

**In the News**

President Ford met yesterday with Republican Congressmen to discuss the proposed pay hike for top level officials, Congressmen and Federal Judges. The pay raise is a 40% increase. General Motors predicts that sales will be over 14 million next year, surpassing the 1973 record high. This new release is in opposition to what the company's president said earlier. Many Women's groups met in Philadelphia to discuss the recent Supreme Court decision concerning sick pay for pregnant women. New controversies may hold up the planned opening of the Trans-Alaska Pipeline because of rumors of hazardous conditions. At the Oil Conference it looks like a price increase is coming our way! Saudi Arabia, the most powerful as well as most moderate country participating, says that they will accept price freeze or an increase of up to ten percent. Rick Stevens, former lead singer with Tower for Power was sentenced to life in prison for three drug-related slayings in San Jose, California.
