NEWS HEADLINES

(Washington)--The Federal Reserve Board announces a lowering of the discount rate--the rate member banks must pay to borrow money--from six to five and three-quarters percent.

(Paris)--France is mourning the death of the man who reshaped much of its modern-day history, General Charles De Gaulle.

(Washington)--There's been no comment from rail industry officials on a new warning from a union leader about a possible nationwide rail strike next month.

(Cleveland)--Officials of a number of national football league teams have been subpoenaed to appear before a Federal Grand Jury in Cleveland. But, there is no indication of why they have been called.
