THE BANNER.

MOUNT VERNON, OHIO, OCT. 30, 1898.

Reading matter on every page.

PITTSBURGH, MT. VERNON AND INDIANAPOLIS RAILROAD.

ELECTION OF DIRECTORS.

Ten per cent. of the capital stock of the Pittsburgh, Mount Vernon & Indianapolis Railroad Company, having been subscribed, notice is hereby given that there will be a meeting of the stockholders of said company, at the office of Walter H. Smith, Esq., in Mount Vernon, Ohio.

On the 22d day of Dec., A. D. 1898, at 10 o'clock, A. M., for the purpose of choosing seven directors for said company.

JOHN COOPER, Corporator and Walter H. Smith, Esq., Sines Committee.

Railroad Election.

It will be perceived by the above notice, that the stockholders of the Pittsburgh, Mt. Vernon and Indianapolis Railroad are notified to meet at the office of W. H. Smith, Esq., in this city, on the 22d of December, for the purpose of electing a Board of Directors. It is confidently believed that this important work will now be put through.

Our Campaign Subscribers.

This number of the BANNER will complete the campaign edition; but we shall send next week's paper, giving the result of the election, to all campaign subscribers. Quite a number of our campaign subscribers have ordered the paper to be sent to their address permanently, and we hope to have like orders from all of them before the issue of our next paper. Whatever the result of this election may be, we intend to make the BANNER a live Democratic paper in the future, as it has been in the past.

Agricultural Notice.

The members of the Knox County Agricultural Society, and all others having an interest therein, are hereby notified that the Annual Meeting for the Election of Officers will be held at the Auditor's Office, in Mt. Vernon, on the first Saturday of December, 1898, at 1 o'clock P. M. A full attendance is required.

By order of the Board.
A. CASSIDY, Sec'y.

That Torch-Light Procession.

Up to the last moment, the attempted Radical Torch Light procession is a dead failure. The pretended friends of Mr. Cooper thought they would have a high old time over his political grave, and they had the impudence to ask the real friends of Cooper to join in the farce. The Radical leaders sneer at the Workingmen's movement, and then cooly ask the Workingmen to form a part of their show.

That Cooper was badly treated by those who pretended to be his friends, every one knows. But the insolence of those who betrayed him is only equalled by their stupidity in supposing that the Workingmen do not understand their game.

Every man of half sense knows that Delano Sapp, Kirk (the arduous dog) and Col. Cooper all desired Mr. Cooper's defeat, and it requires all their cunning to conceal their joy.

The Radical Torch Light Procession is dead, and so is the Republican party.

Our dearly beloved Radical friends here in Mt. Vernon have got into a terrible mess among themselves, and are accusing each other of all manner of frauds and rascalties, and more especially of misappropriating Cooper's money, that was given them for coöperation purposes. Two of the brethren squared off for a fight the other day, and had it not been for the timely interference of the by-standers, there might have been one or two "deaths in the family."

O brethren, "let us have peace."

Game Law.

As some of our readers may not be familiar with the provisions of the Game Law, we append the most important provisions: Quail, wild turkey, pheasants or ruffed game may be killed from the 15th of October until the first of February; wild rabbits and doves from the first of November until the first of February; woodcock from the 4th of July until the first of September; wild duck from the first of September until the fifteenth of April; and wild deer from the first of October until the first of January. Netting quail is forbidden at any time of the year.

The fine for violating the law is not less than two dollars, or more than twenty, or imprisonment in the State Jail, or both at the discretion of the Court.

What Planchette Says.

Mr. Editor—I am not superstitious, but against my will I am forced to acknowledge that "Planchette" does tell the truth.—The other day, I was one of a half dozen persons, all Republicans but myself, while a number of questions were propounded to the French Sybil, "Planchette."

Among others the following questions were asked:
Q. What is Seymour?
A. An Orator.
Q. What is Grant?
A. A soldier.
Q. What is No. 1?
A. A fool.

After this, who can doubt the skill of Planchette?
LOOKER-ON.

Hoop Skirts manufactured at Mrs. Andrews', in quality, style and price, to compete with any in the market, at wholesale, as cheap as can be had in the East.—Please favor with an order, or call and see for yourself.

The Largest and Best assortment of Hats and Winter Caps, of all kinds and a general assortment of Goods, including Trunks, 25 per cent. cheaper than any house in this city, at Leopold's.

We would call the attention of our readers to the advertisement of Seward & Bentley, which appear on the outside of our paper alternately each week. They are enterprising Druggists No. 189 Main St., Buffalo, and are doing a big business in the Alaska for the Hair, which has been tried and proven to be the best in use.

Remember—Leopold is determined not to be undersold by any firm in the city and invites the public to examine his stock before purchasing elsewhere.

If you wish a fine suit of clothes made to order, and a good fit secured, call at Leopold's.

OHIO STATE NEWS.

Andrew J. McNutt, of Ashtabula lost his right arm by a buzzsaw at Warren, Pa. a few days since.

The Grecian bend has taken a local modification in Columbiana county, and is styled the "New Lisbon wriggle."

A lamp of coal weighing two tons, or four thousand pounds, was exhibited at the New Lisbon Fair. It was excavated from a mine in that vicinity.

A young man named William Reddy, of Newark, Ohio, committed suicide there on Tuesday evening, by shooting himself through the heart. Disappointment in love was the cause.

Some scamps recently affected an entrance into the New Lisbon postoffice and abstracted stamps, envelopes, &c., to the amount of nearly \$400. No money of any consequence was taken, but it is thought some letters are missing. The rascals also took a number of Bibles.

Reuben Oger, of Benton twp., Ottawa co., was recently engaged in felling trees and through some mistake placed himself in such a position as to receive a blow from one of them which resulted in instant death. He was a middle aged man, and left a wife and children to mourn his loss.

James Clark, an old, respected citizen of Chillicothe, Ohio, committed suicide last week by cutting his throat. Mr. Clark was the victim of an incurable disease, and suffered greatly from despondency and pain. He was about seventy-five years of age, and a member in good standing of the Methodist Church.

An accident, which resulted fatally, occurred at Berlin, on the Delaware branch of the C. & C. Railroad, on Wednesday last. A young man, about seventeen years of age named John Lavender, attempted at that time, to jump upon a freight train which was passing that station, but missing his footing, he was thrown under the wheels of the cars, several of which passed over his body. When taken up, he was found to be nearly dead, but was still alive. He died, however, in about an hour after the occurrence of the accident. He has friends living in Berlin, Wayne county, Indiana.

Benj. E. Smith, Esq., formerly Auditor of Knox county, has been on a visit to friends in this city for some days past. He now resides in Iowa.

Our worthy townsman, L. B. Curtis, was elected Grand Warden of the Grand commandery of the Knights Templars of Ohio, at the late meeting at Dayton.

Leopold keeps the best stock of Ready-made Clothing in the city, and cheap. Call and examine for yourself.

SCHUYLER COLFAX AND FOREIGN BORN CITIZENS.

The following are the avowed principals of the Radical candidate for the Vice Presidency in relation to citizens of Foreign Birth:

I, SCHUYLER COLFAX, of SOUTH BEND, IN THE STATE OF INDIANA, NATIVE BORN CITIZEN OF THE UNITED STATES, AND OF PROTESTANT FAITH, IN THE PRESENCE OF ALMIGHTY GOD, AND THE WITNESSES, DO SOLEMNLY PROMISE AND SWEAR THAT I WILL NOT VOTE NOR GIVE MY INFLUENCE FOR ANY MAN, FOR ANY OFFICE IN THE GIFT OF THE PEOPLE, UNLESS HE BE AN AMERICAN BORN CITIZEN, IN FAVOR OF AMERICAN RULING AMERICA, NOR IF HE BE A ROMAN CATHOLIC.

IN THE PRESENCE OF ALMIGHTY GOD AND THESE WITNESSES, I DO SOLEMNLY AND SINCERELY SWEAR THAT I WILL WHEN ELECTED OR APPOINTED TO ANY OFFICIAL STATION CONFERRING ON ME THE POWER TO DO SO, REMOVE ALL FOREIGNERS, ALIENS OR ROMAN CATHOLICS FROM OFFICE OR PLACE, AND THAT I WILL IN NO CASE APPOINT SUCH TO ANY OFFICE OR PLACE IN MY GIFT.

Effects of Radical Rule in Louisiana
New York, Oct. 24.
A Tribune special from New Orleans on the 23d, says: Outrages and murders are increasing in number throughout the State.

Last night a mob of disguised men broke into the jail at Carrollton and killed two negro prisoners. The evening Picayune says no one can blame them.

At a large fire in Gretna, last night, a disturbance occurred and three blacks were killed and several wounded; the rest fled to Algiers and the stamps. This morning a large number of white men crossed from here. Gen. Rousseau has stopped the ferry boats and sent a company of infantry to assist the one hundred policemen who were there in preserving the peace.

The evening Tribune says: "The long impending conflict seems fairly commenced."

Gen. Rousseau has requested two additional companies of the colored army of four hundred men had ordered the Metropolitan Police to leave Gretna.

The Devil Unchained.

Rev. Dr. Chapin writes as follows in the Liberal Christian: There has never been a time when the calls for philanthropic activity and the pressing need for social reform were so urgent as at the present time. Our Northern society is honeycombed with evils and vices. Turn which way we will we are confronted with a pitiful or a squalid. Our streets are filled with beggars, ragged, cold, meet us everywhere, asking us to buy that they may not starve. Men and women appeal to us for labor or aid to keep them from crime and the law. Noble charities are endeavoring to want of funds to carry on their beneficent operations; and as we go to see what can be done, a young man falls prostrate at our feet from intemperance, and in trying to relieve him we stumble into the mouth of hell where Satan plays his game for souls, burning up the bodies of his victims to get the stakes he has won before the time. It seems as though the fountain springs of vice had overflowed, and the waters of corruption and crime were pouring through a thousand invisible channels, and made the very ground beneath our feet one vast quagmire of sensuality and corruption and crime; and out of the morose come up the millions of wretched, degraded, and thousands to save them from sinking, and lift them back to the solid ground of virtue: here are many States filled with ignorance and vice, disorder and misery, open rebellion, and military and naval policy of poverty, wretched, and often depraved foreigners, herding in our great cities, breeding epidemics, breathing disorder, covering whole districts with creeping vices and anti-social crime. This is a frightful picture, but which will say it is untrue.

PROPHET FULFILLED.

"IF THE INFERNAL FANATICS AND ABOLITIONISTS EVER GET POWER IN THEIR HANDS, THEY WILL OVERRIDE THE CONSTITUTION, SET THE SUPREME COURT AT DEFiance, CHANGE AND MAKE LAWS, AND IN THE END, THEY WILL BRING DOWN UPON THOSE WHO DIFFER WITH THEM IN THEIR OPINIONS, OR DARE QUESTION THEIR INFALLIBILITY, AND FINALLY BRING DOWN UPON THEMSELVES AND DELUGE IT WITH BLOOD."

THE DEVIL UNCHAINED.

Rev. Dr. Chapin writes as follows in the Liberal Christian: There has never been a time when the calls for philanthropic activity and the pressing need for social reform were so urgent as at the present time. Our Northern society is honeycombed with evils and vices. Turn which way we will we are confronted with a pitiful or a squalid. Our streets are filled with beggars, ragged, cold, meet us everywhere, asking us to buy that they may not starve. Men and women appeal to us for labor or aid to keep them from crime and the law. Noble charities are endeavoring to want of funds to carry on their beneficent operations; and as we go to see what can be done, a young man falls prostrate at our feet from intemperance, and in trying to relieve him we stumble into the mouth of hell where Satan plays his game for souls, burning up the bodies of his victims to get the stakes he has won before the time. It seems as though the fountain springs of vice had overflowed, and the waters of corruption and crime were pouring through a thousand invisible channels, and made the very ground beneath our feet one vast quagmire of sensuality and corruption and crime; and out of the morose come up the millions of wretched, degraded, and thousands to save them from sinking, and lift them back to the solid ground of virtue: here are many States filled with ignorance and vice, disorder and misery, open rebellion, and military and naval policy of poverty, wretched, and often depraved foreigners, herding in our great cities, breeding epidemics, breathing disorder, covering whole districts with creeping vices and anti-social crime. This is a frightful picture, but which will say it is untrue.
