IN JURY'S HANDS

The Fate Of James F. Lingafelter Now Rests

Case Is Given Jury Late Saturday Afternoon

Lingafelter Took Stand In His Own Behalf

Incidents Of The Trial Which Has Been Of Much Interest To All Mount Vernon People

The James F. Lingafelter case will go to the jury late this afternoon. When court convened Saturday morning A. M. Webber was called in rebuttal and was asked a few questions.

At 9:10 the arguments were commenced. Each side was allowed two hours. The first argument was given by Prosecuting Attorney L. C. Stillwell of Knox county who spoke for almost an hour. He was followed by B. G. Smythe of Newark for the defense. Mr. Owen for the defense followed, but court was adjourned in the midst of his argument for the noon recess. Mr. Owen finished his argument after dinner and the closing argument was made by Prosecuting Attorney Fitzgibbon of Licking county.

It was about three o'clock when the charge to the jury was delivered by Judge Coyner. This was in progress when the Banner went to press. A verdict in the case is expected early this evening.

FRIDAY AFTERNOON

On Friday afternoon James F. Lingafelter took the stand in his own behalf. On direct examination the fact was brought out that he served in the war of the Rebellion in Company G, 25th O. V. I. Lingafelter also denied on the stand that he signed the name of H. O. and Blanche Cramer to the receipt.

On cross-examination his testimony was badly shaken by Prosecutor Fitzgibbon. When shown the receipt twice signed by H. O. and Blanche Cramer, Mr. Lingafelter stated that the order must have been paid twice. To almost every question put to him by the prosecutor he said there must be a mistake in the figures. The defendant was badly mixed in some of his answers and at times seemed to be puzzled just what to say.

Other witnesses to testify during the afternoon were F. W. Severns, cashier of the Farmer and Merchants' Bank and A. L. Byrns, assistant cashier of the same bank, U. O. Stevens of Newark, formerly of Mt. Vernon, G. T. Nash and Herbert Atherton of Newark, all testifying that they did not believe Lingafelter signed his name to the receipt in question.

Court adjourned at 5:10 after the testimony of Lingafelter had been concluded. Court adjourned until seven o'clock Friday evening.

FRIDAY EVENING

When court convened in the evening the defense placed on the stand Charles Hempstead, a photographer of Newark, and tried to introduce a photograph of the forged receipt as evidence, but the court ruled out this testimony.

The state then rested its case at 7:15. The state called William J. Cook in rebuttal. Court then adjourned until Saturday morning at half past eight.

GREAT TEAM

Will Mt. Vernon Have On The Baseball Field

When Season Opens In The Early Summer

Names Of Players Who Have Signed Contract

And Will Be Seen On The Local Team Coming Season--Stock To Be Sold Next Week

Mt. Vernon will have one of the strongest baseball teams in this part of the state the coming summer. This is an assured fact. Each day contracts are being signed up for players by the Mt. Vernon management and when the baseball season opens Mt. Vernon will have an array of players never before equalled in her history.

Mr. Jack Goodrich, manager of the team last season, is on the lookout for players and he is gathering a fast bunch together. As soon as the contract is secured it is sent to Secretary R. M. Greer and filed away.

It might be interesting at this time to note some of the players under contract with the Mt. Vernon team. On Wednesday Secretary Greer received the contract of "Mollie" Miller. This will be good news as "Mollie" is the best man behind the bat in this part of the country. Jack Goodrich has also signed up a contract and expects to pitch this year as his arm is now in good condition. Humphreys will hold down his old position at short stop and Willie Henderson has signified his intention of playing with Mt. Vernon. While he has not yet signed a contract he is willing to play.

"Bobby" Clarke will also play with Mt. Vernon, at least he so informed the board of managers that he is willing to play in this city. A contract is awaiting him any time he wishes to sign up. Ned Ilger will also wear a Mt. Vernon uniform. Thursday afternoon Schweitzer, the crack little center fielder of last year's team, walked into Secretary Greer's office and attached his name to a Mt. Vernon contract. Pitcher King, who played the latter part of the season with the locals, has also signed a contract to play once more in Mt. Vernon. His work last season was most satisfactory and he will in doubt show up in better form this year.

So much for the players that the baseball fans of Mt. Vernon are familiar with. Now come the new men, and all good ones too. Philpot, the star pitcher of last year's Wheeling team of the Central league, has signed a Mt. Vernon contract and informs the management that he will be here when the season opens. He formerly pitched for Dennison university and was one of the best pitchers in the Central League last season. Joe Frances, who comes from Cincinnati recommended by "Buck" Ewing, is one of the best third basemen in the country. He has signed contract and will play here. Smith, formerly of the Coshocton team, and a great outfielder is also under contract and some pretty fast work can be expected from him. Riley, who played left field for Canton last year and whose batting was the feature of the game when Canton played Mt. Vernon in this city, is another star who has signed a Mt. Vernon contract.

Last, but not least is Scanlon the Findlay pitcher, who battled against "Heinie" Berger in this city last summer. Every person who saw that game knows Scanlon's pitching ability. He is willing to come to Mt. Vernon and there is only one little hitch in his signature to a contract. Secretary Greer said that this would be fixed up and that he would be signed by Mt. Vernon.

All that is need now to have one of the very best teams in the business is a little financial aid and the first of next week the subscription papers will be started and business men and others will be asked to subscribe for a share in the Mt. Vernon company. The shares will be \$25 each.

THE YOUNGEST CASHIER OF A NATIONAL BANK

In United States Is Harvey G. Hammond Of Millwood

Perhaps the youngest national bank cashier in the United States is Mr. Harvey G. Hammond of Millwood whose excellent likeness appears in the Banner. Mr. Hammond is not yet 24 years of age, but nevertheless he will assume the responsible position of cashier of the First National Bank of Buckeye City, O., which expects to open for business on March 7.

Although young in years Mr. Hammond is ably qualified for the position. He was born April 18, 1881, in the village of Millwood and his early education was obtained in the public schools there. He entered the Danville high school at the age of fifteen years and graduated with the class of 1899. For three years he attended college at the Ohio State University and Ohio Wesleyan University. During the past few years Mr. Hammond has been making his home with his father near Millwood.

Mr. Hammond is most favorably and popularly known in Mt. Vernon

MR. HARVEY G. HAMMOND Of The First National Bank Of Buckeye City, Perhaps The Youngest Cashier In The United States

and has a large circle of friends all over Knox county and all join in wishing him all success possible in his new position. He is a member of Danville Masonic lodge No. 546 and also a member of Mt. Vernon lodge No. 140 B. P. O. Elks of this city. He is also a member of the Old Homestead Club.

It is the expectation to open the First National Bank of Buckeye City in the handsome new building on March 7. The directors of the bank are the following well known gentlemen: E. B. Rice, L. S. Colopy, J. L. Hammond, S. Blubaugh, John Gardner, D. S. Workman and A. J. Soloman.

The officers of the new bank will be the following: President—E. B. Rice. Vice President—L. S. Colopy. Cashier—Harvey G. Hammond.

Among the stockholders of the bank are: N. H. Hunter, C. Swingle, W. H. Thompson, F. W. Severns, William McDermott, John Coopert, James Smith, Joseph Lower and several other prominent farmers of eastern Knox county.

The new bank building to be occupied by the new institution is built of pressed brick and was constructed by Ransom Brothers of this city. The large burglar proof safe was built by the Debolt Safe and Lock Company of Canton.

The new bank is capitalized at \$25,000 and the indications are that it will start out under most auspicious circumstances.

THE IDEAL WIFE

Shapes the Destiny of Men—The Influence of a Healthy Woman Cannot Be Overestimated.

Seven-eighths of the men in this world marry a woman because she is beautiful in their eyes—because she has the qualities which inspire admiration, respect and love.

There is a beauty in health which is more attractive to men than mere regularity of feature. The influence of women glorious in the possession of perfect physical health upon men and upon the civilization of the world could never be measured. Because of them men have attained the very heights of ambition; because of them even thrones have been established and destroyed.

What a disappointment, then, to see the fair young wife's beauty fading away before a year passes over her head! A sickly, half-dead-and-alive woman, especially when she is the mother of a family, is a damper to all joyousness in the home, and a drag upon her husband.

The cost of a wife's constant illness is a serious drain upon the funds of a household, and too often all the doctoring does no good.

If a woman finds her energies are flagging, and that everything tires her, dark shadows appear under her eyes, her sleep is disturbed by horrible dreams; if she has backache, headaches, bearing-down pains, nervousness, whites, irregularities, or despondency, she should take means to build her system up at once by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

This great remedy for women has done more in the way of restoring health to the women of America than all other medicines put together. It is the safeguard of woman's health.

Following we publish, by request, a letter from a young wife.

Mrs. Bessie Ainsley of 611 South 10th Street, Tacoma, Wash., writes:

Dear Mrs. Pinkham—

"Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and wretched headaches. It affected my stomach so that I could not enjoy my meals, and half my time was spent in bed.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Mrs. Bessie Ainsley

"Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality."

What Lydia F. Pinkham's Vegetable Compound did for Mrs. Ainsley it will do for every woman who is in poor health and ailing.

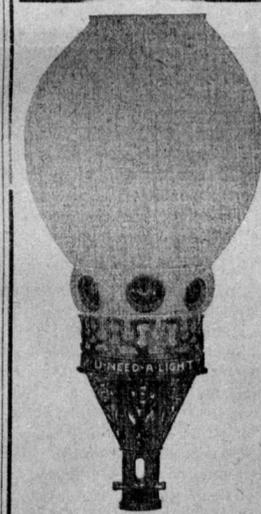

Its benefits begin when its use begins. It gives strength and vigor from the start, and surely makes sick women well and robust.

Remember Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of woman's ills. This fact is attested by the thousands of letters from grateful women which are on file in the Pinkham laboratory. Merit alone can produce such results.

Women should remember that a cure for all female diseases actually exists, and that cure is Lydia E. Pinkham's Vegetable Compound. Take no substitutes.

If you have symptoms you don't understand, write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Rheumatism

Like Neuralgia, is now known to be a nervous disease. The kidneys become weak through lack of nerve energy, and fail to filter the uric acid from the blood; this acid attacks and burns the nerves and muscles, and consumes the oil in the joints, producing inflammation, fever, swelling—pain.

To cure Rheumatism, then, you must restore the kidney nerves and muscles, and neutralize the effect of the acid upon the joints and tissues with Dr. Miles' Restorative Nervine, a nerve medicine, which has made many cures of this painful disease. Nervine strengthens the kidney nerves and increases the circulation, and relief is assured.

"Before I took Dr. Miles' Nervine, I had been looking for a cure for rheumatism for 25 years. The last time I was laid up for several months, could not get out of bed or set foot on the floor. I tried remedies to rub in, to drink, doctors' prescriptions, etc., but none of them had any effect. One day I read about Dr. Miles' Nervine and got a bottle. After the first dose I had a good night's rest, and after taking half a bottle the pains disappeared, and I went out and walked all around the town. In a week I was at work, and was perfectly cured. I am now well and strong."—THOS. LONG, 1000 St. Louis, Wis. Dr. Miles' Nervine is sold by your druggist, and guarantees that the medicine, if it fails, he will refund the money. —Elkhart, Ind.

WON'T BE COLLECTOR OF EUROPE'S DEBTS

Boston, Feb. 25.—Former Secretary of the Navy John D. Long, speaking at a dinner of the New England Rubber club, expressed himself strongly as of the opinion that it is not desirable that this country should be a collector of debts for all the nations of Europe which hold claims against the South American republics. He asserted that while he believed in a large navy, he was opposed to the present policy of a large immediate increase on the ground that it would tend to create a reaction upon the part of the people, and declared that it would be impossible to secure men to properly man such a navy as is now in prospect under the plans of the administration.

"I lost courage and thought I would never regain my health."
"Three years of delicate health trying doctors' prescriptions and patent medicines" without benefit might well sap the courage of any woman. And yet Mrs. Bryant proved that the question of the cure of womanly disease is only a question of using the right remedy. months' use of the medicine restored her to perfect health.
Dr. Pierce's Favorite Prescription cures irregularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.
Mrs. Sarah Bryant, President of Memphis Social Science Club, residing at 77 Atkinson Ave., Memphis, Tenn., writes: "I suffered with delicate health for three years, trying doctors' prescriptions and patent medicines until I lost courage and thought I would never regain my health; but a few doses of your 'Favorite Prescription' made me change my mind.
