Union Central

Life Insurance Co.

OF CINCINNATI.

JOHN DAVIS, *President.* E. P. MARSHALL, *Secretary.*

POINTS OF EXCELLENCE:

PROMPT PAYMENT OF LOSSES!

INCONTESTABLE POLICIES!

LOW RATE OF MORTALITY!

LARGE INTEREST RECEIPTS!

Special Reasons for Insuring in the Union Central

1. It is located in Ohio, which is the only State requiring an official examination of its life companies to be made annually.
2. Its investments are required by law to be made only in Government bonds, mortgages upon real estate worth double the amount loaned thereon, exclusive of buildings, and loans upon its own policies to the amount of the reserve value thereof. Companies of other States are allowed to loan upon a much wider and less safe class of securities.
3. It is required by State law to hold, for the protection of its policy-holders, a reserve fund upon the basis of four per cent., the highest standard known in the United States.
4. Its policies are incontestable after three annual payments, except as to age or fraud.
5. Its interest receipts for several years have exceeded all death claims and taxes. Such favorable results have been accomplished by but few other companies.
6. Its Life Rate Endowment Policy will prove a better investment than Government Bonds, besides giving the protection of Life Insurance during the earlier and productive years of life.
7. It loans its money in the West, thereby giving its policy-holders the benefit of a high rate of interest.
8. It issues endowment policies at life rates, and results have proven the plan to be the best ever adopted.
9. It issues nonforfeitable and liberal forms of policies.
10. The Union Central is the only regular Life Insurance Company located in Ohio.

BAKERS USE

TAYLOR'S FLOUR

BECAUSE IT IS THE BEST.

Read the following Testimonials from Mt. Vernon Bakers who use no Flour but

TAYLOR'S.

I have tried them all, but prefer Taylor's Flour to all others.
FRED WEBER.

I use Taylor's Flour on account of its purity and strength, and like it better than any other make. GEORGE HICKMAN.

We use Taylor's Flour for bread exclusively, because it is stronger and better than any we can get. MARPLE BROS.

Bread made from Taylor's Flour gives my customers better satisfaction than bread made from any other flour.
EDWARD ROGERS.

FREDERICKTOWN, O., Aug. 19, 1884.—I use Taylor's Flour exclusively; it is the strongest, best and most economical.
D. M. BRUMBACK.

If it Pays Bakers to use TAYLOR'S FLOUR only, it will pay YOU.

For sale by all Grocers, and Flour exchanged at the Mill for Wheat.

A. A. TAYLOR,

PROPRIETOR OF

KENYON COLLEGE,

GAMBIER, OHIO.

FOUNDED BY BISHOP CHASE, A. D. 1824.

IN the sixty years of its existence this College has trained and nurtured many hundreds of young men. Most of them have been useful and successful, and some of them have been among the most distinguished men in the United States. The College is now thoroughly well established, and gives a liberal training, equal to that given by any college in our land. The location is one of great healthfulness and beauty. The buildings are massive and commodious. The religious influences are those of the Protestant Episcopal Church.

Ex-President Hayes has said, "The training given at Kenyon is as high, as broad, as thorough as that given at any college in the world."

Chief-Justice Waite has said, "Going out from Kenyon a graduate may safely place himself alongside of the graduates of any other college."

Hon. Thomas A. Hendricks has said (among other good things), "I feel justified in urging a relative to go to Gambier because I know Kenyon to be one of the best colleges in the country."

"Ex-Gov. J. D. Cox (Dean of the Cincinnati Law School) has said, "There is no good reason why such colleges as Kenyon should not hold their own against the world, and the better the matter is understood the less cause will you have to avoid comparison."

Hon. John Sherman has said, "Besides its unsurpassed location, it has a history of which we may all be proud. It has furnished some of the most distinguished citizens of our State and Country."

Hon. George H. Pendleton has said, "I am rejoiced to hear of the increasing prosperity of Kenyon College. Its graduates, eminent in the State, and in the Nation, have made its honored name familiar at many fire-sides. Its exceptional advantages of location, combining so much of beauty of scenery and healthfulness of climate, commend it as the home of studious aspiring youth."

Hon. Stanley Matthews has said, "I am glad that all my education, academic and professional, was received from institutions of Ohio. At Gambier I received the best and most lasting impressions of my life."

Kenyon Grammar School.

GAMBIER, OHIO.

WHILE the distinctive aim of the School is the preparation of boys for college, those who desire only a good preparation for business are provided with courses of study in accordance with their needs.

The buildings consist of Milnor, Delano and North Halls. They are heated by steam, provided with bath rooms, and and have the best sys- of drainage. The charge for tuition; board, washing, fuel and lights is $350 per annum.

Neither effort nor expense have been spared to make the School one of the best.

As to the measure of our success, we respectfully refer to the present patrons of the school, whose names will be furnished on application.
