## **New Journal Announcement: Medieval Forum**

Announcing Volume 1 of Medieval Forum, an electronic journal for the promotion of scholarship in Medieval English Literature. We hope the articles will spark a scholarly dialog between authors, readers and editors. Please visit our website at:

<http://www.sfsu.edu/~medieval/>.

Medieval Forum is dedicated to providing a venue for the free exchange of ideas in a collegial, public forum environment. Critical essays on works from any genre or period of the medieval corpus are invited, and a humanistic orientation is encouraged. Although the focus of MF is on literature, articles from other disciplines, particularly cultural and historical, that will contribute to the study of literature are welcome.
