KENYON MILITARY ACADEMY.

The Preparatory Department of Kenyon College has been for nearly twenty years operated by a Board of Regents who have leased from the Board of Trustees the buildings and grounds occupied by the Academy. It is within this period that the school has achieved its greatest success. Employing sufficient capital to enable the management to assemble all the elements which should characterize a first-class preparatory boarding school, it has been able to compete successfully with other Church schools which have been richly endowed. The present character of the school is the outcome of many years of patient effort to make it equal in all respects to the best schools of its class. By an efficient corps of instructors boys are given thorough preparation for college or business, and at the same time they receive careful training in manners and morals. The military features are admirably administered, and the school is provided with a large and excellent gymnasium in which there is regular physical training during the winter months.

The pupils live in the school buildings and the masters and the cadets form one household. Each bedroom floor is under the supervision of a master; the masters also take their meals at the same tables with the cadets. The boys, therefore, are brought under the personal influence and the careful personal supervision of refined, cultivated, college-bred men. In the evening they study also under the direction of an experienced teacher.

TERMS AND VACATIONS.

The scholastic year is divided into three terms. The Christmas term begins on the third Wednesday in September.

There is a vacation of about three weeks at Christmas and a short one at Easter. The year closes on the second Thursday in June.

SCHEDULE OF FEES.

Tuition, Board, Washing (1 1-2 doz.), Fuel and Light for the School Year.....	\$450
Payable at Entrance.....	\$225
Payable at Beginning of Second Term.....	225
	<hr/>
	\$450

A fee of five dollars is required on entrance for medical attendance for the year. This practically is an insurance against large medical bills, as it enables us to contract with a physician to visit the school daily if required.

A fee of five dollars is required of cadets studying Chemistry, to cover cost of chemicals used in experiments.

A fee of five dollars is charged for use of typewriter for the year.

All cadets are charged one dollar and fifty cents on entrance for use of the Academy Library and Reading-room for the year.

The charge for instruction on Cornet, Mandolin, or Guitar, one lesson per week, is thirty dollars per session. Each member of the Orchestra or Mandolin Club will be charged ten dollars per session for the special instruction given weekly. At least thirty lessons will be furnished in each case.

The charge for dancing lessons is seven dollars per term of twelve lessons.

A deposit of fifteen dollars the Christmas term and ten dollars each of the other two terms is required in advance, toward the cost of books and incidentals.

An itemized statement of account will be rendered at the end of each term, or prior to the end if the deposit is exhausted.

Books, stationery, etc., may be obtained at the Academy, at the usual retail prices.

Willful damage to school property is charged to the

perpetrators, if known; otherwise it is assessed upon the whole school.

All bills not paid promptly are subject to sight draft, without notice.

Cadets who remain here during vacation must board at the Academy, and they are subject to such regulations as are necessary to good order. The charge will be twenty five dollars for the Christmas and ten dollars for the Easter vacation, respectively.

All checks should be made payable to the order of the Regents.

UNIFORMS.

Two suits, a dress and a fatigue, similar to those worn at West Point, have been adopted for the Academy. These suits are to be procured from the Academy tailor, that there may be no variation in style or color. By making a contract with a large and responsible house, we are able to furnish all the suits for the Academy at the following prices: Dress coat, \$11.75; fatigue coat, \$10.25; trousers, \$7.25; the price of the cap is \$2.00. As the coat buttons to the throat, vests are not usually worn, and are not included with the uniforms. A very serviceable overcoat, with cape has been adopted for the Academy. It is warm and well made, and costs \$19.50. A reduction of 10 per cent. on the uniforms, but not the overcoat, is made to cadets who are five feet or less in height. No citizen's clothes will be allowed in use after the uniforms are supplied. Boys will be measured on arrival and the suits at once ordered.

Our uniforms and overcoats are made of the best Charlottesville Woolen Mills Cadet-gray Cloth, which stands unexcelled in quality, finish and wearing merit.

Catalogues and blank forms of application to the Academy may be obtained from the Regents. All communications concerning the Academy should be addressed to the Regents.
