Rep. Shirley Chisholm addresses the Class of '73 in Kenyon's 145th Commencement exercises held this year in Wertheimer Fieldhouse. Others on the stage visible in the photo are (left to right) the Rt. Rev. John P. Craine, chairman of the Board of Trustees; The Rev. Richard L. Harbour, acting chaplain; noted psychologist Anne

Roe (partially hidden); Dr. Robert B. Heilman, professor of English at the University of Washington; and Dr. H. Landon Warner, Professor of History at Kenyon from 1946 until his retirement this year.

Activism Toppling Senseless Stereotypes, Rep. Chisholm Tells Graduates

Rep. Shirley Chisholm, Democratic congresswoman from New York, told 311 graduates at Kenyon's 145th commencement the "overt activity of both blacks and women" has been responsible for helping end race and sex discrimination.

"Anti-feminism as well as anti-blackness are two of the most strident issues whose bulwarks have been tumbling within the last few years because of the overt activity of both blacks and women," Mrs. Chisholm said. "Senseless stereotypes dismissing members of society on the basis of sex and color to participate fully in the American system are being broken one by one."

Mrs. Chisholm addressed some of her remarks specifically to the 100 women in this year's class who were among the first freshman female students accepted at the college in 1969. A few women transfer students have been graduated from Kenyon in past years along with some who came in 1969 and accelerated their academic programs to finish in three years.

"We must seek to allow persons to engage in work that is suited to their intellectual and physical abilities," Mrs. Chisholm told them. "Petty and

arbitrary barriers against fully productive careers within the mainstream of American life are crumbling," she noted.

She cited statistics and said the anti-discrimination fight needs to continue.

"Among all employed women, approximately 82 per cent are clerical, sales, factory or in-service jobs," she said. "Of 10,000 civil service employees in jobs paying \$26,000 a year or better, only about 200 are held by women."

"Progressive minded Americans should join in the struggle to end all forms of discrimination in America. Liberation in America must transcend ending discrimination against a particular race. It must entail ending discrimination because of sex, origin and religion as well."

"We must create a climate in which all Americans are allowed to move up the system solely on the basis of intellect, perseverance and ability," Mrs. Chisholm added. "It is disturbing to realize that society may be denied a Dr. Frances Kelsey or a Rachel Carson because some woman was dissuaded from a career in medicine or science because of her sex."

The Congresswoman also said more needed to be done for poor women and working class families.

"If we are sincerely interested in solving our welfare problems and helping the poor and working class families, we must recognize the correlation between their problems and the battle to provide equal opportunities for women," she said.

"For these women, their income is not a supplement," she emphasized. "It is essential for the survival and well-being of the family unit. They must have more and better job training opportunities, equal pay and a fair opportunity for advancement."

"They must have adequate day care facilities," she added. Without them, we have in some cases doomed our women to failure in the job market."

Following her address Mrs. Chisholm was one of five persons to receive an honorary degree. The others were Cleveland industrialist and Kenyon Trustee Carl J. Stahl '30; psychologist Anne Roe; English professor and author Robert J. Heilman; and history professor H. Landon Warner who retires this year after 27 years on the Kenyon faculty.

Then the Class of '73 filed across the stage for their diplomas, 57 receiving their A.B. degrees with honors. Eight seniors, five men and three women, were graduated *summa cum laude*.

Board Authorizes Committee To Seek New President

Dr. William G. Caples, president of Kenyon College, announced at commencement that the Board of Trustees, acting at his request, has authorized the appointment of a committee to seek his successor upon his retirement in 1975.

The Board took action at its meeting on May 26 to authorize the Chairman of the Board, the Rt. Rev. John P. Craine, to appoint the presidential search committee, to be composed of representatives of the board, faculty, students and alumni of the college. Dr. Caples also announced that trustee D. Bruce Mansfield of Akron would serve as chairman of that committee.

Speaking on behalf of the Trustees, Bishop Craine said, "We are happy to accept the president's suggestion that we should take the responsibility for providing an orderly process in searching for a new president on Dr. Caples' retirement, one who will continue the dramatic advances made during his administration."

The Bishop added, "We also recognize our obligation to honor the agreement Dr. Caples made with an earlier board in accepting the presidency; that in retiring from a top executive position in industry, he would devote his total time and talents to serving as chief administrative officer for his alma mater for a specified number of years until he reached the age of his determined retirement."

"He has not only given these years with great skill and devotion, but has brought Kenyon College to a point of academic excellence which is rare among liberal arts colleges in this time when so many are being threatened with extinction due to rising costs and decreasing numbers of students," Bishop Craine said.

Dr. Caples' planned retirement comes at the end of the year when Kenyon will celebrate the 150th anniversary of its founding in 1824.

Parents Weekend Brings Record Number To Campus

An all-time record of 460 attended this year's Fourth Annual Parents Weekend April 13-15.

President William G. Caples addressed the gathering on the current state of the college and possible projections for the future. He told the parents that over the last ten years Kenyon has been one of the few private colleges in the nation that has not been forced to lower admissions standards to achieve full enrollment.

He noted that despite a rapid increase in the student population at Kenyon during that period, the college's present senior class is "equal in quality to any we have ever had."

The parents also had an introduction to the newly-appointed vice president of the college, Dr. John R.

Kenyon Fund Meets Record High Goal

Charles R. Leech, Jr. '52, current chairman of The Kenyon Fund, has announced that the Fund's goal of \$165,000 for the 1972-73 year has been reached. The goal for the '72-'73 year which ended on June 30 was the highest goal ever established for the Fund. Over 1800 alumni, representing 43% of its association's membership, contributed \$176,182.00 to the college through The Kenyon Fund.

The Fund, which is an annual financial support program for the college, is a major project of the Kenyon Alumni Association and its Executive Council. In its present form, the Fund was begun in the 1960-61 academic year. In that first year, the total amount given by 362 alumni to the Fund was \$11,782.

Noting the progress over the years, Mr. Leech emphasized:

"These increases in both total dollars and numbers of contributors have not just happened; they have resulted from much hard work of different kinds by many individuals." In this connection, he also noted

that more than 100 alumni had participated in the "phonathons" which had been held in the various sections of the country in the academic year just concluded.

Continuing, he stated: "Both as an alumnus and as the current chairman of the Fund, I am proud of, and grateful to, each person who helped make '72-'73 another successful Fund year for Kenyon."

Texaco Presents Grant

The Texaco Corporation recently awarded Kenyon a \$1,500 unrestricted grant. Kenyon President William G. Caples accepted the check from Texaco representatives Ron Grundstein and Tom Diss, both of Columbus.

It was the fifth such grant awarded to Kenyon by Texaco. Kenyon is one of 300 colleges and universities included in Texaco's program of educational support.

Senior Wins Fulbright Grant

Robert C. Stoddart, who graduated summa cum laude with Highest Honors in Classics this year, has won a Fulbright-Hayes Fellowship for postgraduate study.

He plans to spend 1973-74 at the University of Heidelberg in Germany, and hopes to read the Roman historians with one of the world's most eminent Latin scholars, Victor Poschl.

ulty members.

In addition, A. Denis Baly, professor of religion, presented a slide lecture opening the weekend activities entitled, "A Study of the Persian Mosque: A Perfection in Beauty."

The program was planned by a committee of parents, students and administration, headed by Mrs. Robert Andorfer of Mt. Vernon, whose son, Greg, was graduated this year.

Middle Path Day Volunteers Comb Gambier Woods In Mosquito Control Project

It resembled an African tiger hunt, but it really was the beginning of a concerted effort in Gambier to eliminate cases of California encephalitis.

Systematically, volunteers stalked through the village's wooded areas collecting trash and marking trees and stumps which had water-collecting pockets where carrier mosquitoes might breed. The commotion caused a "stampede" by puzzled chipmunks, rabbits and squirrels, but the startled animals weren't aware that Gambier has the highest per capita incidence of California encephalitis in Ohio. If they had known, they might have turned around and helped.

It was Kenyon's Third Annual Middle Path Day and students joined community residents and Ohio Department of Health personnel in the effort. Volunteers split into groups and combed the woods and backyard trees of Gambier, searching for likely mosquito-breeding pockets and marking the trees with tape and ribbon. Village workman later filled these mosquito resorts, so that hopefully they will find it impossible to breed in Gambier. Village Mayor Richard A. Baer said he hoped the project can be repeated next year so "the California encephalitis breeding cycle can be broken and Gambier can

rid itself of the disease permanently."

Persons are infected after being bitten by the carrier mosquito, and most cases reported are in children. Usual symptoms are headaches, vomiting and fever, but some cases result in delirium, loss of consciousness, and seizures.

Besides the eradication program, campus and community volunteers undertook a number of landscaping projects. The steep bank created by the new Route 229 bypass of Gambier was planted with ivy and honeysuckle, and a path was cleared leading down to the Kokosing River in preparation for building a canoe launch near the railroad trestle bridge.

About 500 seedlings were planted on the old airfield which can be transplanted by the college and village when grown. Trees were also planted in the valley below Ascension Hall as a memorial to the late Mrs. Elizabeth Ford, a former resident of Gambier who died last December.

In addition, work was begun on transforming the old Gambier dump into a picnic and camping area. Projects that were begun at last year's Middle Path Day were continued this year, which included planting in the Ascension garden and stone work in front of the Bookshop.

Commencement Weekend Program Honors Kenyon's Largest Graduating Class

With the Class of 1973 numbering 311, nearly double the size of any previous graduating class, this year's Commencement Weekend program had some new features.

The weekend began officially with the Senior-Faculty Party in Peirce Hall on Friday evening. The party was planned by the seniors to replace the Senior Luncheon, formerly held on Commencement day, and faculty members and their spouses were invited. The program included the presentation of the Anderson Cup to Thomas E. Allen, the Kenyon Klan Cup to Dan Handel, and the John Rinka Sportsmanship Award to Peter Schneeberger.

Because of limited seating in the Church of the Holy Spirit, the Baccalaureate Service was an outdoor ceremony this year. Some 1000 seniors, parents and guests attended and heard Reed Browning, associate professor of history, give "Thoughts on Community" as the Baccalaureate Address.

The threat of rain forced the Sunday morning Commencement Exercises into Wertheimer Fieldhouse. The ceremony was followed by a picnic lunch, originally scheduled for the campus green in front of Peirce Hall but enjoyed in and around the fieldhouse by the record number of graduates and their guests.

Senior Class President Ulysses Hammond receives his diploma and a handshake from President Caples.

The area in front of Samuel Mather Hall was the scene of the Baccalaureate Service with Prof. Reed Browning as the speaker.

Tom Allen Wins Anderson Cup

Thomas E. Allen of Coatesville, Pennsylvania won the E. Malcolm Anderson Cup, the school's highest student award.

Allen, who graduated *magna cum laude* with high honors, in psychology, is a veteran of numerous Dramatic Club productions, both as an actor and composer. He was honored this year with the Paul Newman Award for his performance in "The Knack," and for his work in the formation of the Cosmic Box Players, a children's theater group active in the central Ohio area.

He is the son of Mr. and Mrs. Charles T. Allen of Coatesville, Pa.

Thomas Allen (right) receives the Anderson Cup from Dean Thomas J. Edwards in brief ceremonies at the Senior-Faculty Party in the Great Hall.

The Honorary degree recipients, as they are cited by President Caples are, Trustee Carl J. Stahl (above left), The Hon. Shirley Chisholm (above right), Prof. Robert J. Heilman (below left), Anne Rowe (below center) and Prof. H. Landon Warner (below right).

The Women of the Class of '73, the first to enroll at Kenyon, held a special dinner in Gund Commons just prior to Commencement Weekend. The very special waiters for the occasion included President Caples (below), Prof. Gerritt Roelofs (left) and several other faculty members. There was no formal program for the dinner but everyone, including the "help", had a good time.

FACULTY NEWS

Three members of Kenyon's faculty have been chosen Outstanding Educators of America for 1973.

Reed Browning, associate professor of history; Harry Clor, professor of political science; and Joseph Slate, professor of art, have been chosen for their exceptional service, achievements and leadership in the field of education. Each will be featured in the national awards volume, "Outstanding Educators of America," whose guidelines for selection include the educator's teaching ability, contributions to research, administrative abilities, civic service, and professional recognition.

Browning joined Kenyon's faculty in 1967 and currently serves as chairman of the history department. A 1960 graduate of Dartmouth with his M.A. and Ph.D. from Yale, he studied in Vienna during 1962-63 as a Fulbright Fellow.

Clor was graduated *summa cum laude* from Lawrence University in 1951 and was a member of Phi Beta Kappa. He received his M.A. and Ph.D. from the University of Chicago. Last year he served as director of Kenyon's nationally known Public Affairs Conference Center and has been a government advisor on obscenity and pornography.

Slate earned a B.A. in journalism from the University of Washington and a B.F.A. from the Yale University School of Art and Architecture. He has been at Kenyon since 1962 and became chairman of its art department in 1963. He has written articles for *The Kenyon Review*, *The New Yorker*, and *Saturday Review*. He also has given one-man shows of his paintings at numerous institutions and museums.

* * * *

Professor Slate has been named to serve as a reader for the Advanced Placement Examination in studio art for the Educational Testing Service in Princeton, New Jersey.

As a reader, Slate will help set standards for achievement and grade examinations submitted by high school students enrolled in advanced placement studio art courses. This will be the second year studio art and art history have been included in the program, which determines whether high school students have progressed enough in advanced high school work to receive credit for beginning college courses.

* * * *

L. Thomas Clifford, professor of psychology, has written an article entitled "Between-chains and Within-chains Speed Gradients as Functions of Length" for the latest issue of the psychology journal, *Learning and Motivation*.

Clifford, who was chosen as an Outstanding Educator for 1972, has been at Kenyon since 1963.

* * * *

Dr. Paul Schwartz, professor of music, had his festive anthem "Spirit Divine" performed for the first time at Whitsunday Service, June 10, in Trinity Episcopal Church in Columbus.

The work, scored for a chorus of mixed voices, organ and brass quartet, was commissioned by Trinity Church as part of a project sponsored by the American Guild of Organists that encourages the use of music by living American composers in Church.

* * * *

Dr. H. Landon Warner, professor of history, emeritus, won the 1973 Distinguished Service Award from the Ohio Academy of History in "recognition of his outstanding and life-long contribution to the field of history."

Warner is a past president of the academy and has twice been the recipient of its Achievement Award.

Williamson Named Dean of Records

Dr. James G. Williamson, assistant professor of physics at Kenyon since 1969 has been appointed Dean of Records and Institutional Research.

Dr. Williamson assumed the duties of former Registrar Lewis F. Treleaven, who is now Kenyon's Vice-President for Development. Mr. Treleaven was praised by Provost Bruce Haywood for reorganizing the Registrar's Office and introducing the computer into the college's expanding record-keeping system.

Dr. Haywood added that Dr. Williamson's particular strengths for the job included his skill in the use of the computer, his experience and understanding of the laboratory sciences, and his knowledge as a scientist of the value of interpreting data.

Dr. Williamson earned his bachelor's, master's and doctor's degrees from Ohio State University.

Two Alumni Cited at Honors Day

May 1 is Kenyon's traditional Honors Day, and this year students were again recognized with awards and prizes for academic, athletic, extra-curricular, and personal excellence. Two Kenyon alumni, David U. McDowell and The Rev. W. Paul Thompson, were also recognized with honorary degrees in the ceremony.

McDowell, a 1940 graduate of Kenyon, delivered the keynote address during the ceremonies and received an honorary Doctor of Letters degree. In awarding the degree, President William G. Caples cited his achievements that have "enriched the literary life of our time."

As an undergraduate, McDowell served as editor of the literary magazine HIKA. Following graduation, he became an instructor of English at Kenyon and was secretary of *The Kenyon Review*. He left Gambier to go on to a distinguished career with many of the nation's leading publishing houses including Random House, The Curtis Publishing Company, Time-Life Books and Crown Publishers, Inc., where he is now senior editor and fiction editor.

The Rev. W. Paul Thompson, Rector at Trinity Memorial Episcopal Church in Binghamton, New York, was awarded an honorary Doctor of Divinity degree.

A 1929 Kenyon graduate, Thompson became Rector of Trinity Episcopal Church in 1953 after serving as Rector at Christ Church in Reading, Pa., and the Church of the Epiphany in Clarks Summit, Pa.

In awarding the degree of Doctor of Divinity to Rev. Thompson, President William G. Caples praised him for his "wise leadership in the affairs of the Episcopal Church" and for "giving especially close attention to the standards of the ministry and the qualifications of young men being ordained."

Undergraduate honors in the ceremony included the first presentation of the "Doris B. Crozier Award," established by the Knox County Chapter of the National Organization for Women and the friends of Miss Crozier, former dean of the Coordinate College for Women. Presented in recognition of "the leadership and the standards established by the women of the Class of 1973," it was won this year by senior Elizabeth Ransom Forman.

Other awards recognized achievement in the various academic departments and in the extracurricular program of the college.

'72 Grad Becomes News Director

Samuel Barone, 22, was named Kenyon's news director, effective

July 1, by President William G. Caples.

Barone, a 1972 Kenyon graduate,

will coordinate publicity for the entire campus and serve as sports information director. He replaces Robert J. Zuer who recently accepted a position in Los Angeles.

Barone recently was awarded a Master of Science degree from Northwestern University's Medill School of Journalism, Evanston, Ill. At Medill he completed a 12-month graduate newspaper curriculum.

Since 1971 he has worked sporadically as a general assignment and feature writer for the *Sandusky Register*. At Kenyon he was editor of the *Collegian*, the weekly student newspaper.

Last month on the Kenyon campus Barone was married to the former Paula Marie Siegel, also a 1972 Kenyon graduate. Both are Sandusky, Ohio, natives.

Cappio Wins Great Books Prize

James J. Cappio, Class of '75, has won a \$500 prize in the tenth annual Educational Fund Awards program sponsored by "Great Books of the Western World."

Cappio received the award for his superior performance in the humanities program, completing four objective tests based on readings in "Great Books." He also submitted a number of essays in conjunction with the program.

Kenyon will receive a 54-volume set of "Great Books" in recognition of Cappio's achievement.

Cappio is the son of Mr. and Mrs. John T. Cappio of Philadelphia, Pa.

Senior Studies At Oak Ridge

David Brown of the Class of 1974 has been awarded a 10-week appointment to conduct research this summer by the U.S. Atomic Energy Commission.

He will work with senior staff members in the chemistry division of the Oak Ridge National Laboratory at Oak Ridge, Tennessee.

Brown will receive a weekly stipend and a travel allowance to support his activity there. The program is sponsored by the AEC's Division of Nuclear Education and Training.

Brown is from Warren, Ohio, and the son of Mr. and Mrs. J. Bachman Brown.

Davis Wins NCAA Scholarship

Twice All-American swimmer John A. Davis, a 1973 Kenyon graduate, has been awarded a \$1,000 NCAA postgraduate scholarship.

The grant is one of 12 awarded this year to NCAA college division athletes participating in sports other than football and basketball.

Davis, a Mansfield, Ohio, native, is the Ohio Conference record-holder in the 500-yard freestyle with a time of 4:55.3. He cracked the old standard last March aiding Kenyon to its NCAA record-equalling 20th consecutive conference swim title. Later Davis helped the Lords to a ninth place finish in the NCAA college division swim championships.

To be eligible for an NCAA postgraduate scholarship an athlete must have an accumulative grade point average of at least 3.0 on a 4.0 scale for three years of college study and must have excelled in his sport.

The NCAA also awards 20 such scholarships to university division athletes and athletes at large, and an additional 48 to football and basketball players.

Davis, a 1973 Lord tri-captain, was a three-year letterman and participant in the NCAA college division championships.

He is the son of Mr. and Mrs. John R. Davis, 13 West Williams Ave., Mansfield, and a graduate of Mansfield Senior High School.

Golfers Close Season 5-5

Kenyon's golf team finished sixth in the 14-team Ohio Conference championship tournament this year after compiling a 5-5 regular season mark.

The Lords also placed third in the Great Lakes College Association Tournament earlier in the year. Senior Bob Schellhase earned medalist honors with 149 for 36-holes.

Besides Schellhase, Head Coach Jim Zak will lose Andy Pleninger and Dave Cannon through graduation. But hopes are high for improving on this year's campaign with six freshmen and one sophomore returning.

Zak's three-year regular season coaching record in golf is 19-9.

Winter Sports Roundup

Led by junior Rich James' two second place finishes, the Kenyon College swimming team finished ninth in the NCAA college division swim championships—highest of any Ohio entry.

In addition to James' performances, Coach Dick Sloan utilized a pair of third place finishes by senior Jim Loomis; sixth and eighth place finishes by the 400-freestyle and 800-freestyle relay teams; a ninth by James in the 200 individual medley; and a tenth by John A. Davis in the 1,650 freestyle to put Kenyon among the top ten college division teams in the country for the

Distinguished Kenyon Lacrosseman Bruce Duncan (left), and All-Americans Robert Heaps and David Cronin pose with Head Coach Bill Heiser.

Two Lord Lacrossemen Gain All-America Honors

Defenseman Bob Heaps and attackman Dave Cronin were named to the 1973 college division All American Lacrosse team.

Heaps made the second team while Cronin received honorable mention after leading Kenyon to an 11-2 season, second best in the midwest. Heaps, Cronin and sophomore midfielder Kevin McDonald also were named to the first team of the United States Intercollegiate Lacrosse Association's (U.S.I.L.A.) Midwest Division. Senior midfielder Bruce Duncan earned a berth on the second team.

Cronin, who also was named Kenyon's most valuable player for the second straight year, led the midwest in scoring with 69 points on 27 goals and 42 assists. His total made him the Lords' all-time scoring leader with 98 goals and 96 assists for 194 total points.

Heaps, Kenyon's most valuable defenseman for the third year in a row, was chosen to play in the North-South All Star Lacrosse game June 9, in Princeton, N.J. He joined Kenyon Coach Bill Heiser on the South squad. Heiser served as an assistant coach as the South defeated the North 14-12 in overtime.

Kenyon has lost tri-captains Cronin, Heaps and Duncan through graduation but will have a number of other key players returning.

Sophomore attackman Tom Bruggman and Eric Mueller are expected to lead the Lord offense.

Mueller finished third in the midwest in goals scored with 36, while Bruggman placed eighth in the division in assists with 14. Bruggman also had 20 goals to give him 34 total points for the year.

Sophomore defensemen Rick Salomon and Joe Szmania will anchor the defense in front of sophomore goalie George Parker.

Parker ranked fifth among midwest goalies with 133 saves and a .696 save percentage. His 58 goals allowed ranked third in the division.

Heiser also expects important contributions from captains-elect Bruce Isaacs and Bob Hallinan.

fifth straight year.

James, the 1972 college division 200-backstroke champion, was second to Bob Thomas of Eastern Illinois in the event this year. James pushed Thomas to a new national record of 1:57.19, and James was clocked in 1:58.75, his all-time best and a Kenyon record. Loomis was third in the event at 2:00.35, his all-time best.

James also finished second in the 100-backstroke with an all-time best clocking of 54.755, while Loomis was third again in 55.152.

Others besides James, Loomis and John A. Davis to achieve All Ameri-

ca status for the Lords this year were: Charles Welker, John Kirkpatrick and John E. Davis.

Two weeks earlier, Kenyon's All-Americans led the Lords to their 20th straight conference championship, equalling a national mark held by Yale since 1935.

But while Kenyon mermen continued their domination of Ohio college division swimming, the other winter sports teams had their share of trouble.

Coach Bill Heiser's wrestlers completed their dual meet season at 3-6 and finished 12th in the Ohio conference meet.

Baseball Team Posts 3-12 Mark

Kenyon pitcher Mike Miller and third baseman Bill Gorski were named to the All-Ohio Conference baseball team this spring.

Miller finished the season with a 2.01 earned run average, while Gorski batted .295 for the 3-12 Lords (1-10 in OAC).

Besides Miller and Gorski, head coach Tom McHugh lost catcher Mark Rakoczy and shortstop Kurt Karakul through graduation but will have seven starters returning.

Leading the returnees are outfielder Jim Myers, considered an outstanding prospect after hitting .320 as a sophomore. Also back will be catcher-outfielder Bruce Broxterman, pitcher Pat Clements, pitcher-outfielder Mark Leonard, outfielder Frank Rahel, second baseman John Moroney, and first baseman Kent Bain.

Netters Take 2nd In OAC Tourney

Paced by captain and most valuable player Ed Gentzler, Kenyon's tennis team captured second place in the Ohio Conference tennis tournament after going 9-4 in the regular season.

Gentzler, who also was high point man during the season, won the sixth singles bracket and teamed with Mark Lowery to capture the second doubles division. In addition, Lowery was runner-up in number two singles play.

Jon Rothschild and Bob Pennington teamed to win the third doubles bracket. Both finished third in singles play as well, Rothschild in bracket four and Pennington in bracket five.

The OAC showing continued Kenyon's current streak of never having finished lower than fifth in the last 11 OAC tournaments. Kenyon has won 11 championships since 1940, the most recent in 1970.

The Lords finished 3-3 on their southern trip this spring and were 6-1 after returning home. Their only loss came at Ohio Wesleyan, the eventual conference champion.

Coach Dick Sloan announced that Lowery would serve as captain next season. Except for seniors Gentzler and Pennington, the Lords expect to have back their entire roster.

Most valuable wrestler Rick Szilagyi finished second in the OAC heavyweight division, losing in the finals after going unbeaten in 17 straight matches.

Coach Jim Zak's basketball team struggled through a 4-19 regular season campaign, then lost to Heidelberg in first round OAC tournament action to end a rebuilding year.

Except for graduating senior captain Pete Schneeberger, the Lords will have virtually the entire squad back next season, including leading scorer Dave Meyer (13.0 average), honorable mention on the all-conference team.

Herbert J. Ullmann, '52, Awarded Gregg Cup; David A. Kuhn, '51, Is New Alumni President

Herbert J. Ullmann, '52, of Chicago, was awarded the Gregg Cup as the alumnus who has done the most for the college during the past year.

The announcement and presentation came at the Alumni Luncheon Saturday during Kenyon's annual Reunion Weekend program.

Four alumni also were presented Distinguished Service Certificates. They were Louis D. Kilgore, '21 of Detroit, Mich., Charles R. Leech, Jr., '52 of Toledo, Dr. James C.

Niederman, '46 of New Haven, Conn., and Bill B. Ranney, '52, of Cincinnati.

The college also announced that Randolph D. Bucey of Cleveland had been reelected to the Board of Trustees for a second term. Dr. Niederman was elected to replace David W. Jasper, Jr., '38 of Syracuse, N.Y., on the board. Jasper had completed his second three-year term.

David A. Kuhn, '51 of Cleveland, will replace Jon Barsanti, '58 of Chi-

cago, as president of the Alumni Executive Committee. Other officers include: Calvin S. Frost, Jr., '63 of Columbus, first vice president; Gerald J. Fields, '62 of New York, second vice president; William H. Thomas, Jr., '36 of Gambier, secretary-treasurer.

Patrick A. McGraw, '63 of Toledo, Norman D. Nichol, '53 of Cleveland, and David D. Taft of Minneapolis, Minn., were elected to three year terms on the Executive Committee.

In addition, the class of 1923 won

the Peirce Cup for the highest percentage of living alumni returning on Reunion Weekend. The Class of 1922 won the "Class of '21 Plate" for having the highest percentage of class participation in the Kenyon Fund.

Trophies also were presented to David Harbison, '48 of Ann Arbor Mich., and Malcolm H. Baker, '39 of Granville, for low net and low gross scores respectively in the golf tournament.

At the Alumni Luncheon (left photo) David Harbison congratulates Gregg Cup winner Herbert J. Ullmann '52. (Right photo) John P. Wolverton accepts the Peirce Cup for the Class of '23 from Jon Barsanti '58 and Lewis F. Treleaven '41. David A. Kuhn '51 (center, top) assumed the presidency of the Kenyon Alumni Association from Jon Barsanti (center, bottom).

Women's Sports Program Set For Expansion

Plans are already underway to expand the women's intercollegiate athletic program here after the finish of a highly successful spring sports campaign.

Karen Burke, assistant director of women's physical education and athletics, said the college will add volleyball to its list of varsity sports for women which now includes field hockey, basketball, tennis and lacrosse. The women will plan an "eight to ten game schedule" next winter in volleyball and will increase its schedule for women's lacrosse and tennis to ten next spring.

The women finished 3-1 in tennis and 1-2-1 in lacrosse this year.

Co-captain Didi Wein and Marge Artley finished undefeated in singles play to pace the women netters. Tanna Moore was 3-1 in first singles as was co-captain Sally Pittman and Carol Burt in first doubles play.

Junior Ginny Buermann led the lacrosse team with 15 goals. Freshman Danna Bortz and junior Kim Mayhew added six goals each. Goalie Sue Houser averaged 15 saves per game, while junior Sue Miller and sophomore Liz Parker were stand-outs on defense. Senior Lynn Graichen also played well on attack as did sophomore Robin Smith at center.

Alumni Ponder "Power of The Past" At Second Annual Seminar

The second annual Alumni Seminar was held this year as part of the Alumni Reunion Weekend on June 1-3.

The seminar was entitled, "The Power of the Past" and was opened to the entire Knox County Community. Conceived by the Alumni Council and planned with faculty help, the seminar focused on the influence of the past on the present and examined man's ability to use or transcend his history.

Reed Browning, associate profes-

sor of history, examined what man can learn from the most explosive efforts to repudiate his past—the great modern revolutions in his discussion of "History and Destiny."

Stanley Anderson, assistant professor of biology, followed with a lecture entitled, "Tradition, The Product of Evolution," in which he proposed that tradition is the result of the same evolutionary process that produced man.

Associate professor of philosophy Cyrus Banning spoke to the ques-

tion "Is Man Free?" He examined whether man can choose what he is going to do, or if his future is determined by his past.

Ingmar Bergman's film "Shame" was shown, followed by a lecture by Michael O'Brien, '68, assistant professor of art. Both the film and the lecture dealt with the question of free will versus determinism. The lecture considered these themes as they related to Bergman's work as well as their relation to an artist creating any work of art.

Individual Records Not Enough To Bolster Hapless Thinclads

Kenyon's track team ended its indoor season with a 5-2 record and a respectable fifth place finish in the Ohio Conference track meet.

Junior captain George Letts set a new varsity record in the 300 by winning the event at the OAC meet in 32.1. The fleet junior also finished second in the 55-yard dash with a 5.9 clocking.

Earlier in the season, Freshman James Doucett broke another varsity indoor record with a time of 4:26.6 in the mile run.

Injuries, lack of depth and inclement weather that cut into practice time were the main factors in the Lord's disappointing 1-4 outdoor record and 12th place finish in the OAC outdoor championships, according to Head Coach Don White.

Letts, who was high point man, most valuable track man and captain of this year's squad, pulled a leg muscle during the preliminaries of the OAC meet and missed the finals. Senior Ulysses Hammond, another key performer in the sprints and

sprint relays, missed most of the season with a pulled leg muscle.

Besides Hammond, graduation has taken senior Pete Schneeberger, a consistent scorer in the weight events but White will have a number of other key performers returning next season besides Letts, including Jeff Walker (middle distance), Paul O'Hanesian (sprints and sprint relays), James Doucett (distance), Dennis Hall (discus), Frank Andreas (440 and mile relay) and Mario Orlandi (shot put).

REUNIONS

Class of '23 — (Left to right) William E. Crofut, Frederic C. Liepman, George H. Greaves, George W. Bowman, Donald R. Doodell, R. Malcolm Ward, Merrick B. McCafferty, John P. Wolverton, Robert H. Shields, Arthur H. Torrance, and Philip T. Hummell.

Class of '48 — (Left to right) John L. McKenney, Jack L. Hart, and Henry H. Abraham. Not present for the picture: William E. Beattie, David Harbison, and Dan K. Loveland.

Class of '53 — (Left to right) Allen F. Murphy, Norman D. Nichol, Robert K. Warmeling, F. Ronald Fraley, Edgar G. Davis, William B. Hannaford, and William Ririe. Not present for the picture: Mark W. Steele and Richard L. Thomas.

Class of '58 — The men (first row l. to r.) Robert S. Price, Regga S. Miller, Robert G. Pierleoni; (second row) William R. Morrow, J. Eric May, Robert N. Farquhar, Francis S. Mell, Joseph M. Topor; (top row) John Barsanti, Charles G. Adams, and William B. Cowles. (Sorry but we did not have an accurate identification of the ladies.)

ALUMNI NOTES

'22 The Rev. Benson H. Harvey
West Chesterfield
Massachusetts 01084

The Rev. John Cummings returned to California in the spring from an archaeological trip to Yucatan and Central America.

'23 John P. Wolverton
2031 Templehurst Dr.
South Euclid, Ohio 44121

George W. Bowman has retired after 40 years in the printing business and thinks it unusual that two members of the Class of '23, The Rev. Max Dowell and himself, have been selected as 33rd degree Masons.

Frederic C. Liepman was one of 11 members of his class who returned to the Hill for their fiftieth reunion.

'24 The Rev. Donald C. Ellwood
285 Ridge Road
Wethersfield, Conn. 06109

C. Howard Allen, Director of Publications at Kent State University, and publisher of distinguished books in his own right, is responsible for a new work "The Cleveland Years." The book is devoted to the 60-year residence in Cleveland of John D. Rockefeller, Sr. and his renowned career. Howard is the father of Peter W. Allen, '69 and Penny Allen, '75.

'25 Theodore C. Diller
135 S. LaSalle
Chicago, Ill. 60603

Harry W. Dailey retired last July from 43 years of service with Westinghouse Electric Corp., spending much of that time as Manager of Personnel and Industrial Relations.

Theodore C. Diller and his wife visited their Egyptian "daughter," Zenab Rabie, who lived with them for a year in 1966-67 as an American Field Service Student. Their September, 1972, visit was primarily in Cairo but included a trip with the family to Alexandria, and a week-long cruise on the upper Nile, starting at Aswan. The visit included meetings with a number of cabinet officials, and "the standard of hospitality was hard to equal."

Bob Thebaud and Ed Hunting, with wives, had a pleasant reunion for the first time since college days earlier this year in Pasadena, California.

Hunter Kellenberger retired in June of 1971 and became Professor Emeritus at

Brown University. His daughter Judith was married this March.

'27 J. Thomas Grace
1500 Carew Tower
Cincinnati, Ohio 45202

Robert N. D. Arndt, living in Cohasset, Mass., is currently president of the Cohasset Historical Society and editor of the "South Shore Citizen," a monthly publication with a circulation of 60,000.

Wilfred Myll retired as Rector of St. Matthew's Church in Louisville, Ky. at the end of 1972. A member of the Kentucky Bar, he received the degree of J.D. from the University of Louisville in late 1971.

Burchell Rowe is now living in Venice, Florida, not far from classmate Harrison Greer.

'29 Thomas H. Sheldon
2118 N.E. 58th St.
Fort Lauderdale, Fla. 33308

Bill Baird, after his second retirement, became counselor to the Henry Lewis law firm in Columbus, Ohio. "No work," he says, "but an excuse to get out of the house and to be on a letterhead."

Edwin R. Murbach is Chief of Staff and Surgery at the New Fulton County Medical Center, where the dedication of a new \$9,000,000 facility took place recently.

Col. Dane O. Sprankle, who retired from the Army Signal Corps in 1961, just retired from GTE Service Corp. after 11 years. GTE is a subsidiary of the General Telephone and Telecommunications Corp.

'30 R. Wells Simmons
1630 Sheridan Rd.
Wilmette, Ill. 60091

Carl H. Wilhelms retired from the United Hospital Fund of New York after 25 years with that organization. He will continue there as a consultant.

'34 Bert Neidig retired early this year as Executive Director of the United Appeal of Orange County, and continues to make Orlando, Florida his home.

'35 James R. Alexander
145 East Market St.
Bethlehem, Pa. 18018

Benjamin A. Park was runner-up in the Bellevue Biltmore Southern Seniors Golf Tournament.

KENYON

'36 Robert P. Doecke
1228 Edwards Rd.
Cincinnati, Ohio 45208

Robert W. Mueller was the 1973 recipient of the Distinguished Editorial Career Award as editor and publisher of *Progressive Grocer* magazine. In receiving the award, Mueller was cited for his "uncanny ability to recognize emerging trends, and, then, riding the leading edge of change, to capitalize upon them . . . His accomplishments as editor, industry leader and a warm, kindly person stamp him as unique."

Harold Wells writes that he is in the midst of fighting off his third bout with cancer.

'37 Robert W. Tuttle
Southleigh, R.F.D. Cuttingsville
Vermont 05738

John E. Tuthill has been elected Vice-President of Marketing for Commercial Credit Card Company. He will be responsible for coordinating the marketing activities for 15 of the company's subsidiaries.

'38 David W. Jasper, Jr.
309 Sedgwick Dr.
Syracuse, N.Y. 13203

Albert F. Shorkey, Plant Manager of the Dow Badische Company in Anderson, South Carolina, spoke on the promotion and potential of the businesswomen of the world in February at the Anderson Business and Professional Club. He is very busy in Anderson with the Boy Scouts, Salvation Army, Chamber of Commerce, Rotary, United Fund, and as a trustee of the Anderson Memorial Hospital.

Richard M. Veatch received the "Boss of the Year" award in February in Corning, New York. He is currently manager of manufacturing in Ingersoll Rand Co.'s Engine Process Compressor Division.

'39 Mason H. Lytle
1212 Laurelwood
Dayton, Ohio 45409

The Rev. Ralph W. Reamsnyder was given a surprise reception following Sunday morning services in tribute to his 25 years of service to the Trinity Episcopal Church in Alliance, Ohio. He was presented with gifts of 25 silver dollars and silver hurricane lamps for the period of time during which he has officiated at 292 baptisms, 357 confirmations, 71 marriages, and 194 burials.

'40 Lawrence G. Bell, Jr.
P.O. Box 489
Toledo, Ohio 43601

Mr. and Mrs. Lawrence Bell, along with the Jefferson Robinson's '49, the Bernard Baker's '36, the Charles Leech's '52, and the William Caples' '30, attended the alumni dinner at the Old Plantation Inn in Maumee, Ohio early in the year.

George DeVoe was named manager of the new Industrial Supply Division of Trumbull Plumbing Supply Co. in Warren, Ohio.

The Rev. Hundson Cary, Jr., H'59, Rector of the Episcopal Church of Bethesda-by-the-Sea in Palm Beach received the American Jewish Committee's Sylvan Cole Human Relations Award for 1973. He was honored "In recognition of his courageous battle against bigotry and intolerance, contributing to better understanding between the residents of Palm Beach County."

William C. Settle has started a new company, Settle and Bienstock, Investigators, Inc., 1182 W. Peachtree St., N.W., Suite 210, Atlanta, Georgia 30309.

Dan Young's youngest son Roger will enter Kenyon this fall with the Class of 1977.

'41

Roland McCleary has just been made Asst. Superintendent of School District 87 in Cook County, Illinois.

'42 Donald G. May, M.D.
3431 Pine Grove Lane
Kalamazoo, Mich. 49001

William L. Cuthbert, III, has been appointed chairman of the retail division of the 1973 Red Cross fund drive in Greenwich, Conn.

'43

Bill McMurry has been elected Executive Vice-President of Financial Profiles, Inc., the computerized total financial planning firm based in Los Angeles. Bill and his wife Pat moved from Atlanta to Marina Del Rey, California in March.

Richard H. Timberlake, Jr., has had published a textbook he authored on *Money And Banking*, for use in the junior year courses in colleges and universities.

'44 Peter W. Cloud
472 Hazel St.
Glencoe, Ill. 60022

Robert Goodnow has retired from Psychological Assessment Associates, Inc., in Washington, D.C. and has moved with his family to Sydney, Australia.

E. Jason McCoy was elected President of the Canton Rotary Club.

Had Millikin has been elected President of the Illinois Curling Association for 1972-73. He writes "Believe it or not, there are over 1000 curlers in Illinois."

'45 Robert W. Ballantine
1809 Herkimer Drive
Jackson, Mich. 49203

Allan Hauck has recently been appointed contributor of the "American Notebook" column in London's "Stamp Collecting" magazine. He is planning to escort a pilgrimage to the Holy Land in January of 1974.

Edward S. Shorkey was elected President of the National Flexible Packaging Assoc. at its annual meeting in Boca Raton, Fla. in March.

Bert Stoddard moved from Cleveland to San Diego in 1972 and has initiated the firm of Stoddard and Stoddard — Architecture and Interior Design.

'47 Devin K. Brian
1313 Maryland Drive
Cincinnati, Ohio 45230

George Hemphill had his *Mathematical Grammar of English* published this spring. He says that the dedication of the book was arranged otherwise by the publisher, "but if I had the opportunity I would have dedicated the book to the memory of Philip Blair Rice, who taught me that symbolic logic is a humane subject."

John A. Kaichen was recently elected president of the Legal Aid Society of Ashland County, Mich. His daughter Lisa just graduated summa cum laude from the University of Detroit.

Kevin O'Donnell, former Peace Corps director, and now executive vice-president of Sifco Industries in Cleveland, has been named a trustee of Vocational Guidance and Rehabilitation Services.

'48 David Harbison
640 Dartmoor
Ann Arbor, Mich. 48103

Albert Mason is now Evening Director of the Long Island University Library and is on the Board of Directors of the local of the U.E.T. for college professors.

Ted Price, who teaches English and cinema at Montclair State College in New Jersey, has been appointed to the Advisory Committee of The National Project Center for Film and The Humanities. The center distributed a film series program that relates the humanities to a wide variety of contemporary issues.

'49 Dr. Bernard S. Hoyt
400 W. Washington Blvd.
Grove City, Pa. 16127

John Zeller reports that the oldest of his seven children, Tricia, has been elected to Phi Beta Kappa at Indiana University, Bloomington, Indiana. Tricia's major is the Russian Language and she will do graduate work in this field next fall.

'50 Louis S. Whitaker
Principio Recess
R.R. #1, Box 338
Wheeling, W. Va. 26003

Thomas Davis, Jr., is completing 20 years with Equitable Life Assurance Society and is currently Senior Warden and Church School Superintendent at St. John's Episcopal Church in Pleasantville, New York. He and his wife Julia have three children, Tom (18), Sarah (14), and Nancy (10).

He is spending this summer at England's Coventry Cathedral in the Coventry Corrymella Venture, which is a study and service program working for reconciliation in Northern Ireland.

DEATHS

Franz Edward Lund, the 17th president of Kenyon who served from 1957 to 1968, died May 29, 1973 in Richmond, Va., after an extended illness.

Dr. Lund had been chairman of the department of history and political science at Virginia Commonwealth University since 1969.

Born Oct. 19, 1909 to missionary parents in Wuhu, Anhui, China, Mr. Lund earned his bachelor and masters degrees from Washington and Lee University and his Ph.D. from the University of Wisconsin.

From 1935-38 he was an instructor at Washington and Lee and became a professor of history at Wisconsin State College in 1939. In 1946 he was appointed chairman of the department of history and social science at State Teachers College in Florence, Alabama. He served as president of Alabama College in Montevallo from 1952 until his appointment at Kenyon.

He once said that he "did not choose to be a 'brick and mortar president,' but this has been my lot." During his tenure at Kenyon nearly \$6,000,000 in new building and renovation took place. Other forward steps taken during his administration included the expansion of the departments of art, music and religion; the establishment of the nationally known Public Affairs Conference Center and planning for the admission of women to the college after nearly 145 years as an all-male institution.

In commenting on Dr. Lund's death, Kenyon President William G. Caples said, "Dr. Lund was a dedicated president who left his mark on Kenyon. The evidence of his accomplishment is all around us and this college is richer in many ways because of his 11 years here. I personally feel a great sense of loss with his passing, a feeling that is shared by the entire Kenyon community."

Dr. Warren W. Brandt, president of Virginia Commonwealth University said of Dr. Lund, "He was a dedicated teacher, recognized scholar, and a sensitive administrator. He has had a strong positive impact on thousands of students and faculty members during his long years in academic life. He will be sorely missed."

Dr. Lund is survived by his wife, Martha; a daughter, Mrs. Sigrid L. Hodgson of Paris, France; a brother, Dr. Douglas Lund of Pollock Pines, California; and three grandchildren.

Funeral services were held in St. Paul's Episcopal Church in Richmond. Burial was in the Stonewall Jackson Memorial Cemetery in Lexington, Va.

Alan Spiro received a Fulbright-Hays Foreign Study grant and will study psychology at Catholic University in Belgium.

Perry Thompson married the former Karel Axen on July 1, 1972. In attendance were Stu Conway, '72, Jack Ciavardone, '72, Ralph Dello-Russo, '71, and Mark Skoning, '70. The best man was brother Dave Thompson, class of '74.

William H. Adams '11, retired Safety Director for the Columbus Gas Company and Safety consultant for the gas industry.

Roger A. Houston '14, of Dayton, Ohio, secretary and a director of Recto Molded Products, Inc., of Cincinnati, on April 28, 1973. He was a member of the Society of Plastics Engineers and Plastics Pioneers, and was an active alumnus of Kenyon, serving as president and finance chairman of the West Wing Alumni Association. He had also been a national officer of the Delta Kappa Epsilon fraternity. Survivors include his wife, Julia; a daughter Mrs. Margaret Severs; two stepsons, Bruce and Donald Stutson; and two grandchildren.

Frederick B. Dechant '16, of Lebanon, Ohio, on April 13, 1973.

The Rev. Canon Donald H. Wattlely '17, Rector, Emeritus, of Grace Episcopal Church, New Orleans, La., on April 2, 1973. He had served as Rector of Grace Church from 1925 to 1946, served as canon pastor of Christ Church Cathedral from 1948 to 1955, and as canon missionary of the Episcopal Diocese of Louisiana from 1955 until his retirement in 1965.

He had served as president of the Standing Committee of his diocese, chairman of its Committee on Canons, a member of the Board of Examining Chaplains, and was eight times deputy to the General Convention of the Episcopal Church. He is survived by his wife Cornelia; a daughter, Cornelia; a son, the Rev. James C. Wattlely of Scarsdale, N.Y.; a brother; and three grandchildren.

Josiah (Joe) K. Garretson '19, of Denver, Col. on April 12, 1973. He retired in 1961 as district sales manager of the Republic Steel Corp.

Roy C. Costello '27, former director of the City Hospital Laboratory in East Liverpool, Ohio, on April 18, 1973. A practicing physician in East Liverpool since 1933, he was also deputy Columbiana County Coroner, former health commissioner, and organizer and director of the blood bank from 1951 to 1972. He had also served as president of the City Hospital medical staff and was twice elected president of the Columbiana County Medical Society. He is survived by his wife, Loretta; three daughters; six sisters; a brother; and four grandchildren.

Winsor Brown French '28, noted columnist of the Cleveland Press, on March 6, 1973 at his home in Shaker Heights, Ohio.

The Rev. Stanley W. Plattenburg '28, B'31, who had been pastor of Grace Episcopal Church in Pomeroy, Ohio, after service as a staff member of the executive council of the Department of Education of the Episcopal Church, and Director of Education for the Diocese of Southern Ohio. He had also been pastor of churches in Oxford, Columbus, Ohio, and Utica and Rome, N.Y.

Burt A. Hathaway, Jr., '35, of Grand Rapids, Mich., on Jan. 3, 1973.

Edson K. Pool '37, Birmingham, Mich., dentist, on May 10, 1973.

KENYON

"Renaissance Man And Woman" Unveiled For Alumni

"Renaissance Man and Woman" was unveiled by its creator, sculptor Charles Eugene Gagnon on Alumni Weekend.

The bronze sculpture, which is approximately nine feet tall, was given to the college by an alumnus who wishes to remain anonymous, on behalf of "all graduates of Kenyon." It stands on the main campus close to Middle Path between Chalmers Library and the President's home, Cromwell House.

The piece was created as "a permanent and lasting tribute to the beauty and excitement of liberal education as found at Kenyon College," according to Gagnon. "I hope that I am able, in a small way, to compliment the intrinsic beauty and spiritual dignity which seems to permeate the entire campus at Kenyon College," he added.

President Caples called the sculpture "a joint expression of an artist and his patron of that joy of young men and women who come here to learn better how to discern their life options and thus better exercise them."

Gagnon spent two years working on the half-ton sculpture, of which the final "life and one-half" size work was cast into bronze by the lost wax method at the Modern Art Foundry in New York City. The lost wax method of casting is a 5,000-year-old process developed by the Etruscans and Egyptians, and Gagnon feels it to be the best method.

It was created in three stages, with the first model 11 inches high and the first enlargement about 24 inches high. Both of these were done in wax by Gagnon in his Rochester, Minnesota studio.

The final sculpture was made from the 24-inch enlargement and created in plastilene on a metal and wooden roman joined armature in Gagnon's New York studio.

Born in Minneapolis in 1934, Gagnon attended the Minneapolis School of Art and was one of ten students chosen from the United States to teach in Europe in 1957 and 1958. He holds three degrees from the University of Minnesota, including a masters degree, and studied sculpture in the major museums of France and the Netherlands during 1957 and 1958.

He has exhibited in museums and galleries throughout the United States, including the National Arts Club and the National Academy Galleries in New York. He has also received numerous awards.

Gagnon's sculptures can be found in 25 states and in Europe. His major commissions include a sculpture of Saint Francis of Assisi for the St. Mary's Hospital in Rochester, Minnesota, another for the Mayo Clinic and numerous others for churches and private collections.

He is currently creating a bronze bust of hotelman Conrad Hilton for an addition to the Mayo Clinic in Minnesota.

Charles Eugene Gagnon (at right) supervises the placing of the sculpture he completed for the Kenyon campus as a commission from an anonymous donor.
