WILL SPEAK AT  
NORTH LIBERTY, Wednesday afternoon,  
October 2nd.  
BLADENSBURG, Saturday afternoon,  
October 5th.  
MT. VERNON, Monday evening, Octo-  
ber 7th, at the Court House.

## HON. STEPHEN J. MEANY.

The distinguished and eloquent Irish Orator,  
of New York, will address the citizens  
of Mt. Vernon and vicinity,  
AT THE COURT HOUSE,  
ON SATURDAY EVENING, SEP. 28.

Every vote for Willard S. Hyde is  
a vote to endorse dishonesty, embezzle-  
ment, forgery and gambling.

The Democracy will sweep Ohio  
like a whirlwind on the 8th of October, if  
every Democrat does his duty.

The irrepressible Dalczell is at last  
announced to take the stump in behalf of  
the "lost cause" of Radicalism.

A vote for the Republican ticket is  
a vote for hard times, contraction of the  
currency, low wages and general bank-  
ruptcy.

No National of Democratic an-  
tecedents can vote for the Rev. Pepper  
without committing a blunder that is  
worse than a crime.

The Rev. Pepper, as a Congressman,  
has completely fished out—  
His standing army nonsense has "laid him  
out as cold as a wedge."

If the Rev. Pepper's doctrines are  
carried out the cartridge box will take  
the place of the ballot-box in this country—  
Vote for George W. Geddes.

How can the Rev. Pepper look an  
honest Christian Democrat in the face, af-  
ter advocating the establishment of a mil-  
itary despotism in this country?

The authorities of Washington  
City were forced to call out the military to  
put a stop to the lawless acts of Cohen and  
his gang of colored outlaws.

The annual meeting of the Board  
of Managers of the Soldiers' Home, took  
place at Dayton on the 19th inst. "Pres-  
ident" Hayes was present, and delivered a  
speech.

Ex-Secretary of the Navy Robeson,  
has been galvanized into life by the Re-  
publicans of the First District in New Jer-  
sey, and has become their candidate for  
Congress.

The Republicans of Massachusetts,  
in Convention assembled, on the 15th,  
nominated Ex-Governor Talbot for Gov-  
ernor, and placed him on a hard-money  
gold standard platform.

The \$5,000 reward offered by the  
National Exchange Bank of Tiffin, for the  
apprehension of its absconding Cashier, O.  
C. Zeller, has been revoked. Zeller is  
taking his case in Canada.

Hon. Joseph Poe, the only Demo-  
cratic member of the Legislature from Cuy-  
ahoga county, has been nominated for  
Congress in that district. He will make  
Amos Townsend stir his stumps.

We gave him a peppering last week,  
and shall salt him down this week. On  
the second Tuesday of October the people  
will pack him away in "his little bed," and  
"smooth down his lonely pillow."

The Nationals of the Toledo dis-  
trict, are very much torn up on account of  
their candidate for Congress being a note-  
shaver and Vice President of a National  
Bank. Frank Hurd's chances are improv-  
ing every day.

Cleveland Herald: The Mt. Ver-  
non BANNER is making it pretty warm for  
Brother Pepper, and Brother Pepper  
puts a good deal of seasoning in his own  
remarks, and that is the way things are  
going down in Knox.

The days of bayonet rule in this  
country, thank God, have gone, we trust  
forever; and the attempt of the Rev. Pe-  
pper to revive a despotism so revolting to  
the feelings of every lover of liberty, is  
shocking in the extreme.

That excellent paper, the Cleveland  
Plain Dealer, heads a lengthy article with  
these words: "The Nationals Should Come  
to the Democracy, and the Democrats  
Should Stand Firm." That expresses the  
whole idea in a few words.

The Rev. Pepper's plan of giving  
relief to unemployed workmen, is to  
force them into that immense standing  
army he proposes to establish, and then  
tax the employed workmen to support  
them. Vote for George W. Geddes.

When Bro. Pepper is repudiated by  
the people and "spewed out" of the Meth-  
odist Church, he will probably seek a po-  
sition as a sutler or captain in that immense  
standing army he wishes to establish to  
control the elections in this country.

No understanding has, as yet, been  
arrived at between the Republicans and  
Nationals in this county. General Jones  
will not withdraw in favor of the Rev. Pe-  
pper, nor will he be a party to the transfer  
of the Republicans to the Nationals.—  
Pepper's talk-talked-of resignation, or at-  
tempt to sell the Nationals to the Repub-  
licans, has a mystery about it that is inex-  
plicable. There is some "slenanigan" go-  
ing out; but the only effect produced, thus  
far, has been to disgust Democrats who  
went into the National movement, and  
cause them to return to the Democratic  
fold.

Butler has swallowed the body of the  
Massachusetts Democracy, but the head is  
still fearfully protruding against the cruel  
operation.—Cleveland Herald.  
This is not correct. Ben Butler did not  
"swallow the body of the Massachusetts  
Democracy." A mob of lawless rowdies  
took possession of the Democratic State  
Convention, and endorsed the man who  
hired them. No Democrat, worthy of the  
name, will support such a fraud as Spooney  
Butler. His greenback record will never  
efface from memory the recollection of his  
outrageous and despotic career in New Or-  
leans.

The Speech of Hon. George H.  
Pendleton, delivered at Columbus, which  
we publish in this week's BANNER, is,  
without doubt, one of the very best efforts  
of Mr. Pendleton's life. It is clear, sound,  
logical and eloquent, and cannot fail to  
carry conviction to every unprejudiced  
mind. As it is probably the last speech  
we shall publish during the present cam-  
paign, we hope it will receive an attentive  
perusal from all our readers, without re-  
gard to party.

Of General Morgan's speech at  
Freemont Messenger says: Gen. Geo. W.  
Morgan, in his speech at Opera Hall last  
Monday evening, told the Nationals some  
truths that can not be explained away.—  
The General is one of the original Green-  
backers of Ohio, and advocated the sub-  
stitution of greenbacks for National bank  
notes as early as 1868. The General is  
more a friend to the Nationals than their  
own party leaders are.

Ex-Governor Curtin, of Pennsylv-  
ania, has been nominated for Congress by  
the Democracy of the Centre-Clearfield  
district. He will be elected by an over-  
whelming majority. He was formerly a  
Republican, and was known as the "War  
Governor of Pennsylvania." But he could  
not go with that party in its dishonest and  
oppressive acts, and hence he united with  
the good old honest Democracy.

We assure our Democratic friends  
that our prospects are good and every in-  
dication points to a Democratic victory in  
Ohio on the 8th of October. All that is  
needed to insure our certain success is for  
every Democrat to stand by his colors and  
cast a full Democratic vote on the day of  
election. Let no Democrat falter or be-  
come careless now when we have victory  
almost in our grasp.

Miss Jeannette Bennett, sister of  
James Gordon Bennett, owner of the New  
York Herald, was married at Newport, last  
Thursday morning to Mr. Isaac Boll, Jr.,  
of New York, Rev. Father Grace, of St.  
Mary's Roman Catholic Church, officiat-  
ing. There was a large and distinguished  
attendance. The estimated value of the  
present is one hundred thousand dollars.

A correspondent of the Chicago  
Tribune having written that paper that  
yellow fever was unknown in New Or-  
leans during Republican ascendancy, the  
Pleasance replies that the credit is due to a  
kind Providence that would not inflict upon  
New Orleans at the same time two such  
curses as the yellow fever and the rule of  
the Republican party.

One of the oldest Democrats now  
living in Mt. Vernon, who heard the Rev.  
Pepper's speech in the Court House, said  
to us the other day that it was "the strong-  
est monarchical speech he ever heard," and  
that "the attack on Judge Geddes was  
slandrous and very unbecoming for a  
minister of the gospel."

It is now believed that the Rev.  
Pepper is nothing but a hired tool of the  
money power. His advocacy of a large  
standing army is the very thing that sells  
the moneyed oligarchy, who fear an up-  
rising of God's people, reduced to starva-  
tion by Radical legislation. Vote for  
George W. Geddes.

The Rev. Pepper's boast that he  
was an old-time Republican, and had  
voted for Columbus Delano for Congress,  
was an excellent bid for Republican votes,  
but it didn't strike the Democrats with  
much favor. The Democrats don't take  
that kind of pepper in theirs. Vote for  
George W. Geddes.

Not a line has yet appeared in the  
columns of the Republican in regard to the  
Republican treasury robberies in Fayette  
and Guernsey counties; nor has Wilkinson  
said a word about Willard Hyde, the Re-  
publican candidate for Clerk, embezzling  
that \$618.50, belonging to Messrs. C. & G.  
Cooper & Co.

Democrats! Nationals! Republi-  
cans! turn out to the Court House on Sat-  
urday evening, and hear the eloquent  
Irishman, Hon. Stephen J. Meany, of New  
York. He is not a bogus Irishman, like  
the Rev. Pepper, but has been imprisoned  
for advocating the freedom of Ireland from  
bayonet rule.

There is not a single Democrat in  
this Congressional district who is in favor  
of a standing army in time of peace, as  
proposed by the Rev. Pepper. Then no  
Democrat should vote for that man unless  
he wishes to ride the chains that will make  
him a slave forever. Vote for George W.  
Geddes.

The Democracy of the 19th Con-  
gressional district, assembled in Convention  
at Warren, on the 18th inst., and nomi-  
nated Dr. J. C. Hubbard, of Ashland,  
for Congress, by acclamation. He will  
probably not be elected, as the district  
usually gives a very large Republican ma-  
jority.

To gamble, and especially to gamble  
with embezzled money, is a high crime  
and misdemeanor, and yet the Republi-  
cans have a man on their ticket for Clerk,  
who not only gambled with borrowed  
money, but after he lost \$800 was then  
guilty of the ineffable meanness of "sneak-  
ing."

Northern Ohio Democrat: Frank  
Hurd is doing good service in Wood coun-  
ty, not only in behalf of himself, but for  
the Democratic candidates at large. He is  
making friends by the hundreds, and his  
policy was to incline to favor the factions op-  
position are now heart and hand for him.

## Throwing Dust in the Eyes of Voters.

When Willard S. Hyde's gambling per-  
formances, his embezzlements and forger-  
ies were exposed in the BANNER, no at-  
tempt was made to deny their truth; but  
in order to divert the attention of the pub-  
lic, and throw dust in the eyes of voters,  
Hyde has attempted to show that Samuel  
J. Brent, the Democratic candidate for  
Clerk, has charged higher fees than the  
law allows. This trumped-up charge has  
been fully exposed and refuted; and nearly  
every member of the Mt. Vernon bar, Re-  
publicans as well as Democrats, has pro-  
nounced the charge false and unfounded.  
Mr. Brent met this false charge of the  
criminal, Hyde, as an honest man would,  
who was conscious that he had done no  
wrong, and proposed that a committee, se-  
lected from both parties, should be ap-  
pointed, to investigate the books of him-  
self and Mr. Hyde, and report to the pub-  
lic any wrongful acts or charges they might  
find. This offer Hyde did not dare not  
accept, being conscience that not a single  
case of dishonesty or intentional wrong-  
doing could be produced against Mr. Brent; while  
his own dishonesty, his overcharges, his  
speculations, and his embezzlements, would  
be made to appear in such a horrible and  
hideous light, as to astound the people of  
Knox county. Mr. Brent courts the full  
investigation into all his official acts.  
His honesty has never been questioned.  
The members of the bar, without regard to  
party, have testified to his unimpaired in-  
tegrity. Hyde cannot get such a certificate  
from the members of the bar, FOR THEY  
KNOW THAT HE IS NOT HONEST! For him  
to go around whining, and telling people  
he is "persecuted," is too thin. Every  
burglar and thief, who is caught with your  
property in his possession, and is punished  
for his crime, is ready to cry out "persecu-  
tion." But honest men will not be deceiv-  
ed by such false claims.

## Rev. George W. Pepper and his Stand- ing Army.

We had expected to find in the *Nation-  
al Advocate* a severe denunciation of the  
revolting proposition of the Rev. George  
W. Pepper, the National candidate for  
Congress, to establish an immense stand-  
ing army in this country; but nothing of  
the kind is to be found in its columns. We  
had supposed that Dr. John J. Scribner,  
the editor of that paper, was a man of such  
decided convictions that he would not hesi-  
tate to denounce heretical and ob-  
noxious sentiments, whether uttered by  
friend or foe. Dr. Scribner presided at the  
meeting where the Rev. Pepper delivered  
the odious and outrageous speech that has  
split his party to smithereens, and al-  
though he says there are parts of the  
speech he does not indorse, he utterly  
fails to let his readers know what those  
parts are. Hurling nasty epithets at the  
BANNER and its Editor, is not the way to  
treat a subject of this grave importance;  
and is not what we expected from a man  
who wishes to create the impression that  
he was a high-toned gentleman. Now,  
Bro. Scribner, will you please answer this  
question: Do you indorse the Rev. Pe-  
pper's proposition to establish a large  
standing army in this country, in time of  
peace, to be used as a political engine,  
to overawe the people, and control elec-  
tions? Please say yes or no. No dodging  
around the bush. Don't equivocate; don't  
attempt to deceive and throw dust in the  
eyes of the Nationals. Come out like a  
little man and let the public know where  
you stand.

## The Republican Admits Hyde's Guilt.

The Editor of the *Republican*, by his  
omissive silence, admits the criminal acts  
of his candidate for Clerk, Willard S.  
Hyde. He admits that Hyde is a gambler;  
he admits that Hyde has embezzled \$618-  
50, belonging to the firm of C. & G. Coop-  
er & Co.; he admits that Hyde forged his  
employer's names to checks, put the money  
in his pocket, and when detected, hid  
like a whipped child. Wilkinson admits  
all these criminal acts, which would send  
his candidate for Clerk to the Penitentiary;  
and yet, he permits this man Hyde to oc-  
cupy whole columns of his paper every  
week with lying, garbled and infamous  
statements in regard to that honest and up-  
right man, Samuel J. Brent—statements  
that every member of the bar knows to be  
false and outrageous—for the sole purpose  
of diverting the attention of the public  
from his own criminal and disgraceful  
acts. Wilkinson, in admitting the crim-  
inal acts of Hyde, becomes an apologist and  
advocate of crime.

## Cheering Prospects of the Democracy.

During the past week we have seen  
Democrats from every part of the county,  
and without exception they all bring us  
words of good cheer in regard to the pros-  
pects of the Democracy. The very best  
feeling prevails in the Democratic ranks.  
There is no dissatisfaction, no disaffection.  
All is union and harmony. The very few  
Democrats who were inclined to go with  
the National movement, now discover the  
fact that it is nothing but a Republican  
movement, covering parts of lots  
numbered nine and ten in said quarter—Aaron  
Patterson resides on the same—and is same  
farm Thomas McElroy did select, and now  
belongs to his heirs.

The Republican State Central Com-  
mittee have sent circulars to the National  
Banks, Ohio, asking them to contribute  
to the Radical Corruption Fund from \$50  
to \$100 each, to keep the oppressors of the  
people in power. When all else fails the  
National Banks are called upon to keep  
the corrupt party from sinking. The con-  
test has narrowed down to this: The Na-  
tional Banks against the People.

On Thursday last, while the Hayes  
show was passing through one of the streets  
of Toledo, in front of the Commercial Na-  
tional Bank, and the attention of the offi-  
cers was attracted thereto, about \$9,000  
was stolen from the money drawer by some  
person unknown. No clue to the robber.

The corner stone of the new Uni-  
versalist Church was laid at Akron on the  
18th inst. in the presence of a large assem-  
bly of people, with impressive cere-  
monies of the Masonic order, under the di-  
rection of W. M. Cunningham, of Newark,  
Grand Master of Ohio.

To forgive a name to a check or any  
other piece of paper, is a penitentiary  
fine, and yet the Republicans have a man  
upon their ticket, who forged his employ-  
er's name to a check, put the money in his  
pocket, and after being detected, cried like  
a blubbering child.

The soldiers and sailors reunion at  
Zanesville, on Thursday last, was a grand  
affair—over 15,000 persons being present.  
Governor Bishop was there in his glory.—  
About twenty infantry regiments partici-  
pated, besides artillerymen and gunboat  
men.

## GRAND CHICAGO EXCURSION.

Tuesday, October 1st, 1878, via Pan-Handle  
Route—The Last of the Season—Love  
Rates and Quick Time.

The great success of the recent ex-  
cursion to Chicago, via Pan-Handle Route,  
has induced the managers of that popular  
line to arrange for the last excursion of  
the season, on Tuesday, October 1st, 1878.  
The delightful Indian summer in the  
Northwest commences about October 1st,  
which will make a visit in that month  
more pleasant than at any other season of  
the year. There will be special attrac-  
tions at the Chicago Exposition early in  
the month, and those who desire to attend  
the theatres and other entertainments, for  
which Chicago is noted, should remember  
that October 1st is the date of the Grand  
Excursion. Only \$5.00 is the extremely  
low rate from Mt. Vernon to Chicago, and  
return, via Pan-Handle Route, Tuesday,  
October 1st. The Pan-Handle is not only  
many miles the shortest route for ex-  
cursionists, but offers them the more material  
advantage of several hours quicker time.  
By a recent change in time the evening  
train leaving Chicago, via Pan-Handle  
Route, arrives at Columbus next morning  
at 8:40 A. M., without interruption. Bread-  
ford, making close connection for all points  
in Central Ohio. The Pan-Handle is po-  
sitively the only route by which through  
sleeping cars are run in both directions  
between Columbus and Chicago. The Ex-  
press Train, via Pan-Handle Route, will  
leave C. Mt. V. & C. depot, Mt. Vernon,  
at 1:30 P. M. Tuesday, October 1st, and ar-  
rive at Chicago at 7:30 A. M. Tuesday,  
October 2nd. The Pan-Handle is the only  
connection for all points in the North-  
west.

## Wicked for Clergymen.

"I believe it to be all wrong and even  
wicked for clergymen or other public men  
to be led into giving testimonials to quack  
doctors or vile stuffs called medicines, but  
after a really meritorious article is made  
up of common valuable remedies known to  
all, and that all physicians use and trust  
in daily, we should freely commend Hon. H.  
B. Wilkinson, who has done this, and his  
and my friends, firmly believing they have  
no equal for family use. I will not be  
without them."

Rev. \_\_\_\_\_, Washington, D. C.

## The Stepping Stone to Health.

The acquisition of vital energy is the  
stepping stone to health. When the system  
lacks vitality, the various organs flag in their  
duty, become irregular, and disease is  
eventually introduced. To prevent this un-  
happy state of things, the debilitated system  
must be restored to its normal condition by  
the use of Hostetter's Stomach Bitters which  
invigorates the digestive organs, and insures  
the thorough conversion of food into blood  
of a nourishing quality, from whence every mus-  
cle, nerve and fiber acquire unwanted supplies  
of vigor, and the whole system experiences the  
beneficial effects. Appetite returns, the system  
is refreshed by healthful slumber, the nerves  
grow strong and calm, the despondency be-  
gotten of chronic indigestion and an uncer-  
tain state of health disappears, and that salu-  
ary appearance of the skin peculiar to habitual  
illness, and the system is restored to its nor-  
mal condition by a more becoming tinge. 86ml

Hair Vigor,

For restoring Gray Hair to

its natural Vitality and Color.

A dressing

which is at once

agreeable,

healthy, and ef-

fectual for pre-

serving the

hair. It is

restored to its

original color,

with the gloss and freshness of youth.

Thin hair is thickened, falling hair

checked, and baldness often, though

not always, cured by its use. Nothing

can restore the hair where the

follicles are destroyed, or the glands

atrophied and decayed. But the hair

which remains can be saved, and

remain as long as possible, and

be restored to its natural color and

freshness by its application. Instead of

fouling the hair with a pasty sediment,

it will keep it clean and vigorous. Its

occasional use will prevent the hair

from turning gray or falling off, and

consequently prevent baldness. Free

from those deleterious substances

which make some preparations un-

pleasant,
