L. HARPER, Editor and Proprietor.  
Official Paper of the County.

MOUNT VERNON, OHIO.  
THURSDAY MORNING, NOV. 5, 1885.

SHERMAN and Foraker stumped Virginia, and behold the result!  
CANNON FABER is being lionized in all the Eastern cities he visits.

The recent elections were a ringing rebuke to the Civil Service foolery.

BILLY MAHONEY will soon be numbered among the humbugs of the past.

BALTIMORE elected a Democratic Mayor last week by a majority of 2,000.

GRAND and glorious Old Virginia!—Now, henceforth and forever Democratic!

A LAW should be passed disfranchising any man who will sell his vote for money.

WITHIN the past few days nails have jumped up from \$2.10 to \$4 per keg in Pittsburgh.

FOURTY-two out of eighty-eight counties in Ohio gave George Hoadly a majority for Governor.

OHIO—well, we feel ashamed of Ohio, after recording the glorious result in New York and Virginia.

The colored people of Mississippi are now holding a State Fair, which is pronounced a success in all respects.

WE will venture the prediction that Mr. Sherman will not accept Mr. Harter's challenge to discuss the tariff question.

The flags on the public buildings in Washington, were placed at half-mast in honor of the memory of General McClellan.

The next Legislature will contain two colored men, B. W. Arnett, of Green county, and Jerry Brown, of Cuyahoga.

A LETTER from Mr. Blaine to John Sherman congratulating him upon his success in Ohio would be an interesting item of political news just now.

MR. COOK, Assistant Secretary of the Treasury, finding that coins were not popular among Democrats, has concluded to come down and step out.

THE Young Men's Christian Association throughout the civilized world have made arrangements for a week of prayer, commencing Sunday, Nov. 8th.

The men who complain of "times being too hard" to admit of their taking a weekly newspaper, are the first to bite at every transparent swindle that comes along.

ROSE county will furnish all the candidates necessary to fill every office at the disposal of the incoming Foraker administration.

ROSCOE COKLING is giving the Republican bosses a good deal of misery at present. The trouble is that he does his own thinking.

THE Democracy are happily rid of the Matagorda. They were too good for this world, and should seek a rest in Abraham's bosom!

THE counsel for Mrs. Coolidge, the Boston woman accused of participating in a conspiracy to murder, asserts that his client is insane.

IT was Mr. Vernon, Ind., that got a Democratic P. M. the other day. Our own Johnny Stevenson's head still rests squarely upon his shoulders!

THE monster steamer, "Great Eastern," the largest vessel that ever crossed the Atlantic, was sold the other day for \$26,200. She cost about \$3,000,000.

THE Liberalists in England say they are willing to extend to Ireland the privilege of local self-government, but not consent to Irish independence.

A PATRICK (N. J.) lawyer, Zebulon M. Ward, was shot by the husband of a Mrs. Dowling because, the husband alleged, Ward had betrayed his wife.

THE Mansfield Herald, which was at the "outs" with John Sherman for some time, has been "fixed" all right, and it now looks like President in 1888.

JOHN J. WATSON, a convict in the Ohio Penitentiary, from Cincinnati, by the death of an uncle in the Barbadoes, has come into possession of \$75,000.

A SEAT in the New York Stock Exchange was sold the other day for \$34,000. At that price the balance of the 100 membership, would cost over \$87,000,000.

"HOLE-IN-THE-DAY," a great grandson of the famous Chipewas Chief of that name, is in Washington trying to get his son appointed to a Cadetship at West Point.

REPUBLICAN members of the Legislature, who are desirous of making the acquaintance of a Senatorial bar, may address letters of inquiry to C. Foster, Fostoria, Ohio.

CHAUNCEY M. DEWEY has managed to emerge from obscurity in his desire to report an after dinner conversation with Grant, which was, no doubt, greatly exaggerated.

The Washington hotel keepers are distressed because of the determination of President Cleveland to refuse audiences with office-seekers hereafter. It ruins their business.

F. W. WINSTON, of Chicago, has been appointed United States Minister to Persia. He presumes he must have plenty of money to buy his passage into that far-off country.

MR. W. C. BROWN, of Fostoria, who is a business partner of Mr. Charles Foster, announces that C. F. is a candidate for United States Senator. We knew it was coming!

THE New Orleans Exposition will be reopened to the public on the 10th of this month. It is to be hoped that it will meet with better success than attended it a year ago.

MR. FORAKER is a minority candidate, the total vote for the other candidates being 12,225 in excess of that received by him. But we admit that he is elected, all the same.

THE Philadelphia Times says that somebody ought to tell John Sherman that among the rights guaranteed to the negro is the privilege of voting for a Democrat if he chooses.

MR. BRICK W. CUSTER, the Democratic candidate for Sheriff in Franklin county, who was counted out, will concede the right of Mr. Barber, his Republican opponent, to hold the office.

THE British Government will probably hang Riel, but will only send seeds which will bring forth a harvest of discontent, anarchy and bloodshed in Canada. Mark our prediction!

## OUR TURN TO CROW!

THE DEMOCRACY CARRY NEW YORK AND VIRGINIA BY SWEEPING MAJORITIES!

BILLY MAHONEY AND ICEBERG JOHN HAVE FALLEN UPON EACH OTHER'S NECKS TO WEEP.

Maryland Stands by the Democratic Colors, While Large Gains are Reported from Massachusetts, Connecticut, Iowa and Pennsylvania.

Twelve States held election Tuesday, namely: Colorado, Connecticut, Florida, Iowa, Maryland, Massachusetts, Mississippi, Nebraska, New Jersey, New York, Pennsylvania and Virginia.

THE Democracy have a sweeping victory, electing their entire State ticket. Gov. Hill is re-elected by 15,000 to 20,000 majority.

THE Democrats led by Gen. Lee have won a notable victory. Gen. Lee is elected Governor by a large majority, probably 15,000, and the Democrats have carried the Legislature, thus precluding the possibility of Mahoney being returned to the United States Senate.

MARYLAND Gives the entire Democratic ticket over 20,000 majority.

IN CONNECTICUT The Democrats gain sixteen members of the Legislature, but not sufficient to secure a U. S. Senator.

MASSACHUSETTS Shows large Democratic gains; the gain being over 40 per cent. over the vote of 1883.

IN PENNSYLVANIA The Democrats cut down last year's Republican majority of 80,000 to less than 25,000.

IN MISSISSIPPI There was no opposition to the Democratic ticket and the vote was therefore light, but the usual majority will be maintained.

IN IOWA AND NEBRASKA The Republicans elect their tickets by reduced majorities.

By the death of General George B. McClellan, the country loses another conspicuous figure in the late civil conflict.

As a master of the science of war this country has never produced his equal; but he lacked the bold, daring, bulldog tenacity and courage that carried Grant through so successfully, backed by an immense army.

McClellan had been furnished with the military force he asked for and needed, when in sight of Richmond, he would have made short work of the rebellion; but being a Democrat, it did not suit the views of the then Republican leaders to give him that material support so essential to success.

Political intrigue was worked against him from the very moment he was placed at the head of the army; and history will do him full justice. Apart from his acknowledged skill in military matters, Gen. McClellan was an accomplished scholar and a clear-headed statesman, who was thoroughly versed in the science of government.

He had no any station in the gift of a free people.

A WEALTHY farmer in Tuscarawas county, named Henry Wards, who has a deposit account of \$2,000 in one of the New Philadelphia banks, being too penurious to take a newspaper, came very near being swindled out of all the money by three bunco confederates, who played the same old trick of wishing to buy his and all the other good farms in the neighborhood.

He wanted to draw all his money out of the bank, with which to secure a great "prize," but the cashier, believing he was about to be swindled, gave him a certificate of deposit, payable to his own order, which he said was the same as cash.

The swindlers, who were waiting at a convenient place, "smell mouse" when they saw the certificate, and left the county on "double quick."

McClellan was a great general, but he was not a statesman, and he was not a politician. He was a man of high character, but he was not a man of high intellect.

THE Republican talk about "Democratic election frauds," in Cincinnati is nothing but the robber's cry of "stop thief!" A few days ago two Republican violators of the registration laws, a colored man named John Wiley Brown, and a white man named John Butler Brown, were placed on trial in Cincinnati and convicted of their crimes.

Wiley was sentenced to the workhouse for one year and to pay a fine of \$1,000, which will keep him in the workhouse four years and four months. Several election certificates were found on him, showing that not one-half of his friends were brought out on the trial, but sufficient proof was furnished to give him one good dose.

The other criminal Brown, admitted having been in the workhouse three times, and the penitentiary once. He was convicted, but has not yet received his sentence.

PRESIDENT CLEVELAND has authorized the announcement to be made that he will not hereafter receive any visits from mere office-seekers, as his time is too precious to be thus wasted.

The main festo concludes with these words: "After this first day of November, the President will decline to grant interviews to those seeking public positions, or their advocates."

On Mondays, Wednesdays and Fridays, during that month, from 10 to 11 o'clock in the morning, he will receive such other persons as he may desire to pay their respects. On all other days and times during that month, he will receive only cabinet officers and heads of departments.

MERTON A. ROOT, of Southington, Conn., went home Sunday and ill-treated his wife. She went into the cellar and spilled two barrels of cider.

This enraged her husband and he obtained a silk dress belonging to his wife and mopped it in the cider. The wife complained of Root and he was arrested and fined \$7 and costs amounting to \$21.52.

The challenge of M. D. Harter, the well-known Mansfield manufacturer, to Senator John Sherman, to discuss the tariff question, is printed on the first page of this week's Banner. Although Mr. Harter has not the political experience of Mr. Sherman, yet he possesses a clear brain and logical mind, and is able to discuss the tariff or any other question of interest to the public, in such a manner as will make Mr. Sherman feel that he has found "a foe man worthy of his steel."

To prevent Mr. Sherman from dodging a discussion with a private citizen and a young man, Mr. Harter suggests the names of several other political economists who would doubt be willing to meet him in a debate.

THE manufacturing interests of Cincinnati suffered to the extent of \$16,000,000 during the past year, chiefly owing to the loss of a large amount of Southern trade, in consequence of the vile abuse heaped upon the people of the South by John Sherman and other Republican leaders in the North.

The Cincinnati Commercial Gazette is also largely responsible for this decline in business, and the people of Cincinnati are beginning to find it out to their sorrow.

A FEMALE sea lion, supposed to be the one that escaped from Druid Hill Park, Baltimore, a few weeks ago, was killed in the Sattila river, seventy-five miles south of there, on Sunday.

The lion was shot on the Baltimore during a heavy gale, its cage being broken in pieces. It is evident that the beast swam along the coast undisturbed and entered the river, perhaps, because of its resemblance to his place of captivity in the Patuxent.

FRED. WARD, of the late banking firm of Grant & Ward, had his trial in New York, last week, and was found guilty of grand larceny, obtaining money under false pretenses, and fraudulently obtaining a signature to a written document, and was sentenced to the penitentiary for 10 years. He threatens to make a statement that will implicate others.

There are six other indictments pending against Ward, which have not been tried.

It is not probable that all the money spent in Ohio for the benefit of John Sherman was furnished by that gentleman. He is close and penurious in money matters, as Charles Foster will testify, in connection with that whisky and ice cream case.

The State and National Banks are always ready to respond to Mr. Sherman's call for the "sinews of war."

JAMES B. KNITTLE, while attending his father's funeral at Delphos, Allen county, was arrested last Thursday, for a murder committed ten years ago. He was then only 14 years of age, and meanwhile he has been leading a wanderer's life through Texas. His victim was Wood Hamilton, a married man and the father of seven children.

WM. J. CLARKE, late Prosecuting Attorney of Franklin county, has been appointed Marshal of the Southern District of Ohio, vice D. K. Watson, removed.

It was strongly indorsed by Representative Outwater and other prominent Democrats. Mr. Clarke is a brother of Father D. A. Clarke, editor of the Catholic Columbian.

THE Registration Law was a farce, so far as Cincinnati is concerned, for the vote cast in most of the wards was greatly in excess of the number of persons who registered. It seems to have been the rule adopted by the judges of both parties to receive all the votes that were offered, without regard to the registry list.

The police in Cleveland are closing the saloons on Sunday. The saloons generally observe the law. One man closed his doors, and tapped a keg of beer on the sidewalk and dispensed refreshments to all who passed, free of charge. A policeman knocked the barrel out of the keg and dispersed the crowd.

JAMES B. CARTWELL, a grand-son of Patrick Henry, was committed to the work house in Washington for vagrancy, a few days ago, and Edward Everett, a nephew of the distinguished Massachusetts statesman of the same name, has sunk so low by dissipation as to become a common tramp.

THE statement is made officially that the Atlantic and Pacific company will have its connection with the Southern Pacific completed within the next two weeks. This will make the straight line to San Francisco, and it is believed, will add to the earnings of the Atlantic and Pacific.

SINCE a Democratic Administration came into power twenty-two Republicans have been convicted and sent to the penitentiary in Utah. The Republicans used to pass buncombe resolutions about the "twain relics of barbarism, slavery and polygamy," but their talk always ended in snuff.

A SHORT time after his death Gen. McClellan was tendered the Russian Mission, which he declined, on account of business engagements, and it is said that the President intended to appoint him a member of the Civil Service Commission at the very time his death was announced.

JOHN SHERMAN says that Cincinnati "will have the mark of Cain put upon it." Ah, indeed! If Cincinnati and Kent's party will sing the praises of the Legislature, who would have voted for Mr. Sherman, it would have been a position of paradise in the Senator's estimation.

THE Centinental Bank of St. Louis sent \$100,000 in a sealed package to Thorne & Co., of Fredericktown, Md., by express last Saturday, and on Monday Thorne & Co., claimed that the package contained only cut pieces of paper. There is no clue to the robbers.

Two French men-of-war have been ordered to proceed at once to Guinea to protect French interests in that country. The dispute growing out of the rival claims of France and Portugal to certain sections of Guinea has reached a crisis and serious events are feared.

ONLY a few days ago an attempt was made in Copenhagen to kill the objectionable Danish Prime Minister and another recently a crazy mechanic in Paris tried to kill M. de Freycinet, Minister of Foreign Affairs. This seems to be a bad season for men in high places.

THE Democratic vote in Ross county, is 2-6 less than at the October election in 1884, while the Republican vote is only 31 short of last year. It was easy for the Republicans to carry that close county, with their vote out, and five hundred Democrats at home.

FORAKER will give every Democratic officeholder the bounce in this State. That is the old Republican way, from way down to the days of Lincoln.

Zanesville Signal. Yes and then Foraker and his party will sing the praises of Civil Service Reform!

MR. GEORGE H. TWISS, of Columbus, who has considerable local reputation as a "swash-buckler," predicts a mild winter. He relies on the thickness of the corn husks, hickory nuts, huls, and other "Dutch signs," to help him out in his prediction.

WE are still of the opinion that John Sherman will succeed himself in the Senate. Although there are Republicans as well as Democrats who will not risk any money in betting on the result.

PRESIDENT CLEVELAND has issued a proclamation setting apart Thursday, November 26th, as Thanksgiving Day. This supposed that the large army of Republicans who still retain office under the Democratic administration, will embrace the opportunity to raise their eyes heavenward and express their sense of gratitude for the things that be.

WM. J. BERT was arraigned in a Boston court on a charge of embezzling \$75,000 in connection with his management of the affairs of the Pacific Bank in that city, and was ordered to find sureties in the sum of \$25,000 for his further appearance.

THE hungry politicians who are scrambling for the few petty places at the disposal of Governor-elect Foraker, don't want any Civil Service in their path. That law only applies to Democrats who want office under a Democratic Administration.

EXTENSIVE works have been commenced in California, from which it is expected to derive an income of nearly \$2,000,000 per year. A portable engine is employed to fill the vats, which will be increased until they hold an area of 50,000 acres of soda.

MR. S. P. ROUNDS, well aware that a change will be made in the office of Public Printer, at Washington, is writing letters to newspaper men all over the country, soliciting puffs in regard to his management of the office. This is small business.

THE ward bunners and drunken boozers, whose votes were bought by the Republicans of Ohio at the late election, will find it a long time between drinks, before their "services" are again needed. They will become very dry and hungry.

CARDINAL McCLOSKEY, although reputed to be a very wealthy man, did not own, in his own name, a dollar's worth of property when he died, and all his relatives will be \$10,000 of life insurance, which was carried for his benefit.

IT will be a terrible blow to John Sherman, should his party, with a majority of three on joint ballot in the Ohio Legislature, refuse to return him to the United States Senate, after all the money he has spent to secure his reelection.

AN express train on the railway from Lisbon to Madrid left the rails on the 29th, on a bridge over a river near the boundary between Spain and Portugal. The train fell into the river, and several persons were killed and many injured.

THREE Greek refugees who escaped from Bulgaria in an open boat have been arrested at the entrance to the Bosphorus. They said that they had fled from Bulgaria cruelly and to avoid compulsory enrollment in the Bulgarian army.

HON. GEO. L. CONVERSE, late Congressman from the Columbus district, made speeches in New York during the late campaign in that State, relative to the tariff on wool. Those were the speeches that George didn't deliver in Ohio.

SOLDIERS are still kept in River-side Park, New York, watching the tomb of Gen. Grant. They already complain of the cold; but how will it be if they are kept there all winter? It states us that this business is somewhat overdue.

EX-SENATOR JAEGER, of the Ottawa district, has been appointed Special Revenue Agent; but some old charges are trumped up against him in connection with his deposit of county money in a Toledo Bank, which failed.

THE discussion in regard to the "treachery" of President Johnson is becoming "stale, flat and unprofitable." But the bulk of the testimony appears to be that Johnson has been "more sinned against than sinning."

ALREADY, a desperate scramble has commenced for the few petty offices at the disposal of Governor-elect Foraker, such as Private Secretary, Executive Clerk, Adjutant-General, &c. "To the victors belong the spoils!"

THE Presbyterian State Synod, of New York, in session at Troy, yesterday, passed resolutions deploring the publication of Sunday newspapers, and asking the pastors and elders to use their influence against them.

THOS. COULTON, a prominent Zanesville dry goods merchant, has entered suit against his wife, charging her with adultery with Rev. A. D. Weaver, a Baptist clergyman, as well as other persons. It's a nasty case.

THE estimate of the wheat crop in Kansas is eleven million bushels, or only one-third of the average, but corn shows 194 million bushels, which is an increase of 25 per cent. over averages for the past five years.

THE rice-planters as well as the sugar-growers, iron-workers and cotton-spinners in the South, are now demanding "protection." It was only a little while ago when these same people were vociferous for "free trade."

JOHN McCULLOUGH, the great tragedian, has been removed from the Asylum to his home, and his physician expresses a belief that he will get better, but will be unable to go on the stage again.

THE report is current that there are several Republican members of the Legislature that will not vote for John Sherman for United States Senator. If this is true, look out for storm signals.

# SERIOUS ILLNESS.

Of Hon. Henry B. Curtis.

Only a Question of a few Hours.

Mr. Henry B. Curtis, during his stay in this city about three weeks ago, on a business trip to Iowa, and was accompanied by his grand-daughters, Miss Mary Devlin, of Chicago, and Mrs. Emma Seeger, of Chicago. Last week he returned to Chicago, and stopped with Mrs. Seeger for a few days rest and recreation, before starting for home. On Thursday he suffered a congestive chill, but was not seriously affected, and he continued on Saturday and made several calls on friends. This action brought about a release, and pneumonia set in.

On Monday night a telegram was sent to Mr. Henry B. Curtis, telling him of the dangerous illness of his father, but the message was not delivered until Tuesday morning. Mr. Curtis accompanied by his sister, Mrs. J. C. Devlin, took the 3 o'clock train, and arrived in Chicago on Wednesday morning. The Chicago Junction were furnished with a special train that hurried them through to their destination.

Dr. J. N. Burr received a telegram Tuesday night from Mr. Curtis, stating that four physicians had held a consultation in Mr. Curtis's case, and that the chances for recovery were hopeless; that the patient's lungs were congested, and he could not speak in whispers, and that he was also suffering from neuralgia of the heart. With these conditions, Dr. Burr expresses the opinion that he could not survive over twenty-four hours.

Mr. H. C. Plimpton received a telegram at 10:20 Wednesday morning from Mr. Seeger, conveying the intelligence that there was no decided change in the condition of Mr. Curtis.

The following dispatch was received by Harry C. Plimpton at 8 o'clock last night: Chicago, Nov. 4.—Patient no better to-night. Not utterly hopeless, but the worst is expected. Recognizes us but unable to utter a word. Dr. Curtis is sinking rapidly, and his death was a question of a few hours.

# THE KNOX COUNTY LIVE STOCK EXCHANGE.

Large Number of Entries and Fair Sales Considering the Dampening Influence of the Weather.

What is Needed: More System and Better Enforcement of the Rules and Regulations.

A more discreditable, gloomy day could not have been selected, for the transaction of out-door business, than that which was presented on Thursday last, when the second sale of the Knox County Live Stock Exchange took place in this city.

Atmosphere, and an incessant rain prevailed throughout the day, but notwithstanding these conditions a pretty good number of people were attracted to the town.

The faces of not a few strangers and stock dealers were seen in the throngs of people in the crowds and knots of men who gathered about the benches of cattle, and other stock that were sold or offered for sale.

The Public Square. According to the Secretary's books there were over six hundred entries in the different kinds of stock offered, and had the day been a favorable one, buying and selling would have been quite animated.

But the dampening influence of the weather had its effect in making the bidding drag, and the various auctioneers almost yelled themselves hoarse in their endeavors to bring their sales up to the mark at which the seller was willing to part with his property.

Mr. J. H. Brown, of Mansfield, filled the pulpit in the church of the Holy Spirit last Sunday morning, and gave the congregation a sermon full of reminiscences of Gambier.

Diabetes Cured.

Mr. Mathias Doll, business place No. 23 North Peters street, residence Royal street, between Jeanne and Bartholomew, New Orleans, has been a most intense sufferer from kidney trouble (diabetes) for the last six long and weary years. He said to us: "Even earlier than that I frequently suffered from pain in the back, and frequent making of water, but gave it no thought until about the time that the water became undrinkable. The pain in the back, and sometimes in the legs, made me so lame at times that I could scarcely walk. I consulted one of the best doctors in this city, and was under his constant treatment for one entire year without deriving the least benefit. I then consulted from time to time, during the last five or six years, six other physicians, each one standing in the front rank of the medical profession in New Orleans, and though I sometimes was a little relieved of some excruciating suffering, yet upon the whole I was not only no better, but in many respects much worse. My limbs became so swollen and sore that I could not cross my legs when sitting on a chair—all of which, they said, was caused by diabetes. I then tried some highly lauded patent medicine. But they all turned out to be humbugs. I had given up all hopes of ever getting relief, much being cured, when I noticed in the papers some wonderful cures that PERUNA had made in this city, as prescribed by Dr. Hartman, giving the name and address of each person treated. I called to see him; he at once prescribed his PERUNA, which is not over three weeks ago I am so much better that if I would not improve any more, I would not for any amount that I had placed myself under his treatment. All my pain and lameness is gone. The swelling and stiffness in my legs has disappeared, and instead of making water every fifteen minutes, I now make it once in three hours during the day, and only twice in a whole night. I am, indeed, quite well again. Don't hesitate, but say humbug, but get the PERUNA at once and take it as its printed label directs, or, if you think this is only an advertisement, and not strictly true, call and see me and see for yourself."

Mr. Haldah Rippe, Smithport, McKean county, Pa., writes: "Dr. S. B. FARMAN & Co., Columbus, O. I have used your PERUNA and it has done me a great deal of good. Have recommended it to many of my friends, who have since expressed themselves as wonderfully pleased with its virtues."

PERUNA is sold by all druggists. Price \$1.00 per bottle, six bottles \$5.00. If you cannot get it from your druggist, we will send it on receipt of regular price. We prefer you buy it from your druggist, but if you think it is not to be purchased to try something else, but order from us at once as directed. S. B. FARMAN & Co., Columbus, O.

## A Great Discovery.

Mr. Wm. Thomas, of Newton, Ia., says: "My wife has been seriously afflicted with a cough for twenty-five years, and this spring more severely than ever before. She had used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with the most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She has not had so good health for thirty years." Trial Bottles free at G. R. Baker's Drug Store. Large size \$1.

A smooth complexion can be had by any young lady who will use Parker's Tonic. For promptly regulating the liver and kidneys and purifying the blood, there is nothing like it, and this is the reason why it is so quickly removed and gives a rosy bloom to the cheeks. Oct-29-1m
