### Knox County Farmers' Directory

The following list of names are only those persons whose names appear on the personal tax duplicate of the townships of Knox County. The figures immediately following the name indicates the township in which the party lives. Figures following the letter "p" indicates the amount of personal property appearing on the tax duplicate of the township in which the party lives. Figures following the letter "r" represent the assessed value of real estate owned by that party. The post office address appears abbreviated the last thing. Example: Smith John W, 2, r8500, p2500, Mt V 5, is read, Smith John W. lives in Butler township, has real estate assessed at \$8500, personal property on duplicate of that township amounting to \$2500, and his post office address is Mt. Vernon, R. D. 5.
