

IN THE NEWS

Two rounds of strategy sessions on how to break the deadlock in the Geneva conference on Rhodesia were completed in London by Secretary of State Henry Kissinger and Foreign Secretary Anthony Crosland of Britain. One major point was to replace the proposed 'council' with a British executive officer in Rhodesia.

The conservative president of Spain's Council of State, Antonio Maria de Priol y Urguijo, was abducted from his Madrid office by gunmen suspected to be Basque militants.

A "lost world" in Antarctica that has been cut off from the sun and mankind for millenniums is being probed by a team of scientists. The project, in which ten nations are participating, is designed to study bottom water and changing sea levels.

Turkey and Greece reopened a direct telephone link between their tactical air commands which had been cut off in 1974, following the Turkish invasion of Cyprus. This was a confidence-building measure aimed at avoiding misunderstanding over air movements.
