of you have reached out with questions, and we expect that you will have more in the days and weeks ahead. We have posted a set of Frequently Asked Questions online at kenyon.edu/covid19/faqs and will update it regularly. Please refer to it, as well as [Kenyon's COVID-19 webpage](#), for the latest information. We will continue to email you directly with important announcements regarding our response plans.

We recognize that things are evolving quickly and much remains uncertain. The Kenyon community has shown tremendous resilience and care for one another during this time, and we appreciate your continued partnership in this work.
