ONE HUNDRED TWENTY-SECOND COMMENCEMENT

Kenyon Received Over \$200,000 During 1949 - 50 Academic Year

FOUR - YEAR TOTAL IS \$2,185,000

Robert B. Brown, Secretary of the College and Secretary of the Alumni, reported at the Alumni Luncheon on Sunday of commencement week-end that gifts during the academic year just closing amounted to \$203,261.92. Included in this total were gifts for current purposes to the collegiate department and to the seminary amounting to \$33,752.18. Contributions during the year to the Kenyon Development Program were \$40,368.00, gifts to the restoration of Old Kenyon since June 1949, \$126,610.24 and early gifts to the Kenyon Fund \$2531.50.

In commenting on this year's gifts, Brown pointed out to the alumni that in the last four years he has had the privilege of announcing at the Alumni Luncheon a total of \$2,185,462.86 in gifts and bequests received by the college.

Endowment Doubled in Decade

He reminded the alumni that whereas 10 years ago the total value of endowments both those held by the college and held for the college in trust, was \$1,710,000.00 today it is \$3,127,000.00: that in 10 years endowments had almost doubled.

The Secretary called attention to several gifts included in this year's total: the scholarship established by George Gund, a Kenyon trustee, which was brought during the year to a total of \$20,000.00, a scholarship being established by Thomas S. Matthews, another trustee, which this year reached \$8,000.00, a gift from Mr. and Mrs. B. B. Williams of Mt. Vernon of \$5,000.00 for library book endowment, this to be known as the Gordon K. Chalmers Fund, at the request of the donors, and a gift of \$250.00 to the restoration of Old Kenyon from the faculty and students of Hobart College given in memory of the late Bishop Reinheimer who was a member of the class of 1911 at Kenyon.

LARGEST CLASS IN HISTORY GRADUATES FROM COLLEGE

Exercises Held Out of Doors

Another "largest class in Kenyon History" has graduated and gone on its way: something less than half into the graduate schools of the country, in medicine, theology, law, business, science, education, etc.: the other half into jobs already secured or still to be secured.

On Monday, June 12 in what was probably the most colorful and impressive exercises yet held at Kenyon 133 young men received the A.B. degree; 38 of them with honors. Ten graduates of Bexley Hall were made bachelors in divinity; two received certificates of graduation. Seven distinguished representatives of the church, industry, publications and the arts were awarded honorary degrees.

For the first time in Kenyon history, commencement exercises were held under the trees, in front of Mather Science Hall. It was a beautiful clear day with a sparkling blue sky overhead and enough warmth in the air to make welcome the shade of the maples between Mather and Ascension.

Addresses Graduates on "Growing Up"

The long procession formed east of the chapel, wound into the chapel for the service of prayer and then out and down the middle path to the Main Entrance to Ascension Hall where it turned west to the stand erected in front of the Main Entrance to Mather Hall. Thomas S. Matthews, Editor of *Time* and a Kenyon trustee, gave a remarkable talk to the graduates on "Growing Up." Mr. Matthews' address is being published in pamphlet form along with the Rev. Mr. William C. Munds' Baccalaureate Sermon which was also notable and the excellent little talk made by George Gund at the Library Supper.

(Any alumnus desiring a copy of the pamphlet containing these three commencement speeches may have one by sending his request to the Secretary's Office.)

The commencement week-end started with the senior class dinner which was held in Peirce Hall Friday evening for the members of the Class of 1950, their fathers and members of the faculty. Professor

Alumni Council Minutes

(Excerpts from minutes of meeting held in Gambier, June 10, 1950)

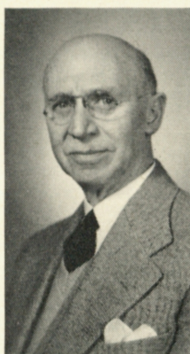

The following are excerpts from the minutes of the Alumni Council meeting held in Gambier on June 10.

Present: President Brereton, '34, Bex. '38, Vice-President Hammond, '30, Secretary Brown, '11 and the following members of the Council: Harter, '27, Curtis, '37, Boren, '38, Mallett, '34, Evans, '26, Lord, '31, Henry, '11, Macdonald, '35, Thomas, '36, Prosser, '40, Mitchell, '41, Olds, '39, and Messrs. Hughes, Simmons, Sangdahl and Gage. Also the following officers of the College: Dean Bailey, Dean Rahming, Dean DuBois and Mr. Pasini.

The Secretary reported on the financing of Old Kenyon, the Field House and the Kenyon Fund as follows. He stated that gifts to the restoration of Old Kenyon to date amounted to \$440,935.00. Of that amount \$135,468.00 came from alumni and \$305,467.00 from non-alumni. Of the total reported \$346,824.00 has been paid in cash. The unpaid balance in pledges amounted to \$94,111.00 of which \$66,000.00 is the amount remaining to be paid in the two succeeding years by the Diocese of Southern Ohio. Mr. Brown went on to say that with a total building cost of nearly \$900,000.00 it has been necessary for the trustees to draw

Alumni Secretary's Column

ROBERT B.
BROWN

At the Alumni Luncheon where it is always my pleasure to announce gifts received by the college during the past year, I threw out a good many figures, many of which are printed in this issue of the *Bulletin*. Some of those figures are very impressive and some are not so good. The totals are impressive, the number of alumni contributing to any one of the several purposes covered in the reports is far too small.

We Kenyon alumni are complacent and we cannot afford longer to be complacent. The future of Kenyon College is by no means secure. Kenyon College is not rich; it is relatively poor in 1950 terms. The Kenyon record for the last 126 years is strewn with the names of men and women who, often at great sacrifice to themselves, poured out their gifts to make Kenyon College what it has become, and to give it that measure of security which it has achieved. The record is full of all kinds of gifts from all kinds of people for all kinds of purposes. There have been gifts from the living and gifts from the dead and they all total to what was only a few years ago very sizable total assets in endowment and plant.

It is not necessary to go into the economic developments of the past few years — we all know them only too well. But the net result is something which everyone of us from the oldest to the newest alumnus should firmly fix in his mind. It is that Kenyon cannot survive in its present form; cannot carry on the work it is doing; cannot maintain its plant and above all Kenyon cannot command the services of the top flight teachers who make up the Kenyon faculty without the constant, energetic, generous and loyal work of her alumni.

I believe that in the times in which we live, there are few institutions which have a firmer claim on our loyalties, on our time and on our money than the still strong independent college which gave us our education.

These are critical times for the privately endowed, independent colleges. They are critical times for Kenyon and Kenyon must look to her alumni, as all other colleges in the country are looking to theirs, for the help which is needed to keep going and to advance.

You will be called on to stand up and be counted during the next year; to work for Kenyon and to give to Kenyon. We have done well. Let's do better!

List of Kenyon's Needs Surveyed by Committee Report to be Published

During the past six months, the Committee on Financial Development of the College under the Chairmanship of Mr. Wheaton and including Messrs. Cless, Dempsey, Gund, Shaffer, Weaver, President Chalmers, and Secretary Brown, ex officio, has carefully surveyed the long-term needs of Kenyon in all departments. The purpose in making the survey at this time is to provide the trustees and the college officers and in fact all the members of the college family with a list of those additions to endowments and to plant which are needed to round out the institution. It is not with the idea that there would be an intensive campaign to secure these things for Kenyon. The trustees and the officers of the college are often asked just what the college needs. Persons who are putting Kenyon into their wills are particularly interested in knowing this so their bequests may prove of maximum value.

At the Alumni Luncheon, Mr. Brown sketched the findings of the committee and came up with some pretty big totals. He said, for instance, that in the undergraduate college, there is needed a total of about a million and a quarter dollars for endowments to scholarships and grants-in-aid and about a half million dollars for the same purpose in Bexley Hall: that in the collegiate department as much as three million eight hundred thousand dollars could be used for professorships and over five hundred thousand dollars in the theological department. There is needed for such endowments as lectureships, Easter lectures, deanships, librarianships, assembly speakers, funds, etc. an endowment of over eight hundred thousand dollars. And the physical needs of the college, including the completion of Old Kenyon, compensation for fire losses, the debt on the Field House, the completion of the Field House, a new library building, a new organ in the chapel, a new dormitory, book fund, scientific needs and certain improvements in Bexley Hall two and a half million dollars.

In the near future, there will be published by the college a pamphlet listing these needs for all to see in the hope that from time to time the alumni and friends of Kenyon will find it possible to supply them.

Miss Lucy Webb Hayes, daughter of the late Sherman Hayes, '12, and great-granddaughter of President Rutherford B. Hayes, became the wife of Lt. Col. Lloyd W. Hough, U.S.A., at an important wedding in Fremont's historic Spiegel Grove in April. The Rev. William A. Thomas, K. '12, B. '14, classmate and fraternity brother of the bride's father officiated.

First Alumni Awards Made to Entering Men

Five high school and preparatory school graduates will receive grants from the new Alumni Grant-in-Aid and Loan Fund in the autumn. They are the young men who did not quite win scholarships in the highly competitive scholarship examinations but who, in the opinion of the committee, promise to make important contributions to the life of the college. The grants vary in size according to need but all are substantial and all were necessary to permit the recipients to come to Kenyon. Following are the successful candidates, of a large number considered:

Brian E. Donohue, Lakewood, Ohio, St. Ignatius High School, Cleveland.

Joseph F. Culp, Arlington, Va., Washington-Lee High School, Arlington, Va.

Eugene Mio, Cleveland Ohio, St. Ignatius High School, Cleveland.

Richard M. Eller, Geneva, Ohio, Geneva High School.

Michael W. Debany, Tuckahoe, N. Y., Trinity School, New York City.

Memorial To Be Dedicated To Kenyon Fire Victim

An audience of 1,000 persons attended the second annual Keystone variety show at Wood Auditorium, Mount Vernon, New York, April 15, during which Bert Cooper presented a check for \$6,000, representing show receipts and previous pledges, to Sam Winokur, president of the local YMHA board of directors.

The check was earmarked for the YMHA special fund set aside for the construction of a \$20,000 memorial lounge room in the new YMHA Community Center in memory of Edward H. Brout, who lost his life in the Kenyon College fire last year.

From Clyde Moore's column, "The Morning After," which appears in the *Ohio State Journal*, the following item is taken:

MORE CELEBRITIES: James Thurber in town after having honorary degree conferred upon him at Kenyon College. Mrs. Thurber with him. Visiting his mother, Mrs. Charles Thurber and brother Robert in Southern Hotel. Hope the degree won't influence a change in Jim's fine brand of humor. It'll probably inspire a fine piece. He commented, "Before going to Kenyon to get the degree, I had some misgivings, but actually I enjoyed the experience."

PROCESSION MARCHES TO THE STEPS OF MATHER HALL

Led by two undergraduate marshalls, the largest graduating class in the history of the College marches to the new site of the Commencement exercises — the shaded green between Ascension and Mather Halls. A procession of some 200 marchers filed past a crowd of a thousand guests to their seats in front of the temporary graduation stage. The weather was perfect and cameras were kept busy photographing one beautiful picture after another.

Peirce Cup Goes to '98 Second Successive Year

The loss of the Peirce Cup to the Class of '88 two years ago has proven an incentive to the '98ers to return in force to the College at Commencement time. While they failed to receive the coveted award at their fiftieth reunion, they succeeded at their fifty-first and repeated their success at their fifty-second in June. Harry B. Shontz, '98, Roslyn, N. Y. is shown receiving the trophy and congratulations for the class from President Chalmers.

Wilburn C. Campbell, B. '35, Consecrated Bishop in Rites at Wheeling

On May 18, midst the pomp and pageantry of the Episcopal Church, the Reverend Wilburn Camrock Campbell, B. '35, D.D. '50, was made a bishop.

Dr. Campbell, 39, is the youngest bishop in the country and will serve as bishop coadjutor of West Virginia.

The service, one of the most elaborate in the Episcopal Church, brought together 10 bishops and more than 100 clergymen.

Bishop Campbell, serving until July 1 as rector of the Church of the Ascension in Pittsburgh, will assist the present Bishop of West Virginia, the Right Reverend Robert E. Lee Strider, until Bishop Strider's retirement in 1955. At that time Bishop Campbell will become Bishop of West Virginia.

The ceremony took place in St. Matthew's Church, Wheeling, W. Va., where two of the three Bishops of West Virginia had been consecrated.

There, in a service of more than two hours, Bishop Campbell took his place among his elders.

The consecrator was the Right Reverend Henry St. George Tucker, retired presiding bishop and retired Bishop of Virginia and the co-consecrators were the Right Reverend Fred-

erick Deane Goodwin, Bishop of Virginia, and Bishop Strider.

Presenting the candidate were the Right Reverend Frederick Grant Budlong, Bishop of Connecticut and the Right Reverend Austin Pardue, Bishop of Pittsburgh.

The Right Reverend Lauriston Livingston Scaife, Bishop of Western New York, preached the sermon, reaffirming the strength of the church.

Litanist was the Right Reverend Harold Everett Sawyer, Bishop of Erie. Epistoler was the Bishop of Harrisburg, the Right Reverend John Thomas Heistand. Gospeller was the Right Reverend Wallace John Gardner, Bishop of New Jersey.

Consent of the 86 bishops who approved the elevation of Dr. Campbell to his new post was given by the Right Reverend Beverley Tucker, Bishop of Ohio.

Master of ceremonies was a close friend of Bishop Campbell's, the rector of St. Matthew's, the Reverend J. Moulton Thomas.

The Presiding Bishop and the other bishops present laid their hands upon the head of Bishop Campbell in the ceremony which traditionally has passed from Disciples, Apostles and Bishops from the time of Christ.

DR. RICHARD G. SALOMON, professor of history, has an interesting article in Volume XIX of the *Historical Magazine of the Protestant Episcopal Church*. Pertaining to an unusual collection of autographs, manuscripts and letters of 168 of the first 172 bishops of the Episcopal Church, which he calls a "chance find," his article is a challenge for church historians to examine the collection more closely for it may well be a treasure house of historical information.

on their unrestricted funds to keep the building under construction, and that it had recently been necessary to do some large-scale borrowing in order to complete the building. The financing which the trustees have accomplished is for one-year period, and it is hoped that much of the loan can be paid off within that year.

The Secretary reported that the debt on the Field House amounts to \$140,000.00 and said that these two obligations, i.e. Old Kenyon and the Field House, would be the principal concern of everyone connected with the college until they are paid off.

He reported that to that date there had been received \$2531.50 to the Kenyon Fund since the first announcement went out in May. It is hoped that the Kenyon Fund will produce largely this year and the first appeal will be followed up by numerous others between now and the end of the calendar year.

The Chairman then called for nominations for candidates for the Gregg Cup Award. Mr. Hammond, reporting for the Executive Com-

mittee, nominated Ernest C. Dempsey, 1911. Seconded by Mr. Hughes. There was then discussion concerning the award and there being no nominations from the floor it was moved and seconded that nominations be closed. Unanimously voted. The citation follows:

The Gregg Cup for this year is awarded to Ernest C. Dempsey, of the Class of 1911.

Ernest Dempsey has served Kenyon ably and well since 1921 when he was elected to membership on The Board of Trustees to succeed his illustrious father.

Since 1930 he has served as Secretary of the Board and is now Chairman of its Executive Committee. As an attorney he has handled many intricate matters to the great advantage of the College.

This award is evidence of the respect and esteem in which he is held by his fellow Kenyon men.

The report of the Nominating Committee was then called for and was presented by Mr. Hammond. For President of the Alumni Council William G. Caples, '30 of Chicago to succeed Mr. Brereton; for Vice-President George B. Hammond, '30 of Columbus to succeed himself; for Secretary-Treasurer Robert B. Brown, '11 to succeed himself; for Executive Committee member William H. Thomas, Jr., '36 of Cleveland to succeed Mr. Caples; and Walter C. Curtis, '37 of Mount Vernon and A. Rodney Boren, '38 of Dayton each to succeed himself. For Members of the Council to be elected by the Council Jackson E. Betts, '26 of Findlay, Ohio to succeed Mr. Cless and Nicholas S. Riviere, Jr., '42 of Pittsburgh to succeed Mr. Crofut.

The Chairman then called for nominations from the floor. There being none it was moved and seconded that nominations be closed. Voted. On motion of Mr. Harter seconded by Mr. Prosser the above candidates were unanimously elected.

The committee then reported that it would nominate the following candidates for election by the Alumni Association at its meeting on June 11th: for President of the Kenyon Alumni Association William G. Caples, '30 of Chicago to succeed Mr. Brereton; for Vice-President George B. Hammond, '30 of Columbus to succeed himself; for Members of the Council at large Carl A. Weiant, '05 of Newark and Robert B. Brown, '11 of Gambier each to succeed himself.

The Chairman then requested Mr. Evans to report to the Council the recommendation of the Executive Committee concerning a change in the size of the Executive Committee. Mr. Evans then asked for the approval of the Council of the following amendment to the Con-

stitution of the Kenyon Alumni Association, that: the Executive Committee membership be increased from six to nine. His reasoning was that the Executive Committee now does a large share of the work of the alumni between Council meetings: it is sometimes difficult to secure a quorum whereas it will be a little easier with a larger committee (five out of nine instead of four out of six) and also that it would draw more alumni into the intimate affairs of the college. There was some discussion of the suggestion after which it was moved by Mr. Hammond and seconded by Mr. Harter that a Committee of three be appointed to include Mr. Evans and the two lawyer members present, Messrs. Harter and Macdonald, to put in shape the amendment to the Constitution which would be necessary in order to effect this change. Unanimously voted. Mr. Evans was requested to submit the question to the meeting of the Kenyon Alumni Association on Sunday for adoption.

Mr. Brereton announced that Messrs. James Hughes and Frank Mallett would act as inspectors of Election of Alumni Trustees and report at the Alumni Association meeting on Sunday.

There then followed general discussion and excellent talks by Dean Bailey, Dean DuBois,

TEN NEW EPISCOPAL DEACONS ORDAINED IN COLLEGE CHAPEL — Recent Gambier church history fails to record a service like the one which took place in the Church of the Holy Spirit on June 13. At that service the ten young men shown above were ordained to the diaconate of the Episcopal Church. Left to right, they are the Rev. Messrs. Vandort, Ferguson, Haynes, Seitz, Frisby, Sickler, Timberlake, Jarvis, Harig, Worman. The story of their ordination appears elsewhere on this page.

Living Church Editorial Praises Bishop Jenkins, '97

(Reprinted from *The Living Church*,
July 2, 1950)

Thursday, June 29th, was the 50th anniversary of the ordination to the diaconate of the Rt. Rev. Thomas Jenkins, retired Bishop of Nevada. Appropriately, the Bishop's plans for the day included preaching the sermon at the ordering of a deacon at Ashland, Ore.

A missionary from the beginning of his ministry to the present moment (including the 15 years he spent as rector of parishes in Ohio and Oregon), Bishop Jenkins has done some of his most active work since his retirement in 1942. The first year of retirement he wrote his book, on Bishop Rowe, *The Man of Alaska*. The next three years he served without salary in Port Orford, Ore., opening up a dilapidated chapel and getting Church work in the county on a firm footing. Then he went to Long Island to assist Bishop DeWolfe, and confirmed more people there than he had during his 13 years as Bishop of Nevada. Then, after a short interval in charge of St. Thaddeus', Akiak, S. C., he returned to Port Orford where he cares for the congregation of St. Christopher's, and recently he has been giving episcopal assistance to the Bishop of British Columbia.

It seems to be fun to be a retired Bishop — if you go about it with the energy and verve of Bishop Jenkins! May God grant him many more years of valiant service to His Church Militant and a fitting welcome into the Church Triumphant at the end.

BISHOPS TUCKER, BURROUGHS AND WHITEMORE ORDAIN TEN MEN DEACONS IN THE EPISCOPAL CHURCH

NINE OF THE ORDINANDS ARE BEXLEY HALL GRADUATES

Ten deacons were ordained on June 13 in the Church of the Holy Spirit. Nine of the ten were ordained by the Right Reverend Beverley D. Tucker, S.T.D. '38, Bishop of the Episcopal Diocese of Ohio, who was assisted by the Right Reverend Nelson M. Burroughs, D.D., '49, his coadjutor. The tenth young man was ordained by the Right Reverend Lewis B. Whittemore, D.D. '39, Bishop of Western Michigan.

The two hour service, witnessed by an overflow congregation in the Gothic chapel, was one of the largest and most impressive of its kind ever held. A lengthy procession, including the three bishops, thirty attending priests, the deacons and their presenters, the faculty of Bexley Hall, the Divinity School of Kenyon College, seminarians and the choir, presented the Church in all its colorful pageantry.

Dean Emerson Preaches Sermon

The Very Reverend Chester B. Emerson, D.D. '33, Dean of Trinity Cathedral, Cleveland, preached the sermon. To the congregation he said, "A man's greatest and most enduring ministry lies in his contacts with his people. When he sits at supper with them in their homes, when he stands with them in their

struggles, when he kneels beside their beds in their sickness . . . when he is an understanding and sympathetic friend in all the varied interests that make up the sequence of living. . . . It is then his words become living. It is then he communicates the grace of Christ that may be in him to the need of those who desire but know not how to satisfy their want."

Turning to the ordinands, the dean encouraged them to be themselves. "Don't try to be anybody else. God gave you something He gave to nobody else. Something peculiar to you, something He expects you to discover, develop and bestow. It may not be a great gift, but if you use it nobly and completely it will have its use in the Kingdom. And all of us are needed." He concluded his sermon by telling the ordinands that they should take up their charges with the conviction that their work is the work of God. He urged them that "Whether success or failure be ostensible, be sure that you have followed the light which has been given you, and having done your best, leave the rest to God."

Following the sermon the ordinands were presented to the Bishop by their presenters. The litany was then read by the Very Reverend Corwin C. Roach, Dean of Bexley Hall, the Divinity School of Kenyon College, from

which nine of the ordinands were graduated in Monday's Commencement exercises. The tenth young man was graduated from Virginia Theological Seminary, Alexandria, Virginia.

The service of Holy Communion followed.

The Candidates are Ordained

After the epistle, which was read by Bishop Whittemore the examination and Ordination of the ordinands began. After they had been examined, Bishop Tucker, Whittemore and Burroughs placed their hands upon the heads of the candidates and ordained them. One of the ordinands was ordained by Bishop Tucker, for the Right Reverend Benjamin M. Washburn, D. D. '49, Bishop of Newark.

Bishop Burroughs read the Preface to the Ordinal and the Venerable Donald Wonders, K. '13, B. '16, D. D. '34, the Oath of Conformity, while the Reverend Thomas V. Barrett, Chaplain of Kenyon College, acted as Master of Ceremonies. The Reverend Herbert John Vandort, one of the newly-ordained deacons, read the gospel.

Deacons Receive Assignments

The deacons, their presenting priests and their assignments are: William Edward Ferguson, K. '49 by the Reverend Harold R. Landon, rector of Saint Paul's, Steubenville, Ohio, to the Mansfield, Ohio, area, for missionary work under direction of the Bishop; Thomas Franklin Frisby, by the Reverend Walter F. Tunks, K. '10, B. '15, D. D. '33, rector of Saint Paul's Church, Akron, to Grace Church, Defiance, Ohio; Richard Oliver Harig, also by the Reverend Doctor Tunks; John Greenlee Haynes, by the Reverend G. Russell Hargate, K. '31, B. '32, rector of Saint Andrew's Church, Elyria, Ohio, to Emmanuel Church, Cleveland; Alfred William Jarvis, by the Reverend Arthur W. Hargate, K. '36, B. '38, rector of Trinity Church, Toledo, to Saint Mark's Church, Sidney, Ohio; William Clinton Seitz, Jr., K. '41, by his father, the Reverend Doctor William Clinton Seitz, K. '15, B. '17, S.T.D. '30, professor at Bexley Hall, to Saint Andrew's Church, Lincoln Park, New Jersey; Edward Alexander Sickler, by the Reverend Clyde Brown, rector of Saint Andrew's Church, Barberton, Ohio, to Christ Church, Shaker Heights, Ohio; George Philip Timberlake, K. '47, also by the Reverend Mister Landon, to the Church of the Holy Spirit, Gambier, Ohio; Herbert John Vandort, by the Reverend Donald V. Carey, K. '25, B. '29, D.D. '46, to Grace Church, Grand Rapids, Michigan; and William George Worman, by the Reverend J. W. Quinton, rector of Saint Paul's Church, Fremont, Ohio, to Saint Paul's Church, East Cleveland.

McNairy, K. '32, B. '34, Accepts Important Parochial Post

The Rev. Philip F. McNairy, K. '32, B. '34, has resigned as rector of Christ Church, St. Paul, Minnesota, to accept the deanery of St. Paul's Cathedral, Buffalo, New York. St. Paul's is the oldest Episcopal parish in the western New York metropolis and is a downtown church of 1,800 communicants. The Rev. Mr. McNairy will have a staff headed by two clergymen, who will be his administrative associates in the ministry of the cathedral.

Praise for Mr. McNairy's leadership in community and statewide Protestant cooperation while at Christ Church was expressed by the Rev. Alton M. Motter, secretary of the St. Paul Council of Churches, and the Rev. Hayden Stright, secretary of the Minnesota Council of Churches.

"Hardly ever does an entire community feel such a definite sense of loss in the resignation of a denominational minister as the city of St. Paul feels following the announcement of the Rev. Mr. McNairy's decision to accept the Buffalo position," the Rev. Mr. Motter said.

Leaders of St. Paul community civic projects are already wondering where they will look to find a successor with the Rev. Mr. McNairy's interests and abilities. He has been a leader of several youth projects and has held high offices in several of St. Paul's civic councils. In 1946, he was elected St. Paul's Outstanding Young Man of the Year by the Junior Chamber of Commerce of that city.

Bishops at Ordination

Three Bishops of the Episcopal Church participated in the ordination of ten young men into the ministry of the Church. Shown above, they are the Rt. Rev. Lewis B. Whittemore, Bishop of Western Michigan, the Rt. Rev. Beverley D. Tucker, Bishop of Ohio, and the Rt. Rev. Nelson M. Burroughs, Bishop Coadjutor of Ohio.

COMMENCEMENT 1950

(Continued from page 1)

John Chalmers was the guest speaker this year and delivered a bright and witty history of the class as he had seen it. The Smoker followed at nine o'clock where faculty, alumni, members of the graduating classes and their fathers met and visited and sang.

Saturday was given over to meetings of the Executive Committee of the Alumni Council, the meeting of the Alumni Council and the annual meeting of the Board of Trustees. In the afternoon, there was softball and tennis on the Athletic Field.

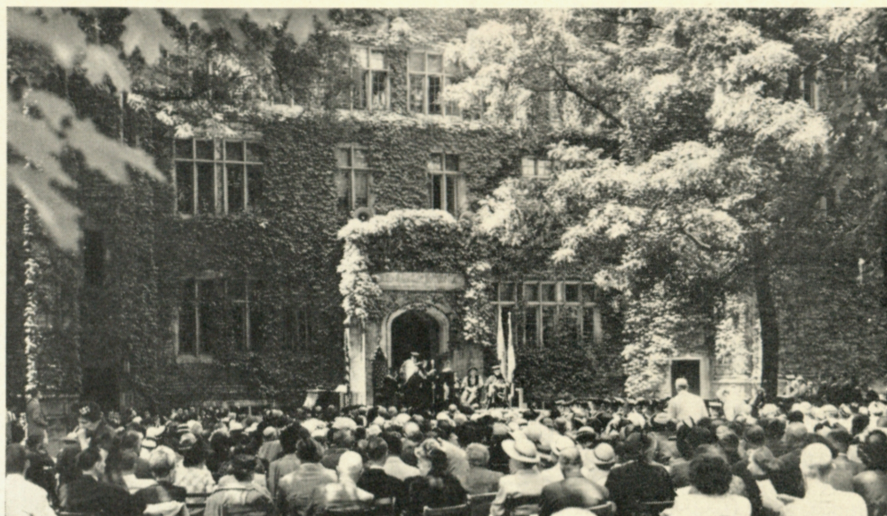

President and Mrs. Chalmers were hosts at dinner to the recipients of honorary degrees in the evening and there was a performance of "Leave it to Horace," the 1950 college musical comedy for the parents of the members of the graduating classes and for college guests for the benefit of Old Kenyon. As usual the fraternities held their meetings and sang down the Path. It was a beautiful night and the singing was unusually good lasting until about 10:30. After that the reunion tent on the campus did a thriving business and there were the usual parties in the divisions.

On Sunday there were early morning communion services both in St. Mary's Chapel, Bexley Hall and in the College Chapel.

Largest Klan Breakfast

The fifth annual Kenyon Klan Breakfast was the largest and most enjoyable yet held, on the lawn in front of Rosse Hall with all

FIRST OUTDOOR COMMENCEMENT DRAWS CROWD

The first outdoor Commencement exercises in the history of the College drew a crowd of more than a thousand parents and guests from nearly every state in the country. Seated comfortably under the trees between Ascension and Mather Halls, they were the happiest crowd in history, too. Part of the crowd can be seen in the picture above. Alumni, remembering other commencement exercises in Rosse Hall, asked, "Why didn't they do this when I was in College?" Me, too!

members of the Klan and former letter men who were on the Hill present.

At 11:00 the Church of the Holy Spirit was packed to the last seat and people were turned away, for the Baccalaureate Service. There was the usual academic procession, an excellent sermon by Dr. Munds, an alumnus trustee of the college and a graduate of Bexley Hall.

Phi Beta Kappa met at noon and at one o'clock the annual Alumni Luncheon and annual meeting of the Kenyon Alumni Association was held in Peirce Hall with a capacity crowd. After luncheon and following the annual meeting of the Association at which the election of Mr. Shaffer and Mr. Evans was announced, Robert W. Macdonald, '35 of Chicago spoke entertainingly taking as his "text" the words from the Kenyon Coat of Arms "Magnanimitur Crucem Sustine" — bear the cross bravely. He spoke about the part the small college, particularly Kenyon, plays in preparing its men to meet the everyday challenges and the duty and the obligation of Kenyon to face and solve national problems.

President and Mrs. Chalmers were at home to commencement guests in the afternoon at Cromwell House and in the evening there was held in the Alumni Library another pleasant Library Supper for those particularly interested in the library and its work. After the buffet supper, Mr. Parker, the Librarian, gave a most interesting talk about the work of the library during the past year and recent acquisitions to it, and George Gund, trustee, spoke most interestingly on "A Banker Looks at the College Library."

Another presentation of "Leave it to Horace" in the Speech Building then an hour or

two of splendid singing from the steps of Rosse Hall with a large audience seated in front of Rosse Hall and across the campus completed the evenings activities.

Monday morning was given over to the commencement exercises followed by a buffet luncheon for all of the commencement guests served in the Great Hall and on the lawn east of Peirce Hall. After the luncheon there was a general exodus of graduates, parents and College alumni.

In the evening the Bexley Society and alumni held their annual banquet in Peirce Hall at which the speaker was The Rt. Rev. Wilburn C. Campbell, Bishop of West Virginia.

The following morning there was a beautiful and colorful service of ordination in the Church of the Holy Spirit at which ten young men were ordained by Bishop Tucker, Bishop Burroughs and Bishop Whittemore of Western Michigan. The service, witnessed by an overflow congregation, was one of the largest and most impressive of its kind ever held here. In addition to the three Bishops who took part, there were 30 attending priests, the deacons and their presenters, the faculty of Bexley Hall, the seminarians and the choir.

The Very Rev. Chester B. Emerson, Dean of Trinity Cathedral, Cleveland, preached the sermon which was an unusually fine charge to the young men leaving that day or the following one to take up their work in parishes in Ohio and elsewhere.

A buffet luncheon for the clergy and for the Bexley Hall guests followed the service and brought to a close the varied and traditional activities of commencement week-end.

Chalmers and Matthews

President Chalmers and T. S. Matthews, Kenyon Trustee and editor of *Time*, chat briefly before the Commencement ceremonies. Mr. Matthews, who delivered the Commencement address, became an honorary alumnus of the College during the ceremonies, receiving the degree of Doctor of Humane Letters.

The resolution went on to say, "His professional and civic life has built for him a memorial which will endure for generations to come."

He was a member of many legal, social and fraternal organizations, being particularly active in the Elks. He was a lifelong member of the Findlay Bar Association.

Kenyon School of English Has International Atmosphere In Third Summer Session

The third session of the Kenyon School of English, the only graduate school of literary criticism in the country, opened at the College June 29, with an enrollment of about seventy-five students and auditors, who are spending six weeks here studying literature with some of the most prominent writers and scholars in America and England.

Graduate students of English from many of the country's leading colleges and universities, teachers of literature, and young writers are in attendance. Among the Teaching Fellows are William Empson, noted British critic and poet from the National University in Peking, Mr. L. C. Knights of the University of Sheffield, England, one of the editors of SCRUTINY, the leading English literary quarterly; Robert Lowell, Pulitzer Prize poet; K. '40, Philip Blair Rice, associate editor of the KENYON REVIEW; and other such outstanding writers and professors as Arthur Mizener, Kenneth Burke, Delmore Schwartz.

The students come from every section of the United States, and from England, India, Italy, and Puerto Rico. They elect only two courses, and as the classes are small, the opportunity for discussion and the personal criticism of papers is unusual among graduate schools.

The Forum of the School of English is held every Wednesday evening in the theater of the Speech Building at eight o'clock. On June 28, Mr. L. C. Knights gave the first Forum address, on "LITERATURE AND THE STUDY OF SOCIETY." The full program includes Mr. Lowell on Robert Frost, Mr. Schwartz and Mr. Mizener on modern fiction, and the other Fellows on special critical topics.

Among the students enrolled in the third session of the School are Gyan P. Johari, Lecturer in English, the University of Lucknow, India; Joseph K. Yawagima, chairman of the Department of Far Eastern Languages and Literatures in the University of Michigan; Mrs. Joy Flint of the Saint Ann's Society, Oxford University; and George Lanning, of Kenyon, who was the 1950 winner of the national short story contest conducted by TOMORROW magazine.

Central Ohio Picnic

Members of the Alumni Association of Central Ohio, including honorary alumnus Governor Frank J. Lausche, attended a picnic at the home of Mr. and Mrs. J. C. Stoddart in Worthington. Henry S. Enck, '36, was chairman of the Social Committee, and Association President Frank McL. Mallett, '34, in charge of publicity. President Chalmers and Secretary Brown attended from the College.

MEAD RECEIVES HONORARY DEGREE FROM KENYON

George H. Mead, Honorary Chairman of the Board, The Mead Corporation, kneels to receive the honorary degree of Doctor of Laws from President Chalmers. Mead was one of seven men to receive honorary degrees at the College's 122nd Commencement. Stuart R. McGowan, '28, chairman of the Political Science department, stands behind Mr. Mead.

Southern Ohio History Told In "The Messenger"

A short, but very interesting history of the first 75-years of the Diocese of Southern Ohio is told in the June issue of *The Messenger*, Diocesan Publication. Numerous references to Kenyon and Kenyon men are naturally made in the number, which is divided into biographical sketches of the bishops of the Diocese.

Prepared by a committee of priests, the history begins with Bishop Chase and ends with Bishop Hobson. A handsome, full-color seal of the Diocese appears on the cover.

Four Kenyon and Bexley men served on the six man committee who prepared the Silver Jubilee historical number of *The Messenger*. They were the Rev. Gilbert P. Symons, B. '07, the Rev. Maxwell B. Long, K. '05, B. '08, D.D. '33, the Rev. Francis J. Moore, D.D. '47, and the Rev. Phil Porter, K. '12, B. '14, D.D. '29.

Library Receives Collection Of Books On Socialism

The College Library has recently received a remarkable collection of over 500 titles of books concerned with Socialism, which were once in the library of the Rt. Rev. William M. Brown, B. '83, DD., '98. This collection which contains the complete works of such spokesmen as Marx, Lenin, and Engels has many records of the early years of the Socialist Party in America, including ephemeral pamphlets and periodicals. This material is invaluable for the study of Socialism in America and because of its ephemeral quality is increasingly valuable and difficult to purchase. The Trustees of the Bishop Brown Estate of Galion, Ohio, have thus enriched the collection of the College Library by this Socialist literature and the theological collections of Bexley Hall through their loan to our libraries of 2,162 books.

Ohio Educators Attend Third School and College Conference, May 21-22

High school principals and superintendents of schools from all over Ohio gathered at Kenyon May 21-22 to discuss with the college's administrators and faculty people problems of mutual interest. Representing high schools from large urban centers like Cleveland and Cincinnati and small rural communities like Gambier, these educators exchanged observations on such topics as "Preparation for College vs. Terminal Education," "The Teaching of Foreign Languages in High School and College," and "Preparation for Citizenship." Pictured above with President Chalmers are 21 of the principals and administrators. From left to right they are: Frank W. Tear, Principal, The Rayen School, Youngstown; J. Fred Essig, Assistant Superintendent, Youngstown Public Schools; John Shively, Principal, Gambier High School; E. E. Smeltz, Principal, John Adams High School, Cleveland; M. H. Povenmire, Principal, Lakewood High School; Kenneth West, Principal, Mount Vernon High School; H. L. Sullivan, Superintendent, Marietta Public Schools; B. S. Bradbury, Principal, Wyoming High School; Robert L. Fleming, Principal, South High School, Youngstown; Fred Mullenix, Principal, Marietta High School; President Chalmers; R. W. Cadwallader, Principal, Western Hills High School, Cincinnati; E. E. Butterfield, Assistant Superintendent, Cleveland Public Schools; Edgar A. Wins Anderson Trophy

David M. Bell, Lakewood, Ohio, graduate, received the E. Malcolm Anderson Trophy as the undergraduate who did the most for Kenyon during the 1949-50 academic year. Bell, who excelled in athletics and who hopes to study medicine, is shown receiving the trophy from President Chalmers.

ALUMNI COUNCIL MINUTES

(Continued from page 6)

Mr. McGowan and Mr. Pasini concerning various affairs of the college and particularly athletics, admission and scholarships. Frank Mallett was asked to report on his publication, *The Central Ohio Kenyonite*, which has done so much to bring together the alumni in Columbus and vicinity, and it was suggested that this idea might be followed by other associations as a means of enlisting the constant help of the alumni.

The President of the College sent a message to the meeting to advise the alumni of the appointment of Mr. Tracy Scudder of Washington as Associate Director of Admissions, "on the understanding that he will very soon take over the direction of the admissions program of the College." President Chalmers commented, "I enclose a biographical account of Mr. Scudder. I am delighted at Mr. Scudder's acceptance, and I am confident that his appointment

Kenyon Quits Conference; Will Use Freshmen In Varsity Athletics

Kenyon resigned from the Ohio Conference on May 27, after failing in its effort to obtain Conference approval for the use of freshmen on varsity teams. The withdrawal of Kenyon, one of the charter members of the Conference, which once included nearly every college in the state, leaves the loop with only a dozen members.

The decision to resign may or may not be a permanent arrangement, depending on the success of the freshmen experiment. Kenyon will use the frosh for a period of two years. If, at the end of that time, the plan does not work, it may ask for readmission to the O. A. C.

will be confirmed by the Trustees on Saturday. He will come to the College in August.

Schneebeck Retains Title As Lords Finish Second To Oberlin In O. A. C. Meet

Bill Schneebeck proved to the Ohio Conference that the singles crown he won so easily last year still fit him perfectly as he dumped Oberlin's John Wenrich in straight sets at Oberlin May 20. But while his good luck continued in the singles, Schneebeck again failed to find just the right partner in the doubles. After winning the first set from defending champions Wenrich and Carter Donohoe, Schneebeck and Tim Ryan lost the final two and the Conference championship for the second year in succession.

Oberlin amassed 19 points, one for each win during the elimination tourneys. Kenyon had 11 and finished second. Kent State, Denison, Wooster, Wittenberg, Akron, Ohio Wesleyan, Otterbein and Muskingum finished in that order. For Oberlin, it was particularly satisfying to win from Kenyon because the dual match between the two arch-rivals had been so close.

In regular season competition, Kenyon won seven matches and lost four. The team next year will be without the services of Schneebeck, Bob Frenkel and Charlie Thomas, all of whom were members of the graduating class. Returning will be Tim Ryan, Big Rapids, Michigan star, who won more individual matches than any other player on this season's squad, Jack Goldberg, New York City, and Herb Ullmann, from Oak Park, Illinois. Two freshmen, Tildon McMasters, Louisville, Kentucky, and Ronnie Ryan, Cincinnati, look like prospects for high berths on next year's championship team.

"No Runs, No Hits, Four Errors"

Nelson Reeves, Ohio Wesleyan's star hurler, pitched a three-hitter as the Bishops walloped the Lords, 5-1, on May 20. Ten days later, after ironing out the kinks in his good right arm, Reeves struck out 20 Kenyon batters as he set them down with no runs, no hits and four errors, 10-0, in the final contest of the 1950 season.

In the worst season since 1947, when they failed to win a single game, the Lords managed to salvage only one victory in twelve contests. Their win came in the opening game of the year when they topped Wooster, 8-2, as Dave Bell pitched a brilliant two-hitter. They dropped eleven straight after that.

Bell, who handled the lion's share of Kenyon's pitching, never failed to turn in a good performance. But hits were few and far between and fielding was at best passable, and that's the story of a bad year in baseball.

Trackmen Win Five Straight; Squad Small but Versatile

The Purple track squad continued to show improvement this spring and racked up five straight victories before tasting defeat in its two final meets. Despite the shortage of track and field men, the squad had several very versatile athletes among its members.

Captain Pete Schroeder, Mt. Lebanon, Pennsylvania, star, participated in no less than eight separate events at various times during the season. Schroeder, who graduated in the Class of 1950, scored Kenyon's only points in the Ohio Conference meet, tying for third place in the pole vault, and taking fifth in the broad jump.

Early season victories over Fenn and Wooster made the prospects for an undefeated season seem very bright to Coach Bob Parmelee. But the loss of Stanley Jackson, Steubenville, Ohio, speedster, in the dashes, due to injuries suffered in spring football practice, and several other factors, forced the Lords to come out second best in a triangular meet with Allegheny and Slippery Rock. The final loss of the season to Mount Union was a case of a good big team beating a good little team.

The prospects for next season are very good. Four event man Phil Best, from Washington, D.C., will be back for his final season, along with several sophomore stand-outs from this year's team. The loss of Schroeder, miler Jack Sanford, weight-man Tom Davis, and middle distance man Bob Carr, will be difficult to compensate for.

Lacrosse Squad Drops Only One Contest; Wins Mythical Crown

Sparked by the brilliant play of midfielder Johnny Jones, a slightly built sophomore from Granville Center, Massachusetts, Kenyon's lacrosse squad blasted its three midwestern opponents in five contests to win the mythical midwestern crown for the second year running. Kenyon also romped to a lop-sided win over the Penn State J. V.'s to pile up six victories to only one defeat in its best intersectional season thus far.

Four exhibition games against teams like Syracuse and R. P. I., ranked fifth and sixth nationally, aided the Lords' cause immeasurably. The experience picked up in each of those contests made the marked difference between Kenyon and its Ohio rivals, Ohio State, Oberlin and Denison. The Lords beat State and Oberlin twice and Denison once. Their only defeat came at the hands of a strong Hobart squad.

Coach Bill Stiles will have his first string midfielders returning next season and plenty of other experienced players for each position. Lost to the squad will be Peter Weaver, '50, who was graduated in June. It was Weaver, who single-handedly revived Kenyon interest in lacrosse after World War II. An outstanding player in his own right, he is the only Kenyon man ever to have been named to a berth on the All-South squad.

LORD GOLFERS ENTER NATIONAL TOURNEY: AFTER BURNING UP CHAMPIONSHIP COURSE RECORD ROUND AT WOOSTER FIVE DAYS LATE

Perry Trinkner carded a par-shattering 68, Burt Craig fired a 73, Gerri Cannon a 74 and Bob McFarland an 80, but all the record 295 total meant was that the Lord golfers were the only squad to beat Wooster on its home course in a dual meet this spring. Had they been able to duplicate the feat on the same course five days earlier, the Kenyon team would have walked away with the Conference meet by 12-strokes. As it was, they settled for a weak third with 317, ten strokes behind winning Kent State and eight behind second place Otterbein.

Following their record performance at Wooster, the Lords slumped to lose to a mediocre Wesleyan team. But knowing the potential they possessed, they continued to play hard and often to prepare for the N. C. A. A. tournament at Albuquerque, New Mexico. And, after Trinkner's graduation from Kenyon they

made the long trip west.

At Albuquerque, none of the Lords qualified for match play in medal rounds, although Trinkner lost out in a play-off. Trinkner teamed with Paul Harney of Holy Cross to gain a split with Bob Dare, Kansas University, and Joe Lynch, Denver University, as the East downed the West 6½ to 4½. As a team, Kenyon finished 23rd in a field of 47.

In regular season play this spring, Dave Henderson's team won five and lost five matches. Three of the regulars will return next season, but it will be several years before another Perry Trinkner comes along. The son of Perry E. Trinkner, '25, of Mount Vernon, Ohio, won the Conference championship as a sophomore and set records on at least two of the O. A. C. courses. As an undergraduate, he won four varsity letters in each of his two sports, golf and basketball.
