TO STUDENTS INTENDING TO APPLY TO MEDICAL-DENTAL SCHOOLS NEXT FALL: There will be a meeting with the Premedical Committee on Wednesday, May 9, at 4:00 p.m., in Room 307, Philip Mather Hall.

RESULTS OF THE HUMAN SEXUALITY QUESTIONNAIRE can be picked up at Smythe House and the SAC or from Nary Patterson and Thorne Wiggers.

FORMER AND PRESENT STUDENTS AND COUNSELEES OF MR. THONPSON: I am missing several books from my personal library which I have loaned to students. Would you please return these books to Smythe House before the end of the semester. Thank you.

ATTENTION BUS RIDERS: The final regular run of the Mount Vernon shuttle will be Sat., May 12. Please remember to return to the Library all of its books and periodicals which you may have in your room before you leave Gambier, whether or not you remembered to check them out legitimately in the first place. You can help us to get more value out of our book-budget if you keep our necessary replacements to a minimum.

TRANSPORTATION TO COLUMBUS AIRPORT: If a sufficient number of students indicate an interest in a ride to the Columbus airport, it may be possible to schedule a bus for a particular day or time. If you are interested, please sign a bus reservation form in the Student Affairs Center before May 12.

Any student who is planning to participate in OFF CAMPUS STUDY PROGRAM for the first semester of 1973-1974 college year, or for the whole year, should see Mr. Don Reed as soon as possible.

CHILDREN'S SUMMER TENNIS PROGRAM - June 11 - 29; Age 8-14, Mon-Fri 9-11 am for three weeks. If interested, contact Sally Pittman, 427-4375.

NOTICE TO ALL SENIOR ENGLISH MAJORS: The Department and some of your own colleagues are seriously dismayed by the outrageous breach of trust which a few seniors have presumably committed. The day after the titles of the two poems for the first question were announced, critical works dealing with the poetry of Dylan Thomas and Jonathan Swift were removed surreptitiously from the shelves of the Library and not signed out. THESE BOOKS MUST BE RETURNED IMMEDIATELY. If they are not, the Department will probably have to substitute an entirely different kind of question for the first part of the examination, one which you will see for the first time on 16 May. G.H. Roelofs, Chairman of the Comprehensive Examination Committee.
