Grow Vegetables In Home Yards and Vacant Lots

Gardens will be a factor in overcom-
... ing the present food shortage. Recogn-
... izing the economic value of producing
... vegetables in home yards and vacant
... lots, the board of administration has
... approved the appointment of local lead-
... ers as temporary assistants in the
... boys and girls' club work of the Kan-
... sas State Agricultural college.

These leaders will work under the
... direction of the division of extension
... and in co-operation with county super-
... tendents, school teachers and farm bu-
... reaus. They will not only promote
... garden clubs among boys and girls,
... but will interest women who would
... find real pleasure in growing vege-
... tables for table use and some of the old
... people likewise who cannot stand the
... heavier work of the farm, but who
... prefer to be active.

The assistants will urge the canning
... of surplus products for home use.
