At Lake Hiawatha Park Sunday Afternoon

Locals Won Out By A Score Of 9 To 3

The Gray Defeated The Colored Champions

At Riverside Park By Score Of 9 To 7

The Hiawatha baseball team easily defeated the Millersburg team at Hiawatha park on Sunday afternoon by a score of 9 to 3. The visitors escaped a shut-out by scoring three times in the second inning when they filled the bases with runners on errors by the local infielders. Penhorwood, the Millersburg pitcher, hit a weak grounder to second base where Brown made a miserable mess in attempting to handle the ball and allowed all three men on bases to score.

The game began shortly after three o'clock with Householder pitching for the locals and Penhorwood for the visitors. The former worked steadily throughout the entire game and did not seem to weaken at any point. Penhorwood, on the other hand, let down somewhat in the last few innings and he was hit rather hard. In spite of this fact, the hits were not numerous enough to net runs had the Millersburg fielders been able to handle the easy ones. Their miserable support to the pitcher was the sole cause of defeat of the Millersburg team.

It was apparent shortly after the beginning of the game that the task cut out for the locals was not a hard one and they played accordingly. There is no doubt that, had it been necessary more runs could have been scored in any of the last three innings.

Next Sunday the C. M. A. team of Newark will play in Mt. Vernon and this game will be looked forward to by every fan as they have already defeated the locals in two games this season. This was before the team was re-organized. Vany of Mansfield will pitch the game for the Hiawathas and Porter will be back in the game.

METHODISTS

To Build A Fine Home At Delaware

Institution To Be Used For The Children

(Delaware Journal-Herald)

There has been incorporated in Delaware a Methodist Children's Home, and already \$25,000 has been pledged toward its establishment. At a meeting to be held within the next two weeks an organization will be effected and a committee appointed to select a definite location.

Among the incorporators are Dr. J. H. Fitzwater, Prof. R. T. Stevenson and Mrs. Deas L. Williams of this city, John C. Arbutckle of Columbus, Friend I. Johnson of Mt. Vernon, H. C. Jamison of Cincinnati, Herbert Scott of Columbus and N. W. Stroup of Cleveland.

The Methodists of Ohio are now supporting two hospitals and one aged people's home, besides other charitable institutions, and the need of a children's home, as maintained in various other states, has been greatly felt by persons closely identified with the life of the church. Children of all denominations will be accepted in the institution.

At the time of the meeting in this city it was stated that a wealthy and aged resident of the Van Wert vicinity had made an offer of a 100-acre tract of land, which is valued at \$125 per acre. It is the intention to use this land for the production of revenue for the home, which doubtless will be located in Delaware. Excellent teachers will be provided, and when the children are older they will be sent to the Van Wert farm. Practically the entire population of the home will be sent to the farm during the summer months.

Interested in this proposition are prominent members of the five Methodist conferences of the state, namely, the East Ohio, North Ohio, Cincinnati, Central Ohio and Ohio conferences. The scheme has met with universal favor wherever mentioned, and it is believed that wealthy men of the church will rally to the aid of the institution, which will fill a long felt need in Ohio Methodism.

It is estimated that \$50,000 will be used in starting the home, and that it is necessary to raise about \$25,000 in addition to the funds already pledged. Following the early meeting of prominent churchmen in this city a special
