# VENSCOPE Wednesday, Feb. 27, 1974

Tomorrow the Kenyon Swim Team will begin their quest for their coming of age-21! Throughout this historic streak of successive conference victories there has been one factor of success over which the Team has had no control. Kenyon's swimmers have spent five months preparing for this opportunity, yet 21 can only be achieved when this one factor is present. The one factor is YOU! Having been underdogs before, the swimmers know that with our support !!!! they can overcome all odds. You are urged to be there Friday as well as Saturday, for this night will determine whether Kenyon comes of age. Tickets for Friday night will be available at the door. GOOD LUCK SWIMMERS -F.Y.Y.!!!
