COLLECTOR OF CUSTOMS FACES SERIOUS CHARGE

Neglect And Mistreatment Of Em- ployees Is Charged

A Prominent Newark Man Kills Himself—Cincinnati Man Given Poison By His Wife And Dies In Agony

Cleveland, O., Oct. 9.—Written charges against Charles F. Leach, collector of customs, were filed with the secretary of the treasury at Washington by Captain C. E. Benham, a former deputy collector of customs under Leach, whom Leach discharged 18 months ago. The charges are brought at this time because of the recent discharge of Captain George A. McKay, an employe in the collector's office and a friend of Captain Benham.

Among the charges made by Captain Benham are the following: Pernicious political activity in using government offices for the transaction of political instead of government business; neglecting to attend to calls of business men because of being engaged with political workers; using his position to assist himself to become a political leader; forcing the removal or resignation of several competent employes, and similar minor specifications.

Among the other charges against Leach are that he used his influence to reduce the pay of the marine clerk, George McKay, from \$1,500 to \$1,200 per annum, "McKay being one of the best informed and most competent men on the force; conduct unbecoming a government official; shameful treatment of several government officers; insisting upon and clearing fish tugs for foreign ports, knowing that they were not going to foreign ports for which they cleared; accepting import manifest with master's oath, said import manifest showing that the fish entered were imported from the port to which said fish tug cleared, when in fact said fish tug had not been to a foreign port and in many cases not out of the district, in each case the master being required to commit perjury; selling blanks not authorized; receiving for blanks more than the collector is authorized to collect for report and clearance blanks."

In a letter accompanying the charges Captain Benham says that he was urged by many of the best citizens of Cleveland time and again to file charges against Leach.

Captain Allen Killed Himself.

Newark, O., Oct. 9.—Lying abed in his home, Captain Carlos B. Allen, 30, formerly inspector of rifle practice in the Fourth regiment and who recently accepted a position as purchasing agent for the American Hide and Leather company of Cincinnati, committed suicide. Allen removed his left shoe and stocking and with his toe pulled the trigger of a rifle which sent a bullet through his heart. Captain Allen leaves a widow and one son. He recently became despondent, due to the loss of his position with a Detroit firm. He was widely known among Ohio marksmen.

Said His Wife Poisoned Him.

Cincinnati, O., Oct. 9.—Lorenzo Hamer died in this city, and his wife, Mrs. Bertha Hamer, was placed under arrest pending the outcome of a complete analysis of her husband's stomach, traces of poison having been found by the coroner. Hamer was ill several days and accused his wife of attempting to poison him. An odd feature was that Hamer's first wife, who after her divorce married a Fort Thomas soldier named Carrell, nursed him during his sickness, having offered her services immediately after hearing of his condition.

Read Letters and Took Acid.

Cleveland, O., Oct. 9.—Mrs. George Weitz, 33, committed suicide in Edgewater Park by drinking carbonic acid. She was married only two weeks ago, and returned Oct. 2 from her wedding trip to Buffalo. The couple went to the bride's home to stay until they fitted up their own new home. Mrs. Weitz went to the house to look after some papering. She was seen anxiously looking over some letters and papers in a box. An hour later she was found dying in the park.

Found In Weeds.

Cleveland, O., Oct. 9.—The body of Johanna Kinkopf, 21, a servant in a hotel, was found in the vacant lot on Superior street opposite Handy street. The body was covered with weeds and other rubbish. There were finger

marks on the throat which the police believe indicate that the girl was murdered and her body placed where it was found.

Asphyxiated at Oil Tank.

Lima, O., Oct. 9.—Joseph Gallagher, 73, an employe of the Standard Oil company's refinery here, met an unusual death. Gallagher was gauging a still filled with crude oil and stood on the platform above the tank, when he was overcome by gas. His lifeless body was discovered some hours later hanging over the still.

Clark's Confession.

Wheeling, W. Va., Oct. 9.—William Clark made a confession at Wellsburg, W. Va., that it was he who shot Joseph Anderson Thursday night and placed his body in front of the home of Augusta Stubbenfeldt to divert suspicion from himself. Clark said he did the killing to save the life of his friend, Robert Fowles, and in the confession he stated that Fowles had been six years a fugitive from justice, having killed his wife at Steubenville, O. Joseph Anderson, brother of the woman, declared his intention of hunting down and killing the alleged murderer of his sister.

Robber Captured.

Columbus, O., Oct. 9.—After a raid by robbers at the home of Charles Q. Davis, a suspect giving his name as Jack Merkle was arrested and identified by the colored maid, at whom the robber pointed a revolver. The booty carried off was not recovered.

Prisoners Escaped.

Van Wert, O., Oct. 9.—George Jewell, awaiting trial on charge of criminal assault; Will Webb of Wapakoneta, an alleged horse thief, and George Demobles of Chicago, escaped from the jail here by prying loose one of the large stones in the outer wall.

Celina Paper Sold.

Celina, O., Oct. 9.—The receiver appointed by the court for the dissolution of the partnership of Carlin & Phillips sold the plant of the Celina Democrat at auction for \$4,000 to Charles Carlin, one of the former firm.

BALL SEASON CLOSED.

Winners of the Two Big Leagues Will Play For Championship.

Philadelphia, Oct. 9.—Arrangements are completed for the opening here of the series of baseball games between the New York National league and the Philadelphia American league club, winners of the 1905 championship of their respective leagues. Extraordinary preparations were made to handle the crowds, which are expected to be the largest that have ever attended a baseball game in this city.

FATAL Were Injuries Received In Football Game

Chester, Pa., Oct. 9.—John S. Summersgill, 21, a member of the Franklin football team of this place, died in the hospital of injuries received during a game. Summersgill was married three months ago.

Anglo-Russo Church Union.

Concord, N. H., Oct. 9.—A number of Episcopal clergymen of the diocese of New Hampshire made preliminary arrangements for the formation of an association which will have for its ultimate object the union of the Anglican church with the Orthodox church of Russia and other ancient churches of the east. The organization is the outgrowth of the thanksgiving service at Christ church, Portsmouth, which followed the signing of the treaty of peace between Russia and Japan, at which priests of the Episcopal and Russian churches officiated.

Auto Met a Car.

Newton, Mass., Oct. 8.—In a collision between an automobile and an electric car here Senator Geo. F. Fulford, a wealthy manufacturer of Brookville, Ont., was seriously injured, while his chauffeur, Louis E. Verratt of Albany, N. Y., sustained a fractured skull and internal injuries, and is expected to die. William T. Hanson of Schenectady, N. Y., was severely injured.

A TRIPLE MURDER IS STILL A MYSTERY

Middletown, N. Y., Oct. 9.—All attempts of police officials to clear up the mystery of the murder of Willis and Fred Olney and little Alice Ingerick at the Olney farm, near here, and the murderous assault on Mrs. Ingerick Friday night, have been fruitless. It is believed some clue to the murder was found when Alanson Graham, an old man living near the Olney place, was arrested on information furnished by Mrs. Ingerick. After being closely examined Graham conclusively proved his innocence and was discharged from custody.

Mrs. Ingerick, who was found fearfully injured and unconscious in the Olney barn, recovered consciousness sufficiently to understand questions addressed to her by District Attorney Rogers. She was hardly able to speak, but replied to inquiries by nodding and shaking her head. Precisely what information was elicited from her was not made public, but immediately after the examination officials hastened to Graham's house and arrested him. Later, when a thorough search was made of the place, detectives found blood spots on the floor and a pair of overalls spotted with blood in the kitchen. Graham took his arrest coolly and declined to make a statement.

Mrs. Ingerick was formerly employed as a housekeeper by Graham, and left there about two months ago to go to the Olney brothers'. Graham is said to have been jealous of Mrs. Ingerick and made several visits to the Olney place within the past two weeks, apparently for the purpose of persuading the woman to return to him.

Additional information tending to connect Graham with the murder is given to the district attorney by Lulu Ingerick, 12-year-old sister of the murdered girl, and who was the first to discover the tragedy. Lulu said Graham frequently threatened to strike her mother when she was employed by him. She also described him as a man of violent and cruel disposition, and told how he killed several cats by driving chisels through their bodies and cutting off their heads. He appeared, she said, to have a particular dislike of her little sister, the murdered girl. Mrs. Ingerick's condition is showing improvement, and strong hopes of her recovery are entertained.

Mrs. Ingerick's husband, Martin, from whom she was separated several years ago, was cleared from all suspicion of connection with the crime when he came in from his home in Wurtsboro and reported to the author-

TOUR Of Japan To Be Taken By Miss Alice

Tokyo, Oct. 9.—Miss Alice Roosevelt passed through this city en route to Nikko. She was met at the station by the governor of the city and the master of ceremonies and driven to Ueyeno in an imperial carriage, where she took the train for Nikko. She appeared to be in excellent health.

MIKASA MUTINY.

Crew Was Dissatisfied With Terms of Peace With Russia.

Victoria, B. C., Oct. 9.—The steamer Tartar brought advices from Japan that the story was current there that the accident to the battleship Mikasa at Sasebo was occasioned as a result of mutiny on board because of resentment by the crew over peace terms. Robert W. Collins, who was with Kuraki's army throughout the campaign, was a passenger on the Tartar, bound for Washington. He said the story was given some credence in diplomatic circles in Japan. He said the report was that the men mutinied and attempted to seize the ship, when some of the officers fired the magazine. Soon after the disaster Admiral Togo went to Tokyo to lay a report of the occurrence before the emperor.

New Cure For Cancer

All surface cancers are now known to be curable, by Bucklen's Arnica Salve. Jas. Walters, of Duffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, till Bucklen's Arnica Salve healed it and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at G. R. Baker & Son's, Mt. Vernon, and F. F. Hosack's, Fredericktown, drug stores.

RESTORE WAGES.

To the Figure Before the Strike, Say Textile Workers.

Fall River, Mass., Oct. 9.—At a meeting of the Fall River Textile council it was voted to ask of the manufacturers, beginning Oct. 23, a restoration of the wages that existed prior to July 25, 1903, when a cut of 12 1/2 per cent went into effect.

The textile council voted not to present a demand for an advance to M. D. C. Borden of New York, owner of the Fall River Iron Works company, which operates six large cotton mills not represented in the Manufacturers' association. Borden reduced wages to conform to the lower scale paid in the other mills last winter, just as the general strike which began in July, 1904, was drawing to a close.

The condition of the cloth market is said to be better than it has been for years. The mills have orders to keep them busy well into the new year.

After the meeting Secretary Taylor said the sentiment expressed by the council was that the operatives of

KILLED Was Michigan Man When Auto Capsized

Athens, Mich., Oct. 9.—Walter Palmer of Athens was instantly killed; the chauffeur, J. Blake of Kalamazoo, was fatally injured, and Mrs. Walter Palmer and her daughter Frances were badly bruised in an automobile accident near here. The automobile, while traveling at good speed, swerved out of the road into a marsh and capsized.

Bandits Shot.

Guadalajara, Mexico, Oct. 9.—Of the bandits engaged in the holdup of Manuel Parades, shipping foreman of the Buena Vista mines, and his two assistants six miles west of Hostotipaquillo, Jalisco, 11 were captured and shot by rurales. Search for the other four bandits is still in progress. The bandits seized \$5,000 being taken to the Buena Vista mines to pay the miners. The greater part of the money was recovered.

Don't Borrow Trouble

It is a bad habit to borrow anything but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At G. R. Baker & Son's, Mt. Vernon, and F. F. Hosack's, Fredericktown, drug stores. Price 50c. Guaranteed.

New Record For Dan Patch.

Lexington, Ky., Oct. 9.—Over the Breeders' association track Dan Patch clipped three-quarters of a second off his own mark, pacing a clean-out mile in 1:55 1/4, making a new world's record for pacers.

Erie's President to Stay.

New York, Oct. 9.—A director of the Erie railroad said the rumor that F. D. Underwood was to resign the presidency is absolutely untrue. "He will remain as president of the Erie," said the director, "and will have entire charge of the new lines recently purchased."

PORTE PERSISTENT.

Is Not Willing to Give Up Financial Control of Macedonia.

Constantinople, Oct. 9.—Collective reports of the six embassies regarding the financial control of Macedonia were handed to the porte. The financial delegates of the powers are proceeding to Uskub. A dispatch from Constantinople said the porte persisted in its unyielding attitude in regard to the financial control of Macedonia. Replying to the collective note of Sept. 26 from the six powers, declaring that their decision to assume international control of the finances of Macedonia was unalterable, the porte reiterated what it regarded as insuperable objections to the scheme. The dispatch said the delegates of the powers who were to act as financial controllers of Macedonia must remain idle until pressure compelled the porte to issue the orders necessary to enable them to enter on their functions.

Kentucky Saloon Smashed.

Owingsville, Ky., Oct. 9.—Because his father drank his family's savings Owen Tigman, 20, went to the blind tiger saloon kept by his cousin, Hiram Tigman, broke up the furniture and destroyed the fixtures with an ax. He also broke in the heads of whisky barrels and allowed the whisky to waste on the ground. Hiram Tigman tried to stop his cousin with a Winchester rifle, but the young man stood him off with a revolver.

OVER BODY OF MOTHER TWO MEN FOUGHT

Family Quarrel Leads To Murder In Death Chamber

Family Watching The Corpse When A Son Of The Deceased Forced His Way Into The Room And Word Of Reproach Caused Shooting

Hastings, Neb., Oct. 9.—Over the dead body of his mother John Budenek shot his sister, his brother and his brother-in-law. Miss Frances Budenek was shot in the right hand; Jacob Budenek, 52, shot above the right eye; Peter Smeall shot through the left leg, through the abdomen, in the left thigh and through the left shoulder. The latter two are in a dying condition. The shooting occurred in a death chamber at the home of Mr. and Mrs. Peter Smeall, where Mrs. M. Budenek died, and was the culmination of a family quarrel that existed for years.

Because of the family trouble John was not permitted to see his mother during her illness. When he heard of her death he determined to view the remains at any cost. He secured entrance into the Smeall home through the kitchen. Making his way to the death chamber he entered and found the entire family surrounding the corpse, watching the undertaker prepare the remains.

Advancing to the corpse John placed his hands on the lifeless body and said, "This is my mother." His sister Frances said something to him in Polish, whereupon he struck her. Then he drew a revolver and shot at his sister over the dead body of his mother. Before he could be prevented he shot his sister, his brother and his brother-in-law. He was finally overpowered and taken to jail.

Negro Mobbbed by Negroes.

Bainbridge, Ga., Oct. 9.—A negro was lynched eight miles west of here by a mob of his own race. The negro assaulted a negro girl and attempted to assault another, who cut him in the breast. Deputies were bringing him to Bainbridge when they were stopped by a mob of negroes. The negro was strung up to a tree and riddled with bullets.

Cutting Affray.

Logan, W. Va., Oct. 9.—Near Chapmanville, in Logan county, a fight occurred between several young men while returning home from church. John Walker, 23, and Hiram Snider, 30, were stabbed so badly death will probably ensue. Others were injured. The trouble arose over a young woman, a relative of Walker.

Next Move of Strikers.

Indianapolis, Ind., Oct. 9.—The next move threatened by the striking Big Four freight handlers is to try to tie up the freight traffic of the road by a strike in the Chicago freight house.

BOSSISM AND GRAFT

The one issue in this campaign is Bossism and Graft. No other question will be considered by the people. This issue must be met and settled at the polls in November. If the people of Ohio want a continuance of Bossism they can say so with their votes. If they want the Grafters to keep on stealing, they can say so. There are no national questions at stake this year. The Bosses and Grafters attempt to divert public attention and direct the mind of the people from them and their nefarious practices by trying to inject the tariff and other national subjects into the campaign, with the hope and expectation of retaining themselves in their positions.

Mt. Vernon, O., Monday, Oct. 9, 1905

THE word "cheap" comes in handy in the discussion of bleached flour. "Cheap" has two meanings, price and economy, the two seldom go together. A very low price of flour is merely cheap in economy, a good flour at a fair price is always so. The trouble with bleached flour is that you probably pay price based on the looks of it, and you'll get results based on quality. They will disappoint you. You want flour as good as your money pays for, if you get it, it will be economically cheap, but the dearest bargain you can make will be buying bleached flour. Ask for "full-stock" flour, get it. That's what "MT. VERNON BLEND" label stands for.

by such a program.

There never has been a time since Bossism and Grafting were established in Ohio that the people have had such an opportunity to rid the state of the Boss system and Graft system as they have this year.

If the Bosses and Grafters are not defeated at the election in November then there is no use in ever attempting to dethrone them, as they will be so securely lodged in power that it will be impossible to root them out.

For several years George B. Cox, the notorious ex-dive keeper, has been extending his power, until now he holds absolute sway over the affairs of the state.

So powerful has he become that during the last session of the general assembly he dictated legislation by telephone from Cincinnati, and the charge for the telephone service he created was paid out of the state treasury.

With the building up of himself as the Boss of Ohio, Cox has established a system of Grafting that has become appalling.

Will the people of Ohio permit permit George B. Cox to control the affairs of the state of Ohio?

Will they permit Cox to keep on enriching himself and his gang of Grafters at the expense of the taxpayers?

Will the people put an end to Cox? Will they put a stop to Grafting? The opportunity to do so is at hand. It is now or never!

No classic strains of Mendelssohn or Wagner will be heard at the wedding of Miss Helen Margaret Vaughan and Leon Sylvester Hazard who plight their troth on Monday.

The bride who is only eighteen and the daughter of Mrs. Margaret Curtis Vaughan, a noted amateur musician, prefers her mother's music to that of any ancient or modern master and during the ceremony one of Mrs. Vaughan's most popular compositions will be played.

The soft harmonious strains of "Polly," a song which was dedicated to the bride and which won for her the title of "The Polly Girl," will be rendered by one of the Tomaso orchestras. The words, written by Lincoln Hulley, a friend of the Vaughan family, were taken from his "Annie Laurie Love Lyrics" and set to music by Mrs. Vaughn, the composer of "The Prayer Perfect" and other songs.

The wedding on Monday is the culmination of a romance which dates back three years ago, when Miss Vaughan was a school girl and first met young Hazard, who is employed in the First National Bank. The service will be read at 5:30 o'clock in the drawing room of Mrs. Vaughan's home at 3819 Michigan avenue, the Rev. Franklin Swift and Dr. Rose officiating.

The bride will be attended by Miss Hazel Peryl Hazard, the groom's sister, and Miss Myrtle Fowler, while Miss Enid Williams of Mount Vernon, O., will bear the wedding ring in the heart of a calla lily.

The groom's twin brother, Allen B. Hazard, will be best man, and the bride will be given away by her brother, Frank Curtis Vaughan.

REYNARD—CASSIL
A Secret Wedding Which Just Leaked Out On Monday

The news of the secret marriage of Miss Mary Elson Cassil of this city to Mr. Charles Reynard, a popular young man of St. Louis Mo., leaked out Monday morning.

Miss Cassil was married in Benton Harbor, Mich. on Sept. 9th while visiting at the home of relatives. The marriage was kept a profound secret by Miss Cassil and was only made public Monday morning. Mrs. Reynard departed Saturday for St. Louis to join her husband and make her future home.

RHEUMATISM AN INSIDIOUS DISEASE THAT BREAKS DOWN THE STRONGEST

Rheumatism does not come on in a day; the causes that produce it work silently in the system for years. This insidious disease becomes entrenched in the blood, and some exposure to cold or damp weather, or slight indiscretion brings on an attack. Poor digestion, stomach troubles, weak kidneys, torpid liver, and a general sluggish condition of the system are responsible for Rheumatism. Food souring in the stomach poisons the blood, the failure of the kidneys and liver to act properly leaves waste matter and impurities in the system, which, coming in contact with the natural acids of the body, form uric acid. This is absorbed by the blood, and as it penetrates to the muscles, nerves and bones produces the terrible pains and aches and other disagreeable symptoms of Rheumatism. Life is made a torture by its excruciating pains, nerves are shattered, the health undermined, and if the disease is not checked it breaks down the strongest constitution. It will not do to depend on plasters, liniments, etc.; such treatment is helpful in easing the pain and reducing the inflammation, but does not reach the blood where the real trouble is located. S. S. S. cures Rheumatism by purifying and invigorating the thin, acid blood, driving out all impurities and poisons and sending a stream of strong, rich blood to wash out all irritating particles that are causing the pain and inflammation. S. S. S. stimulates the sluggish organs to better action, tones up the stomach and digestion, restores nervous energy and builds up the entire health. S. S. S. cures Rheumatism, whether acute or chronic, and the cure is thorough and lasting. Book on Rheumatism and any medical advice desired without charge.

TWO RUNAWAYS

Had Mr. Perkins Within A Very Short Time

In The Second Runaway He Was Thrown Out And Received A Severe Injury

Lock, O. Oct. 9—(Special)—Mr. Kile Perkins, who makes his home with Mr. and Mrs. J. M. Higgins of this place, figured in an exciting runaway Sunday evening. As Mr. Perkins was closing the farm gate after he had driven out into road, the horse frightened and ran away. The animal was caught after it had run about a mile and had upset the buggy and broken it to pieces.

Mr. Perkins borrowed another buggy and started back home, but the horse again ran away and this time Perkins was thrown out into the road and received injuries to his left arm.

THE TURN OF LIFE

A Time When Women Are Susceptible to Many Dread Diseases—Intelligent Women Prepare for It. Two Relate their Experience.

The "change of life" is the most critical period of a woman's existence, and the anxiety felt by women as it draws near is not without reason.

Every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition, or she is predisposed to apoplexy, or congestion of any organ, the tendency is at this period likely to become active—and with a host of nervous irritations, make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are all just so many calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried thousands of women safely through this crisis.

For special advice regarding this important period women are invited to write to Mrs. Pinkham at Lynn, Mass., and it will be furnished absolutely free of charge.

Read what Lydia E. Pinkham's Compound did for Mrs. Hyland and Mrs. Hinkle:

Dear Mrs. Pinkham:— I had been suffering with falling of the womb for years and was passing through the Change of Life. My womb was badly swollen; my stomach was sore; I had dizzy spells, sick headaches, and was very nervous.

LOREY'S DRUG STORE

BOTH PHONES 115 South Main Street.

By Oberlin Saturday By A Close Score of 6 to 5

Oberlin, O., Oct. 8.—Oberlin, 6, Kenyon, 5. This result of Saturday's game on Dil field between the home eleven and the Gambier team looks good to the crimson and gold and all Oberlin is happy tonight.

It was one of the hardest fought games ever played here, and it was due to Oberlin's hard playing from the outset that she made her touchdown. Emery Thompson carried the pigskin over and Koster kicked goal after only five minutes of play.

It took Kenyon 20 minutes in the second half to cross Oberlin's goal, Lee carrying the ball. Luthy failed at goal. Kenyon was strong on her offensive work and in the speed of her little quarterback, Rising. Many times he made long gains on Oberlin's ends. His high hurdles were sensational. Emery Thompson played a great game for Oberlin, but was injured and had to retire in the second half. Hauser took his place and did effective work. Oberlin had the ball on Kenyon's 6-yard line when time was called in the second half.

ROBBERY

Committed At Craft & Taugher's Drug Store

Contents Of The Cash Register, Amounting To \$3.05, Taken By The Robber

Sometime Saturday night or Sunday morning burglars entered the drug store of Craft & Taugher and secured over three dollars in silver from the cash register. An entrance was effected into the building by using a skeleton key in a lock on the side door. All the change was taken from the cash register, which amounted to \$3.05. Nothing else was disturbed in the drug store. The burglar left the building through a door in the cigar department located in the rear of the drug store. Chief of Police Dermody was notified of the robbery, but has been unable to find any clue. It is believed, however, that the work was done by someone well acquainted with the store.

SCHOOL BOARD

Of Clinton Township Met In Regular Session Saturday Night

The Clinton township board of education met in regular session Saturday evening in their room in the Stauffer block. Messrs. Walker, Bishop, Cox and Warman were present, President Walker presiding. The minutes of the previous meeting were read and approved. The board ordered the township house put in shape for the coming election in November. A number of bills, including teacher's salaries, and bills for repairs were read and allowed by the board.

Beware Of Ointments For Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and it is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Caused Mt Vernon To Lose The Football Game

Against The Columbus Team On Saturday

Visitors Were Able To Score Five Points

Amadon, Christopher, Kinney, Creveling And Owen Played A Good Game For Mt. Vernon High

Mt. Vernon high school football team, was defeated for the first time Saturday, by a score of 5 to 0. The game was very "rocky" and those who witnessed the game left the field very much disappointed with the playing of the Mt. Vernon team. There were a few members of the team who played good football, but their good playing was swamped by the poor playing of the other members.

The touchdown was made by Columbus in the first half and was made by Brown, who sprinted the field for 90 yards. Redden failed to kick the goal. The Mt. Vernon players could hold the visitors for days time after time, but they were unable to carry the ball, owing to the fumbling. Placing the number of fumbles at 20 would be a low figure.

Quarter-back Robinson tried to make several quarter-back runs and each time he was thrown back for big losses. Robinson also made a bad attempt to tackle Brown as he was sprinting the field for the touchdown and his tackle lost the game for Mt. Vernon.

Amadon, Christopher, Kinney, Creveling and Owen played nice football, but the men on the line made a very bad showing, and their playing illustrated a lack of practice. Stivers, a colored man, played excellent football for Columbus. He was struck under the eye in the last half and the eye was swollen nearly shut when the game was over.

The lineup:
HIGH SCHOOL COLUMBUS
Bogardus r. e. Hood
Christopher r. t. Boyer
Alsdorf r. g. Strader
Kinney c. Meyers
Carke l. g. Norton
Wolf l. t. Redder
Glore
Creveling l. e. Schultz
Robinson q. b. Gochendack
Amadon r. h. Stivers
Owen l. h. Brown
Dorsey f. b. Laurence

Referee—Tate Cromley
Timekeepers—Kinsel, Woolson.
Linemen—Kerst, Anderson.
Time of halves—15 minutes.

On Monday Manager Rosenthal of the High school football team received word from Columbus to the effect that the South High school football players, who played in this city Saturday, were "ringers" and not High school men. After an investigation, if this fact is found to be true, the game Saturday will count for nothing but a practice game.

Went Over The Blue Mountains And Saw The Famous Snow Sheds--Notes Of Interest From L. G. Hunt

Editor Banner Dear Sir:

I left the readers of Mt. Vernon papers in the Banner just after we had entered the Utah desert. To the tenderfoot this was bad, but when you get into Nevada then it is a real desert as you can ride for miles and miles and not see a human inhabitant or a living thing, but sage bush and jack-rabbits. We rode for many hours through this alkali formation and yet the great bugaboo about the dust was a myth, at least in our case.

The Southern Pacific railway company has their road so perfectly ballasted that the traveler scarcely notices and dust, more than in any ordinary train at home. This road, since I went over it three years ago, has built a fine bridge and made a fill seventeen miles across Great Salt Lake and has shortened its main line about 150 miles.

This is the seventh day our party has been on the way including thirty-six and one half hours stop at Colorado Springs and Salt Lake City. Not a person has been sick and no accidents to mar our journey.

We went over most of the Blue mountains in the night, but several of the party were awake and saw the snow sheds and we awoke at 1 a. m., at Reno, Nevada, where we could see one of the most beautifully lighted cities, by electricity, we ever saw. We passed through the Blue Canyon at 6:40 a. m., being only 55 minutes late with a train of sixteen coaches and a caboose. We were pulled by two 90-ton compound passenger engines fired by oil.

Our party have all been well and have seen many sights and scenes they never dreamed of.

After skirting the western slope of the Blue mountains, looking down into deep caverns, we reached Sacramento, Cal., where we hired our cars and a take short breath.

I want to tell some of the members of a Vernon horsemen and fanned Sacramento little farm before we re-organized. It is the here. I am told there are over 1000 high bred horses and colts and many fine herds tains 48,000 acres. on this ranch. of cattle are kept and in about one hour and about four hours in car and spend we leave for Los Angeles at 5:41 tell your readers future time I

Yours truly,
L. G. HUNT.

DOWDS FAMILY

Cut A Big Figure In Republican Primary

Some Member Of The Family Be Voted For Every Office Known To Be Filled In Jefferson

The Republican primary of Clinton township, Saturday afternoon, drew out a large vote, as a total of 400 being cast.

The Dowds family cut a very prominent figure in the primary. Either a large number of Republicans were of the opinion that the members of the family had not received enough political recognition or they desired to emphasize their disgust with the manner in which the public offices, as one prominent Republican expressed it, "are being hogged by the Dowds family." Whatever may have been the motive, the fact remains that for every office for which nomination was to be made votes were cast for a member of the Dowds family.

Thomas Trick for trustee, Wm. Welsh for treasurer, J. L. Leonard for justice of the peace, and R. B. McCune for constable were nominated.

The vote cast was as follows: Trustee—Thomas Trick 293, C. G. Smith 97, Dowds 2. Trick's plurality 104.

Treasurer—William Welsh 274, L. A. Stream 110, Baby Dowds 2, Welsh's plurality 164.

Justice of the Peace—James L. Leonard 351, Grant Dowds 28, Leonard's majority 323.

Constable—R. B. McCune 379, A. A. Dowds 8, McCune's majority 371.

STILL GROWING

Demand For Mi-o-na Stomach Tablets Continues To Increase—Endorsed and Guaranteed By Craft & Taugher

Although Mi-o-na was introduced in Mt. Vernon but a short time ago, it is today outselling all other medicines for the cure of indigestion and stomach troubles. Mi-o-na gives such health and strength to the weakest stomach that all the food is readily converted into nutrition, so that it gives nourishment and health to the whole system. In this way nervousness and sleeplessness are cured; headaches, backaches, and rheumatic pains are prevented, and there will be no more poor appetite, distress after eating, heart-burn, or debility. Mi-o-na costs but 50 cents a box, and Craft & Taugher will guarantee to refund the money if it does not cure. The risk is all theirs.
