The Bulmash Family Holocaust Collection consists of images, documents, and artifacts related to the Holocaust. The collection contains materials that depict a number of topics that may be difficult for viewers to engage with, including: antisemitic descriptions, caricatures, and representation of Jewish people; Nazi imagery and ideology; descriptions and images of German ghettos; graphic images of the violence of the Holocaust; and the creation of the State of Israel. THIS MURDERER HAS NOT BEEN FOUND! He and thousands of other Nazi criminals are living free (many under aliases) waiting for December 31, 1979. Under the current law, their crimes will then fall under the statute of limitations of the Federal Republic of Germany.

Simon Wiesenthal: "JUSTICE FOR CRIMES AGAINST HUMANITY MUST HAVE NO LIMITATIONS... it is a moral obligation, a warning for future generations!"
