AS ANNOUNCED IN LAST THURSDAY'S COLLEGIAN, the Athletic Committee is presently surveying students on the athletic/recreational programs and facilities at the college. The survey is designed to accurately gauge student opinion so that resulting Committee recommendations will reflect the entire student body viewpoint, not just a few vocal individuals. The survey represents an opportunity for students to make their views heard before policy recommendations are made. If you have received a questionnaire, please take five minutes to complete it and mail it back. You have to be heard to have an impact.

THE IFC COMMITTEE ON CO-ED HOUSING will not meet until all data is processed. Please return all outstanding women's questionnaires to 218 M. Hanna.
