European countries."

The second division of Prof. Johnson's lecture is summed up in one statement directed at the Prussian blocs of diplomacy: "Von Bernstorff and all of the so-called ambassadors and ministers Gorman has sent to other nations were not diplomats and are not now—they were arch criminals, chosen by the kaiser's own staff to carry out his criminal intentions and plots on even friendly and neutral nations."

As to the Prussian interpretation of international law—an institution which has been in force for centuries beyond recollection—Prof. Johnson termed it as being the arbitrary will of the kaiser and his personal staff, also arch criminals of his own choosing. Lives have been taken indiscriminately as was shown by illustration in the case of the march through Belgium to France, the subsequent outrages on women, the dropping of bombs on hospitals, the dishonorable acts of the kaiser's troops and finally the sinking of the Lusitania and the declaration of a policy of unrestricted submarine warfare—the kaiser's last conception of devilry.

A unanimous vote of thanks was tendered Prof. Johnson at the conclusion of the lecture.

The next subject on the lecture course will be taken up Jan. 16 by President C. W. Chamberlain, Ph. D., on "The German Government a Pox to Democracy."

Prefers Chamberlain

"In the course of a conversation with Chamberlain Medicine Co.'s representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market, as I have tried nearly all kinds."—Earl C. Ross, publisher Hamilton County Republican News, Syracuse, Kas.

CLERK-CARRIER EXAM.

An examination under the civil service law for clerk-carrier at the Mt. Vernon postoffice will be held Jan. 12, 1918. Application blanks may be obtained from J. C. Wood, local secretary, at the postoffice.

proposition also gave the dates upon which settlements will be made and advised that the company's books will be open at all times to inspection by any member of the Red Cross authorized by the executive committee to investigate them and to ascertain the earnings of the company.

At the committee meeting Wednesday night, the generous offer was accepted and the committee instructed the secretary to extend the thanks of the chapter for the offer.

The meeting was the first since the close of the membership drive that resulted in a membership of over 10,000 for the local chapter and which is expected to place Knox county among the first in the United States with respect to Red Cross activity in proportion to its population.

Since the campaign, a branch has been organized at Jelloway with Rev. C. E. Birkhold as chairman, Mrs. J. A. Reed as vice chairman, W. T. Heibert as secretary and J. T. Blakely as treasurer. The Ankenytown-Palmira branch has also been organized and elected the following officers:

Chairman—Miss Flora Parquhar.
Vice Chairman—Clay Selter.
Secretary—Pearl Tombs.
Treasurer—Frank Thompson.

A petition for the location of a branch at Brandon was read at the meeting. The petition was signed by 25 persons and the branch will probably be located there, although no action was taken at the meeting.

Local colored women have also petitioned to form an auxiliary chapter to be known as the Wayman Chapel auxiliary. This petition was granted and the following officers have been elected:

Chairman—Mrs. Bessie Newsome.
Vice Chairman—Mrs. Viola Booker.
Secretary—Mrs. Ethel J. Reynolds.
Mrs. James K. Lyman, secretary of the executive committee, also announced that a branch is being formed at North Liberty, but the certificate showing its organization has not yet been sent in.
