KENYON MILITARY ACADEMY.

The Preparatory Department of Kenyon College has been for nearly twenty years operated by a Board of Regents who have leased from the Board of Trustees the buildings and grounds occupied by the Academy. It is within this period that the school has achieved its greatest success. Employing sufficient capital to enable the management to assemble all the elements which should characterize a first-class preparatory school, it has been able to compete successfully with other Church schools which have been richly endowed. The present character of the school is the outcome of many years of patient effort to make it equal in all respects to the best schools of its class. By an efficient corps of instructors boys are given thorough preparation for college or business, and at the same time they receive careful training in manners and morals. The military features are admirably administered, and the school is provided with a large and excellent gymnasium in which there is regular physical training during the winter months.

TERMS AND VACATIONS.

The scholastic year is divided into three terms. The Christmas term begins on the third Wednesday in September.

There is a vacation of about three weeks at Christmas and a short one at Easter. The year closes on the second Thursday in June.

SCHEDULE OF FEES.

Tuition, Board, Washing (11-2 doz.), Fuel and Light for the School Year.....	\$450
Payable at Entrance.....	\$225
Payable at Beginning of Second Term.....	225
	<hr/>
	\$450

A fee of five dollars is required on entrance for medical attendance for the year. This practically is an insurance against large medical bills, as it enables us to contract with a physician to visit the school daily if required.

A fee of five dollars is required of cadets studying Chemistry, to cover cost of chemicals used in experiments.

A fee of five dollars is charged for use of typewriter for the year.

All cadets are charged one dollar and fifty cents on entrance for use of the Academy Library and Reading-room for the year.

A deposit of fifteen dollars the Christmas term and ten dollars each of the other two terms is required in advance, towards the cost of books and incidentals.

An itemized statement of account will be rendered at the end of each term, or prior to the end if the deposit is exhausted.

Books, stationery, etc., may be obtained at the Academy, at the usual retail prices.

Willful damage to school property is charged to the perpetrators, if known; otherwise it is assessed upon the whole school.

All bills not paid promptly are subject to sight draft, without notice.

Kenyon Military Academy.

Cadets who remain here during vacation must board at the Academy, and they are subject to such regulations as are necessary to good order. The charge will be made known on application to the Regents.

All checks should be made payable to the order of Wyant & Williams, Regents.

UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits are to be procured from the Academy tailor, that there may be no variation in style or color. By making a contract with a large and responsible house, we are able to furnish all the suits for the Academy at the following prices: Dress coat, \$11.75; fatigue coat, \$10.25; trousers, \$7.25; the price of the cap is \$2.00. As the coat buttons to the throat, vests are not usually worn, and are not included with the uniforms. A very serviceable overcoat, with cape, has been adopted for the Academy. It is warm and well made, and costs \$19.50. A reduction of 10 per cent on the uniforms, but not the overcoat, is made to cadets who are 5 feet or less in height. No citizen's clothes will be allowed in use after the uniforms are supplied. Boys will be measured on arrival and the suits at once ordered.

The uniforms and overcoats are made of the best Charlottesville Woolen Mills Cadet-gray Cloth, which stands unexcelled in quality, finish and wearing merit.

Catalogues and blank forms of application to the Academy may be obtained from the Regents. All communications concerning the Academy should be addressed to the Regents.
