Kenyon College.

Kenyon Grammar School.

The design of this School is to prepare students for admission to College. The terms and fees are the same as in Kenyon College. The government and instruction are in charge of the College Faculty.

The Students have rooms in the College buildings, and board at private houses in the village.

Requisites for Admission to College.

Candidates for the Freshman Class are examined in the following studies:

ENGLISH—Grammar; Reading; Spelling; and Composition.

MATHEMATICS—Arithmetic; Algebra, to and including simple equations; Geometry, to and including the theory of parallel lines.

The candidate should be practiced in mental exercises in arithmetic, and should be acquainted with the decimal system of weights and measures, also with circulating decimals and the extraction of the square root.

LATIN—Grammar, including Prosody; Arnold's Prose Composition, to Chapter VIII; Caesar, Three Books; Cicero, Four Orations against Cataline; Virgil, Four Books of the Aeneid.

The student should, in connection with the Grammar, study

some elementary Reader, such as Arnold's First Latin Book, edited by Harkness. The exercises should be both written and repeated orally.

GREEK—Grammar, including Prosody and Composition; Xenophon's Anabasis, Three Books; Homer's Iliad, One Book.

Sophocles's Greek Grammar is preferred; but Hadley's, Crosby's, and Bullions and Kendrick's (new edition) are all good. Some simple Reader, or Companion Book of Exercises, should be used, in connection with the Grammar.

GEOGRAPHY—Ancient and Modern.

ANCIENT HISTORY—Smith's History of Greece, to page 102; Liddell's History of Rome, Twenty-four Chapters.

History and Geography should be studied together. In reading Caesar and Xenophon, there should be constant reference to the map.

MYTHOLOGY—A Hand-Book, such as Baird's Classical Manual, should be studied in connection with Virgil and Homer. A good Classical Dictionary and a Dictionary of Antiquities are necessary to every classical student.

Candidates for advanced standing are examined in the above studies, and in the studies that have been pursued by the class.

Fair equivalents are received for any of the above named books, or for parts of them. The books named serve to indicate the amount required.

If a student is further advanced in some studies than in others, he may pursue the studies for which he is prepared. Opportunities are furnished to such irregular students to make up the defective study.

Candidates for admission must present testimonials of good moral character; and if they come from other Colleges, certificates of dismission in good standing.

The regular Examination for admission to College takes place on the Monday preceding Commencement, beginning at 8½ o'clock, A. M. Another examination is held on the day before the opening of the Christmas Term, at the same hour. Students may be examined for an advanced standing at any time before the commencement of the second term of the Senior year.

General Information.

TERMS AND VACATIONS.

The Commencement is held on the last Thursday in June.
For particular dates, see the Calendar, page 18.

ATTENDANCE.

Students not in their places at the opening of the Term must show by written statement from their parents or guardians that the absence was necessary.

No student may be absent during the Term without leave. Parents and guardians are requested not to give their consent to any absence.

Students are required to attend Morning and Evening Prayers in the College Chapel, also the public Services on Sundays, and on the principal Holy-days of the Church.

MATRICULATION.

A student is admitted to matriculation when he has sustained a satisfactory probation. Matriculation gives accredited membership in the Institution, and entitles the student to an honorable dismission. For misconduct, he may be reduced to the condition of a Probationer.

DEGREES.

The Degree of Bachelor of Arts is conferred upon all students in good standing who are approved at the final examinations of the Senior Class.

Candidates for the Degree of Master of Arts in course, must show that they have, since taking the Bachelor's Degree, been engaged for three years in the study or practice of one of the

learned professions, or in other scientific or literary pursuits; and each candidate must deliver to the Faculty an Essay upon some literary or scientific theme.

That there may be time to act upon the application, and to prepare the diploma, application should be made to the President at least one week before Commencement. The fee for either Degree is *five dollars*, payable in advance.

LITERARY SOCIETIES.

The two Literary Societies, the *Philomathesian* and *Nu Pi Kappa*, have always been fostered by the College. The Society Halls are very commodious, and have been fitted up at great expense, occupying the whole of the second and third stories of the central portion of Ascension Hall. All the students are active members. The meetings are held every week, for practice in declamation, essay, oratory and discussion. These exercises, with the mutual criticism which forms a part of the regular work, and the generous rivalry maintained between the Societies, contribute very much to the education of the students as writers and speakers.

LIBRARIES.

The students have access to the libraries of: The Theological Seminary, Kenyon College, the *Philomathesian* Society, and the *Nu Pi Kappa* Society. The aggregate number of volumes in these four libraries is about 19,000.

ASSISTANCE.

Students having the ministry in view are assisted on making the requisite application to the various Education Societies of the Church: The Education Committee of the Diocese of Ohio, the Evangelical Education Society, and the Society for the Increase of the Ministry. Tuition fees are remitted to the sons of Clergymen canonically resident in the Diocese of Ohio. Meritorious students of the College or Grammar School, whose circumstances require it, may, at the discretion of the Faculty, engage in teaching, for which opportunity often occurs without the necessity of leaving Gambier.

The College fees of indigent and meritorious students may be remitted in part, or in whole, upon application.

EXPENSES.

Each room is sufficiently large and convenient to accommodate two students. The rooms are provided with stoves, and are neatly painted and papered by the College. Students provide their own beds, furniture, lights, books, and stationery. Furniture may be bought at second hand.

The College bill is payable in advance, at the beginning of each term. The charges are: for tuition, \$10 per term, for room rent \$5 per term, and for incidentals \$10 per annum. A matriculation fee of \$5 is charged to every student at his entrance. There are also some minor expenses, consisting of taxes voluntarily imposed by the students in their Classes and Literary Societies, and the expenses at graduation.

Every student on entering the College, or preparatory school, must deposit \$5 with the Treasurer, as security for damage. The charges upon this fund have averaged less than one dollar per year to each student. The balance is returned to the student on leaving.

When a student is absent for a Term, and is afterwards, upon examination, allowed to go on with his class, tuition is charged for the time of his absence. Room rent is charged when a room is reserved for a student.

Fuel is supplied by the Agent of the College, and must be paid for in advance, at the same time with the bill for tuition. The charge is \$8 per term for the first and second terms, and \$4 for the third term; and twice these sums when a room is occupied by a single student.

Board can be obtained either in clubs or in private houses. The price of board is at present, in clubs, less than \$3; in private houses, \$3.50 to \$4 per week. Students are not allowed to board themselves *in their rooms*.

Regular College bill, for Tuition, Rent, and Incidentals, \$55; Fuel, \$20 to \$40; Board, \$90 to \$152; Washing, \$20 to \$25; Lights, \$3 to \$6; Books and Stationery, \$10 to \$20; Total regular expenses for one year, \$199 to \$298.

Parents are advised not to allow their sons a greater amount of money than is sufficient to pay the ordinary and reasonable expenses.

Regulations.

ADMISSION.

Any Candidate for Orders in the Protestant Episcopal Church in the United States may, on examination, be received as a Student in the Seminary; and any other person who may give sufficient evidence of a fair moral and religious character.

EXAMINATIONS.

Candidates for admission, not Bachelors of Arts, must pass a satisfactory examination in the Latin language, in classical and Hellenistic Greek, and in the general principles of Natural, Intellectual, and Moral Philosophy, and of Rhetoric. They will also be required to read an Original Composition.

Under proper restrictions, and under the direction of the Faculty, students may avail themselves of the facilities furnished by Kenyon Grammar School and Kenyon College, to prepare to enter the Seminary without a Diploma. In this case, a certificate from the College Faculty, that they have successfully pursued the required studies, will be accepted in lieu of an examination. Candidates for the Ministry who take this course must exhibit the permission of their Bishop.

Candidates for admission to an advanced standing must pass an examination in all the studies which the class they desire to enter has pursued.

A public examination of each class is held previous to the Annual Commencement; and certificates are awarded to those who, on the final examination, are found to have successfully pursued the full course of study.

MATRICULATION.

Every Student, on being admitted to full standing, must subscribe the following declaration in the Matriculation Book of the Seminary:

"We, the subscribers, Students in the Theological Seminary of the Protestant Episcopal Church in the Diocese of Ohio, do solemnly promise, with reliance on Divine Grace, that we will faithfully obey the laws and pursue the studies thereof, endeavor to promote the reputation and interests of the Seminary, and make daily efforts, by pious reading, self-examination, and secret prayer, to cultivate all religious and moral dispositions and habits, and grow in those graces which should characterize the Christian and the Minister of the Cross."

The day of Matriculation is determined each year by the convenience of the Bishop, occurring, however, always in the month of December.

SEMINARY YEAR.

The Seminary year extends from the first Thursday in October to the last Thursday in June. It is divided into three Terms, as follows:

CHRISTMAS TERM—From first Thursday in October until Christmas Day.

EASTER TERM—From New Year's Day until Passion Week.

TRINITY TERM—From Easter Monday until Commencement.

During the Christmas Recess, Students have leave of absence.

During Passion Week Recess, only recitations are suspended.

Every Student is expected to be present on the first day of the term.
