CAMPUS NEWS AND ANNOUNCEMENTS

- STUDENT AFFAIRS COMMITTEE MEETING - Monday, February 9 at 5:30, Gund Commons Lower Lobby.
Topic: Career Counseling. *Sorry - no meeting today - rescheduled for later this week! - vvd*
- ELECTIONS FOR STUDENT COUNCIL REPRESENTATIVE FROM HANNA will be held Monday at dinner and Tuesday at lunch in Peirce.
- HISTORY 67: Moore's Frontier Mind is now in the Bookstore.
- BIOLOGY SENIORS: The UP test will be graded as described in the pamphlet. Old examinations are on reserve in the Biology Library.
- "THE ROLE OF VALUES IN LIBERAL EDUCATION" : The second panel discussion growing out of last summer's faculty development seminar will be held at 8:00 p.m. on Monday, February 9th in Lower Dempsey Hall. There will be three panelists, Cyrus Banning, Carl Brehm and Glenda Enderle, all participants in the seminar. The moderator will be Harry Clor. Please attend to further the discussion and understanding of liberal education, at Kenyon and elsewhere.
- PROFESSOR RONALD McLAREN OF THE KENYON PHILOSOPHY DEPT. will speak on "Moral Education" on Friday, February 13, at 7:30 p.m. in the Campbell Meeker Room of North Leonard Hall (4th floor Psi U. Lounge). Discussion and question period following; refreshments served. Sponsored by Kenyon Symposium and Iota Chapter of Psi Upsilon. Students, faculty and other members of the Kenyon community are urged to attend.
- LECTURE: "TIME, MIND, AND THE SELF" BY PROFESSOR J.T. FRASER, Professor of the History of Science at Fordham University, on Thursday, February 12 at 8:00 p.m. in the Bio Auditorium. The lecture will develop the implications of Fraser's fascinating and original evolutionary Theory of the Nature of Time for the question of The Mind and The Self.
- LECTURE: "EVOLUTION AND HUMAN RESPONSIBILITY" BY WILLIAM H. MURDY, Emory University on Wednesday, February 11 at 8:00 p.m. in the Bio Auditorium. Murdy, who observes evolution as it is happening, stresses the importance of onthropocentrism in our discussion of our evolutionary future. Murdy's lecture should have interest for all -- it is far beyond the biological in its scope.
