***Roman de la Rose* Digital Library**

The *Roman de la Rose* Digital Library, a joint project of the [Sheridan Libraries](#) of Johns Hopkins University and the [Bibliothèque nationale de France](#) is creating an online library of all manuscripts (roughly 130) containing the *Roman de la Rose* poem. This Digital Library features new content and enhanced functionality, and builds upon the previously developed prototype [Roman de la Rose: Digital Surrogates of Medieval Manuscripts](#). Plans are to continue the relationship with the founding partners of the Digital Surrogates project, including the [Walters Art Museum](#), the [Bodleian Library](#), the [Morgan Library & Museum](#), and the [J. Paul Getty Museum](#), while looking forward to collaboration with a number of new institutions and private collectors who have contributed digital images of their manuscripts. Through the efforts of the project team and advisory committee, the Digital Library has been developed as a resource for scholars in a variety of disciplines, as well as for a wider public.
