Around the Town

THEATER:

Hal Holbrook will be appearing in "Mark Twain Tonight!" in Mershon Auditorium
Thursday, Feb. 10 at 8:00 pm. Most of the material is taken from Twain's
The Gilded Age.

The spritely restoration comedy "She Stoops to Conquer" by Oliver Goldsmith,
plays at the Chappellear Drama Center at Ohio Wesleyan U. through Feb. 6
at 8:15 pm. Directed by Dr. Robert Crosby, Prof. of Theater, the play
blends satiric and sentimental farce around the "mistakes of a night"
at a country manor.

Tennessee Williams' drama "Small Craft Warnings" will be staged by Ohio State
University Theater at 8:00 pm Feb. 1-5 and 8-12 in Stadium II.

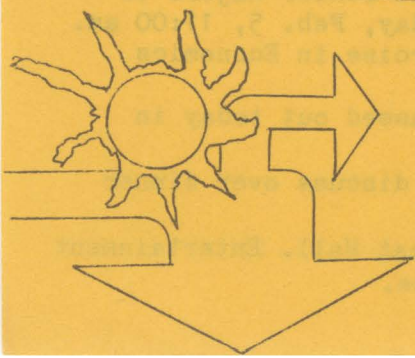

"Hot l Baltimore", Lanford Wilson's prize-winning adult look at the realities
of life, will be staged by Otterbein College Theater at 8:15 pm, Feb. 2-5
in Cowan Hall.

MUSIC:

Bruce Springsteen will be appearing at 8:00 pm, Feb. 16 in Veterans Memorial
in Columbus as part of his national tour.

The Newport Jazz Festival All-Stars, assembled by Newport founder and producer
George Wein, will pause during their first national tour of the season
for a concert sponsored by the Columbus Assoc. for the Performing Arts
at 8:00 pm Feb. 9 in the Ohio Theater. Programs selected for the tour
are intended to present jazz as a music with a tradition.

Jazz great Don Ellis will appear with the Ohio State Jazz Ensemble in
Mershon Auditorium on Sat., Feb. 19 at 8:00 pm. In addition to leading
his own big band for many years, he has performed with a number of groups
and is presently concentrating on studio recording work and films.

To keep your room warm while the temperature drops, keep the
curtains closed. Also move all furniture away from the
radiator and the cold walls. You may want to get some boxes
and cut them up to build shields so that heat from the heater
goes out into the room instead of just to the ceiling.

In the News

The final episode of "Roots" was viewed by more people in the United States than any other television show. Over 36 million people watched the program.

House Rules Committee voted yesterday to reinstate the twelve man panel to investigate the assassinations of John Kennedy and Martin Luther King. The panel has until March 31st to justify its existence and is working under a very tight budget.

The UN Secretary General believes that he can reconvene the Geneva Conference on the Middle East early this spring. He expects a Palestinian representative to attend.

Another storm hit the Great Lakes Region yesterday bringing a fourth blizzard to Buffalo within ten days. Florida also suffered another frost. Due to the weather and gas problems 2.2 million people are out of work in 17 states. The House Rules Committee passed Carter's Emergency gas bill but there will be a delay in a completion of the bill as it now must be reconciled with the Senate's approved version. Gas is expected to be available to home owners but at higher prices.

To conserve water and energy in the laundry room, use cold water wash and rinse cycles in the washing machines. Make sure you have a full load - if not, consolidate your laundry with a friend's. Don't use too much soap, so the machine can operate at peak efficiency. when the dryer turns off, don't start a new cycle just for one or two items not dry yet - hang dry them back in your room. Also, be sure to keep the lint screens clean.

The Washington Post and the New York Times released information yesterday that links Nixon much closer to Watergate. The new tapes discovered Nixon using such words as "Stonewall" and "hush money".

Vice President Mondale, speaking at a Democratic Fund Raising Party, warned that our reliance on foreign oil could run into problems later in the decade. He urged support of Carter's energy plans.

Frost, President of the Consumer Company of America, is facing up to five years in jail and a \$5,000 fine for selling illegal securities.

Ohio may be heading for a water shortage this summer. The low amount of precipitation this winter failed to fill the depleted ground water. Ground water levels are down one to five feet in places throughout the state. This shortage could result in less flow in the rivers and streams in the fall. Early conservation measures should be put into effect.

In the News

Striking Cincinnati teachers came back to the bargaining tables today after six days. The walk-out, seventeen days ago, involves more than three thousand teachers in the city. President Carter flew to London for a summit meeting with Allied leaders yesterday. There has been a recall of over 300,000 Mr. Coffeemakers because of improper wiring systems. At the National Conference of Roman Catholic Bishops, the bishops decided to re-investigate the Vatican findings on women serving as priests in the Church. The Judicial branch of the government body approved the "Instant Registration" plan of Carter, which would allow non-registered voters to vote on the day of the election. The proposal now has to go before the full house for a final decision to be made. Carter praised Nixon for "admitting he lied to the American people" but doubted that the confession enlightened the citizens of this country.

Possible detente between China and the Soviet Union seems even farther away as relations between the two powers have hit a new low point after a bitter attack of China by the U.S.S.R. President Carter won one battle with US Steel's compliance with his suggested limited 6 percent price increase, thus forcing competitive corporations to roll back their previously announced increases of 7 to 9 percent. However, he faces a tough battle with business leaders over his intended hike in Social Security taxes which would be greater for business than for workers.

This summer issue of NEWSCOPE, following a precedent established in summers past, is being sent to all returning students. Its major purpose is to give the necessary information about the opening of College in September, but it also offers an opportunity to keep you up-to-date on a variety of collegiate matters. It is being published without the benefit of experienced NEWSCOPE editors, so some of you may find that the amount of news exceeds your interest while others may judge it incomplete. Nevertheless, we hope that this effort will give you a slight sense of what is happening at Kenyon, and what is being planned.

UPPERCLASSMEN REGISTER ON SUNDAY, SEPTEMBER 4 As announced by the College Calendar (a copy is enclosed) student residences will be open for returning students on Saturday, September 3, at 9:00 a.m. The first meal will be served that evening between 5:00 and 6:30. Registration for returning students will take place on Sunday, September 4. Classes begin Monday, September 5 (Labor Day).

UPPERCLASSMEN MAY NOT RETURN BEFORE SATURDAY, SEPTEMBER 3, UNLESS YOU HAVE BEEN ASSIGNED TO HELP WITH THE FRESHMAN ORIENTATION PROGRAM.

OPENING
CONVOCATION

The formal Opening of the College will be held at 7:30 p.m., Sunday, September 4, on Samuel Mather Lawn. President Philip H. Jordan will officiate. All upperclassmen are especially invited to attend.

CHANGE OF REGULATIONS
FROM THE REGISTRAR'S OFFICE

A new policy concerning COURSE CHANGES will be followed in the Registrar's Office beginning in September. A student will still have two weeks at the beginning of each semester to make changes in his enrollment via a Course Change Card, having obtained the signature of his/her advisor. The difference is that after two weeks, any changes will be subject to a special handling fee. This fee will be assessed for each Course Change Card submitted after the first two weeks of classes, and is determined by a scale that increases with each week. In addition, there will be a charge of \$1 for each course listed on the Course Change Card. These fees are assessed both to encourage students to make changes during the first two weeks, and to help defray expenses incurred which result from the necessity of making special changes. Details will be available at registration time and in the 1977-78 Student Handbook.

The Faculty also approved a new policy regarding INCOMPLETES. Beginning this fall, it will be the responsibility of the student to request an Incomplete of the Deans, who may approve only in case the student experienced a serious illness or personal or family problem which prevented completion of a course. Thus, the previous practice of asking an instructor for an Incomplete because of the press of other assignments will no longer be approved.

HOUSING
ASSIGNMENT

If you have not received your Student Housing Agreement for the coming year, you will, shortly. Included in the Agreement are items pertaining to room assignments, the rental fee, and conditions relating to the use and occupancy of those facilities. This year it will be unnecessary for parents of students 18 years of age and over to sign the Agreement. Please note that the signed Agreement must be returned to the Student Housing Office by August 1.

ACCOUNTING
OFFICE NOTICE

The Accounting Office will be mailing invoices on July 19 for fees and charges for the first semester of the 1977-78 academic year. Payment is due on or before August 19.

ROOM KEYS AND
I.D. CARDS

Both may be obtained at the KC beginning Saturday (9:00 a.m. to 9:00 p.m.) and Sunday (9:00 a.m. to 5:00 p.m.).

MOTOR VEHICLE
REGISTRATION

Students who plan to register a motor vehicle at Kenyon, and did not pick up a registration form before leaving campus, should write to the Campus Security Office and request that the needed form be sent to your home this summer. This will save the bother of sending it home for a signature after you arrive. Some of the Regulations on Student Operation of Motor Vehicles are being revised this summer and will be effective when College opens.

SHIPPING
INFORMATION

If you ship your belongings to Gambier, regardless of the means, please address them as follows:

Your name
Your College address
Kenyon College
Gambier, Ohio 43022

All packages should be sent pre-paid.

United Parcel Service - The UPS makes a daily visit to Gambier and will deliver your belongings directly to the College. Specifications for packages sent by UPS are as follows:

Maximum load - 100 lbs./day - not to exceed 3 boxes
Maximum weight - 50 lbs./box
Maximum size - 108" total of length and girth

UPS automatically insures each package for \$100. The cost for additional insurance is \$.25 for each \$100 worth of insurance.

Greyhound Bus Lines - There is a Greyhound Bus Station in Mount Vernon. Your local bus station should have information about specifications for shipping. If you consider sending your belongings on Greyhound, please note that the College cannot provide transportation for pickup of your belongings.

BUS SERVICE FROM
PORT COLUMBUS

For the convenience of students arriving by plane, College minibuses will run shuttles to Port Columbus on Saturday and Sunday, September 3 and 4.

No guarantees for accommodating every student can be made, but if you will inform the Activities Secretary when your flight will arrive, it will help our efforts to provide transportation for as many as possible. Upon arrival at Port Columbus, check the Limousine Office near the front door at the Baggage Claim Area. The fare is \$5.00, chargeable to your College account.

SCHEDULING CAMPUS
EVENTS FOR INCLUSION
IN THE HANDBOOK

It is not too late to include any planned campus event in the Student Handbook calendar. The name and dates of the event should be submitted no later than August 1 to Ms. Carol Klein, Activities Secretary. Speaking of College events, 2,739 events were scheduled during the 1976-77 year, including 985 group meetings, 247 film showings, 148 lectures, 61 concerts, 58 drama presentations and 191 varsity athletic contests.

CAMPUS ACTIVITIES
MART

If plans have not been made for your organization to participate in the Campus Activities Mart on Sunday, September 4, from 1:00 to 3:30 p.m. in Gund Commons, you should inform the Activities Secretary immediately

if you are interested in participating. About 40 organizations are scheduled to be in the Mart and introduce their programs to the freshmen.

STUDENT HEALTH
SERVICES NOTES

The Student Health Service will be under the administrative direction of Ms. Ann LeBlanc, Health Associate, during 1977-78. Dr. Herbert Sinton, a Family Practitioner, and Dr. Daniel Michel, a specialist in Pediatrics and Adolescent Medicine, will both serve as College Physicians. These Mount Vernon physicians will meet with students by appointment at the Health Service clinic, and will also be on call for emergencies and special consultations. Dr. James J. Wanken, Orthopedic Surgeon, will serve as physician to the varsity football team and will also be available for other athletic team injuries. A Health Service brochure describing all services offered by the Student Health Service will be available in September.

IN MEMORIAM

The Kenyon community was sorrowed by the recent deaths of two of its members.

Joseph S. (Jeff) O'Daniel '79 died on June 26 from injuries received in an automobile accident on June 22. While traveling to his home in Westerville, Ohio, after visiting with a nearby friend, his auto was hit at a main intersection by another auto that ran a red light at a high rate of speed. Jeff was an outstanding scholar, a member of Delta Phi Fraternity, a member of the varsity swimming team and Ohio Conference backstroke champion, and was loved and admired by all who knew him.

James F. Cass, Chief Security Officer at Kenyon since 1962, died on June 29 after a prolonged illness. During his years at Kenyon, Jim Cass worked diligently to improve security and safety procedures on the campus. He was regarded as a friend and benefactor by thousands of Kenyon students, and his dignity and fairness were always respected.

ADMISSIONS OFFICE NOTES

A bumper crop of freshmen will be joining the Gambier and Kenyon community on September 1. At the present time there are approximately 185 women and 250 men from 35 states and nine foreign countries in the entering class. In addition, about 20 transfer students have been accepted.

The Admissions staff wishes to express its thanks to all of you who gave so much time and effort last year in assisting our office. The tour guides, the Chase and Hannah More Societies and the Freshman Council were especially helpful throughout the year.

A special thanks also goes to each and every freshman who so willingly agreed to keep a visiting student overnight. During 1976-77 there were more of these visits than ever before, and the great hospitality shown these overnight visitors was a major factor in the success of this year's recruiting efforts.

Visitors, both parents and students, always mention the warmth and openness they feel at Kenyon compared to other campuses they visit. We are frequently told that Kenyon students all seem happy and are smiling and friendly. The atmosphere generated this way makes the admission work much easier and helps the College maintain its standards. Your help and cooperation are truly appreciated.

Assistant Director appointments - Evan Eisner has joined the staff as an Assistant Director of Admissions, replacing Gay Garth who returned to Washington in January. As you know, Evan received his Kenyon A.B. cum laude in May.

Bettye York has been hired as Assistant Director of Admissions, part-time, to take the place of Donna Scott who will devote full attention to the job of Equal Opportunity Coordinator. Mrs. York will handle alumni admissions work. Some of you will remember her from the Student Activities Office.

STUDENT ENROLLMENT, 1977-78

Exact figures are yet to be determined, but it appears that the College will open on September 4 with an enrollment larger than the 1387 students who registered in September 1976. Several factors are responsible for the increase: this year's freshman class of 430 plus is slightly larger than last year's class; fewer students withdrew from the College during the 1976-77 year and during this summer; more students are returning from Off-Campus Study than are going; and nearly 40 students who formerly withdrew have applied to return. Kenyon's largest opening enrollment, about 1450 in both 1974 and 1975, may be exceeded this year.

PARENTS' WEEKEND

Remind your parents to mark their calendar for the weekend of April 14 to 16, 1978.

ADMINISTRATIVE STAFF NOTES The following appointments to the College staff have been made for the 1977-78 academic year.

The Rev. Lincoln F. Stelk has recently accepted the position as Rector of Harcourt Parish and will serve as Kenyon College Chaplain. The Reverend Stelk comes to Kenyon from St. Peters Episcopal Church in Delaware, Ohio, and is a graduate of Ohio Wesleyan University and the Episcopal Theological Seminary in Cambridge, Massachusetts. In addition to providing for and scheduling all services in the Church of the Holy Spirit, he will be associated with all campus religious programs and activities. The Reverend and Mrs. Stelk and their two children will reside in the Rectory on Kokosing Drive. Fortunately for Kenyon and Gambier, The Rev. Richard L. Harbour, who this year retired as Rector and Chaplain, will remain with us and has already occupied his new home that has a commanding view on the outskirts of the Village.

Ms. Corlin Henderson will begin her duties as Assistant Dean of Students on August 1. Ms. Henderson, a graduate of Colgate University, comes to Kenyon from the University of Vermont where she received an M.A. degree in Student Personnel in Higher Education this spring. Ms. Henderson will share general dean's responsibilities with Dean Edwards for upperclass students, and will give specific administrative attention to women's programs, student organizations and clubs, collegiate programs, and special events. Dean Henderson's office will be on the first floor of the Student Affairs Center, and she will reside in the Gund Hall apartment. Ms. Carol Klein, who has replaced Ms. Georgiene Radlick as Activities Secretary, will serve also as secretary to the Assistant Dean of Students.

Dr. Wayne O'Brien, who worked at Smythe House on an interim basis from March until the end of the second semester, has been appointed to the position of College Counselor. Dr. O'Brien is a 1968 graduate of Kenyon who took his advanced degrees in counseling psychology at Bowling Green and Toledo Universities. He is eager to meet students in a number of different contexts and is planning some interesting new programs for next year.

Mr. A. Leon Delano is the new director of the Computer Center and comes to Kenyon from Central Ohio Technical College. Mr. Delano holds both the B.S. and M.S. degrees in Aeronautical Engineering and brings experience with digital computers from the gas compression industry. Mr. Delano, his wife and two children reside in Mount Vernon.

Mr. Arnold E. Hamilton has been appointed Chief Security Officer. He has been associated with Kenyon College for more than four years and students will remember his services in the past as a member of the Security Office.

NEWSCOPE 1977-78 Ms. Diane Collings, wife of Professor Peter Collings, will serve as Newscope editor for the 1977-78 College year.

NOTES FROM THE
AFTER KENYON
LIBRARY

Ms. Barbara Gensemer has been appointed fulltime as Coordinator of the After Kenyon Library (Career Development Center) beginning August 1. Plans are being made to increase services to underclassmen while continuing the present programs designed for seniors.

Senior students are reminded that time spent this summer in drafting a preliminary resumé will be helpful. Juniors should be giving thought to participation in the Extern Program as is described in the Alumni Notes (above).

Reminder: The LSAT application deadline is set for early September. Students planning to take the LSAT on October 8 may still request the LSAT Bulletin sent home this summer for mailing prior to arrival on campus. Write to the AKL if the request was not made this spring. The LSAT will be given again at Kenyon on December 3, 1977.

The GRE will be administered on campus October 15 and December 10. Test bulletins and registration forms will be available in the AKL after the opening of College. The GMAT and MCAT will also be given on campus. Watch NEWSCOPE and the AKL BULLETIN for registration dates.

STATEMENT ON
EQUAL OPPORTUNITY
AT KENYON COLLEGE

Kenyon College admits students of any race, sex, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the College. It does not discriminate on the basis of race, sex, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other college administered programs. Questions or inquiries regarding such policy may be referred to Ms. Donna H. Scott, Equal Opportunity Coordinator at Kenyon College, or to the Director of the Office for Civil Rights of the Department of Health, Education and Welfare.

WOMEN'S
ACHIEVEMENT
AWARENESS WEEK

The week of September 18-25 has been set aside as a time to take notice of women's achievements and to introduce an awareness of the breadth of women's activities. The women's events are special in that they will be directed by women and some special guests will be appearing. Gratitude is extended to the many organizations who have contributed to the planning, GEC students and faculty lectureships, The Women's Center, Poetry Workshop, Dance Organization, Student Affairs Committee of Student Council, Hannah More Society, Film Society and others.

EQUESTRIAN
EXHIBITION

The Kenyon College Equestrian Club will be presenting a riding exhibition on September 10 at 2:00 p.m. Everyone is welcome. Free admission.

THE FRENCH
TABLE

The French Table will resume its weekly meetings on September 5 in the Gund Commons Private Dining Room at 5:30 p.m. All new and returning students interested in dinner conversation with a foreign flavor (in French!) are welcome to join.

The Club's fall semester plans include special monthly programs, and detailed information on meeting times, locations and programs will be announced by Newscope and La Gazette de Gambier, the Club-sponsored newspaper.

IPHS NOTES

The Integrated Program in Humane Studies will have an enrollment of 70-75 students this fall. Faculty members will be Professors Batt (Chemistry), Banning (Philosophy), Bennett (Classics), Hettlinger (Religion), Seymour (French) and Turner (English). Any sophomores who wish to participate and who have not pre-registered should write to Professor Hettlinger or see him immediately on returning to the campus.

ART DEPARTMENT
NOTES

Colburn Gallery will open the 1977-78 exhibition year with a show of the works of the members of the Art Department Faculty. The show will open September 1 and run through September 25. The new Coordinator of Colburn Gallery will be Ms. Florence Lord who will assume her responsibilities in September.

FACULTY NOTES On leave during 1977-78: MARIE K. FREDDOLINO, Anthropology and Sociology; CHARLES GOLD, Art; WILLIAM E. McCULLOH, Classics; RICHARD J. TRETHERWEY, Economics; GALBRAITH M. CRUMP, English (Exeter Program); ALICE HERMAN, History; ROBERT H. GOODHAND, Modern Foreign Languages and Literatures; HELEN M. WALKER, Music; ALLAN FENIGSTEIN, Psychology.

On leave during first semester, 1977-78: ROBERT H. HORWITZ, Political Science.

New Appointments for 1977-78: MARY ELLEN BATIUK and DONNA J. SEIFERT, Anthropology and Sociology; CARLA STEIGER, Art; SUZANNE DOUGAN, Drama; ROSS C. SINGLETON, Economics; CARMEN SCHMERSAHL, English; NORMA ELLIOTT, Modern Foreign Languages and Literatures; WALTER V. MOROSAN, Music; DONALD ALGEO, Philosophy; AARON J. OWENS, Physics; SALLY LU WILSON, Psychology.

DEVELOPMENT OFFICE NOTES The Development Office, which is responsible for the College's fund-raising programs, reports that for the first time in Kenyon's history we have gone over the \$2 million mark in total gifts from all sources in a single year. Fifty-two per cent of all alumni (one of the highest percentages among colleges in the nation) have contributed through the Kenyon Fund and the \$209,000 goal was exceeded. The Parents' Fund has achieved a record high of over \$75,000 with gifts from more than 660 parents. A full report will be included in the September Alumni Bulletin.

ALUMNI OFFICE NOTES The weekend of May 27-29 was Kenyon's first combined Commencement-Alumni Reunion in ten years. Close to 2,000 people were on campus, including over 500 alumni, for the event-filled occasions. All participants agreed that the two events held on the same weekend was successful, indeed.

During 1976-77 the Kenyon Alumni Association had one of its busiest and most gratifying years ever. Under the leadership of William C. Williams '54, the Association sponsored, in addition to the Alumni Fund (see Development Notes above), numerous programs such as Alumni Day, the Extern Program, the Professional Alumni Visitation Program, Resume and Interview Workshops, and, of course, the Reunion Weekend in May.

The Extern Program, jointly sponsored by the Alumni Association and the After Kenyon Library, provides an opportunity for juniors to "try out" a career they are considering by spending a week at spring break on the job with an alumnus who is in that particular field.

MAINTENANCE DEPARTMENT NOTES The Seitz House, at the corner of Wiggin and Park Streets, which is being renovated to house the History Department, will be completed on August 1.

To combat the energy crises, the College is installing a 20,000 gallon reserve oil tank and retubing four boilers for more efficient operation. An Energy Task Force has been organized, which consists of Engineers and College personnel, to provide an energy saving program not only for the present, but also for future planning.

Construction on the new Hill Theater began on July 5.

DECISION ON SLEEPING PLATFORMS On June 24 a special meeting was held to consider the advisability of permitting the use of constructed wooden sleeping platforms in student residences. The twelve persons attending included members of the administrative staff, Kenyon students, insurance company representatives, and state and local fire officials. All aspects of the topic were discussed and alternatives were explored. It was clear to all, by the end of the discussion, that the only prudent and safe course of action for the College to follow is to prohibit the existence of sleeping platforms composed of combustible materials. While this decision may not be a popular one for some students, the College made it solely upon the consideration of safety for students in their residences.

FELLOWSHIPS AND POSTGRADUATE OPPORTUNITIES Included in this mailing for members of the senior class is a letter from Professor Thomas Short, Chair of the Committee on Awards and Postgraduate Opportunities, that details various awards and fellowships for which graduating seniors may apply during the fall. Need for further information or questions may be directed to Dean Edwards' office.

ANTHROPOLOGY/SOCIOLOGY
DEPARTMENT NOTES

Two new faculty members have joined the Department of Anthropology/Sociology for 1977-78. In Anthropology, Ms. Donna Seifert is serving as Assistant Professor of Anthropology in place of Ms. Marie Freddolino, who is on leave. In Sociology, Ms. Mary Ellen Batiuk has replaced Mr. John Stephens. As a result, a number of changes have been made in the course schedule.

All courses not mentioned below remain as they appear in the 1977-78 Kenyon College Catalog of Courses.

PSYCHOLOGY
DEPARTMENT
NOTES

During the coming year, Professor Allan Fenigstein of the Psychology Department will be on a leave of absence at the University of Virginia to do research in social psychology. For the year that he is gone, Ms. Sally Lu Wilson will be teaching Professor Fenigstein's sections of Psychology 11-12 and his course in Abnormal Psychology (Psychology 37). Ms. Wilson is currently finishing her dissertation research at Purdue University. She will also be teaching a course second semester in one of her interest areas, which include moral development, sex roles and androgyny, and religious development. Professor Fenigstein's other courses will not be offered until he returns in 1978-79.

POLITICAL SCIENCE
DEPARTMENT NOTES

The Department of Political Science has not yet hired an American public policy specialist, and has extended the search into 1977-78. This has required cancellation for next year of PSci 50, "Problems of American Democracy," and PSci 92, "Urban Politics." (PSci 11-12 or PSci 27 might be substituted for the first, and Anth 91(2) or Econ 73 for the second.)

Mr. Horwitz, who was asked by President Jordan to revitalize the Public Affairs Conference Center, has already undertaken, along with the Development Office, a fund-raising campaign for the purpose, and hopes to sponsor the first conference under the new program in 1978-79.

The latest volume in the Kenyon Public Affairs Series, published by the University Press of Virginia, will be released in August. Based on the Bicentennial Conference of the KPAF in 1975 and 1976, the volume was edited by Mr. Horwitz and is entitled The Moral Foundations of the American Republic.

Six members of the Department Faculty will attend the annual meetings of the American Political Science Association in Washington, D.C. early in September, and three of them - Messrs. Agresto, Clor and Scorza - are on the program. Mr. Melanson has taken over the Kenyon pre-law advising job from Mr. Trethewey. Mr. Frame succeeds Mr. Clor as Chair of the Department on July 1.

ALL-AMERICANS Timothy P. Appleton '77, selected to numerous basketball All-America teams this spring, won additional acclaim with the recent announcement of the College Sports Information Directors of America Academic All-America Team. Tim was a first team selection. In case you missed the news release, Tim was drafted by the Detroit Pistons in the recent NBA player draft. He was selected in the Piston's final round and, thus, becomes the fifth Kenyon basketball player to earn a shot at a pro basketball career.

Congratulations to the seven Kenyon swimmers who were recently named All-Americans by the NCAA as a result of their performances in the Division III National Championships at Oberlin College last March: Donald M. Constantino '77, Timothy M. Bridgham '79, Peter C. Dolan '80, Timothy G. Glasser '80, Samuel C. Lund '79, Stephen M. Penn '80, James L. Robrock '78. The Kenyon team placed third in the national championships.

I suppose that more items could be included, but further news must wait for the September issues of the Collegian and Newscope. Perhaps by now some of you are sharing my realization that this summer is swiftly disappearing, and so, too, are all plans for completing the projects that were put off until these summer months. As the dozen or so students who have remained in Gambier this summer can attest, things just aren't the same with you away. We all work, and enjoy the serenity of the Village, of course, but the fervor and action of the college year is missed. Vacations, however, are meant to produce contrasts, provide relaxation, and increase anticipations. I sincerely hope that your vacation is doing these things and that it is being profitable to you.

Best wishes for continued enjoyment during the remaining weeks and I join others here in looking forward to seeing you back in Gambier for what I trust will be a most exhilarating year, both for you and for Kenyon.
