Beware of the Trickster.

Henry B. Banning, despairing of being elected by the votes of the Negro Suffrage faction, is resorting to all kinds of dodges and tricks, in the hope of securing the votes of men who despise him. His last trick is to invite young men from the country to join a secret society, of which he is the "High Cook-a-lorem," promising them work, money, protection and "good times." The victims are taken to a room in the Bergin House, and after going through with a parcel of mummery and tomfoolery, Banning administers to them an oath, requiring them, among other things, to vote for the Negro Suffrage candidates. On last Saturday, by lying representations, Banning induced two young Democrats to enter his den; but when they discovered his object, they utterly refused to take the oath he wished to administer, and left. If they had done right they would have left the imprint of their fists upon his mug. He richly deserved such a vote of thanks for his trouble.

A Pine Bluff, Arkansas, dispatch says:

"This county will send about four negro members to the State Convention, but any Rad." They seem to prefer ignorant negroes to Radical scalawags in Arkansas.

Cheering Prospects of the Democracy.

From every portion of our lovely State we have the most cheering intelligence respecting the prospects of the good old National Democracy. In many counties our friends are confident of gaining from 300 to 800 votes over the largest vote received at any former election. Our speakers, who have canvassed the State, report that all our meetings have been largely attended, and marked with the utmost enthusiasm; while the meetings of the disunion Radicals, in many places, have been miserable failures. There is not the slightest element of discord in the Democratic ranks in any portion of the State. Harmony, good feeling, enthusiasm, and an earnest determination to drive a corrupt and tyrannical party from power, animate every Democratic heart. The disunion Radicals, finding that a large body of their own party, especially the gallant soldier boys, will not go for Negro Equality in Ohio, are endeavoring, by bribes and threats, to force them to vote for the leaders of the Negro Suffrage party. But in this they will most signally fail. The people of Ohio and of the whole country, are sick and tired of Radical rule and ruin, and are determined to have a change. The revolution has begun in earnest, and is going forward with the rush of a whirlwind, sweeping everything like disunion Radicalism in its course. Connecticut and California, Maine and Montana, have raised high the standard of Democracy, and have sent up a shout for Freedom, the Constitution and the Union, that has sent an electric thrill of joy to every patriot heart in the land. In a few days Ohio and Pennsylvania and New York, and other States in the North, will respond in thunder tones, that "WHITE MEN SHALL RULE AMERICA!"

H. B. Banning and Negro Suffrage.

It is well known to the citizens of Knox county, that Henry B. Banning, the Radical candidate for the Legislature, was one of the most active advocates of Negro Equality in the last Ohio Legislature, and labored earnestly to secure the passage of the B. I. providing for an amendment to the Constitution whereby the word "white" should be stricken therefrom, thus establishing full Negro Equality in Ohio. He has, moreover, frequently declared, in public speeches, that if it had not been for the negro the rebellion never would have been put down, which was not only an untruth, but a gross insult to every white soldier who took part in the war.

There is no quality in a man that is more to be admired than consistency and a regard for the truth; but we are sorry to say that we cannot give Mr. Banning credit for possessing these virtues. While, in his public speeches, he is a brawling advocate for Negro Equality, in his private conversations, especially if he happens to get in company with a Democrat, or a Conservative Republican, he pretends to be as much opposed to Negro Suffrage as any one. We might mention many facts that have been related to us in regard to Mr. Banning's double-facedness on this subject, but let the following suffice for the present.

He recently fell in company with a Republican soldier, (who is not a disunion Radical, however,) when the following conversation (in substance) took place:

Banning.—I am told you are a going to vote against the Constitutional Amendment. Is it so?

Soldier.—You have been correctly informed, General.

B.—I am astonished to hear you talk so. The negroes fought by our sides all through the war, and if it had not been for them the rebellion never could have been put down.

S.—The negroes may have fought by your side, General, but not by mine, and I say to you that it is not true that the rebellion could not have been put down without the aid of negro troops. It is an insult to every white soldier for you to say so.

B.—Well, we won't dispute about that, friend. I know you will vote for me, any how, even if you do vote against the amendment.

S.—That depends upon circumstances. If you are for Negro Suffrage, you can't get my vote or the vote of any soldier in my neighborhood. You can bet your life on that, General.

B.—Never mind, say nothing more about it. I'm all right on the goose, and I want you to vote for me without fail—won't you?

S.—You may be "all right on the goose," as you say, and if I was voting for a goose I would vote for you, but as I wish to vote for a man this year, I guess I shall vote for Dr. Moffett. Here the interview abruptly terminated.

More recently Mr. Banning fell in company with another soldier, (Mr. D. D. Ireland, of Monroe township,) and earnestly begged his vote, on personal grounds. Mr. Ireland replied that he was a Democrat, and therefore could not consistently vote for a man who is in favor of Negro Suffrage. Thereupon, Banning assured him upon his honor that he was opposed to Negro Suffrage, and if elected to the Legislature, would vote against Negro Suffrage in every form it should come up.

We have the permission of Mr. Ireland to use his name in regard to this interview; and are only sorry that we have not a like permission respecting the other soldier.

Mr. Banning will learn, before many weeks have passed by, that in politics, as well as in all other relations in life, "HONESTY IS THE BEST POLICY."

The Work Goes Bravely On.

Our Democratic exchanges from all parts of the State have brought as glowing accounts of numerous Democratic meetings that have been held within the last two or three weeks. The number of persons in attendance at these meetings is variously estimated from 5,000 to 30,000, and they were addressed by Ohio's most talented sons, among whom we may name Thurman, Pendleton, Ranney, Pugh, Morgan, Vallandigham, McCook, Hurd, Eshelman, Jewett, Van Trump, Critchfield, Follett, and many other effective speakers. The spirit of the people is fairly aroused. The disunion Radicals will be routed, "horse, foot and dragons." Let the Democracy and Conservative allies be of good cheer. "All is well."

It is a singular fact that ladies who know how to preserve any thing else, can't preserve their tempers. Yet it may easily be done on the self-sealing principle. It is only to keep the mouth of the vessel tightly closed.

"White Boys in Blue."

In Zanesville, the soldiers who have received an honorable discharge from the army, and who are opposed to Negro Suffrage, have formed a society under the name of the "White Boys in Blue," and are thoroughly organized for the campaign. A large majority of the soldiers of Zanesville are members of society, including many young gentlemen who have heretofore acted with the Republican or misnamed "Union" party. The Democracy of Muskingum are thoroughly organized, and are confident of carrying the county by a large majority.

A Practical Argument.

We have heard a good many arguments on the negro suffrage question, but we know of none more pointed than the following telegram in relation to the Richmond election. It is worth a volume of logic and rhetoric:

RICHMOND, September 18.—The voting on the subscription to the Chesapeake and Ohio Railroad closed to-day without altering the result. About 2000 black votes were thrown out, owing to the fact that they had forgotten the name they registered by, and handed in votes under different names.

Mr. Vernon Republican please copy.

Ben. Wade on Foreigners.

Ben. Wade is reiterating in all his speeches that foreigners, after having been in the country long enough to become voters, "know no more than the horse they drive," and that the negroes are "infinitely above them in all that intelligence that qualifies men to vote." And yet these are some foreigners in our city and State who will support Ben Wade for U. S. Senator.—E.

Keep it before the people, that Henry B. Banning, the Radical candidate for Representative, is pledged to vote for the man for U. S. Senator who thus grossly insults and libels our adopted countrymen. No Irishman or German, with a particle of self-respect, can support Mr. Banning, knowing that if elected, he will certainly vote to retain Benjamin F. Wade in the U. S. Senate.

Democratic Gains for 1867.

The following are the Democratic gains in round numbers since last spring:

In Connecticut.....	3,000
In Kentucky.....	20,000
In New Hampshire.....	5,000
In Rhode Island.....	2,000
In Vermont.....	5,000
In California.....	25,000
In Maine.....	17,000
In Montana.....	1,000
Total.....	78,000

There is a total Democratic gain in ten small States and one Territory of nearly eight thousand votes—nearly one quarter of the entire popular majority for Lincoln in 1854 in the loyal States!

Shall Knox County Win the Banner.

The Democratic State Executive Committee offer a Five Hundred Dollar Banner, made by the Democratic ladies of Ohio, to the county that shall give the largest increased Democratic vote over the vote given last year to General Le Fever.

Let the noble Democracy of Knox county make an earnest effort to win that banner.—We believe they can do it if they will try.

Seven Thousand Over Both Radicals.

The Negro Suffragites claim that the reason why they were defeated in California, was that they had two candidates for Governor. This may be a sufficient reason for Republicans, but will hardly satisfy Democrats, when the fact is known that the Democratic candidate for Governor has a majority of seven thousand over the vote of both Radical candidates combined.

Now, for Ohio!

How it Works.

The man of business and the tradesman have to walk up to the Assessor's office and pay their 5 and 6 per cent. excise duty, and license bills, for the PRIVILEGE of working at their trades or doing business in FREE AMERICA! The bondholder walks to the Banks and draws his GOLD interest—and PAYS NO TAXES! How do you like it, weary worker?

A Negro on the Stump.

The disunion Radicals at the Centre of Copley Summit, county, held a meeting on Thursday week, which was addressed by a negro named John H. Brooks, whose speech is highly eulogized by the Beacon, the Radical organ at Akron.

Maryland.

The New Constitution of Maryland, which is the work of the Democracy and Conservatives, was adopted by the people on the 18th inst., by a majority of 20,000. Huzza again! The Radicals meet with defeat everywhere. Their doom is sealed.

Keep it Before the People.

That Gen. Lee, the Radical candidate for Lieutenant Governor, in a recent speech at Piqua, O., said:

"The negroes are to day better qualified to intelligently exercise the ballot than the ignorant German and Irishman."

Democrats, Do you Hear That?

Last year the Radical majority in Ohio was only 29,920. A change of 15,000 votes, will give the State to the Democracy; and if our friends effect a change as great as was made in either Connecticut, California, or Maine, we will carry the State by at least 40,000. Let these facts and figures encourage every Democrat to double his efforts from this until the election, and victory will perch upon our banners.

A Democratic exchange well remarks

that Judge Thurman may have been kind to rebel soldiers as well as Union soldiers, but he was not "sympathizer" enough to get on Jeff Davis' bail bond. That essential service was reserved for the chief foreman of Radicalism—Horace Greeley, Thurman & Vallandigham are not on the bond. Put that in your pipe, Mr. Radical.

While Mr. Pendleton was speaking at Athens, Ohio, on the 17th, a large and beautiful eagle—the first one seen in that country for many years—flew slowly and majestically directly over the speaker's stand, in the College Campus. Is not this an omen of coming success?

Hardly a day passes but the Harrisburgh papers record attempted outrages upon respectable white women in that city by the colored members of the Republican party—and yet this is the class of people that the Radicals would make equal to the whites.

That "Treasonable" Convention.

Bascom denies that he was Secretary of the "treasonable" Abolition Convention, that met in Cleveland in 1859, for the purpose of resisting the execution of Federal Laws in the State of Ohio. We wrote from recollection as to the position he occupied in the Convention. A friend at our elbow says that he was on the committee on Resolutions, and not secretary. This makes the matter worse for Bascom; as the R. solutions passed were as strong for State Rights and State Sovereignty, as though they had emanated from a Convention of Nullifiers in South Carolina, during the days of John C. Calhoun. Bascom says that "Judge Chase, Henry D. Cooke and others will testify that he opposed the resolutions of 1708." This is a mere dodge. Let him produce the testimony of those gentlemen, if he dare. The record does not show any thing of the kind; and moreover, the Columbus Journal, then edited by Bascom, said not a word against those "Copperhead" Resolutions. If Bascom was opposed to the Resolutions, that was the time to make his opposition manifest, when he had control of a paper which published the proceedings. It is too late in the day now for him to attempt to set up his unsupported assertions against the record of history. The truth is, that the Abolitionists in 1859 professed to be the peculiar friends of State Rights and State Sovereignty, and threatened to make war against the Federal Government, if the laws of the United States were executed in Ohio. It was this very resistance, taken in connection with the stealing of the slave property of the Southern people, by Northern Abolitionists, that brought about Secession and the late horrible civil war. And to Bascom and his "treasonable" party attaches the responsibility of originating the causes that inaugurated that bloody conflict. And now, after the war is over, and peace is once more restored, Bascom and his party declare that the Union is dissolved; that ten States have no legal existence; that State Sovereignty has been destroyed; and that there will be no peace and no Union until the negroes of the country are made the equals, especially and politically, of white men. Down with such a "treasonable" party.

All for the Negro

A committee of the so called "loyal" ladies, through the last Negro Organ, "desirous," as they say, of "furthering the success of that party whose watch-word is equal civil and political rights, for all men, IRRESPECTIVE OF RACE OR COLOR," offer, a prize Banner to the Township giving the largest majority for the Union ticket, AND CONSTITUTIONAL AMENDMENT, which amendment is intended to establish full Negro Equality in Ohio.

There, brethren, you have a chance to signalize your devotion to the cause of your beloved idol, the Negro! Pitch in!

Importing Negroes to Vote in Ohio!

The Memphis Avalanche declares, upon good authority, that ten or fifteen car-loads of negroes "more white than black," as required by Judge Brinkner's decision, in order to enable them to vote in this State, recently passed through that city on their way to Ohio to vote for the Constitutional amendment. They represented that their expenses were paid by the Freedmen's Bureau, the agents of which had promised to take care of them, and see to their getting farms, in case they should vote as directed.

The Star in the East.

The news from Maine, grows better and better, as the official figures come in. The Democrats have carried four counties; last year we had none. The New York Tribune of Saturday, has a table of returns from 261 towns, which shows the following compared with the vote of 1860:

Chamberlain.....	1866.	1867.
.....	53,598.	44,718.
Pillsbury.....	30,440.	37,300.
Chamberlain's majority thus far, 10,230.—		
Majority in same towns last year, 23,156.—		
Republican loss, 13,939.15 Democratic gain, on the vote of 1865 3,599; total gain 17,514.		

Soldiers!

When Henry B. Banning, comes "soft-soaping" around you, begging you to vote for Negro Suffrage, and imploring you not to forsake him, in these his days of trouble, ask him why he and his Radical friends in the Ohio Legislature robbed the soldiers' widows and soldiers' orphan of Eight Hundred Dollars, collected from the taxpayers of Ohio for their benefit? Tell him to give you an honest answer to that question.

Farmers.

Do you wish to work from morning till night to support in luxury the rich bondholder who "works not, neither does he spin"—who has no interest in common with you—no sympathy for you or yours? If you do, vote the Radical ticket.

In a late speech at Cleveland, Ben. Wade said: "I charge upon this great organized party (the Democratic) the responsibility of three hundred thousand of the flower of our youth lying in their graves." The difference between these three hundred thousand and Ben. Wade is that while they lie in their graves, he lies out of it. The Chicago Times wittily adds it is a pity there is any difference whatever between them.

Thad. Stevens Very Sick.

A telegram on Tuesday announced that Thad. Stevens, the Radical leader in the Rump Congress, was lying dangerously ill at his home in Lancaster, Pa., and his recovery was not looked for. If Old Thad. should "kick the bucket," the Radical party would turn tail, and go to staves!

The President to be Impeached.

President Johnson is to be impeached and driven from the Presidential chair, immediately after the reconvening of Congress in November. So said Hon. Schuyler Colfax in his speech in this city last night. The impeachment of the President, then, is one of the Republican issues in this canvass.—Statesman, Sept. 24.

It is asserted that drafts to a heavy

amount have been received in Washington from Ohio, to be used in securing the election of Governor Dennison as Senator to succeed Ben. Wade. Chief Justice Chase, Jay Cooke and the National bank interest generally are said to be working in favor of Dennison.

Our Great Mass Meeting.

Grand Outpouring of the Democracy of Old Knox!

Eloquent Speeches of Messrs. Thurman and Pendleton.

Our Mass Meeting on Thursday of this week was a grand outpouring of Democracy of Old Knox. It was precisely what it was intended to be, a meeting of the voters and taxpayers of the county, and not a mere show for political effect. The bone and sinew of the Democracy were here in full force. The old veterans of the party, especially, who have stood by their party and stood by their country, during long and eventful years, were here in their strength, encouraging and cheering on their sons and their grandsons, to stand by the Union and the Constitution, and to rescue the country from the deadly grasp of disunion Radicalism.

The meeting was organized by the selection of the following officers:

PRESIDENT:

HON. ROLLIN C. HURD.

VICE PRESIDENTS:

Wm. Hook, Jackson; Jos. Hamill, Butler; Benj. Butler, Union; James Withrow, Jefferson; William Loner, Brown; Anthony White, Toward; Hugh Miller, Harrison; Andrew Vance, Clay; John Sellers, Morgan; William Lhamon, Pleasant; E. G. Riley, College; H. H. Young, Sr., Monroe; David Poreh, Pike; Jacob Merrin, Berlin; A. Thirft, Morris; Wm. Lavever, Sr., Clinton; Oliver Squires, Miller; Isaac P. Larimore, Milford; Christopher Wolfe, Liberty; Jonathan Agnew, Wayne; Joseph Levering, Middlebury; John Lynd, Hilliar.

SECRETARIES:

L. Harper, John M. Ewalt, Joseph Watson. Judge Hurd, upon taking the Chair, made some very happy remarks, and alluded, in beautiful terms, to the good old National Democratic Party, whose proudest boast has always been that it has stood by the country and her Constitution, through persecution, contumely and defeat. He concluded by introducing to the audience our gallant and glorious standard-bearer for Governor, Judge Thurman, who, he believed, in a few days, would have his title changed to that of "GOVERNOR THURMAN."

Judge THURMAN, upon taking the stand, was greeted with shouts of applause. He commenced by saying that it was over a quarter of a century since he (then a young man) had the honor of addressing the Democracy of Knox county. And now, when his hair is whitened with the frosts of time, he was more than proud of once more meeting the sterling men who have been true to their party and to their country. He then proceeded, at considerable length, to discuss the questions of the day—Reconstruction (or rather destruction) the Public Debt, and Negro Suffrage—in that clear and logical manner for which he is celebrated. His speech was listened to with marked attention, gave universal satisfaction, and was received with shouts of applause.

Hon. George H. Pendleton next addressed the meeting; and is no flatterer when we say that in our opinion his speech was one of the best of his life. He discussed the question of Negro Suffrage and the question of Taxation in such a manner as could not fail to carry conviction to the mind of every person in that vast audience. He showed the gross inconsistency of the men who profess to be opposed to Negro Suffrage and declare they will vote against the Constitutional Amendment, and yet allow their determination to vote for the Republican candidates for the Legislature—the very men, who, if elected, will vote to ratify the acts of Congress, forcing Negro Suffrage upon the people of Ohio. Mr. Pendleton, in a very clear and satisfactory manner, discussed the question of Debt and Taxation, and thoroughly exposed the misrule of the Radical party in Ohio. Altogether, it was a grand display of oratory and statesmanship, that delighted all who heard it.

After listening to eloquent, argumentative and unanswerable speeches of Messrs. Thurman and Pendleton, on Thursday, every Democrat of Knox could not help feeling proud that our grand old party can boast of such able and accomplished leaders. And that pride will be greatly increased if the people of our State and of our country should manifest their appreciation of the merits of those gentlemen by choosing the first for Governor of Ohio, and placing the second in the Presidential chair.

THE EVENING MEETING.

The Court House on Thursday evening was well filled to hear a speech from M. N. ODELL, Esq. of Newark. Wm. Dunbar, Esq. presided; Wm. H. Smith, Daniel McDowell and Abel Hart, were Vice Presidents, and John M. Andrews, Secretary. Mr. Odell, for about two hours, discussed the Tax and Suffrage questions, in one of the most clear, logical and argumentative speeches we have ever heard the pleasure of hearing. His remarks were listened to with profound attention, and made a deep impression upon every person present. We are sorry that we have not room for a more extended notice.

The Millwood Meeting.

The meeting announced last week for Judge Hurd, at Millwood, on Monday, Sept. 7th, has been changed to Saturday, Sept. 5th.—Let our friends in the eastern portion of the county make this change known, and turn out in full force to hear Judge Hurd on Saturday.

State Fair.

The State Fair, commences at Dayton next Tuesday. The Dayton Ledger says:

From present indications the number of entries in all the departments will, by Monday evening next, fully equal and perhaps exceed those made at a former exhibition.

Secretary Klippart, and a full corps of assistants are now busily at work making entries and getting things ready for the State Fair. Everything on the part of the Board will be in ample order by Monday next, when the Fair commences.

A mistaken impression seems to have gone abroad that the price of tickets to the State Fair is to be one dollar. We can state "by authority," that the price of tickets is only twenty-five cents. They have been put at this figure which will enable every one to visit the exhibition who desires to do so. It should also be borne in mind that no entrance fee is required.

General "Vienna" Schenck is advertised to speak in this city on Saturday. We presume he will relate his wonderful exploits in charging upon the rebel batteries with a Railroad train, and tell how many brave boys he caused to be slaughtered by that brilliant specimen of Generalship.

The Carlisle (Ky.) Mercury has declared for the Hon. George H. Pendleton as the next Democratic candidate for President.

Accident to Dr. Cass.

On Saturday last, as Dr. Cass was returning home from a professional visit, between Lewisville and Coshocton his horse attached to a sulky became frightened and unmanageable. The horse started to run, and the Doctor to save himself attempted to throw himself backward out of the sulky. He did not fall clear of the vehicle and was caught and held in a very dangerous position, and only by his great presence of mind did he succeed in extricating himself. The Doctor was badly bruised about the head and chest, but is rapidly recovering and now able to walk about. It was certainly a narrow escape.—Coshocton Dem.

From a White Soldier.

A white soldier, writing from Bryan, Williams county, says:

So great has been my prejudice against the Democratic party that I have not even allowed myself to read yours, or any other Democratic paper. But I take pleasure in informing you that I have "changed my base" since hearing the speech of Jim Ashley in the Court House the other day. When he told me, and my brave comrades, that Ashley, (as he did call him) that if we would not vote for that cursed abolitionism, nigger suffrage, we "looked like cowards, would walk to the pool like cowards, would vote like cowards, and are cowards," he told a cowardly lie, and if he should tell so personally, then, so help me God, I would climb the infernal ladder down the throat of the poor "finny" bloater, and I have only to say for myself and a corps of comrades that a party composed of men who will all, and applaud such vile slang as the Republicists did at the meeting to day, shall never have another vote from us.

Great God, only think of it! Because we happen to be white soldiers, we are still content to run this government, we must have the charge hurled in our faces by stay at home brawlers: "You look like cowards, you will walk to the polls like cowards, you will vote like cowards, and are cowards!"

With us, Ashleyism, and all other kinds of Radicalism, are played out. We are Democrats, Yours, for the clear Democratic ticket, WHITE SOLDIER.

Please Tell.

Are you a Radical—a genuine Republican? Tell us—
How do you restore the Union?
Will you preserve a Constitution?
How have you benefited the negro?
Who was benefited by the war?
How much better off is the poor man now than before the war?
Do you believe in equal taxation?
Why not exempt the poor working man as well as the rich bondholder?
Will you tax the poor soldier who fought for his country, and exempt from all taxation the speculator who stayed at home and stole from his country?

Grand Base Ball Match.

The "exercises" at our County Fair closed on Friday afternoon, by a grand Base Ball Match, between the first nine of the "Kokosing" Club of Mt. Vernon, and the first nine of the "Kenyon" Club of Gambier, for a premium of \$50, offered by our Agricultural Society. An immense number of persons were on the Fair Grounds witnessing the contest; and so great was the excitement and interest felt in the game, that the horse racing was scarcely noticed. The playing was admirable on both sides, and called forth shouts of applause, especially when a good bat or a good run was made by the players on either side. The Kokosing Club was victorious by a score of 47 to 43, with only two men out on the last inning—the crowd having rushed in, supposing the game had ended, thus preventing any further playing.

Granville vs. Mt. Vernon.

Knox County Fair Grounds, September 24, 1887.
Match game of base ball between the "Granville" club, of Granville, Licking county, and the Mt. Vernon club of this city.

A Glorious Meeting.

There was a large and spirited meeting at the Court House, Mount Vernon, on Saturday evening last, to hear a speech from Theodore Cunningham, Esq., of Lima, Allen county, who has heretofore been a prominent Republican, but who has "come out from among the owl party," and taken his stand with the Union Democracy. Mr. H. Mitchell, Esq., presided, and Wm. R. Hart was secretary of the meeting. Mr. Cunningham, in a clear and forcible manner, traced the history of the Republican party, especially during the war, and showed how the disunion radicals have managed to get entire control of the party, and direct all its movements in Congress and throughout the country. He proved most conclusively, that the object of the radicals is to destroy the Union, to blot out of existence State Governments, and to establish a military despotism upon the ruins of this once glorious Republic. Mr. C.'s remarks were listened to with profound attention, and his many capital hits called forth rounds of applause. At the close of the meeting, a unanimous vote of thanks was given to Mr. C. for his able, patriotic and unanswerable speech.

Fine Potatoes.

Conspicuous among the vegetables in Floral Hall, at our County Fair, was a variety of choice Potatoes, exhibited by our friend H. C. Taft, Esq., of Gambier Avenue, which attracted general attention and admiration. Mr. Taft has had the goodness to present us with three measures of three different varieties, and we take great pleasure in saying, after giving them a fair trial, that they even taste better than they look. Mr. Taft informs us that of these three varieties (the Goodrich Seedling) he raised this year 228 bushels from 7 bushels of seed. It ripens early, is solid and dry, very pleasant to the taste, and keeps well during the winter. The Catalpa is later in maturing, is nearly a profligate, and is an excellent table potato. The other variety (the Garnett Child) is fully equal to those we have mentioned. Mr. Taft is one of our most enterprising gardeners, and he is entitled to the thanks of our citizens for introducing these and several other varieties of potatoes into this community.

Eye and Ear.

Dr. Harter will be at Mt. Vernon, Bergin House—Oct., Thursday and Friday, the 10th and 11th.
Dr. Harter is well known to the people of Ohio from his skill in restoring Sight and Hearing. He has Diplomas from the best Medical Colleges in the United States.

"Beyond the Mississippi."

A complete history of the new States and Territories, from the great river to the great ocean, by Albert D. Richardson.
This is a most entertaining and valuable book, and its popularity is attested by the sale of over 20,000 copies in a single month. The author's long and varied experience in the little known and interesting regions of the Far West, furnished the valuable material for its contents.

Mr. Richardson is widely known as one of our most brilliant journalists and writers. No other author has traveled over so much of our vast western domains, and we know of no one who can so well describe what he has seen. He is always interesting, generally amusing, and, better still, invariably truthful.

The volume before us is accompanied by an accurate and minute map of the entire region beyond the Mississippi, and is elegantly printed and profusely illustrated with over two hundred engravings from original photographs and sketches from the pencils of Bierstadt, Nast, Henshaw, Darley, Penn, Stephens, Forbes, and other eminent artists, which are really beautiful and worthy of examination as specimens of art.

It is a credit to American authorship, and not only the most valuable work from Mr. Richardson's pen, but by far the best and most complete history of the great West ever issued. Those who wish for authentic information of the resources, condition and prospects of the Western and greater half of the continent, within a few years to be so thick with civilized States, rich in all the elements of greatness, should consult this most valuable work. The writer has a charming style, a fund of humor, and his experiences are of thrilling interest. We predict for this book an unprecedented sale. "All Young America" expects to go West and seek their fortunes when the Pacific Railroad is built, if not before, and will read with avidity "Beyond the Mississippi."

We are requested to state that Mr. Angus Evans, the daily agent for this valuable book for Knox county, will wait upon our citizens and receive their subscriptions to the work.

DISCUT A LUXURY FOR ALL.—The popular notion that people suffering from dyspepsia are predisposed to that disease, should not eat biscuit, has grown out of the fact that the common Saleratus has been used in the making of such biscuit. And it was right; the article is mischievous. But light and healthy biscuits, such as our dyspeptic people may eat with impunity and with positive benefit, are made from D. B. De Land & Co's. OHIO STATE NEWS.

The farmers in Madison County are giving away their young pigs in consequence of the scarcity of corn and other feed.

A number of horses have died near Wellington, Lorain county, of a disease called, in the neighborhood, diptheria.

Richard Barr, a lad aged about fifteen years, died at Wellsville on account of cold contracted while playing baseball by sitting upon the ground when very warm.

Three young rogues, the eldest not more than twelve years of age, committed a burglary on a hardware store in London, Madison county, one day last week.

The Marietta Times says that a young man named Best, a soldier during the war in the Thirty-sixth O. V. I. was drowned near that place on Saturday night while bathing. He was a good swimmer but was supposed to have been taken with cramps.

The Canton, O., Republican says: Late Washington letters kept intimating that Mrs. Lincoln is to be married to a gentleman of Canton, Ohio. We are not posted as to names, and are therefore not prepared to say how much credence ought to be given to this very tantalizing rumor.

Messrs. J. A. More, L. W. More, A. McFarlin, P. O. Coddling, C. Jackson, J. P. Smith, B. F. Willets and Page Moon have organized the Western Reserve Collar Co., for the purpose of engaging in the business of manufacturing horse collars, harness, etc., at Coddlingville, in Medina county. The certificate of incorporation was filed with the Secretary of State on Monday. The amount of capital stock is \$20,000 divided into shares of \$50 each.

Charles E. Harris, forty six years old, brother of Colonel S. D. Harris, of the Ohio Farmer, deliberately shot his only son, on Friday night last, aged twenty two years, at Kent, Portage county. The surgeons pronounce the shot fatal. Liquor and a money difficulty caused the inhuman crime. Harris is in jail at Ravenna.

We learn from the Oxford Citizen that that village has raised about \$12,000 of the fund for the erection of new buildings for the University. At a meeting of the Trustees lately, it was voted to commence the erection of the buildings immediately, and to put agents in the field to canvass for funds.

A correspondent of the Meigs County Press says there is in that county an apple tree of the "Gate" variety, which was set out over sixty years ago, and it is twelve feet in circumference and seven feet to the first limb. The top is nearly round, and spreads over thirty feet each way from the trunk. The tree is thrifty and in full bearing.

The Mansfield Shield and Banner says: On Sunday morning, about four o'clock, a young man, named Michael Gallagher, son of Henry Gallagher, was killed by the train going west, on the P. Ft. W. & C. R. R. about two miles east of this city. He was walking on the track coming to Mansfield, and it is supposed did not know the train was so near him. He was not discovered till Sabbath afternoon, and must have been killed instantly. He sustained a good character and was correct in his habits.

A sad event occurred, on last Sunday morning, says the Marietta Times, in the accidental drowning of Mr. John Best. He and two other persons went out in a skiff, about two o'clock in the morning, to deliver the mail-bags to the mail boat, after which they went into the river bathing. Mr. Best was soon attacked with cramps, and before assistance could reach him he perished. The body was recovered about noon and was buried the same evening. The deceased was a brother of Henry and Christian Best, and was nearly twenty-five years of age. He was a single man, but was engaged to be married shortly to a young lady of this county.

New York Wool Market.

There is a fair demand for strictly fine fleeces, which are in light supply and will readily command higher and perhaps a shade better prices. The coarse and medium grades are freely offered, and find but few purchasers even at a slight concession. Texas and California wools are quiet, and prices still firm. The fluctuations in the wool market have added to the previous reluctance to operate in foreign wools, so that with the exception of a few samples we are without transactions to report. The sales are 275,000 lbs fleeces at 35¢ for heavy to XXX, including medium to choice Ohio at 45¢; fine, low Illinois, Iowa, Wisconsin at 40¢; 45¢ medium and fine Michigan at 45¢; 47¢; 15,000 lbs shearings, put at 15¢; 25,000 lbs Kentucky combs at 22¢; 20,000 lbs pulled at 37¢; 40¢ for lambs; 47¢; 50¢ for extra, 30,000 lbs California at 24¢; 30¢; 40,000 lbs Texas at 26¢; 30¢; 50 lbs Mexico, put at 37¢, and a few small lots of Cape on private terms.

Brother Crawford's Sermon.
A Southern exchange gives this as the first sermon of a new minister in a village in that section. He began apologetically as follows:
"You don't see me to day in the dress I allers wear; I come among you as a stranger and am now tricked out in my store clothes. I am not a proud man, but I thought it would be more becoming among strangers."
After this he raised a hymn in which the congregation joined. He then began his sermon.
"My dear brethren and sisters, first and foremost, I'm guine to tell you the affecting part in I had with my congregation at Bethel Chapel. After I had got through with my farewell sermon as I came down outen the pulpit, the old gray headed brethren and sisters who listened to my voice twenty years, crowded around me and with sobbing voices and tearful eyes, said—Farewell, brother Crawford!
As I walked down the aisle, the young ladies, tricked out in their finery brass jewelry, gawags, jim-cracks, paints and flounces, looked up with their bright eyes, and pronounced with their rosy lips—Farewell, brother Crawford.
The young men, in their tight pants, boots, high collars dashy waist-coats—smelling of pomatum and cigar-smoke—with shanghai coats, and striped Zebra pants—they too said—Farewell, brother Crawford!
The little children—lambas in the fold—lifted up their tiny hands and small voices, and with one accord said—Farewell, brother Crawford.
The colored brethren of the congregation now came forward (black sheep who had been admitted to the fold under my ministry) with tears rolling down their cheeks they too said—Farewell, brother Crawford!
As I got on my horse and bade adieu to my congregation forever—I turned to take a last look at the church where I had preached for more than twenty years—and as I gazed at its dilapidated walls and moss covered roof—it seemed to say—Farewell, brother Crawford!
As I rode through the village, the people who poked their heads outen the windows and servants who lean on their brooms all seemed to say—Farewell, brother Crawford!
As I passed along down the highway, through the forest, the wind, as it sighed and whistled through the tree tops, playing on the leaves and branches the burden of salvation, it too seemed to say—Farewell, brother Crawford!
As I rode along down a hot dusty lane, and old sow that was asleep in a fence-corner, jumped out of a sudden with a loud broo-too, broo-too; she too seemed to say—Farewell, brother Crawford.
My horse got frightened and jumped from under, and as he curled his tail over his back—kicked up his heels and ran off—he too seemed to say—Farewell, brother Crawford!
