

### In the News

Budget Director Bert Lance testified before a Senate committee today that although he made mistakes in managing two of Calhoun, Georgia's banks, the charges of fraud and improper management are false and misrepresented. He says he will continue as Budget Director.

23 bombings in Mexico Wednesday, claimed by a new left-wing socialist terrorist group, have initiated a 10,000-man hunt for members of the group, Union of the People. The bombings, worst in Mexico's history, caused over \$20 million in damage.

With the beginning of the school year, the May 4th Coalition of Kent State is finding very little support of their determination to ban the building of the controversial gym annex.
