Accusations against Bert Lance, Budget Director, of small bank borrowing from large correspondent banks have been discredited by the American Bankers Association. Bankers say the practice is common and legal. However, they say more controls are needed on banking due to failure to disclose the loans; some Congressmen want to prohibit the practice. The Middle East cholera epidemic is finally slowing after a total of 2,295 people have been stricken with the gastro-intestinal disease, previously thought eradicated. Have you noticed the geodesic dome house being built on Rt. 229 for the Breithaupt family? Mr. Breithaupt says the home will be energy-efficient, space-efficient, stronger than a conventional home, and will use from 1/3 to 1/2 less energy. He feels that it is the trend of the future in building. The Breithaupts will move in before winter.
