Members of the Nazi SS SIPO, Headed by Heydrich, Stationed in the East

The Bulmash Family Holocaust Collection consists of images, documents, and artifacts related to the Holocaust. The collection contains materials that depict a number of topics that may be difficult for viewers to engage with, including: antisemitic descriptions, caricatures, and representation of Jewish people; Nazi imagery and ideology; descriptions and images of German ghettos; graphic images of the violence of the Holocaust; and the creation of the State of Israel. For more information, see our policy page.
