## Kenyon College.

The Institution now known as Kenyon College was removed from Worthington, Ohio, to Gambier in the year 1828. It had been incorporated, and a Constitution adopted by the Convention of the Diocese of Ohio, under the name of "The Theological Seminary of the Protestant Episcopal Church in the Diocese of Ohio." By a supplementary act of the Legislature, the President and Professors of the Seminary were empowered to act as a Faculty of a College and confer degrees in the Arts and Sciences.

After many changes of plan and some amendments to the Constitution, the final result was the establishment of three institutions—a Theological Seminary, a College, and a Preparatory School, each independent of the others, but all under the control of the Bishop of the Diocese and the Board of Trustees. The Bishop was ex-officio the President of the Board and President of the Theological Seminary. He had the power of nominating the President of the College, and during the recesses of the Board he acted as Prudential Committee, with full power to decide all secular matters arising at such times.

In August, 1891, a new Constitution took effect, having received the assent of the Convention of the Diocese of Ohio, of the Board of Trustees, and of the Bishops of Ohio and of Southern Ohio.

By the new Constitution the corporate name was changed from "The Theological Seminary of the Protestant Episcopal Church in the Diocese of Ohio" to "KENYON COLLEGE." The three heretofore independent institutions were consolidated into one institution, of which institution the President of Kenyon College is the head. The Bishop of Ohio has gladly resigned most of his peculiar powers and privileges. He will preside alternately with the Bishop of Southern Ohio at the meetings of the Board of Trustees, and they retain a joint supervision of the spiritual interests of the institution.

Instead of three independent institutions, there is one institution which includes three departments, or schools: A Theological school, Bexley Hall; a Collegiate school, Kenyon College, and a Preparatory school, Kenyon Military Academy.

It is believed and expected that under the new Constitution the success of Kenyon College will be increased and her usefulness promoted. That however well Kenyon may have done in the past, in the future she will do still better. The increased interest that has been aroused among the Alumni and the friends of the College is proof that the change in the Constitution was in the right direction, and has not been made in vain.

Gambier, the seat of Kenyon College, is a village of about five hundred inhabitants, on the Cleveland, Akron & Columbus railroad, a little east of the center of the State of Ohio, fifty miles from Columbus, five miles from Mt. Vernon, and one hundred and twenty miles from Cleveland. The site was chosen by Bishop Chase, after careful investigation, for natural beauty of surroundings, healthfulness of climate, and freedom from influences that might prove detrimental to the physical and moral welfare of the students. The plateau on which the College and village is situated rises about two hundred feet above the valley of the Kokosing river, which flows around it on three sides, and which furnishes in the proper season excellent facilities for bathing and skating.

The altitude of the College above the sea level is more than one thousand feet. Free from the objectionable qualities of the climate of the lake shore and of the Ohio valley, there is no spot in the State where the climate is more genial and healthful.

#### COLLEGE GROUNDS.

These consist, first, of the College Park, which contains seventy-five acres. This is made up of the beautifully shaded plateau, on which stand the College buildings and the professors' houses, with the well wooded hill sloping on one side directly down to the Kokosing river, and on the other to level ground, which furnishes an excellent field for base ball, foot ball, and other athletic sports. Second, the grounds connected with Bexley Hall, about five hundred yards north of the College

Park, which forms a well shaded park of about five acres in the highest part of the village. Third, of the grounds connected with the Kenyon Military Academy. These grounds, about half a mile from Kenyon and a quarter of a mile from Bexley Hall, comprise about sixty acres. They afford large stretches of lawn, ample play grounds, and pleasant walks, as well as gardening, pasture, and meadow lands.

#### BUILDINGS.

At the southern end of the plateau, facing north, stands the massive stone building known as *Old Kenyon*. It has three stories and a high basement, and contains sixty rooms, mainly used as dormitories. The building is surmounted by a spire, which contains the College bell. "The thick walls of solid stone seem built for centuries; yet within, the rooms are light and cheerful, and with the broad window seats and appropriate fittings, come as near, perhaps, to the ideal home of a student as could be desired for a four years' sojourn."

Starting from the front of Kenyon is a broad walk, arched with maples, extending directly north about half a mile to Bexley Hall, known as *the Path*. On the eastern side of the Path, a short distance from Old Kenyon, stands the building known as *Ascension Hall*. It was erected by the liberality of the parishioners of the Church of the Ascension, New York City. It is a beautiful structure of drab sandstone of Collegiate Tudor architecture. Here are the lecture rooms of the various professors, the physical and chemical laboratories, the astronomical observatory, the elegant halls for the literary societies, the offices of the President and Treasurer, and eleven rooms for students.

A little farther to the north on the west side of the Path, on slightly rising ground, stands Rosse Hall, built of sandstone, of Ionic architecture, about one hundred feet by seventy-five. It is the College Gymnasium, and is used at Commencements, and at other times when room for large assemblies is required.

Still further to the north, on the east side of the Path, stands Hubbard Hall. This is a handsome two-story structure of light colored sandstone, with a well planned and lighted

interior. The lower story is used as the library proper, and the upper as a reading room. The walls are adorned with a number of valuable portraits, and engravings and photographs, the gift of Bishop and Mrs. Bedell. The building was erected by Mrs. Ezra Bliss, of Columbus, in memory of her brother.

Beyond Hubbard Hall, on the same side of the Path, and near the Park gates, stands the beautiful Church of the Holy Spirit—the College Chapel. It is a cruciform building of early English architecture, with tower and spire at the northwest angle of the transept. The tower is furnished with a clock and a chime of bells. The interior is beautifully decorated, the wood work is of solid oak, its windows are memorial gifts, and it contains a fine organ. The Chapel affords sitting room for the College students, the Divinity students, the cadets of the Military Academy, with the respective faculties and teachers.

At the north end of the Path, facing the south, stands, in its own park, Bexley Hall, the home of the Divinity school. It is a three-story brick building of Elizabethan architecture, a symmetrical and beautifully proportioned structure. It contains the Theological Library, a Chapel, lecture rooms for the professors, and rooms for the Theological students.

About a quarter of a mile southeast of Bexley Hall stand the buildings of the Military Academy. They consist of two large and substantial brick buildings, Milnor Hall and Delano Hall—the latter built through the liberality of the Hon. Columbus Delano, of Mt. Vernon—a Drill Hall and Gymnasium one hundred by fifty feet, and other accessory buildings. They front the south and command a wide sweep of the Kokosing valley. They are heated by steam, and provided with bath rooms containing both hot and cold water, and have the best system of drainage.

#### AIDS TO INSTRUCTION.

The Library and Reading Room are housed in Hubbard Hall, which is entirely devoted to this purpose. The Library contains about twenty thousand volumes, well selected and thoroughly classified, and supplied with a card catalogue which gives easy reference to any volume on any subject in the Library. The Library has lately been enriched by the gift of

the private library of Mr. John Lewis, of Mt. Vernon. It contains many rare, curious and valuable mathematical and astronomical works. Also by the gift of many costly illustrated works, by Bishop and Mrs. Bedell.

The Reading Room is supplied with a large number of the more important American and English and a few French and German weekly, monthly, and quarterly periodicals, literary and scientific, with abundance of Encyclopedias and Dictionaries, and with complete sets of the most important American and English magazines and reviews.

The Library and Reading Room are in charge of a Librarian, whose entire time is given to their care and management. They are open daily, except Sundays, from 10 to 12 A. M. and from 2 to 5 P. M., and on Saturdays from 7 to 9 o'clock P. M. There are devoted to the purchase of new books and binding, the proceeds of the Library fees, and the income of the Vaughan Library fund—five hundred dollars, and of the Hoffman fund—five thousand dollars.

The Library of the Theological Seminary contains more than seven thousand volumes. This has recently been increased by the gift by Bishop Bedell of his large and valuable private library. Additions are made from time to time, chiefly through the income of the Betts library fund.

Both the Libraries and the Reading Room are accessible to all connected with Kenyon College in all its departments.

#### THE DEPARTMENT OF PHYSICS AND CHEMISTRY.

This department is well supplied with apparatus new and costly, including many instruments adapted to accurate measurements.

In electricity it includes galvanometers of many kinds, resistance coils, volt meters, ammeters, batteries of different sorts, a small dynamo, apparatus for magnetic measurements, apparatus for static electricity, induction coils, all the appliances for illustrating the modern applications of electricity, etc.

The optical apparatus includes spectroscopes, a spectrometer, one of Rowland's concave gratings, prisms of the best quality, a polariscope, models to illustrate polarized light, a telescope, microscopes, a complete photographic outfit, etc.

The acoustic apparatus includes a large number of pieces of Koenig's make, diapasons, organ pipes, a syren, a sopometer, etc., including a number of costly pieces to illustrate wave motion.

In other divisions of Physics and Chemistry the apparatus is equally good and varied.

The College is able to maintain this department in a high state of efficiency, having at its disposal annually, for the purchase of books and apparatus, the interest of about eight thousand dollars, part of the Bowler endowment of the Bowler chair of Natural Philosophy and Chemistry.

#### THE DEPARTMENT OF MATHEMATICS AND ASTRONOMY.

The observatory has a telescope of five and one-fourth inches aperture, the object glass of which was made by Alvan Clark & Sons. This affords to students of astronomy the means of studying the most prominent celestial objects. The observatory is also supplied with a transit of two inches aperture and a sidereal clock. The Department of Astronomy has also a set of the well known Trouvelot astronomical drawings.

For the use of students in surveying the Department of Mathematics has an excellent transit, a Y level and a compass, with the necessary appurtenances. A series of field exercises in the use of these instruments is given in connection with textbook study.

The income of one thousand dollars, the Delano Astronomical Fund, is used for the college observatory.

#### THE BEDELL LECTURESHIP.

A fund of \$5,000 has been given to the College by Bishop and Mrs. Bedell for the establishment of a lecture or lectures on the evidences of Natural and Revealed Religion, or the Relations of Science to Religion. These lectures given biennially on Founder's Day, the 1st of November.

#### BOWLER LECTURES.

A course of lectures is given annually by the Bowler Professor of Natural Philosophy and Chemistry on the Unity of Design in Nature. These lectures, like the Bedell lectures, are open to all connected with the institution.

#### PHYSICAL CULTURE.

Rosse Hall is used as a Gymnasium. It is supplied with a variety of apparatus, while its large area and high ceiling give, room for exercises and drills all sorts. It is open to students of the College and of Bexley Hall whenever the weather conditions are unfavorable for out of door exercise and at other times when desirable.

The athletic grounds are all that is needed, being as good as any in the State. The Ball grounds are at the foot of the hill below Old Kenyon. They are not only excellent for the players, but the shaded hill-side affords a charming point of view for the spectators. The Tennis courts are good and are much used. The country around Gambier is of great beauty, and tempts to long walks all who have any love for nature.

The College is a member of the Inter-collegiate Athletic Association of Ohio, and has taken part in all the contests, base ball, foot ball, tennis and other sports, and has no reason to be ashamed of her record.

#### LECTURES.

A course of lectures and entertainments is gotten up every year under the patronage of the students. These lectures are intended to be entertaining and instructive and they help to vary the monotony of college life in winter.

#### ASSISTANCE.

Fees for tuition and room rent are remitted to sons of clergymen and to candidates for the ministry.

#### THE HIGH SCHOOL SCHOLARSHIPS.

Resolution passed June 26, 1890, by the Board of Trustees of Kenyon College:

*Resolved*, That a Free Scholarship in Kenyon College be offered each year to a male pupil of a High School in each county of the State. Such scholarship shall be granted upon the certificate of the Principal of the High School, which shall be based upon proficiency in studies, and upon good moral character.

Should there be applicants from more than one High School in the same county, who shall obtain the necessary certificates from their Principals, the Scholarship shall be given to the pupil passing the best competitive examination, held under the direction of the several principals.

The Free Scholarship includes room rent and tuition.

#### THE HENRY B. CURTIS SCHOLARSHIPS.

Hon. Henry B. Curtis, LL. D., has granted to the Trustees of Kenyon College a fund for the aid of meritorious students by loans of money at a low rate of interest. The interest is intended to meet only the risk of life, and is not to be greater than the average rate of life insurance.

Application for a Henry B. Curtis scholarship must be addressed to the Secretary of the College Faculty, Gambier, Ohio, and must state the applicant's name, residence, age, his father's name and the amount asked for. The application is to be understood as confidential with the Faculty. In making the selections, the Faculty will consider all evidence that may be obtained as to the applicant's character, ability and merit, including his examinations in school and college, and and his record for punctuality and other good conduct; the best evidence being the Faculty's personal acquaintance with the applicant. The appropriations will be made only a year at a time. The scholarship is intended to help the student, but not to cover all his expenses. The maximum for one student for one year will be one hundred and fifty dollars, but for a student's first year in college, seventy five dollars. The sum appropriated will be paid in equal parts, one at the beginning of each college term. Upon each payment the student will give his promissory note for the repayment in five years from date, with interest at the rate of one and one-half per centum per annum.

#### THE ALFRED BLAKE SCHOLARSHIP.

Three perpetual scholarships in Kenyon College, owned by the Rev. Alfred Blake, were donated by Mrs. Blake to the College for the benefit of deserving students, to be annually nominated by the President and Faculty. These scholarships entitle the holders to free tuition.

#### THE FRENCH PRIZE SCHOLARSHIP.

This is a perpetual scholarship in Kenyon College, which was donated to the College by Mrs. Sarah A. M. French, to be held in trust by the Trustees of the College, and to be awarded to a student of Milnor Hall standing highest in grade and deportment; other things being equal, preference to be given to a member of the Protestant Episcopal Church.

#### THE HANNAH MORE SCHOLARSHIP.

This scholarship was established in 1835 by a bequest of two hundred pounds made by Mrs. Hannah More. The income is to be used by a student in the Theological Seminary. The fund now amounts to over twelve hundred dollars.

#### THE CLARK SCHOLARSHIP.

This scholarship was established by Mrs. Lucy Clark in 1835. The principal of the scholarship is \$1,071, the interest on which is to be given to a theological student.

#### THE McILVAINE SCHOLARSHIP.

This scholarship in the Theological Department was founded by Bishop McIlvaine, through a bequest in memory of a beloved son, who was deeply attached to Gambier. The principal of this scholarship now amounts to over four thousand dollars. The incumbent of the scholarship is to be appointed by the Board of Trustees on a nomination by the Faculty; and he must have completed a classical course in college, and the studies of the first year in the course of the Theological Seminary.

#### THE AUSTIN BADGER SCHOLARSHIP.

This is a fund bequeathed by the late Austin Badger, of Medina, "to the Trustees of Kenyon College at Gambier, Ohio, the income to be expended in defraying the expenses of such dependent and needy student in said college, preparing for the ministry in the Protestant Episcopal Church, as said Board of Trustees may designate."

## THE PLATT BENEDICT FUND.

By the will of the late Platt Benedict, of Norwalk, his store room in Whittlesry Block was left in trust to the Wardens and Vestry of St. Paul's Church in that city, the annual income of which should be paid over, "one-fifth part to the proper authorities of Kenyon College, to aid in the support and education of young men preparing themselves for the ministry in the Theological Department of said college."

## THE ORMSBY PHILLIPS FUND.

This is a fund of a thousand dollars established by Mr. and Mrs. Bakewell Phillips, of Pittsburgh, to be loaned, from time to time, without interest to a superior student for the ministry. Nominations to this scholarship are made by the President of the College.

## THE LEONARD SCHOLARSHIP.

This scholarship is the gift of Wm. B. Leonard and his wife, Louisa D. Leonard, of Brooklyn, New York. Its income is for the support of a student of Theology at Bexley Hall, and is to be paid annually to the Faculty of the Theological Seminary, for the use of such student as they may designate.

## TEACHING.

Students whose grade of scholarship is high, can often add to their resources by tutoring during the Junior and Senior years.

## Requisites for Admission.

Candidates for the Freshman Class are examined in the following studies:

**ENGLISH**—English Grammar and English Composition. The candidate may be required to write a short English composition, correct in spelling, grammar, punctuation, division by paragraphs and expression, on some subject with which the candidate is familiar.

**HISTORY**—History of the United States, and Swinton's Outlines of Universal History.

**GEOGRAPHY**—Ancient and Modern. In reading Cæsar and Xenophon, there should be constant reference to the map.

**MATHEMATICS**—Arithmetic; Algebra, through radicals and quadratics; Plane Geometry, the entire subject as treated in best College text books. The thorough study of Mental Arithmetic is strongly recommended. The use of simple drawing instruments should be taught in connection with Plane Geometry, and original constructions and demonstrations should be required.

**LATIN**—Grammar, including Prosody; Arnold's Prose Composition to Chapter X.; Cæsar, four books; Cicero, six orations; Virgil, four books of the *Æneid*.

**GREEK**—Grammar, including Prosody; twenty lessons in Jones' Greek Prose Composition; Xenophon's *Anabasis*, three books; Homer's *Iliad*, one book. Goodwin's Grammar is used as a manual. Some simple reader or companion book of exercises should be used in connection with the Grammar.

A hand-book, such as Baird's Classical Manual, should be studied in connection with Virgil and Homer. A good classical dictionary and a dictionary of antiquities are necessary to classical students.

**GERMAN**—(if taken in place of Greek) Grammar; Grimm—*Kinder-und-Hausmärchen*; Schiller—*Wilhelm Tell* and *Die Jungfrau von Orleans*; Gæthe—*Hermann and Dorothea*; Prose Composition; Outlines of German History.

Fair equivalents are received for any of the above named books, or for parts of them. The books named serve to indicate the amount required.

Ability to translate at sight easy German prose, and to render into German, easy, connected English prose, will be required.

**ADVANCED STANDING**—Candidates for advanced standing are examined in the above studies, and in the studies that have been pursued by the class.

Students from other Colleges in good standing, presenting letters of honorable dismissal, may be admitted provisionally to such standing and on such terms as the Faculty may deem equitable in each case. Such candidates are required to present to the President a complete statement, duly certified, of the studies they have pursued and their proficiency therein. And this statement must be accompanied by a catalogue of the College from which they have come.

Candidates for admission must present testimonials of good moral character; and if they come from other Colleges, certificates of dismissal in good standing.

The regular examination for admission to College takes place on Tuesday preceding Commencement, beginning at 8:30 o'clock A. M. Another examination is held on the day before the opening of the Christmas term, at the same hour. Students may be examined for an advanced standing at any time before the commencement of the second term of the Senior year.

### ADMISSION BY CERTIFICATE.

Any student applying for admission to the Freshman Class at the beginning of the Collegiate year will be admitted without examination, provided he bring a satisfactory certificate from the Principal of a High School of any city in Ohio, or from the Principal of any reputable Preparatory School or Academy, that he has thoroughly done all the work prescribed

in the catalogue for admission to the Freshman Class, and provided that the Principal will also state that, in his opinion, the applicant is able to maintain a good position in his class, and that he is of good moral character and habits.

All certificates must be made out on blanks prepared for the purpose, which will be furnished on application to the President, and must be mailed so as to reach Gambier before the opening of the Christmas term.

Teachers are requested not to give certificates unless clearly merited, but, in doubtful cases, to throw the responsibility on the Faculty.

#### ADMISSION WITHOUT GREEK OR GERMAN.

Graduates of High Schools of any city in Ohio, who lack preparation in Greek or German, can enter the Freshman Class, and opportunity will be given for them to begin either of these studies as College students, provided that in addition to the requisites for admission as printed above, they are prepared to pass an examination in the following subjects: Algebra, to Series including Logarithms; Solid Geometry, Botany, General History and Civil Government, and Physiology. Students who are not prepared to take their examination in these subjects may, *provided they are industrious and of good abilities*, by doing extra work, take these subjects in due course with the regular College classes.

Students not prepared in Latin or Greek may be admitted as special students, not candidates for a degree; provided their preparation is such that they can enter with advantage existing College classes, and also provided that their time can be fully and profitably occupied.

### RULES AND REGULATIONS.

#### MATRICULATION.

A student is admitted to matriculation when he has sustained a satisfactory probation. Matriculation gives accredited membership in the Institution, and entitles the student to an honorable dismissal, and is essential to his obtaining a degree. Each student, when matriculated, signs the following obligation:

We, the undersigned, pupils of Kenyon College, being now admitted to the rite of matriculation, do promise, each for himself:

I. That we will faithfully observe and obey the laws and regulations of the College, and all authoritative acts of the President and Faculty, so long as we are connected with the College; and as far as may be in our power, on all occasions we will give the influence of our good example and precept to induce others in like circumstances to do the same.

II. As faithful sons of Kenyon College, we will render to her as our Alma Mater, at all times and on all occasions, due honor and reverence, striving to promote her welfare by all proper means, and abstaining carefully from all things that may tend to impair her influence or limit her usefulness as a seminary of learning.

The matriculation fee is five dollars, payable upon entrance.

#### DEGREES.

The degree of Bachelor of Arts is conferred upon all students of the regular course in good standing who are approved at the final examination of the Senior Class.

The degree of Bachelor of Philosophy is conferred upon those who have successfully pursued the study of Modern Languages instead of Greek, and who have sustained a satisfactory examination upon all other studies of the regular course.

The degree of Master of Arts is conferred on Bachelors of three years' standing, who have pursued a year's study in some branch of the Liberal Arts, under the direction of the College Faculty. For Bachelors graduated before 1883, the rule remains as published before that date.

#### TERMS AND VACATIONS.

The College year is divided into three terms—Christmas, Easter, and Trinity.

The Commencement is held on the Thursday before the last day of June.

There is a vacation of three weeks at Christmas, and of one week at Easter. For particular dates see calendar.

#### ATTENDANCE AND EXAMINATIONS.

Students not in their places at the opening of the term, must show by written statement from their parents or guardians, that the absence was necessary.

When a student is necessarily absent from Gambier, and in cases of clear physical disability, known as such at the time by the Faculty, absences may be excused by special Faculty action. A student is not held morally accountable for such absences, and they are not considered in estimating his deportment grade; but in deciding the question whether or not a student shall be examined at the end of the term, all absences are counted. Regularity in the performance of all College duties is important for the welfare, not only of the individual student, but also of his class, and any student who persistently neglects these duties will be required to leave College.

It is deemed unnecessary to examine, at the end of the term, those students who are regular in their attendance upon their College duties, and who show by their class work that they are well qualified to proceed with the studies of the next term.

Any student who fails to make a term grade of seventy-five in any study is examined in that study at the end of the term.

Any student who is absent from more than one-tenth of the recitations in any study is examined in that study at the end of the term.

#### PUBLIC WORSHIP.

Students are required to attend Morning Prayers in the College Chapel; also the public services on Sundays and on the principal Holy Days of the Church.

#### DISCIPLINE.

The Faculty reserve the right to suspend or remove any student, whenever they believe that the interests of the College require such action.

#### BOARDING AND LODGING.

Rooms are provided in the College building in which students must lodge, unless they obtain permission from the President to room elsewhere. The College makes no special provision for board. This can be readily obtained in private families, or, at times, in clubs.

Each room is sufficiently large and convenient to accommodate two students. The rooms are provided with stoves, and are neatly painted and papered by the College. Students provide their own beds, furniture, light, books and stationery. Furniture can often be bought, as well as sold, at second hand, and the expense incurred by its use need not be great.

#### EXPENSES.

The College charges are: For Tuition, \$25.00 per term; for Room Rent, \$5.00 (at least) per term; and for Incidentals, \$10.00 per annum. A matriculation fee of \$5.00 is charged to every student at his entrance. There are some minor expenses, consisting of taxes voluntarily imposed by the students in their classes and their literary societies, and the expenses of graduation.

Each student must keep on deposit with the Treasurer \$5.00 as security for damage. Any balance is returned to the student at the close of each year.

When a student is absent for a term, and is afterward, upon examination, allowed to go on with his class, tuition is charged for the time of his absence. Room rent is charged when a room is reserved for a student.

Fuel (wood) is supplied by the agent of the College, and must be paid for in advance, at the same time with the bill for tuition. The charge is \$6.00 per term for the first and second terms, and \$3.00 for the third term; and twice these sums when a room is occupied by a single student.

If the student prefers to burn hard coal instead of wood, which is believed to be the better and more economical plan, he must provide himself with a stove. The use of soft coal is not allowed.

Board in private families costs from \$3.50 to \$4.00 per week. Clubs are sometimes formed, and the expense for board is thereby materially reduced.

Students are not allowed to board themselves in their rooms, as this practice has been found to be perilous to health.

The following estimate may be given of the annual expenses, not including expenses in vacation:

Tuition .....	\$ 75 00	\$ 75 00
Room Rent .....	15 00 to	50 00
Incidentals .....		10 00
Fuel .....	8 00 to	30 00
Board .....	95 00 to	152 00
Washing .....	10 00 to	25 00
Lights .....	2 00 to	5 00
Library Fee .....		3 00
	<u>\$ 205 00</u>	<u>\$ 350 00</u>

Other incidental expenses, such as books and stationery, furniture, expenses in societies, traveling expenses, etc., vary according to circumstances, and the character and habits of the individual student.

The College bill must be paid in advance, according to the following rule of the Trustees:

"All students shall be required to pay their regular term bills in advance. The Treasurer's receipt shall be required by the President before he shall sign a certificate of matriculation, or, after the first term, before the student shall attend recitations."

## General Information.

### ADMISSION.

Any candidate for Priest's Orders in the Protestant Episcopal Church of the United States, with full qualifications according to Title I, Canon 4, Section 2, may be received as a student of the Seminary; and any other person who may give sufficient evidence of a fair moral and religious character, and of such literary qualifications as will enable him successfully to pursue Theological studies. Applicants for admission are requested to address the Dean.

### MATRICULATION.

Every student, on being admitted to full standing, must subscribe the following declaration in the Matriculation Book of the Seminary:

"We, the subscribers, Students of the Theological Seminary of the Protestant Episcopal Church, in the Diocese of Ohio, do solemnly promise, with reliance on Divine Grace, that we will faithfully obey the laws and pursue the studies thereof, endeavor to promote the reputation and interests of the Seminary, and make daily efforts, by pious reading, self examination, and secret prayer, to cultivate all religious and moral dispositions and habits, and grow in those graces which should characterize the Christian and Minister of the Cross."

### SEMINARY YEAR.

The year begins on the first Thursday in October, and closes the last week in June. Vacations coincide with those of the College Course, as stated in the Calendar.

### THEOLOGICAL ELECTIVES.

Special attention is called to the fact that a course of Theological Electives has been arranged for students in Kenyon College, by means of which the greater part of the work of the Junior Seminary year is done during the Junior and Senior years in College. The student in this way obtains his A. B. degree in course, and shortens his Seminary course, after leaving College, from three years to two. For an oversight of the ground which these electives cover, the College schedule may be consulted.

### LECTURES.

In addition to lectures by the professors, the Bishop of Ohio, and the Bowler Professor of the Collegiate Department, lectures will be given during the year by the Rev. George Hodges, A. M., of Pittsburg, Pa., on "The Theistic Argument;" the Rev. Walter Mitchell, A. M., Chaplain of the College, on "Proofs of the Church in the New Testament;" the Rev. W. M. Brown, Archdeacon of the Diocese of Ohio, on "Anglo-Catholicism in the Seventeenth Century;" and others.

### EXAMINATIONS.

A public examination of each class is held previous to the Annual Commencement; and certificates are awarded to those who, on the final examination, are found to have satisfactorily pursued the full course of study.

### DEGREES AND HOODS.

1. All examinations for degrees will be conducted by the Faculty on Tuesday preceding Commencement week, and on Tuesday preceding the first Thursday in October.

2. The degree of B. D. will not be conferred on any candidate who is not in Priest's Orders; but graduates of a Theological School may take the required examination at any time before or after their Ordination to the Diaconate, and receive the degree at the Commencement following their advancement to the Priesthood. The examination for the degree of B. D. will be both oral and written, and will embrace the following subjects: In Exegesis, Messianic portions of the Old Testament,

the Gospels, and one of St. Paul's Epistles, all in the original; in Ecclesiastical History, the First Three Centuries and the English Reformation; in Dogmatic Theology, Soteriology, and the Doctrine of the Sacraments; in Liturgics, the Book of Common Prayer.

3. Candidates for the degree of D. D. must be graduates of an incorporated College or a Theological School, and must have been at least ten years in Priest's Orders. They must present an original essay in Latin or Greek on some subject connected with Theology. They must also, in the presence of the Examiners, write two theses in English on subjects from Ecclesiastical History and Dogmatic Theology, assigned them at the time of the examination, and they must be prepared to read in the original and comment upon selected portions of the Old and New Testament.

4. In exceptional cases, the degree of D. D. may be conferred *honoris causa* upon a Bishop or Priest of the Church who has distinguished himself as an author in theological literature.

5. The Hoods adopted by this Seminary are of the Oxford shape; that of Bachelors of Divinity of black silk, lined with violet silk; and that of Doctors of Divinity, of scarlet cloth, lined with white silk.

#### EXPENSES.

No charge is made for instruction, room rent, permanent furniture, or use of Library. Text books and movable furniture (such as bedding, towels, etc.,) are to be provided by students.

Aid will be given to properly qualified students, by scholarships, or by the Joint Education Committee of the Dioceses of Ohio and Southern Ohio.

#### PRIZES.

The "Pierre Jay Prize" of one hundred dollars is awarded to the student presenting the best essay on the subject of Foreign Missions. This prize is given by Miss Elizabeth Clarkson Jay, of New York City.

The "Van Nostrand Prizes" are six in number. Four of these, consisting each of books to the value of ten dollars, will be conferred by the four professors for distinguished excellence in the work of their respective departments. The other two, consisting each of books to the value of five dollars, will be conferred by the Faculty upon the two students who shall excel in preaching extempore and written sermons, respectively.

#### LIBRARY.

The Library has been enlarged during the year by the gift of the valuable library of Bishop Bedell, and now contains about nine thousand volumes. Additions are made from time to time, chiefly through the income of the "Charles D. Betts Library Fund." The students also have access to the excellent Library and well-equipped Reading Room of the College.

#### SERVICES.

There is daily service, morning and evening, and Holy Communion on Sundays, Holy Days, and every Thursday, in the Seminary Chapel. The students are appointed in turn to read the lessons for the day.

#### BISHOP BEDELL MISSIONARY SOCIETY.

The Society, in which all the students are members, meets once a month to listen to an essay on some field of Missionary work, a biography of some Missionary, and a resumé of noteworthy events bearing upon the subject.

## Kenyon Military Academy.

The studies are arranged to accommodate three classes of boys. The Classical Course prepares for the Collegiate classical department. The Semi-Classical substitutes German for Greek. The Scientific Course prepares for any scientific school and the Government schools at West Point and Annapolis, and is intended also to meet the wants of boys who do not intend to go to college, but who leave school to enter upon the active business of life.

The Rector and his family, with the Masters and Cadets, occupy the same buildings and form one household.

An elegant Gymnasium, 50 x 100 feet, was completed in 1889. It has been supplied with apparatus under the direction of Dr. Sargent, Director of the Hemenway Gymnasium at Harvard College. Regular physical training in the Gymnasium is prescribed for all cadets during the winter months.

The military drill secures to the cadets regular and systematic exercise. Besides securing healthful and agreeable exercise, it tends to give an erect carriage and good manners; and it promotes habits of order and obedience, important elements of success, both at school and in after life.

The cadets attend daily services of prayer at the Academy and the public religious worship on Sunday at the College Church. On Sunday afternoon there is either a half hour's study of the Bible or a lecture on some religious subject.

In the government of the Academy, it is aimed to dispense with all unnecessary rules, to teach the pupils to be frank and manly, and to encourage such deportment on the part of each cadet as will justify his receiving a large degree of liberty in his actions. At the same time, the military system of the Academy secures a close supervision of health, habits and manners. This system is strict, without being severe. It must

be distinctly understood that no vicious, insubordinate, or persistently idle boy, if admitted through mistake, will be permitted to remain at the Academy. No cadet is punished for any offence until he has had opportunity to make an explanation. A record of all reports and demerits is kept, and is open at all times to the inspection of parents and guardians.

It is aimed to provide here a school where, under influences that tend to the development of Christian character, boys will receive efficient and careful instruction and training, intellectual and moral.

### TERMS AND VACATIONS.

The scholastic year is divided into three terms. The first term begins on the third Wednesday in September. There is a vacation of three weeks at Christmas and one of one week at Easter. The year closes on the fourth Thursday in June. Cadets are received only for the entire year, or the remainder of it if it has begun. No deduction will be made on account of withdrawal or other absence, except for an absence of more than six weeks on account of sickness, when six dollars a week will be refunded for the time lost.

### SCHEDULE OF FEES.

Tuition, Board, Washing (1½ doz.), Fuel and Light for the	
School Year .....	\$ 450
Payable at Entrance .....	\$ 225
Payable at Beginning of Second Term .....	225
	\$ 450

A fee of five dollars is required on entrance for medical attendance for the year.

A fee of five dollars for chemicals is charged each term to the students of the Scientific Course, who study Chemistry.

A deposit of fifteen dollars, to cover the cost of books, incidentals, damages, and for spending money, is required at the beginning of each term. Wilful damage to school property is charged to the perpetrators, if known; otherwise, it is assessed upon the whole school.

A statement of account will be rendered at the end of each term.

No money will be advanced for clothing, except on a written order of parents or guardian.

All bills not paid promptly are subject to sight draft, without notice.

Cadets who remain at the Academy during vacation are charged at the rate of seven dollars a week, and they are subject to such regulations as are deemed necessary.

All checks should be made payable to the order of H. N. Hills, Treasurer.

#### REQUISITES.

Each pupil should bring with him a Bible, Prayer Book, and Hymnal, a rubber coat, a pair of overshoes, a pair of rubber boots, blacking brush, clothes brush, four sheets ( $2\frac{1}{2} \times 1\frac{1}{2}$  yards), four pillow cases ( $22 \times 32$  inches), one pair of blankets, comfortable, and two white spreads for single bed, six towels, six napkins, napkin ring, and two clothes bags. *To avoid loss, each article should be distinctly marked with the owner's name.*

#### UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits should be procured from the Academy tailor, that there may be no variation in shape or color. The cost of the two uniforms is forty dollars, and of the cap and helmet five dollars and a half.

#### ADMISSION.

Blank forms of application for admission to the Academy may be obtained from the Rector.

All communications, concerning the Academy, should be addressed to LAWRENCE RUST, Rector.
