## Envelope from the Preparatory Commission of the International Refugee Organization Team 1062

The Bulmash Family Holocaust Collection consists of images, documents, and artifacts related to the Holocaust. The collection contains materials that depict a number of topics that may be difficult for viewers to engage with, including: antisemitic descriptions, caricatures, and representation of Jewish people; Nazi imagery and ideology; descriptions and images of German ghettos; graphic images of the violence of the Holocaust; and the creation of the State of Israel. For more information, see our [policy page](#).
