DISMISS CASE AGAINST A MAN HELD FOR RAPE

Joseph H. Hall Exhonorated In Court of Squire Harter Today

AGED MAN GIVEN HEARING IN COURT

Mother Of Girl Alleged To Threatened To Shoot The Defendant

Justice George S. Harter, this morning, following the hearing given in the action brought in his court alleging the rape of Golda Goins, a 12-year-old colored girl by Joseph S. Hall, aged 78, a Civil War veteran, dismissed the charge.

The charge against Hall had been made by Mrs. Rosemary Goins, who accused Hall of having had illegal relations with her adopted daughter, Golda, on or about Sept. 1 last. When first arraigned Hall made a plea of not guilty and demanded a hearing which was set for Wednesday, Dec. 14.

It was alleged that the offense had been committed near Riverside park, it being claimed Hall throughout the summer had been accustomed to attempt undue liberties with children visiting Riverside park.

The evidence presented to the court against Hall proved to be weak and unconvincing. Dr. C. K. Conard testified that an examination made by him had revealed no evidence of an assault of the nature alleged. Furthermore, the testimony of the girl herself describing the alleged affair convinced the court of the impossibility of a crime of the nature alleged having been committed.

Prosecuting Attorney Paul M. Ashbaugh conducted the case in his official capacity and at the conclusion of the examination advised the court that in his opinion the defendant could not be held under the charge.

The defendant was represented by Attorney R. E. Supp. The case was presented to the court without argument and dismissal was ordered in brief time.

The hearing was attended by a large number the court room being crowded almost to the limit of its capacity.

FREDERICKTOWN

Shortly after the beginning of the present conference year of the M. E. church at this place, the pastor, Rev. C. E. Stockdale, in conference with the members of the official board of that church, planned an old-fashioned revival service to be held beginning Dec. 4. From the announcement of such a campaign there has been an increased activity in the church. For five weeks preceding the date set, cottage prayer meetings were held in different districts, covering the whole town, the attendance in some instances being beyond expectation, showing the interest in the meetings to follow. Since the beginning of the conference year, 14 persons have united with the church by letter.

Since the beginning of the special services there have been several conversions, among which were some of the influential men of our community. At a reconsecration meeting held last week the altar and front seats of the church were filled, the results of which are expected to be productive of much good.

Ray D. Mohr, singing evangelist of Ashley, who made so many friends here 11 years ago, is with us again and has charge of the music, directing a large chorus choir with special features of quartets, duets and inspiring solos by himself.

The attendance the past week exceeded that of any previous effort of this kind, the church being filled at every service, several of the Sunday school classes attending in bodies and on last Friday evening there was a large booster delegation from Brookside, which is not only a credit to our church but to our village.

The pastor, Rev. C. E. Stockdale, has been delivering some splendid spiritual discourses which has led to an awakening of the dormant membership which in itself will be productive of much good. Let every
