A Glorious Democratic Victory!

KNOX COUNTY REDEEMED!

The Ben Wade Abolitionists Rout-
 ed, "horse, foot and dragons!"

We have this week the proud satisfac-
 tion of announcing to our army of read-
 ers that the Spartan Democracy of Old
 Knox have achieved a most signal and
 glorious victory over the Black Republi-
 cans—the party that indorsed the in-
 famous 'Abolitionist, Ben Wade! We
 have elected every man on our ticket,
 by majorities ranging from 424 to 540!

Various causes have combined to
 bring about this soul-cheering result,
 the principal of which was the despot-
 ism of the party in power, in oppressing
 and insulting free white men, because
 they would not worship Abolition idols;
 because they have perverted this war
 into a mere war against Slavery, in-
 stead of one for the restoration of the
 Union, and for the maintenance of the
 Constitution and laws of the land.—
 Another leading cause of the defeat of
 the Republicans, was the fact that while
 professing to be a "Union party," they
 passed a resolution in their County Con-
 vention, indorsing that disunion, negro-
 equality Abolitionist, B. F. Wade, and
 and instructing their Representative,
 Mr. Whitney, to vote for his re-election
 to the U. S. Senate. This drove many
 Conservative Republicans into the De-
 mocratic ranks, whose votes aided in swell-
 ing the Democratic triumph. All hon-
 or to these patriotic men, whose acts
 showed that they loved their country
 more than Ben Wade.

Another cause of our triumph was
 the deserved popularity of our county
 ticket. It was composed of the very
 best men in the county, against whom
 the poisoned breath of slander has not
 uttered a word. This, together with the
 fact that a large body of the people de-
 sired a change of rulers at the Court
 House, aided in bring about this glori-
 ous result.

Below we present to our readers the
 Official footings of the county. The full
 table will be given next week:

Pennsylvania Election.

On the State ticket the vote will be very close
 in Pennsylvania.

The Democracy have made great gains in
 their Congressional delegation, and have de-
 feated the notorious Galusha A. Grow, Speak-
 er of the Abolition Congress. This is glori-
 ous.

Iowa Election.

We have but few returns from Iowa, and ev-
 ery thing looks well for the Democracy. We
 think the State is ours.

Indiana Election.

ANAPOLIS, October 16.—The Democra-
 tic majority on the State ticket will be 5,000 to
 8,000. The Democrats elect five Congressmen,
 Union three, and three doubtful.

Ohio Redeemed!

Black Republicanism Prostrated!

CROW, CHAPMAN, CROW!

We have the glorious satisfaction this week
 of announcing to "all the world and the rest
 of mankind," that the Democracy of Ohio
 have redeemed the State, and put down Abolition-
 ism at the ballot-box! From the best
 information we can gather, we believe the De-
 mocracy have carried their entire State ticket,
 by majorities ranging from 10,000 to 15,000!

And notwithstanding the Abolitionists passed
 a most iniquitous and fraudulent apportion-
 ment act, by which they intended to virtually
 disfranchise the Democracy, by giving them
 only two members of Congress, yet we are
 most happy to say that the Democracy have
 rebuked the tricksters, and have ELECTED
 FOURTEEN MEMBERS OF CONGRESS!

Their names are as follows: Geo. H. Pendle-
 ton, Alexander Long, J. F. McKinney, F. C.
 Le Blond, C. A. White, S. S. Cox, Wm. John-
 ston, W. P. Noble, W. A. Hutchins, Wm. E.
 Finck, John O'Neill, Geo. Bliss, James R.
 Morris, J. W. White.

P. S. The Cleveland Republican papers of
 Friday, concede the election of that glorious
 Democrat, Judge Belden, in the Canton dis-
 trict. If this is correct, we have FIFTEEN
 members of Congress!

Glory hallelujah!

The Banner of Beauty and of Glory!

On Thursday last, when the glad intelli-
 gence came to us of the redemption of the State
 from the tyranny and despotism of Abolition-
 ism, the good old Democratic Banner was run
 up to the top of the flag-staff, on Woodward
 Building, over the *Banner Office*. As its am-
 ple folds streamed along the wind, it made the
 hearts of every Democrat leap with joy!

"Forever float that standard sheet,
 Where breathes a foe but falls before us;
 With Freedom's soil beneath our feet,
 And Freedom's banner streaming o'er us."

O'Neill's Majority.

The majority for Major O'NEILL in this dis-
 trict is over 2,500. This is certainly glory en-
 ough for one day!

Republican Members of Congress.

The following Republican members of Con-
 gress are all thought to be elected: R. C.
 SCHENCK, J. M. ASHLEY, R. P. SPALDING, J.
 A. GARFIELD—only four!

A Live Democratic Family.

That live, whole-souled Democrat, ANDREW
 VANCE, Esq., of Clay township, has five sons
 who have "arrived at man's estate." All of
 whom voted the clean Union Democratic ticket,
 on Tuesday last! Six Democratic votes in
 one family! That's the way to put down Abolition-
 ism. Huzza for the Union as it was!—
 The white men now rule!

Bingham Defeated!

John A. Bingham, the disunion Abolition-
 ist, has been defeated for Congress in the Tus-
 carawas district. He was the most unscrupu-
 lous politician in the Black Republican ranks.
 He has been badly beaten, and he rich de-
 served it.

Hon. C. L. Vallandigham.

The defeat of the gallant CLEMENT L. VAL-
 LANDIGHAM, in the 3d district, is greatly la-
 mented by all good Union-loving Democrats.
 The Republicans purposely formed a district
 to defeat him, and they have been successful,
 by a small majority. But they cannot put Mr.
 Vallandigham down. Although slandered
 more than any living man, he has come out
 of the "fiery ordeal" like pure gold. Higher
 honors yet await him.

The Union Movement a Failure!

The Cleveland Leader, a disunion Abolition
 paper of the Ben. Wade and John Brown
 stripe, closes its notice of the overthrow of its
 party in Ohio, with the following significant
 avowal. Democrats who were bamboozled in-
 to the bogus "Union movement," will please
 make a note of it:

"Of the causes of our defeat we cannot speak
 in detail this morning. The first great error
 was in the Union movement, which prevented
 the presentation to the people of direct and
 rugged issues of principle. As a natural con-
 sequence, the people became lax and indiffer-
 ent, and so suffered the election to go by de-
 fault."

If it is true, as charged by the Abolition-
 ists, that the Democracy of Ohio are "traitors,"
 "rebels," "secessionists," "butternuts,"
 &c., the result of Tuesday's election will cer-
 tainly be gratifying to Jeff. Davis! The truth
 is, that Jeff. will feel badly about the defeat of
 his friends, the Abolitionists, for without them
 the rebellion would not have lasted a day!

Some silly Republicans pretend to ac-
 count for the signal defeat of their party in
 Ohio, on Tuesday last, on the supposition that
 more Republicans than Democrats have gone
 to war. The best answer that can be made to
 this, is the fact that the last Republican Leg-
 islature refused to pass a law to allow the brave
 volunteers to vote, fearful that if they did vote
 it would have the effect of increasing the Demo-
 cratic strength of the State. We have every
 reason in the world to believe that if the Ohio
 soldiers had voted on Tuesday last, the defeat
 of the Abolitionists would have been still more
 complete and overwhelming. The brave sol-
 diers have learned to their sorrow the sad ef-
 fects of Abolition rule in this country.

The *Journal* cannot account for the unex-
 pected success of the Democratic and conser-
 vative Union men at the recent election in Ohio.
 The reason is plain, neighbor. The white peo-
 ple of Ohio don't think Uncle ABRAHAM
 was hired for a greater negroer. That is the
 secret. Don't you see it?—*Statesman*.

The Battle of Perryville.

Buell was pursuing Bragg who was leisurely
 retreating. He approached him too close.
 Bragg turned and gave him a sounding slap in
 the face, then quietly continued his retreat,
 while Buell stopped a little to repair damages.
 This is the sum of the battle of Perryville.

"Truth, crushed to earth, will rise again,
 The eternal years of God are hers;
 While Error, wounded, writhes in pain,
 And dies among her worshippers."

Thank God! Democrats begin to breathe
 again the invigorating air of LIBERTY. The
 people have awakened from their lethargy,
 become conscious of the terrible extent of the
 perils that environed them, and rousing them-
 selves to an exercise of their rightful and in-
 vincible might, they have dealt a blow to the
 horrible incubus of executive usurpation, legisla-
 tive and Congressional and administrative
 corruption, partisan tyranny and intolerant
 fanaticism, from which, in the good providence
 of the Almighty Ruler of all, it shall never
 recover—never, never! The flat of the people
 has gone forth, and sealed the doom of the
 hideous monster. It shall crawl on its belly
 through its slime hereafter in our own Ameri-
 ca, which was destined to be THE WHITE
 MAN'S LAND OF LIBERTY. Vox populi
 vox Dei. Glory hallelujah!

We never had any doubt as to the coming
 of this auspicious event. Its occurrence was
 inevitable as the decrees of Fate. The ac-
 cidentally dominant party, though a sectional,
 unconstitutional minority, have done all that
 mortal men in their high positions could do to
 ruin their country. They have grasped at and
 assumed and wickedly misused unlimited power
 —and retribution for their treachery, oppres-
 sion and persecution is swiftly overtaking them.

"The whirligig of Time brings in its revenges,"
 says the great Shakespeare. May it also bring
 with it mercy and forbearance, say we—al-
 though our persecutors have not manifested these
 virtues to us, except through fear of immediate
 hurtful consequences to themselves. We ex-
 ult in the full consciousness of Right, whose
 triumphs have but now commenced during the
 reign of Abraham and his satellites. The
 good work will go on until peace, prosperity
 and happiness shall again crown our formerly
 grand and glorious but now divided and dis-
 tracted country. This is the prayer of every
 true patriot in the land.

Hon. Wm. H. Seward—Is he a Traitor?

This distinguished gentleman must be con-
 sidered unquestionable authority with the Re-
 publican party. In a letter to Minister Adams,
 he says:

"You will remember that those States are
 now, as they always heretofore have been, equal
 and honored members of this Federal Union; and
 that their citizens, throughout all political mis-
 understandings and alienations, still are and
 always must be our kindred and countrymen."
 * * * "For these reasons, he
 (the President) would not be disposed to reject
 a cardinal doctrine of theirs (the rebels) namely,
 that the Federal Government could not reduce
 the seceding States to obedience by conquest,
 even although he were disposed to question
 that proposition. But, in fact, the President
 willingly accepts it as true. Only an imperi-
 al or despotic government could subjugate
 thoroughly disaffected and insurrectionary
 members of the state. This federal republi-
 can system of ours is, of all forms of govern-
 ment, the very one which is most unfitted for
 such a labor."

Thurlow Weed's Opinion.

When President LINCOLN wrote his letter
 in reply to HORACE GREELEY, refusing the "pe-
 tition" impudently put forth as "the prayer of
 twenty millions," the *Evening Journal* expressed
 its satisfaction at the substance of the re-
 sponse in the following vigorous language:

"We rejoice over this letter because it will
 separate the wheat from the chaff." It in-
 vites Union men to the right, leaving the Dis-
 unionists to turn to the left. It rebukes the
 insolence of journalists who seek to control the
 Government and command the army. It draws
 the teeth and cuts the claws of those who aid
 the secessionists in ripening the rebellion;
 who aided them again in uniting the whole
 South against us; and who now, in the face of
 fresh disasters, arrogantly demand what would
 divide and destroy the North."

Death of Col. Thos. Kirby Smith.

The Cincinnati Commercial says: We are
 pained to learn that Colonel Thomas Kirby
 Smith, who was wounded in the battle at Cor-
 inth, died on the evening of the 12th. We
 were in error the other day in stating that Col.
 oned Thomas Kirby Smith, of this city, was
 the man wounded. The singular similarity of
 the names of the officers led to this error on
 our part.

The Kirby Smith above alluded to was the
 Colonel of the 43d Regiment, that was recruit-
 ed here in Mt. Vernon, and was favorably
 known to a large body of our citizens. He
 was a brave officer, and a true-hearted man.

Crops in England.

The last *Mark Lane Express* (Sept. 15) re-
 ceived here, sums up an article on the weather
 and harvest in England as follows:

Summing up these advices and reports of
 crops generally, there is nothing in them to
 induce forced sales, and in spite of such tre-
 mendous receipts of American stuff, fresh qual-
 ities will be wanted throughout the season in
 every country of the United Kingdom. The
 new crop will thus go freely into consumption
 as brought to market.

In another article the same paper says:
 The dulness now ruling is traceable to the
 large arrivals of foreign, which reach every
 port north and south. The bulk being low
 American in poor condition, has mostly to be
 landed, that it may be got into salable sample;
 but many holders prefer taking first loss, and
 hence the present heaviness. The late ac-
 counts from Ireland are not at all in favor of
 the wheat crop or of other cereals or roots,
 and with all our former imports, we have
 begun the season with plenty of granary room,
 while there is now a good country demand for
 mixing, which must continue.

Explosion of Shells.

During the retreat of General Geo. W. Mor-
 gan with his forces from Cumberland Gap, a
 caisson belonging to the 9th Ohio battery was
 upset, about nine miles from Manchester,
 which caused some eight or ten shells to ex-
 plore, wounding five men belonging to the bat-
 tery. One of them was seriously burned, and
 other badly wounded, the balance being slight-
 ly hurt. We could not learn their names.—
Louisville Democrat, Oct. 10.

An Infamous Fraud!

A ticket, which was a perfect fac simile of
 the Democratic State and County ticket, with
 the name of Mr. SIMONS, the Abolition candi-
 date for Prosecuting Attorney instead of that
 of Mr. Hurd, the Democratic nominee, was
 put into circulation in every part of the coun-
 ty, on the morning of the election. So per-
 fect was the imitation that even a practical
 printer could not have discovered any differ-
 ence between the genuine and the bogus, un-
 less he observed the variations in the names
 of the candidates for Prosecutor. This bogus,
 counterfeit ticket, was just such a dirty trick
 as might be expected from a bogus, counterfeit
 party. It was printed at the office of the *Ex-
 press*, a very contemptible Abolition paper, is-
 sued occasionally in this city. If Mr. SIMONS
 had any thing to do with this fraud, he is a
 much meaner man than we ever supposed him
 capable of being. Although quite a number
 of these spurious tickets were voted through
 mistake, the fraud entirely failed in accom-
 plishing what was intended. Mr. HURD's tri-
 umphant election has placed the brand of in-
 famy upon the brow of the scoundrels who were
 at the bottom of this infamous fraud!

Cotton for Europe.

It is ascertained that large supplies of cot-
 ton for different parts of Europe are obtained
 on the Rio Grande. Mexican vessels are en-
 gaged in supplying foreign ships. It is sup-
 posed that Texan planters convey their cot-
 ton to Brownsville, Texas, whence the article
 is clandestinely carried to the Mexican border.
 On the 8th of September there were twenty
 vessels waiting for cargoes, including an En-
 glish steamer, which had £50,000 with which
 to purchase cotton.

Such is the testimony furnished of the inef-
 ficiency of the blockade. The great staple of
 the South is continually eluding the vigilance
 of our cruisers, and is transferred to Europe to
 be exchanged for arms and material contrib-
 uting to the support and protraction of the
 rebellion. There are frequent statements of
 arrivals at Southern ports with warlike stores,
 and clothing for their armies. Perhaps this is
 unavoidable, and the promised stoppage of
 such traffic an impossible undertaking. One
 thing is certain, however, that the rebellion
 has a long lease of life if European supplies
 are to continue as frequent as they have been
 for some months past.

Picture of the Man who bet his money on Al. Beach, and won!

Hidden Treasures.

Speaking of the Democracy, the Rochester
Democrat says: "We believe they have taken
 the first steps in the road which leads to a civil war
 at the North, and when they are sure of a ma-
 jority of the people to back them, if that time
 ever comes, they will throw off the mask."

These assaults (says the *N. Y. Argus*), up-
 on a party whose members have formed the
 bulk of our army, and have risked their lives
 for the country; while the Abolitionists who
 assail them have been plundering the Govern-
 ment at home, will have the effect to rouse ev-
 ery Democrat to action, and to strengthen his
 determination to hurl the present corrupt of-
 fice-holders from power. In this view, we are
 pleased with the brutal assaults of the Abolition
 press.

But beneath these persistent falsehoods,
 does there not lie hidden a secret treason
 fraught with danger to the Government? Is
 not the assertion that a "civil war" is impend-
 ing at the North, and only awaits the proper
 moment for action, directly calculated to "aid
 and encourage" the rebels of the South? Is
 it not, in fact, intended to do so?

Garibaldi Coming to America—He claims to be an American Citizen.

A newspaper in Vienna publishes a letter
 from GARIBALDI, in answer to the American
 consul in that city, who wrote to GARIBALDI,
 asking, as he had failed in his patriotic efforts
 in Italy, if he would offer his valiant arm in
 the American struggle for liberty and unity,
 promising him an enthusiastic reception.—
 GARIBALDI, under date of September 14, re-
 plied: "I am a prisoner and dangerously wound-
 ed. It is consequently impossible for me to
 dispose of myself. However, as soon as I am
 restored to myself, and my wounds are healed,
 I shall take the first favorable opportunity to
 satisfy my desire to serve the great American
 republic, of which I am a citizen, and which
 is now fighting for universal liberty."

An Abolitionist on his "winding way" to the "happy land of Canaan!"

He has received notice that the White Men
 are going to rule this country hereafter, and
 has concluded to "skedaddle!"

Indian War about Closed.

MILWAUKEE, Oct. 14.—The St. Paul Pioneer
 of the 12th, says dispatches received by Gen-
 eral Pope from General Sibley, report the In-
 dian war, as far as the Sioux are concerned, is
 about ended. The entire force of lower bands
 surrendered to General Sibley. He has prob-
 ably two thousand prisoners. A cavalry force
 is in pursuit of Little Crow and others, who are
 making their escape. Twenty Indians have
 been convicted so far.

The Winlock House was destroyed by fire
 on the 11th. It was unoccupied. Loss esti-
 mated at \$20,000.

**Town Elections in Connecticut—The Talk
of the People.**

Cheshire, which has been Republican for
 some time back, yesterday elected a full Dem-
 ocratic Board of Town Officers, by about sev-
 enty majority.

North Haven, which has been Republican
 for several years, elected a full Democratic
 ticket, by about thirty majority.

In Guilford, the Republicans, on a close con-
 test, saved their ticket by a majority of nine—
 last year one hundred and twenty six! Quite
 a change in old Guilford.

In Wallingford, Hamden, Seymour, Betha-
 ny, Oxford and Branford, the Democrats suc-
 ceeded as usual.

In Meriden there were several tickets, and
 some of both parties were elected.

In Middletown a fusion ticket prevailed.

South Windsor has gone Democratic, twen-
 ty-seven majority, on the largest vote ever giv-
 en at a fall election. For the past two years
 it has been Republican.

In New London a fusion ticket prevailed.

In East Haven the Republican ticket was
 elected as usual.

Naugatuck, which went Republican last
 year, has now gone Democratic.

In Madison, a ticket composed of men of
 both parties was elected. The same in South-
 ington and Canton.

Bristol elected the Democratic ticket by a
 large majority.

In Bridgeport a fusion ticket was elected.

In Reading the Republicans were over-
 thrown.

In Easton the Democratic majority was sev-
 enty.

Weston and Newton also Democratic.

Prospect, too, has finally overthrown the
 Abolition ticket, and elected a Democratic
 board.

Derby, we are told, elected a Democratic
 board, for the first time in many years.

Woodbury too; so we are told by a person
 from an adjoining town. This is also a gain-
 er.

Old Huntington has recovered herself and
 elected Democrats.

A Republican candidate tries to ride into Congress, Wright end foremost! He misses it "a few."

Negro Immigration into Ohio.

Suppose that the contemplated emancipa-
 tion should be inaugurated successfully, sev-
 eral or eight hundred thousand negroes, with
 their hands reeking in the blood of murdered women
 and children, would present themselves at our
 southern border, demanding to cross into our
 State, as Ohio's share of the freed slaves.—
 seven or eight hundred thousand negroes, with-
 out food, without fuel, and without person-
 al property of any kind, who, in virtue of na-
 ture's law were compelled to eat and be clothed.
 Then would come the conflict between the
 white laborers and the negroes. The negroes
 would enter into such

It will be noticed by the above that the casualties in the 43d Ohio Regiment, at Corinth, were quite severe. The Colonel, J. L. Kirby Smith and the Adjutant, C. C. Key, were both killed. Van Buren Shrimplin, son of Mr. Samuel Shrimplin, of this county, was also killed. He is the third son that Mr. S. has lost in this horrible war.

Dried Apples Wanted.
With our apple orchards bending beneath their burden of fruit let the sick soldiers now languish an hour for the want of dried apples. Thousands of bushels are rotting upon the ground, which if only cut and dried would ease the thirst of many a fever parched tongue in hospital and camp. Let the young folks make "apple-cuttings" in every neighborhood, and dry fruit enough to fill the hands of the Sanitary Commission with an abundance for all the wants of the sick and suffering among our soldiers. Read below what they say of this.

DRIED APPLES WANTED FOR SICK SOLDIERS.

(GENERAL OFFICE SANITARY COMMISSION.)

WASHINGTON, Oct. 2, 1862.

The inquiry being frequently made whether the Commission wishes to receive apples for the use of the wounded, it should immediately be published as widely as possible, that dried apples cannot be sent to the depots in large quantities. Town and village Relief Societies are requested to make arrangements for paring, cutting and drying by their members, and such volunteer assistance as they can enlist, and notify farmers that they will receive such good fruit as may be disposed to offer and are unable themselves to properly prepare. Dried apples may be sent in barrels or boxes, or in strong bags, marked "To be kept dry." Dried fruits of other kinds and all good canned fruits will be very acceptable.

FRED. LAW OLMSTED, Secretary.

Drafted Men and Substitutes.

We deem it our duty to warn drafted men against paying over their money to substitutes until their services are accepted and they are mustered into service. We have been told that in some instances after the substitutes had received the money agreed upon for their services they were rejected at camp, and the drafted men sent for to take their place, under the claim that they were not released!

Accident.

SAM. WARREN, son of H. P. Warren of this city, while attempting to jump on the cars, while in motion, last Tuesday, was caught between two passenger cars and had an ankle and arm badly mashed. This is a warning to the young chaps who are continually jumping on the cars while they are going.

N. B.—Since the above was in type we understand that he is more seriously injured than was at first thought, and that he is not expected to recover.—Rep.

Let those Laugh who Win!

Several of our Democratic friends wear coats, pants, &c., on the result of last Tuesday's election; and as the agreement was that good articles should be furnished, and not "shoddy," of course LEOPOLD & Co. have had an unusual number of calls, during the past week. That is where all sensible men go who wish to procure nice clothing.

Mrs. E. A. Davidson.

This worthy lady has just received her fall and winter stock of Millinery Goods, consisting of bonnets, flowers, ribbons, laces, &c., and those who know say that her goods have been selected with good taste, and her prices cannot fail to please all who will patronize her. We would advise all our ladies to give Mrs. D. a call.

Hon. John Scott Harrison Against the Proclamation and for Democracy.

Hon. JOHN SCOTT HARRISON delivered an able and powerful speech before an immense meeting in Hamilton county, on last Friday, in which he took strong ground against the President's Emancipation proclamation, and came out fairly and squarely for the Democratic ticket. The Cincinnati Enquirer contains a full report of it, and thus speaks editorially:

Mr. Harrison speaks as a patriot, worthy of his distinguished ancestors, and his noble and self-protection against the Abolition, proclamation of President Lincoln, and his appeal to the people not to indorse it at the polls by electing the Abolition candidate to Congress, cannot be without an important effect upon the public mind. The reputation of Mr. Harrison for honesty and integrity, his past and present political positions, will give additional weight to his counsel. Mr. Harrison sees clearly the pernicious results of the proclamation to the Union cause; he sees the danger of the total subversion of the Constitution of the country if the Abolition radicals are not overthrown at the coming elections in the Northern and Western States. He is in favor of the Constitution and against its opponents wherever they may be found. In the name of the conservative sentiment of Ohio, we thank Mr. Harrison for his patriotic utterance, and we do not doubt, despite the flood of abuse which is now being poured upon him, that he will be greatly mistaken if the great bulk of the community does not indorse and approve the course of Mr. Harrison on this subject by voting to relieve the President from the Abolition pressure to which he has been subjected.

Free Presses Again Threatened.
WASHINGTON, October 9, 1862.
A partisan committee are reported as actually in this city, en route for it, to secure the suppression of two of the New York City newspapers—the one a morning and the other an evening journal. Their offense is too much latitude of debate in discussing national politics, and particularly for supporting Seymour and Jones for Governor, and for their support of the Administration. The committee are reported as having been seen by the Editor of the Evening Journal, and he is reported to have said: "I hope to send you the names of the committee soon after they arrive." It is not supposed that after the license given to Garrison and Greeley, Phillips and Bryant, in their disloyal practices of abusing the Government and the Constitution, that this new effort to suppress the press will succeed, but don't be too sure of it.

[The World and Express, of course, are no doubt meant by the writer. We know nothing of the truth of the report beyond what we hear and what we know to be the animus of a good many partisans in this city and State.—W. C. M.]

Another Abolition Outrage.
We learn from the Marietta Republican, that some of the Abolition conspirators of Meigs county undertook to arrest Mr. J. M. MILLER, of that county (who was one of the Douglas electors in this State, two years ago), charging that he was a "rebel sympathizer," but not finding him at home, they broke into his store and carried off a quantity of his goods. They had made their arrangements to arrest several other leading Democrats of Meigs county, but failed in getting them.

We copy what follows from the Republican as soon as the loyal citizens became aware of the circumstances, about sixty men assembled at Mr. Miller's store—some of their expressing their constitutional right to bear arms, and organized a meeting by calling Josiah Smith to the Chair. The object of the meeting was to express much indignation expressed by off-hand speeches, after which the following resolutions were unanimously adopted, as expressing the sentiment of the meeting:

Resolved, That we, the citizens of Orange, Meigs county, Ohio, do hereby pledge ourselves to sustain the Constitution of the United States, and of this State, and that we will aid and assist one another against all unlawful acts, whether committed by armed men in military costume or otherwise, and that we do deprecate such vile acts as were perpetrated last Sunday evening on the property of our friend Miller.

Resolved, That the Editors of the Ohio Statesman and Marietta Republican be requested to publish the proceedings of this meeting.

Whatever credit for courage and honor and honesty attaches to this theft, and burglary, and attempt to kidnap a citizen, is due to the Republicans, falsely called Union men, and also all the meanness and crime attending it is likewise the proper of Republicans. Republicans, originated the scheme and led and controlled the mob, and are therefore responsible for its conduct.

From Cairo.

CAIRO, Oct. 14.
Secretary Stanton has telegraphed General Tullio to send no more couriers to Illinois until further orders.

The divisions of Rosecrans, Stanley and Hamilton have returned to Corinth. They are to be reorganized.

General Hurlbut has removed his headquarters from Bolivar to Jackson.

Four hundred prisoners were sent to Holly Springs yesterday for exchange.

A body of mounted rebels, supposed to number five hundred were seen near Bolivar yesterday. A force has been sent after them.

A dispatch from Paducah today says that the steamer Hazel Dell was stopped seven hours at Evansville by a large force of guerrillas, the mails, negroes and a quantity of goods were taken from her. Several soldiers and officers, also, were taken prisoners.

The "290" at work.

The London Shipping Gazette of the 27th, reports that the rebel steamer "290" had captured and destroyed four American whalers. One of them was the ship *Cumtuga*, a vessel of 455 tons burden, the largest sailing vessel captured. She was commanded by Captain Osborn, and sailed from Edgartown on the 2nd of July last, bound for the South Pacific.

The was captured and destroyed by the "290" on the 5th of September. She had two hundred and fifty cases of oil on board at the time. This news was brought by the bark *Charming*, from Sydney, at Gravesend, 26th.

The names of the other vessels are not given—but they are reported to have been destroyed "off Flores."

It will be recollected that the "No. 290" sailed from one of the Western Islands on the 24th of August last, and when last seen she was cruising off and among the group—New York Express.

From Kentucky.
LOUISVILLE, Oct. 15.
There was skirmishing yesterday all along the line from Harrodsburg to Stanford. The rebels are trying to get out of the State, because Gen. Bragg, on the day of the Perryville battle, heard that Price and Van Dorn had been beaten at Corinth, and that he could not get reinforcements from that quarter.

Large numbers of rebel dead are still lying unburied at Perryville.

A rebel detachment came to the field under a flag of truce, saw their dead lying there, and left them without any attention whatever.

The game the rebels took from us, and which we rescued, were spiked with telegraph wire, which we easily removed.

From Washington.

WASHINGTON, Oct. 15.
The report prevailed on the Southern side of the Potomac yesterday evening, that the rebels had advanced to and were fighting our troops at Centerville. Prompt arrangements were made all along our line to meet all emergencies, and the alarm was sounded in that direction, the alarm soon subsided.

The spirit rations in the navy having been abolished, all the whiskey remaining on hand, probably 3,000 barrels, is to be sold at auction on its arrival at the different naval stations and distant vessels and naval depots.

Secretary Chase is much better to-day. He expects to be at the Treasury Department tomorrow.

Rebels Crossing the Potomac.

PHILADELPHIA, Oct. 15.
The Bulletin says that it has received a private letter dated Shippensburg, Cumberland county, which states that the rebels are crossing the Potomac again at Hancock in large forces. Great excitement prevails here.

A private telegram from Chambersburg last night says that heavy firing was heard all night in the neighborhood of Hancock.

PHILADELPHIA, Oct. 15.
The reported rebel crossing at the Potomac at Hancock is not believed at Harrisburg.

Gen. Jeff. C. Davis Enlarged.
Special dispatches from Louisville the 14th, to the Cincinnati Gazette, say:
Gen. Jeff. C. Davis to day received an order from the War Department, releasing him from the arrest under which he has hitherto been confined since killing Nelson, and in military prison "enlarging his limits."

There are good reasons for believing that Gen. Davis will be at the head of his command in the field again before long. He appeared on the streets this afternoon for the first time since Nelson's death.

Prentice says that such of the Abolitionists as are coming into the city are very anxious to have negroes fight by their side, and are probably afraid that they can't stand the smell of gunpowder, and so are anxious to have it neutralized by a counter smell.

Ayer's Sarsaparilla.

FOR PURIFYING THE BLOOD,
And for the speedy cure of the subjoined varieties of Disease.

Scurful and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itch, Boils, Blisters, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1880.
J. C. AYER & CO., Gentlemen:—I feel it my duty to acknowledge that your Sarsaparilla has done for me what no other medicine could. I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and addressed me at the stomach; and two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disease grew more and more violent. I was rejoiced to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I bought a bottle and used it, and it cured me. I took it in small doses, at first a teaspoonful of water, and got almost three bottles. New and healthy skin began to form under the scab, which was a relief. I feel that the disease is gone from my system. I will be well before I feel that I am saying when I tell you that I hold you to be one of the most reliable of the age, and remain ever gratefully,
Yours,
A. H. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetters and Salt Rheum, Scald Head, Ringworm, Scrofula, Dropsy.

Dr. Robert M. Peck writes from Salem, N. Y., 12th Sept., 1880, that he has cured an intolerable case of Erysipelas, which had been treated by a physician, and was persevering use of your Sarsaparilla, by large doses of the same, says he cured the common Erysipelas by its use.

Bronchitis, Cough, or Swelled Neck.
Zachariah Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Cough which had been with me for years. I had suffered from it for over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Clanning, of New York City, writes: "I most cheerfully and warmly recommend your Sarsaparilla, saying I have found your Sarsaparilla a most excellent alterative in the treatment of Scrofulous diseases, and especially in the treatment of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea, and in some cases where the complaint was caused by ulceration of the uterus, the ulceration was soon cured. Nothing within my knowledge equals it for these female ailments."

Edw. S. Morrow, of Newbury, Ala., writes: "A dangerous case of Leucorrhoea, which had been with me for years, and which had defiled all the remedies we could employ, at length being completely cured by your extract of Sarsaparilla. Our physician thought it was a case of Scrofula, but he advised the trial of your Sarsaparilla, and it was cured before he could say so."

Syphilis and Mercurial Disease.

Dr. J. C. AYER, 25th August, 1880.
Sir:—I cheerfully comply with the request of your agent, and report to you some of the effects I have noticed with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of **Erysipelas, Scrofulous Disease**. One of my patients had Syphilitic ulcers in his throat, which had been with him for years, and he had lost his voice. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by scrofulous symptoms in his nose, and he had lost his voice. Your Sarsaparilla, steadily taken, cured him in five weeks. These Bitters

are not offered to the public as a medicine which will cure all the "ills which flesh is heir to," but as a remedial agent—a great Regulator of the system. In the Bilious districts of the West and South there has, for a long time, been much needed an article of Stomach Bitters, which, if taken in proper quantities, and at the proper time, are a sure preventive of

Bilious Fever, Fever and Ague, Liver Complaint, Dyspepsia, Indigestion, Jaundice, Kidney Complaints, and all diseases of a similar nature.

These Bitters are composed of rare and powerful roots and herbs, which make them

Highly Tonic.
