Envelope from the United National Relief and Rehabilitation Administration

The Bulmash Family Holocaust Collection consists of images, documents, and artifacts related to the Holocaust. The collection contains materials that depict a number of topics that may be difficult for viewers to engage with, including: antisemitic descriptions, caricatures, and representation of Jewish people; Nazi imagery and ideology; descriptions and images of German ghettos; graphic images of the violence of the Holocaust; and the creation of the State of Israel. For more information, see our policy page.
