Official Paper of the County

EDITED BY L. HARPER.

MOUNT VERNON OHIO.

FRIDAY MORNING, OCT. 29, 1875.

Several Missouri papers have nominated Senator F. M. Cockrell for President.

The Glenwood (Mo.) Criticism says that William Allen is still able to lead us to victory in 1876.

Carroll, the Vineland (N. J.) editor who has carried a "bullet in his brain" for some months past, died on Sunday.

It was the frauds committed in the large cities that elected Hayes. The honest yeomanry of the country stood by Allen.

Every Republican editor in the State has been congratulating himself and readers over the great victory they achieved over the Pope.

The money-power, unaided by the fanatical, Know-nothing howl against Catholicism, would have been defeated in Ohio by at least 20,000.

A great scramble has already commenced among the Radical politicians for the coming Legislature.

The recent storm on the English coast was very disastrous to life as well as property. It is already known that five vessels were lost, with all on board.

The Bucyrus Forum publishes a column of failures throughout the country within the past week. It is a dismal picture of Radical misrule and bad government.

The New York Tribune says, "If Mr. Delano had been a member of our State Government, his retirement would have been followed by a suit to recover money."

In Erie county, O'Hagan, Democratic candidate for Board of Public Works, has 443 majority, while Hayes has 234 majority. O'Hagan, for a heavy weight as he is, is splendidly.

Our candidate for Attorney-General, T. E. Powell, shows his popularity in his own county of Delaware, by receiving a majority of 183 votes, while Hayes' majority was 127. Well done, Powell!

The President went to church Sunday, at Washington, and Parson Newman in his prayer thanked God for the Radical majorities at the recent elections. Newman is a chaplain after the President's heart.

There were six large failures in New York on Saturday, two in Boston, two in Detroit, besides smaller ones in other cities and towns. And yet, the Grantites are still crowing over their "victory" in Ohio!

Twenty-six of the nine-hundred County Treasurers of Iowa have defaulted, and twenty-five of the twenty-six are Radicals. But one is in jail, and he is the Democrat, who was prosecuted and punished by Democrats.

The Republicans have a large enough majority in the Legislature to repeal the Ferguson bill and to restore the amendments to the Adair Law, which the Democratic Legislature last winter repealed.

There has not been a single word said in a Republican paper about the Pope's too or that terribly wicked measure, the "Geghan Bill," since the election. Come, Messrs. Radicals, it "won't do to give it up so."

Is the appointment of Senator Chandler another "appeal to the Christian public, and are representatives of the leading religious denominations to co-operate with him in Christianizing the Indians?" - N. Y. Tribune.

Grant, in committing himself to the Radical line of forced specie payments, and delivering a clap-trap speech about the danger to the Public Schools, virtually announces himself as a Third Term Candidate for President.

Thomas M. Judd, one of the strongest Republican workers in Massachusetts, has just been arrested in Berkshire county for a \$1,000 forgery. Judd is a member of the Republican State Committee and a prominent lobbyist.

Wisconsin politics are becoming very painfully personal. The granger, currency and school questions for some time have been eclipsed by overshadowing question whether Gov. Taylor did or did not "dodge the draft."

Virginia City Nevada, was visited by a very destructive conflagration on Tuesday, which destroyed most of the business part of the city. Ten thousand people were rendered homeless. The loss is estimated at a million of dollars.

The Reverend Hamilton, in the last two issues of his "most forcible feeble" paper, makes abortive attempts to say witty things. Oh Jerusalem! The only business in which Hamilton ever succeeded, was in preaching sound sermons.

"Be not deceived," said a Radical handbill issued just before the election, inviting workingmen to come out and hear Columbus Delano speak. "Be not deceived" is now a by-word among the idle mechanics and laboring men of our city.

Moody and Sauer, commenced their work of Christianizing Brooklyn on Sunday. Their meeting was held in the Rink, and over five thousand persons were present. There is no city in the wide world that needs a religious revival more than Brooklyn.

Beecher had Moulton indicted for perjury; but when Moulton was ready for trial, and anxious to vindicate himself before a jury of his countrymen, the Plymouth pastor backed squarely out, and requested the Prosecuting Attorney to enter a nolle prosequi. The country will never see the bottom of this nastiness.

The Radicals are making extraordinary efforts to carry Pennsylvania. A torch-light procession in Philadelphia, the other night alone, cost them \$10,000. The Office holders, the Bankers and Bondholders will be tied to foot the bill; and if ten thousand fraudulent votes are needed to keep the Radicals in power, they will be furnished to order the hired Ronghs and Repeaters of Philadelphia.

## THE VOTE ON GOVERNOR.

Below is given the vote of Ohio on Governor, by counties, for the year 1875, compiled mainly from the official returns in the office of the Secretary of State. The eleven counties which have not yet made returns to the Secretary of the State are marked with an asterisk (\*) and the figures opposite them in table (excepting Union county) are taken from returns made to the Republican State Executive Committee by local committees, under instructions to copy from the official. The Union county vote is taken from a trustworthy report. The table is practically official:

## Ninth Annual Convention of the Ohio Y. M. C. A.

Unable to be present during the sessions of the State Convention of the Young Men's Christian Association, we compile the following report from the Cincinnati *Gazette*, which paper had a reporter present, in the person of W. S. FURAY, Esq.:  
The ninth annual convention of the Ohio Young Men's Christian Association assembled at Mt. Vernon, and organized in the audience-chamber of the Methodist Church at 9 a. m. G. W. Cobb, of Cleveland, opened the exercises with prayer.  
The regular morning business meeting then took place in the Congregational Church, with President H. Thane Miller in the chair. After devotional exercises, President Miller delivered the opening address.  
The following Committee on Business was appointed: H. G. O. Cary, of Zanesville; P. Q. Stoner, of Ashland; N. S. Reed, of Mansfield; W. P. Bogardus, of Mt. Vernon, and T. D. Davis, of Dayton.  
The following were appointed a Committee on Nominations: J. S. Lane, of Akron; J. D. Chambers, of Columbus; J. W. Elsworth, of Cleveland; O. P. Boyer, of Dayton; W. C. Stiles, of Rome; R. H. O'Connell, of Tippecanoe, and S. W. Watson, of Mt. Vernon.  
The convention then took recess until 2 p. m. After reassembling, the Convention engaged in devotional exercises, and then the Committee on Nominations reported the following officers for the ensuing year: President—H. Thane Miller, of Cincinnati.  
Vice-Presidents—H. A. Sherwin, of Cleveland; J. G. Ball, of Columbus; Z. E. Taylor, of Mt. Vernon.  
Corresponding Secretary—E. A. Daniels, of Dayton.  
Recording Secretaries—R. Wells, of Cincinnati; T. D. Davis, of Dayton.  
Treasurer—N. G. O. Cary, of Zanesville.  
Executive Committee—E. A. Daniels, J. D. Davis, and D. A. Sinclair, of Dayton; H. A. Sherwin, and William Bowler, of Cleveland; H. Thane Miller, and A. P. Lloyd, of Cincinnati.  
The report was adopted.  
Five minute reports were then listened to of progress of Christian work, by Mr. Davis, for Dayton; Mr. Davis, for Pomeroy; J. B. Wells, for Cincinnati; Mr. Stiles, for Rome; Mr. Stone, for Ashland; Stiles Parr, for Mt. Vernon; John Reeder, for Hamilton; J. D. Chambers, for Columbus; and Mr. Lane, for Akron.  
The reports generally announced good progress. Dayton and Cincinnati made particularly encouraging statements. Pomeroy is a new association, but its prospects are good for usefulness and strength. Rome extends its operations into the surrounding country. Mt. Vernon has sewing society connected with it. Hamilton has but about a dozen members, but all are earnest and devoted. Columbus is but two months old, but has fifty members. Akron is active, like everything in that wide-awake city.  
At night the Congregational Church was filled with a very large audience, and was beautifully decorated with evergreens and flowers. The night was devoted to a welcoming meeting. The choir, led by Dr. Tutor, sang an appropriate anthem with fine effect. Elder J. Southard read a Scripture lesson, "Behold how pleasant a thing it is for brethren to dwell together in unity."  
The Rev. G. W. Pepper led in prayer, and then the Hon. Henry B. Curtis delivered an address of welcome in behalf of the citizens. He spoke in dignified and courteous terms of his own position as Mt. Vernon's oldest ex-Mayor; said he had watched closely the progress of the Young Men's Christian Association, which is now a quarter of a century old in Ohio, and has long since felt his heart warm toward the association and its objects. It is now an established institution, State, national, and international. It shuts out sectarian differences and this is its chief glory, and gives it a glorious mission—namely, to unite all Christians in one union and one faith. Much of its great work, harmonizing the Christian world, is already accomplished, and every step in this direction is a step nearer God. Mr. Curtis then spoke warm and hearty words of welcome to the Convention, and tendered them in humorous terms the freedom of the city.  
The Rev. William Thompson next welcomed the delegates on behalf of the ministers of Mt. Vernon.  
Dr. Z. E. Taylor welcomed the delegates on behalf of the Mt. Vernon Association. His words were few, but well-placed and effective.  
Mr. Sherwin, of Cleveland, responded on behalf of the delegates, as did also the Rev. A. G. Beggs, both in lively style.  
Thane Miller closed the speaking with one of his beautiful and powerful addresses, stirring the Convention to its depths, and exhorting to earnest efforts, unity and love.  
Short addresses were made by Mr. Bliss of Cleveland; Mr. Cary, of Zanesville; Dr. T. S. Davis, of Dayton; G. W. Cobb, of Cleveland; Dr. A. G. Byers, of Columbus; J. B. Jones, of Cleveland; Mr. Bowler, of Cleveland; and in the afternoon Mr. Cook, of Cleveland, explained the work of the International Y. M. C. A. Committee, of which he is a member. It is to that committee that the work of organizing State Associations throughout the United States is due.  
E. A. Daniels having resigned his place on the Executive Committee, T. E. Davis was put in his place, and also made Corresponding Secretary.  
Rev. T. E. Monroe, from the Committee on the Executive Committee's report, reported in favor of the continued employment of a Permanent Secretary; that \$8,000 be raised for that purpose; that the State be divided into four districts for the purpose of holding district conventions; that some one be chosen permanent Secretary in place of H. H. Wells, who is engaged to revivify work; that the second Sunday of November of each year be set apart as a day of prayer for the success of the Association. The resolutions were adopted.  
The headquarters of the Executive Committee will this year be located at Dayton.  
The singing by a superb quartet of male and female voices, from Akron, rendered some charming music, that added greatly to the enjoyment and interest of the occasion.

## Painesville was selected as the place of holding the next State Convention, by a large majority.

Another large audience assembled at night, and the discussions upon the topics previously selected continued with force and spirit. A half-hour's service of song preceded the regular business.  
On Sunday all the pulpits in the city were occupied by delegates to the Convention, and interesting and animated services were held in all. A mass meeting at 4 p. m. was attended by a great concourse of citizens.  
In the evening a Farewell Meeting took place at the Presbyterian Church, the large edifice being literally covered with people. The exercises were full of fervor, and were listened to throughout with great interest.

**Two Deaths in One Family.**  
Sore affliction has visited the Van Buskirk family in Middlebury township, during the past week. On Monday, Oct. 18th, Mr. Samuel Van Buskirk, aged about 29 years, died of Consumption, after a long and painful illness, and was buried on the Thursday following. The deceased was Deputy Auditor under Mr. Ewalt for a year or two, but owing to continued illness was compelled to relinquish his situation. He was a most excellent young man, and was universally beloved.  
Lawrence Van Buskirk, Esq., father of the above, was found dead in his bed at 7 o'clock on Sunday morning, Oct. 24th. He felt somewhat unwell the day previous and took some medicine before retiring, but no member of the family apprehended any serious illness. When discovered in the morning, his head was resting on his hand, as if he was enjoying sweet repose, his body yet warm, but, alas, it was the repose of death! The deceased was 65 years of age, and was well known and highly esteemed in the counties of Knox, Richland and Morrow. He was a native of Washington county, Maryland, and came to Knox county about 45 years ago, where he has ever since resided. He represented Knox county in the Ohio Legislature in the session of 1851-2, and has filled other responsible positions. The funeral took place from the Old Baptist Church in Morrow county, on Tuesday, and was attended by an immense concourse of people. The Rev. Mr. Jenkins delivered a very beautiful discourse on the occasion.  
**A Pleasant Family Reunion.**  
The widow, children and grand-children of the late Levi Sapp, held their regular annual family reunion on Thursday of last week, at the old homestead, now the residence of Mr. George Sapp, one mile West of Danville. With three exceptions, the surviving members of the family were present, in all forty-eight persons. The Mt. Vernon Silver Cornet Band, under the leadership of Mr. Sol. C. Sapp, was on hand, and made the occasion enjoyable with some of their choicest selections. In the evening, with a number of invited guests from the surrounding country, the feast was passed in "tripping the light fantastic toe." On Friday a sumptuous dinner was served, at which all the family partook. After fixing the place of holding the next reunion at the residence of Mr. John Durbin, the happy household separated for their respective homes.  
**A Bad Smash Up.**  
A man named Balcom, who resides near Gambier, was in the city on Monday afternoon, and purchased some furniture, which he had loaded into a one-horse wagon. As he was getting ready to go home, the horse became frightened on Main street and ran around Leopold's corner plump against the iron railing in front of the Banning Building, on Vine street, tearing it to pieces, and throwing the railing and the range stone in which it was anchored, into the area below, some 6 or 8 feet, with the horse on the top of the wreck! The animal had his teeth knocked out, and was otherwise badly injured, but he was led out of the pit into which he had fallen, up the steps at the end, and went on his way rejoicing, that things were no worse. It will cost at least \$50 to repair the damage done to the railing and range stone wall.  
**Rats! Rats! Rats!**  
Rat printers, representing the offices of Sullivan & Parsons, of Zanesville, B. F. Wade & Co., of Toledo, and Sanford & Co., of Cleveland, were in the city last week, bringing and dragging out business men as well as our country officers for these fellows. It is well known that these fellows know that Knox county has three or four printing offices that can do work as well and as cheaply as they can—office under the control of men who take some interest in the prosperity of the county, and who pay taxes to support our City, County and State Governments.

To-day Cooper got a saw and Vaughn tried to stop him, when Cooper hit Vaughn with a stone and Scott hit Cooper three or four times in the breast with a bill. Scott went home and Cooper came out to work again, sawing down the fence. Scott and Vaughn started to go after the authorities to make him stop, but had gone but a little way when Cooper dropped dead, while sawing. A post mortem was held and the jury returned a verdict that Cooper came to his death by softening of the heart and rupture caused by over exercise and excitement. Scott and Vaughn were allowed to go free. All three were colored people.

## Burned to Death.

On last Tuesday evening, about 8 o'clock, Mrs. Musgrove, wife of Stephen Musgrove, at her residence near Taylorville, was fatally burned. Her clothes took fire from the grate, and in a moment she was enveloped in flames. Dr. St. Mont and Evans were immediately summoned, and did all that skill could suggest, but death came to her relief about 4 o'clock Saturday. Her husband and four children mourn her untimely death.  
Mrs. Musgrove was a daughter of Mr. Meredith Neff, of Bloom Township, Morgan county, and was only 22 or 23 years of age.  
We learn that a small child in the same vicinity was accidentally burned to death a day or two afterward.—Zanesville Signal.  
**A Denver Horror—The Bodies of Four Murdered Persons Found.**  
DENVER, COLO., Oct. 21.—A most atrocious murder was unearthed here to-day. A small tenement-house in the eastern portion of the city, which has recently been vacated by some Italian musicians, was visited by a policeman to detect the cause of a stench that appeared to issue from it. He discovered, in the cellar of the building, the dead and putrid bodies of an old man and three boys, all Italians. The bodies bore ghastly marks of the knife. So many of such having been cut, the murderers are believed to be Italians. In intense indignation prevails, and detectives are out in all directions searching for the murderers.  
**Hartford Agricultural Society.**  
The Hartford Agricultural Society, at its recent annual election, chose the following officers for the ensuing year: President—Henry Moore, re-elected. Vice President—James Scott. Treasurer—Joseph Coleman. Secretary—J. J. Reed. New Directors—John Lark, John Walters, John Mitchell, James Clark, J. Z. Adams.  
Directors holding over—John W. Williams, Y. V. Lake, James Lampman, Wm. McLaughlin, J. P. Larimore.  
—N. Y. Herald: "Mr. Chandler is reputed to be rich, and may charitably be presumed to be above pecuniary temptation, but we can think of no other point in his favor. He is an unscrupulous partisan, whose official conscience will easily reconcile itself to frauds if the profits go into the pockets of the Republicans. The fact that President Grant has been unable to prevail on a better man to accept this important place is a striking proof that the administration has sunk so low that it is no longer thought to be an honor to participate in its councils."

These lots are situated within a mile from Mount Vernon; the ground is sufficiently elevated to escape the late spring and early autumn frosts; the soil is warm and loamy, and the water is pure. No more pleasant and desirable building sites can be found. The price of these lots will be sold at a price not exceeding the cost of a good town lot, and upon easy terms of credit. For further particulars inquire of SAMUEL BRADDOCK, Real Estate Agent, at Mt. Vernon, or CHARLES A. YOUNG, at this residence, just North of the premises.
