

In the News

State energy officials received several calls Saturday in response to advertisements placed in eight newspapers in the Southwest seeking additional natural gas for Ohio consumers from independent gas producers. The ads will continue to run into the first part of this week. Meanwhile Gov. Rhodes said that Ohio's natural gas crisis is far from over and Ohioans must continue to conserve fuel.

In Chicago, city transit officials blamed a 34 year old motorman Saturday for a rush-hour elevated collision that killed 11 persons and left 200 injured.

United Auto Workers members went on strike against Rockwell International in Ohio and five other states Saturday after their three-year contract expired shortly before midnight, Fri.

Saturday night Ronald Reagan called for a "New Republican Party", rebuilt on conservative principles and shed of the country club image. His speech was the first comprehensive presentation of his blueprint for the conservative future.

To Conserve water, take three minute showers. Women who use a conditioner for their hair can wash and condition their hair in the sink before rinsing it out in the shower. Men can fill up the sink with water to shave with, rather than leaving the faucet running. Report all leaky faucets to Maintenance. Also, please report any rooms that are too warm as well as those that are too cold to Maintenance.
