## TRAVELER'S GUIDE.

### Vandalia Route West!

Twenty-three miles the shortest. Three express trains leave Indianapolis daily, except Sunday, for St. Louis and the West.

The only line running Pullman's celebrated Drawing-Room Sleeping Cars from New York, Pittsburgh, Cincinnati, Louisville, and Indianapolis, to St. Louis, without change.

Passengers should remember that this is the great west-bound route for Kansas City, Leavenworth, Lawrence, Topeka, Junction City, Fort Scott and St. Joseph.

Enigrants and those who are seeking homes in the rich valleys and on the fertile prairies of Missouri, Kansas, Nebraska and Colorado, take notice that this is the cheapest and the most direct route.

This line has facilities for transporting families to the far West not possessed by any other line. Save time and money.

Tickets can be obtained at all the principal Ticket Offices in the Eastern, Middle and Southern States. C. P. POLLOCK, General Pass. Agent, St. Louis; ROBT. EMMETT, Eastern Pass. Agent, Indianapolis; JOHN E. SIMPSON, General Superintendent, Indianapolis. Feb 25

### Iowa, Nebraska, Kansas, California.

Advertising alone does not produce success. The thing which is advertised must have intrinsic merit, or else large advertising will eventually do it more harm than good. If you anything which you know to be good, advertise it thoroughly, and you will be sure to succeed; if it is poor, no amount of advertising will soon discover you are doing it.

Such is the policy of the Burlington route, which runs to three great regions in the West: 1st, To Omaha, connecting with the great Pacific Roads. 2d, to Lincoln, the capital of Nebraska, and all that beautiful region south of the Platte, filled with E. lands and homesteads. 3d, To St. Joseph, Kansas City and all Kansas points.

The route is splendidly built, have the best bridges, finest cars, the Miller platform and coupler, and the safety air brake (to prevent the loss of life that is every where else happening); Pullman's sleepers, Pullman dining cars, large and powerful engines to make quick time and good connections with the best equipped roads in the West. So that if you desire to go safely, surely, quickly and comfortably to any of the great West, Nebraska, Kansas, or on the Pacific Roads, be sure you go "by way of Burlington."

All who wish particular information, and a large map, showing correctly the Great West, and all its railroad connections, can obtain them, and any other knowledge, by addressing General Passenger Agent, B. & N. Co., St. Joseph, Mo.

**Are You Going West?**  
If so, take our advice, and purchase your tickets over the old reliable and popular MISSOURI PACIFIC RAILROAD, which is, positively, the only line that runs three Daily Express Trains from St. Louis to Kansas City and the West, and is, positively, the only line that runs Pullman's Palace Sleepers and fine Day Coaches (especially for money) equipped with Miller's Safety Platform and the Patent Steam Brake, from St. Louis to Kansas City, Fort Scott, Parsons, Lawrence, Leavenworth, Atchison, St. Joseph, Nebraska City, Council Bluffs and Omaha, call upon or address N. H. THOMPSON, Agent, Missouri Pacific R. R., Columbus, Ohio; or E. A. FORD, Gen'l Passenger Agent, St. Louis, Mo.

Presidential Election,

Tuesday, November 5.

To the Liberal Republicans of Knox County.

Permit the Liberal Republican Executive Committee, of Knox County, to address a few words to you, on the subject of the November election. Its importance to the welfare of our common country cannot be over-estimated, and should command the attention of all.

The results of the October election are familiar to us. The Grant majority of 1871, of 20,168, by which Gov. Noyes was elected Governor of Ohio, was formidable, and required energy and nerve on the part of the opposition, to attempt to overcome.

Although our efforts to overthrow that majority have failed in part, we feel like renewing the fight with redoubled energy, and fearlessly enter the conflict with a determination to win victory. The majority of 20,168, of one year ago has now dwindled down to about 14,000. This 15,000 majority must and shall be, in November, swept away. The large number of Republicans who favored the election of Horace Greeley as President, had, in October, personal friends among the Republican candidates, who they wished to aid and did aid, are now free to vote for a life-long Republican, who will give us a pure administration, and rid the people of a set of plunderers, who are now fattening on the spoils they obtain from an over-taxed people.

The people of Pennsylvania, Ohio and Indiana have attempted to stay the hands of the spoilers. By gigantic frauds in Pennsylvania, the will of the people was crushed. In Ohio, by the skin of the teeth, the spoilers triumphed, while in Indiana, the friends of Greeley and Brown have elected their candidate for Governor, notwithstanding the whole power of the General Government was employed to overwhelm them. Almost every Cabinet Officer was sent out to aid in crushing the will of the people in the election just past. This course of action on the part of the administration, has no parallel in the history of the country.

In Ohio there are about 2,000 election districts; the change of only three or four votes in each of them, will give the State to Greeley in November. Will the Liberal Republicans, in Old Knox, will their share in redeeming the country? In 1871 the Democratic majority in this county was only 538—while in 1872 the majority for the Democratic and Liberal Republican candidate for Secretary of State is 948.

This handsome increase, in a great measure, is due to the Liberal Republicans, who voted for General Wiley. This majority of 348 in October can be increased to 700 in November, by a very little exertion on the part of the friends of Mr. Greeley. Shall it be done? The interests of our country demands it at our hands—let us not waver in the hour of battle, and the victory perchance on our Banner.

In 1868 Grant carried Ohio by 40,000 majority, and Knox county by 69 majority; while in 1872 the Grant candidate for Secretary of State is elected by only about 14,000 majority, while Knox county gives the place of being a Republican county, to the anti-Grant candidate for the same office a majority of 348. Have we not every thing to encourage us? In Ohio, to-day, there are 20,000 voters who voted against us in October, who will vote for Greeley in November. Our opponents see the hand writing on the wall, and are shaking with great fear. Shall we give up the battle before it is fought? Never!

Liberal Republicans of Knox county, shall we belie our names, and do injustice to our noble cause? Never, no never! Then gird on your armor, and do battle manfully. See that every opponent to the reelection of General Grant is at his post on the day of election, and working manfully for the glorious cause of truth and good Government. Let every man vote as he thought that upon his vote alone depended the election of Horace Greeley.

Our democratic friends are working earnestly for Greeley and Brown, and are determined that there is no such word as "defeat" in the success of the good cause. Let there be a friendly strife between the Liberal Republicans and the Democrats, friends of Mr. Greeley, as to whom shall do the most good work. Let no Liberal Republican neglect the duty entrusted to his care, by the framers of the constitution, of exercising the elective franchise.

Liberal Republican Executive Committee.

The Radical press perpetually assert that Mr. Greeley, if elected, will be entirely controlled by the leaders of the Democratic Party. If this is true it furnishes the strongest possible reason why every Democrat throughout the land should vote for him. If by so doing an Administration is secured which is guided by the combined wisdom of Groesbeck, Thurman, Hendricks, Banney, Evans and others like them, it will be better than an Administration conducted by the unaided wisdom of one of these men. If the Radicals are right, every Democrat's duty is a clear as noon-day.—Columbian Sentinel.

The Cincinnati Enquirer says every Democrat and Liberal Republican we have seen say, "Keep up the fire." Our friends for carrying Ohio for Greeley are good. There is but a small majority to overcome, and we know that there are plenty of men who voted against us in October who will be with us in November."

"My duty to myself and to my country requires me to give him [Horace Greeley] my support."—Gen. N. P. Banks' Letter, July 31.

## Address to the Democracy of Ohio.

DEMOCRATIC STATE EX. COM. ROOMS,  
COLUMBUS, OCT. 15, 1872.

To the Democracy of Ohio:  
The result of last Tuesday's election shows that Ohio was lost by the failure to poll the usual Democratic vote. Mortifying as is the fact, justice to the Liberal Republicans, and an earnest desire to retrieve the misfortune, require us to declare it. In our chief towns the Liberal strength exceeded our most sanguine estimates. In the country it fell short; but the aggregate of Liberals in city and country who voted our State ticket, added to the Democratic vote of 1868, would have overcome the Republican majority at that election and the negro vote combined, and given us victory.

Can we repair the mischief? We can. Four-fifths of the Democrats who stayed at home last Tuesday can be induced to vote for Greeley in November. Those who will absolutely refuse to go to the polls will be counterbalanced in numbers by those Republicans who went against us last Tuesday, but will vote for Greeley. We have only to poll our usual Democratic vote to snatch from defeat a glorious victory.

The Liberals stretch forth the hand. Shall we refuse to take it? The prostrate and plundered South cries out for help. Shall we be deaf to their appeal? By Greeley's election we can restore prosperity and good government to the South, kind feeling to the North, honesty and honor to the Civil Service, respect for the Constitution and Laws to the National Administration. Could we do more with a Democrat in the Presidency? Could he expect that co-operation in Congress which Mr. Greeley would command? Are patriotic Democrats willing to lose all the beneficial results of a victory out of personal hostility to Greeley, or disgraceful lethargy? Are Ohio Democrats ready to let our pure and proud State become debauched and hopelessly subjugated, like Pennsylvania, by hordes of mercenaries paid by plunder? Our Union with the Liberals in Ohio has not been fruitless. It has given us Hamilton county by near six thousand majority, which secures the constitutional Convention and the Legislature and a United States Senator next year, if we make a brave fight this fall.

Should both Ohio and Pennsylvania go for Grant, the chances are still in favor of Greeley's election. Connecticut, New York, New Jersey, Indiana added to those border and Southern States which are certain of Greeley, will give him a clear majority.

We have already by a vigorous and aggressive fight, forced the Grant party to its knees, and can conquer it in November.

Fellow Democrats! Work till November, be heartily and hopefully. The Liberal will take care of themselves. Let every Democratic County Committee get a list of those Democrats in each Township who failed to vote last Tuesday, and direct its efforts to them. Bring out this lagging vote, and the fight is won in Ohio and the Republic.

## Presidential Election,

Tuesday, November 5.

General Morgan.  
This most excellent gentleman and member of Congress, has been defeated in this, the Ninth District by some 400 votes. The General has been one of the ablest members of Congress, and all intelligent, high-minded men, who know him, and are not blinded by party prejudice, and the fit glare and dazzle of military pomp and despotism, will very much regret his defeat. Yet Mr. Morgan has the satisfaction of having reduced his majority of the Radical camp followers of General Grant in Morris county, nearly one half from what it was two years ago which convinces us that he would have carried Morris County, and his district had the radical voters, who would like to be honest and consistent, been from under the party lash on their leaders, who have by a kind of legalized theft been enriched by what they have embezzled or stolen from the public coffers.—Mt. Gleed Register.

Hamilton County.  
The Democratic-Republicans of Hamilton county did nobly at the recent election, and promise to do better in November.—The following are the official majorities for the candidates named: Secretary of State, Aquila, Wiley, 5,653; Judge of Supreme Court, John L. Green, 8,016; Board of Public Works, Isaac B. Riley, 4,857; Congress—First District, Milton Sayler, (long term), 3,559; First District, Ozro J. Dodds, (short term), 2,268; Second District, Henry B. Banning, 1,502; Sheriff, George W. Zeigler, 3,018.

During the election in Savannah, a negro who was inciting a riot at the polls was arrested by a man named Julian, a special deputy Sheriff. This outrageous interference with the rights of suffrage has received its merited reward. A score of negroes, headed by a white Custom-house official, gallantly attacked Julian, in the evening, shot him in the head and thigh, beat him with clubs, and left him senseless. The colored men are arming, or organizing, and fighting in a way that must do Wendell Phillips' heart good.

"I ACCEPT YOUR NOMINATION. IN THE CONFIDENT TRUST THAT THE MASSES OF OUR COUNTRY, MEN, NORTH AND SOUTH, ARE EAGER TO CLASP HANDS ACROSS THE BLOODY CHASM WHICH HAS LONG DIVIDED THEM, FORGETTING THAT THEY HAVE BEEN ENEMIES, IN THE JOYFUL CONSCIOUSNESS THAT THEY ARE AND MUST HENCEFORTH REMAIN BROTHERS."—Horace Greeley.

The signs that the fraudulent October defeats in Ohio and Pennsylvania have caused discouraged the Liberals and Democrats multiply daily, and the indications are now that all will come up to the work handsomely, and pluck victory from the hosts of Hate and Dishonesty in November.

"My duty to myself and to my country requires me to give him [Horace Greeley] my support."—Gen. N. P. Banks' Letter, July 31.

One-half the people cannot take Castor Oil from its terrible nauseous taste, and recoil in the throat. The Castoria prepared by Dr. Pitcher is purely vegetable, perfectly harmless, pleasant to take, and more effective than Castor Oil. It does not distress the bowels, but regulates the system, and operates when all other remedies have failed. It acts like magic for Stomach Ache, Constipation, Flatulency, Croup, Worms, Piles or deranged Liver. It contains neither Mineral, Morphia, Opium or Alcohol. Its soothing, quieting effect, produces natural sleep, and particularly adapted to crying and teething children. No article has ever been so equally successful as this in the hands of Physicians. Take no more Bitter Pills, Narcotic Syrups, Gripping Purgatives or Sickening Oils. The Castoria is 25 cents, and when once tried you will never be without it.

Have You Seen Her?

A lady who for the last five years has been a leader of fashion in New York, and who may be seen twice a week in her elegant caliche driving a pair of superb ponies in Central Park, has recently stated in the select article to which she belongs, that the only circle in existence which imparts beauty and lustre to the complexion without ultimately impairing the texture of the skin, and causing it to collapse and wrinkle, is Hagen's P. Magnolia Balm. The name of the distinguished member of the beau monde who made this declaration cannot with propriety be given, but it may be said to be a person of her life in Europe and is familiar with all the arts and preparations employed by the court of the old world to enhance their charms.

This Cut illustrates the manner of Using  
**DR. PIERCE'S**  
Fountain Nosal Injector,  
OR  
**DOUCHE.**

This Instrument is especially designed for the  
perfect application of  
**DR. SAGIN CATHARTIC REMEDY.**  
It is the only form of instrument yet invented  
in which fluid medicine can be carried *high up*  
into the passages, and the chambers or cavities con-  
taining them, which aches and aches  
frequently exist, and with which the cathartic dis-  
charge generally proceeds. The want of success  
in treating Cathartics herebefore has arisen largely  
from the impossibility of applying remedies to  
these cavities and chambers by any of the ordi-  
nary methods. This trouble in the way of ef-  
fecting cures is entirely overcome by the inven-  
tion of the Douche. In using this instrument, the fluid  
is carried by its own weight, (no grinding, forcing, or  
pumping being required), up one nostril in a full  
erectly flowing stream to the highest portion of the  
nasal passages, passes into and thoroughly cleanses  
the tubes and chambers connected therewith,  
and flows out the opposite nostril. It is pleasant,  
and so simple that a child can use and understand  
it. Full and explicit directions accompany  
each instrument. When used with this  
instrument, Dr. SAGIN's Cathartic cures re-  
cent attacks of "Cold in the Head" by  
a few applications.  
**Symptoms of Cathartics.** Frequent head-
