## ANNUAL CANE RUSH IS CLOSE FIGHT

**Sophomores Put Up Stiff  
Battle For The Posses-  
sion of The Numer-  
aled Cane**

## FRESHMAN CLASS GETS FINAL DECISION

Under the welcome shade of the great maples lining the Center Path between Ascension and the Library, an enthusiastic crowd of folks gathered close to eleven o'clock to witness the yearly duel of brawn and brain between the Freshmen and the Sophomores for that coveted object of all new classes, The Cane of Old Kenyon. One or two Old Grads back just for the day, found themselves well nigh engulfed by interested listeners as they recalled the battles of other years for this very same stick of contention. In the throng were Juniors and Seniors going about lauding the victors of their classes in the late years, but carefully omitting all mention of their humiliating defeats. Fretful indeed, must have been the birds of the College Park at the babel of human voices beneath them!

Soon the haughty Soph company took its end of the tiltyard and lazily reclining on the knoll just north of Ascension awaited the coming of their younger fellows of verdant tendencies. It seemed their postures of ease and indolence were studied, perhaps with the view of displaying their utter indifference to the coming contest and any possible fears or doubts as to its outcome. Some of the men, in fact, affected great boredom, yawning most ardently and in general advertising their complete disinterest in the game before them. Could it possibly have been a false front to conceal a torturing mental state? If so, verily, there are some wonderful actors on the Hill.

Shortly after this came the excited Freshmen marching down from Bexley, where they had received the cane from President Peirce along with his last comforting benediction. This band took up its station by the Library and looked askance across the field into the masked faces of their rivals and to the last man of them, they would have denied any degree of terror, but every mother's son of them deep in his heart battled a grave misgiving that strove for the ascendancy. Unintelligible murmurs arose from each camp, being taken, no doubt, by the opposing team

## MAY ASSEMBLY CLOSES ACADEMIC YEAR OF 1919-1920

**Seniors Give Parting Ad-  
vice**

The last regular Assembly meeting of the 1919-1920 season was opened with President Cable in the chair for the first time. Mr. Mell also took up his duties as Assembly Secretary. After the usual roll-call, the minutes of the previous meeting were read and approved. Then the minutes of the Executive Committee were read and accepted.

Old business was next in order. Dr. Lockert's motion in regard to publishing the orations in the Collegian and Reveille was removed from the table and discussed. In the discussion that followed it was decided that this matter be left in the hands of the editors of the two publications. The motion was lost.

The following amendment was again brought before the assembly and adopted, to wit: —

"Be it resolved that the Kenyon College Assembly Constitution in Article XI be amended as follows:

'In addition to the rules and regulations already set down governing the granting of Athletic Letters, as in the case of foot-ball, the Athletic Director and the Captain have the power to recommend to the Executive Committee the granting of K's in all branches of Athletics.'

This amendment is to be known as Section 9, Article XI."

The Assembly then voted upon the recommendation to the Executive Committee and the Coach to grant Basketball Letters to John C. Williams and Don McAdie, and the letters were granted.

Mr. Fishack, chairman of the Junior Reception Committee, then outlined his plans and urged that the dance receive the support of the entire Assembly.

As this was to be the last regular meeting of the Assembly. President Cable asked several of the Seniors to speak. Mr. Sant urged the men to prepare for the coming big year, to support Athletics as never before, and above all, to give their heartiest support to the President of the Assembly. Mr. Galberach expressed his perfect agreement with Mr. Sant's sentiments. He also urged that Basketball and Track letters be awarded at once.

Mr. Sant moved that the Executive Committee be asked to award a gold

## KENYON'S FOOTBALL SEASON PROMISING

**Captain Cable Gives Short  
Resume. Preliminary  
Workouts Appear  
Hopeful**

Once more Kenyon confronts the situation of having very little foot-ball material. The material that has come out for foot-ball is good, but there is only half enough of it.

When Coach Smith called his warriors together to start the season he had Brown, McIlwain, Berkey, Capt. Cable, Wiseman, Carabelli, Stock, Treat, Beggs, Woosely, Campbell, Goodell and others who were on the squad last year. Later on Abrams and Kelley were added. The Cincinnati game put Beggs and Campbell out of it for the rest of the season, and at the present time Carabelli, Stock, Goodell, Berkey, Woosely, and McIlwain are nursing had injuries and should not be playing. Many of these men played against Miami when they could hard work.

In spite of a great deal of hard luck the team has steadily improved and once the cripples get in shape, we believe we will win some games. The men who started the season have reported every night for practice and in this way deserve a lot of credit.

However, with the injured men back in the running and a little hard practice, the outlook for the latter part of the season appears very much brighter. With the hardest games already in the past, the squad has an ever increasing chance to show the old Kenyon fight and determination for which it has been famous for so many years.

## COLLEGE CHOIR REMODEL- ED—NEW SYSTEM NOW IN FORCE

The choir this year has been put upon a new basis. Instead of a larger number of mediocre singers, the choir has been reduced to sixteen of the best singers in college. These men were selected after individual tryouts, and it is hoped thru this method to raise the quality of the chapel singing. The choir is as much an honor as any other college activity, and an institution to which the men should be proud to belong.

basket-ball and gold foot-ball to Mr. Galberach. The motion was carried and the meeting then adjourned.

## ANNUAL FALL DANCE TO BE BIG FEATURE

**Kenyon's Social Season  
Promises Well. Senior  
Class The Master of  
Ceremony**

## TO BE GIVEN ON EVE OF MT. UNION GAME

In completing its final year at Kenyon, the class of 1921 realizes that the scholastic year would not be up to the standard, if the precedent of giving a Fall Dance were broken, and likewise, that the men of the College both old and new, would undergo an injustice if they were not given the privilege of attending such an affair. So, it is the pleasure of the Senior Class to announce through the medium of the Collegian, that it will attempt, on the evenings of October 22 and 23, to give a dance which will in all respects, stand above any others ever given at Kenyon.

The men who are in charge of this dance are working hard to give the college something which they will talk about and remember for many months afterwards, and judging from the standard of the committee, it should be a distinct success. The committee in charge consists of George Zollinger, Chairman, Edward Maire, L. D. Kilgore, Shelly Jones, Don Mell, Walter Bennett, and William Stewart. These men are known to be good workers, and there is no question but that the success of a dance depends upon the men behind it.

The programme for the dance, will undoubtedly not vary from the usual course, which means that the so-called formal dance will be held in Rosse Hall on the evening of Friday, October 22. This will last until three o'clock in Rosse, and then, because of a peculiar ruling of the Board of Trustees, it will be continued in The Bakery until six o'clock. The next day, an added attraction will greet the visitors to the Hill, this taking the form of a football game with Mt. Union, Kenyon's second and last game at home. From the view point of College Spirit alone, it should be the duty of every man in College to insure to the team his own presence and also that of a fair lady. We all know well that the treasury goes in the hole, from one hundred to two hundred dollars on every game at home, so let's get behind the team and make this game the best yet from all standpoints, and especially from that of finances. All

## ANNUAL CANE RUSH IS CLOSE FIGHT

(Continued from First Page)  
for declarations of intended deeds of valor in reducing the enemy, but truly they were nothing more than oral bracers passed about from lip to lip.

Sharp at eleven o'clock a committee of managers and judges escorted the cane into the field in the exact center of which they deposited the old relic of so many wars where it would rest but for such a short space. The rules and regulations of the fray were clearly stated to both sides and everything made ready. The Hill became as silent as the tomb as every ear strained to hear the signal to charge.

Suddenly it came, a shrill, piercing whistle and with it came the thunder of pounding feet. A pile of writhing humanity over he cane in an instant, terribly labored panting, rending of clothes, clenched teeth, individual fights, gore-soaked faces, a rain of sweat, clouds of grimey dust, passionate grunts and groans and all but murder, ensued. The lines of spectators surged in closer to the struggling pyramid seemingly to join the engagements now going so hotly. The seven minute period of the contest must have gone very slowly for the men that made that pile, for so all such endurance tests are wont to pass. However, for the Sophomore leaders the latter part of the conflict flew all but too fast. It seems the older men decided to give the Freshmen an extra point in the final score so that they might not feel the humiliation of absolute and overwhelming defeat. The upper classmen, apparently forgot all about their plans after they had gotten hold of the cane and quietly held their places like bull dogs. Consequently, their generals had great difficulty in persuading them to follow out their original plan, namely, to allow their little brothers an extra score credit. After detaching six tenacious Sophs from the stick and making a careful count of the hands on the cane, the leaders ceased their efforts and awaited the sounding of the final whistle.

Sure enough, when the judges came to count the hands on the cane, it was found that the real Sophomore's plan had carried thru, and not a one of the upper classmen but was satisfied. They apparently took the hands of their unknowing victors and shook them warmly with fine grace, 'tho it appeared to go hard with a few men when their erstwhile opponents took on the air of the mighty victor.

On the way back to their various divisions it could be seen that many men of both classes were in sad need of whole shirts and such articles of apparel, while one poor Frosh needed, if nothing else, one good fig leaf for protection. All together it was a glorious battle roal, notwithstanding anything else heard to the contrary.

The Freshmen were delighted with

their victory while the Sophomores were content with the completion of their original plan, which is conclusively proved by the score of 12 to 11 in the Frosh's favor.

## ANNUAL FALL DANCE TO BE BIG FEATURE

(Continued from First Page)  
alumni should be urged to be present both at the dance and at the game, and every division should back this project heart and soul. On Saturday evening, the customary informal dance will be given, and even if a man is not able to attend the "Formal," there is positively no excuse for his not going to the "Informal." More than this, it is a really worth-while affair.

It is the plan of the committee to decorate Rosse in the spirit of the season, which will probably mean that the old dusty girders and beams will assume the form of corn husk and pumpkins. It can readily be seen, therefore, that the place will be beautiful and will fulfill the expectations of even the most critical person.

Every one knows that the orchestra is one of the prime factors of a dance, and upon whether it is good or bad, depends the success of the affair. Attempts are now being made to secure the services of Horace Vokoun and his band of merry-makers, and with the reputation he has built for himself in Cleveland, he should have little trouble in proving himself a real music-maker to those who attend the dance. Horace climbed to rather steep heights in regard to music, while he was in College, and now that he has an orchestra of his own, he should prove a wonderful success.

The usual five dollars will be charged for a programme, and considering the high prices of everything, this is very reasonable.

Therefore, with all these facts in mind, every man should put forth his best efforts to attend this dance, not only to help the Senior Class, but also to keep up the custom of giving an annual fall dance, for if the men fail to step to the front in these affairs, they naturally cannot be given. To the new men in College, these dances will be a continual source of pleasure, and the fact should be realized by them, that they are the ones who are to be here for four years, and the fate of all activities rests in the main with them. If they are not supported, they will fall, but if every man puts his heart and soul behind them, they are bound to win out and last for years. So, let every man go to this coming dance with one of the fair sex, and let him also urge the alumni in his own division to return for it.

S. Morton, '15, of New York and T. Cromley '01, visited the Hill the later part of September.

Lee Ritzman, ex '23, is at Lafayette College.

## THE NEW COACH

## A. F. Smith, Baker University, to Direct Athletics

All hail to the new coach! At last Kenyon has a worker, a thinker and a man who stands for the upbuilding of Kenyon athletics. Coach Arthur F. Smith has shown the college that he means business. On the field there is no loafing or time lost as he is working every minute.

Coach Smith comes from Baker University, Baldwin, Kansas, where his teams were very successful. In addition to Baker University he has coached several large western high schools and was athletic director at Henry Kendall University. For the last two years he has attended the schools for coaching at the University of Wisconsin and the University of Illinois. At Illinois he studied under the famous Zuppke. He has also had great success in basketball and track and his baseball teams have been above the average. Coach Smith has had a lot of athletic experience and knows athletics from the bottom up.

We feel that we have a wonderful man in Coach Smith. His fine personality combined with his pep and energy have convinced the student body that he is a man whom we cannot help but respect. The thing to do now is to cooperate with him to the best of our ability. Let us show him the WE mean business. Greater athletic enthusiasm is what Kenyon needs, and with the men backing Coach Smith to the limit, we need not fear for the success of our teams.

The material for the team this year is not as good as in former years. Men not returning, and eligibility rules have played havoc with the prospects, when it appeared that we would have a wonderful team. Coach Smith has a hard job to face and it will take hard work on the part of every man to help him put out winning teams. The Freshmen have shown a willingness that has more than come up to expectations. All the college asks is that they keep it up. There appears to be some good material among the Frosh, so we cannot help but feel optimistic about the future. Below is the remainder of the schedule:

Oct. 16th—Case—Away.  
Oct. 23rd—Mt. Union—Home.  
Oct. 30th—Wooster—Away.  
Nov. 6th—Ohio Northern—At Lima.  
Nov. 13th—Reserve—Away.  
Nov. 20th—Dennison—At Newark.

## STATE UTILITIES COMMISSION ORDERS CHANGE FROM GAS TO COAL

A report from the State Utilities Commission makes the statement in a case of serious gas shortage, only "eating places, institutions of charity, and like places devoted to human welfare" shall have the priority on gas. The alternative offered to manufacturing plants, office buildings, and colleges is to install coal burning furnaces.

Kenyon college has followed this course, and installed coal burning grates in the furnaces once used for gas. Reservation has been made, however, with the gas grates which are to be used in case of need of sudden heat, until cold weather definitely sets in, then the coal grates will be in permanent use. They are grates especially used for burning anthracite coal, which has been secured directly from the mines. During the interview, President Peirce made plain that the privilege of direct supply was secured through the influence of Mr. Grover D. Curtis, '80.

Mr. Curtis' influence has already favored the college with two car loads of anthracite coal, while notification tells of two more cars on the way. The expenditure entailed may exceed that for the same period of time last year, when gas was used; but it is the only way the existing circumstances could be dealt with.

Everyone interested will be glad to know that Rosse Hall is being fitted with a separate boiler. The pipe-line between Rosse Hall and Ascension Hall will be disconnected, and Ascension Hall will furnish only its own heat. The advantage will be most noticeable in that Rosse Hall will be warm enough for plays, musicals, and basketball games, a condition which has not been experienced since the natural gas supply began to run so low. The expected warmth will be supplied by a boiler transferred from Delano Hall, and persons attending entertainments at Rosse Hall will experience more comfort in the future.

D. Smith, '15, and E. Dempsey, '11, both of Cleveland were in Gambier at the beginning of the semester.

## KENYON SPIRIT

Kenyon Spirit, just what does that mean, does it stand for as much today as it did in the olden days? Do you feel a little blue when Kenyon is beaten? Do you feel a thrill of joy when Kenyon wins? Do your shoulders square a little more when you sing "The Thrill"? Did something inside of you ever tell you to get out and fight? Or is "Kenyon Spirit" a thing of the past, a ghost of by-gone days?

This year the college is back to normal physically—and it is up to us to put it back to normal spiritually. There is a squad of loyal foot-ball men down on the field every afternoon—are you doing all you can to help them win, by your presence on the field, or your cheering on the sidelines? There are a hundred other activities on the Hill, are you helping them out to the best of your ability, or are you sitting in your room and letting the other fellow do it? If you have that old spirit, you are on your toes all the time, helping all you can—boosting—not knocking.

You can't explain "Kenyon Spirit," but if you have it you don't have to explain it, the other fellow knows. It's something that gets under your skin, a something that gives you that extra ounce of grit, that closer bond of fellowship, that brighter spark of devotion. To a real Kenyon man it is his very soul. Are you one of them?

## ATTENTION, FRESHMEN

The College takes the opportunity to officially welcome the Class of 1924. It is also our duty and desire to point out to the members of the class a few things for which Kenyon stands.

Freshman discipline of the Kenyon stamp is peculiar to our Alma Mater. It is a distinct feature of Kenyon life and its value is obvious. It is a training which will either make or break the new man. It shows the kind of "stuff" you are made of, and your attitude on the campus as a freshman will largely influence your success in college activities in later years.

The Class of '24 should enter into every college activity—the assembly athletics, the Collegian, dramatics, and every phase of self-government which it is privileged to enjoy.

And above all, remember that Kenyon is *your* College and that its honor is your honor,—that you will get out of Kenyon College just what you put into it. You have been welcomed here as visitors—let your efforts make it the welcome due to permanent undergraduates.

## LET'S GO

Right now is the chance for you Kenyon men to show some of that real stuff that is in you by getting behind our new coach and shoving for all you are worth. It is your big opportunity to show some evidence of that true Kenyon spirit on which you pride yourselves. This applies to every man in College and particularly so to the underclassmen, because they are the ones who will continue to reap the benefits of our new Coach's sterling services.

Coach Smith is above all a student of foot-ball—an earnest hard-working man and one whom any Kenyon man can be proud to have, or, to have had, as a coach. Besides all this he is an all-around good fellow. He is willing and anxious to give the best he has for Kenyon, but we can not expect him to continue his excellent work so zealously unless he is given material, as well as moral support by every member of the student body. This does not mean spasmodic and half-hearted support—but a wealth of that famous old-time Kenyon support—and lots of it—much more than we have had so far.

So the college asks you all to face the proposition squarely and appeals to each one of you, either to put on an old sweater and pair of foot-ball shoes and go down and play "backstop" for the Varsity—or if you have not sufficient loyalty—or too much pride to do that—then the least you can do is to come down to the field every afternoon and holler. The walk back up the Hill will do you good.

So let's all get together behind the Coach and push—and he will soon love Kenyon, its spirit and its traditions, as much as all the rest of us do.

## OCTOBER ASSEMBLY LARGEST ON RECORD

### Welcome To Freshmen, Trip To Marion, Sing at Commons Claim Most Attention

The largest Assembly on record was called to order on Monday Evening, October the fourth, by President Cable. The customary roll-call was omitted inasmuch as the enrollment list was not yet complete, but the minutes of the last meeting were read by Secretary Mell, and approved by the Assembly. Then followed the minutes of the last two meetings of the Executive Committee by its secretary, Mr. Pflum. The only remaining regular business was the filling of offices on certain committees as follows:

Dormitory Committee; 1st. Constitutional Division—Perrin.

Dormitory Committee; 2nd. Constitutional Division—Bliss.

Dormitory Committee; 7th. Constitutional Division—Reid.

Honor Committee; 1st. Constitutional Division—Bailey.

Honor Committee; 2nd. Constitutional Division—Crouse.

Honor Committee; 3rd. Constitutional Division—Stewart.

Executive Committee; 7th. Constitutional Division—Tugman.

Commons Committee; 1st. Constitutional Division—Jones.

The regular business dispensed with, President Cable welcomed the New Men and Freshmen into the assembly, explaining its purpose and rules, and asking for the hearty co-operation of the entire body throughout the year.

Mr. Cummings then announced that Monday, October the eighteenth, would be College Day in Marion, Ohio, and that transportation would be provided for those men who cared to go and take part in the parade and celebration. He urged that Kenyon be well represented, as a great many other Universities and Colleges would be, and that we should hold up our place by means of a large turn-out.

The Fall Dance was next on the program. Mr. Mell gave out the dates as the Twenty-second and Twenty-third of this month, and urged that everyone possible should support it. The dance, according to Mr. Mell, has a double purpose; namely, that of splitting the many weeks between now and Christmas recess with a corking good dance, and that of helping out the debt of the Senior Class with the proceeds.

President Cable spoke as Captain of the 1920 team, and urged the Assembly to give the team its untiring cooperation and support. He particularly asked the Freshmen to come out to the field as often as possible to give the Varsity squad good practice. In connection with this, Mr. Bailey reminded the Assembly that the dark

days of the war were slipping farther and farther away, and that now it was time to get back to pre-war pep. Captain Cable spoke of the coming Reserve game in Cleveland and its importance in the schedule, and said that nothing could help the Team more than a great number of students going to Cleveland to root for Kenyon.

Mr. Sidnell then made his customary talk on the singing at the Commons, "Let each Freshman carefully learn all the songs," he urges, "and as they teach them to the classes after them," Kenyon can uphold her reputation as a SINGING COLLEGE."

## JUDGE MARVIN ADDED TO KENYON'S FACULTY

Kenyon College has been very fortunate this fall in obtaining the services of The Honorable Ulysses L. Marvin, L. L. D., as a lecturer on Commercial Law. There is probably no other person who could fill this position any better, as Judge Marvin has had exceedingly wide experience in this subject.

Judge Marvin began teaching at the age of 16, while he was attending school. When 18 years old, he started a private school of his own. He was principal of the High School at Kent, O., and Dean of Lincoln Memorial University, where he taught before coming to Kenyon.

Judge Marvin also has a broad knowledge of law, being admitted to the bar when 21, and practicing since the Civil War. He has served as judge on Probate and Common Pleas courts, and on the Circuit Court of Appeals.

He is an honorary alumnus of Kenyon, having received the degree of "Doctor of Laws" last Commencement.

## THE 1922 REVEILLE

Early last June the Class of 1922 met and elected the following staff to publish this year's Reveille: Editor-in-Chief, C. J. de Boer-Cummings; Advertising Manager, Charles King Brain; and Business Manager, Donald Mac Adie. Work has already been started and the several departments will be taken care of by the following appointed associate-editors: William Parr Wiseman, James Mulford Wade, James L. Tugman, Everett Towle Perrin, Shanon Buntin, and A. Wheeler Ralston.

Every member of the Junior Class will be actively identified with the making of this year's book. Many new features are planned and the Reveille of 1922 will be replete with a maximum of pictures and art work. It is hoped to have the book published by the first of May.

Fred Dechant, '16, of Columbus, and C. Crawford, '13, of Cleveland were back to assist in treating the freshman to Kenyon life.

## HEAVY MIAMI TEAM DEFEATS KENYON

### Size is Severe Handicap

Kenyon lost her second game to Miami Saturday afternoon, October 9th, by the score of 41 to 7. Kenyon scored when Cable broke through Miami's line and blocked a punt which rolled back of the goal line. A Miami player picked it up and lost it again and Carabelli fell on it making Kenyon's touchdown. Kelly kicked goal.

The Big Red team was very effective around the ends, repeatedly making good gains against the Mauve and White. Kelley was the principal ground gainer for Kenyon with assistance from Abrams in receiving forward passes.

Line-up and summary:

Kenyon		Miami
Maxwell	L. E.	Essig

Referee—Easton of University of Cincinnati. Umpire—Maltis of Oberlin. Head Linesman—Van Voorhis of Miami. Time of periods—12 minutes.

## KENYON FALLS BE- FORE CINCINNATI

### Weight Tells In Last Half.

The Kenyon foot-ball squad went down to defeat before the heavy Cincinnati team 45 to 0 at Cincinnati Saturday, Oct. 2. Outweighed fifteen and twenty pounds to the man, Kenyon held her opponents to one lone touchdown for the first half of the game, but the heavy onslaught of the victors was too much for the Mauve and White, and after Beggs and Campbell had suffered a broken shoulder and collar bone respectively, Stock a torn ligament in his leg, and Berkey some severely bruised ribs Kenyon's loyal defense was badly shaken.

The first touchdown was made in the second quarter when the Ohio River boys brought the ball down to the ten yard line and at the fourth down, with ten yards to go, they worked a fake which resulted in a fumble, leaving a free ball behind Kenyon's goal line. After what seemed hours to the spectators a Cincinnati player recovered the ball.

In the second half Cincy opened up with a battery of line plunging that worked havoc on Kenyon's defense. A heavy backfield that showed much natural foot-ball ability, coupled with good condition, as well as speed, made gain after gain through Kenyon's line,

netting 21 points in the third quarter and 18 points in the fourth quarter.

Coach Smith is not disheartened in the least at the showing of the boys, realizing that our opponents had every advantage, and he expressed himself as well pleased at the fighting spirit that all the men displayed. With some added material in the persons of Beach Abrams and Joe Kelley, Kenyon's prospects for coming games have taken on a much brighter form.

Summary:

Kenyon (0)	Cincinnati (45)
Brown	L. E. Nelson
Cable (Capt)	L. T. Fries
McIlwain	L. G. Rhein
Berkey	C. Heinhold
Wiseman	R. G. Huckle
Carabelli	R. T. Iber
Maxwell	R. E. Prather
Goodell	Q. Crolley
Treat	L. H. Linneman
Beggs	R. H. Palmer
Stock	F. B. Fratz

Referee—Dr. Coppes, O. S. U. Umpire—Frank Lane. Head Linesman—Roger Johnson. Time of quarters—15 minutes. Kenyon substitutes were: Lichtenberger for Goodell, Woozley for McIlwain, Wolverton for Brown, Arndt for Maxwell.

## SOPHOMORES ELECT OFFI- CERS FOR THE COMING YEAR

One of the events of the opening week of school was the class meeting, held by the Sophomore class on Thursday night. About forty-five attended, and undoubtedly the main cause of this meeting was due from the fact that the freshmen class was getting enormous in size and strong in voice and manner. The class of '23, therefore, realized that organization would be necessary to keep the freshmen in order during the proceedings of the next few days. The Sophomores, after many methods were disorderly introduced by many of the promising lawyers of this class for defeating the freshmen in the Cane-rush and tie-up, proceeded to maintain a little order and elected McIlwain as Cane-rush Captain. However, McIlwain had to withdraw in favor of Ulrey as he was on the foot-ball team and would not be allowed to enter the rush. Wolverton was then elected chairman, although the entire class had already assumed authority. Nominations were then made for the various offices. Messrs. Loofburrow and Harkness acting as tellers found difficulty at times in counting the number of votes as some of the members had a habit of standing every time a vote was taken, no matter if they had voted before or not. After much delay and more noise, the following officers were elected:

Miller, President.  
Crofut, Vice-President.  
Campbell, Secretary.  
Strough, Treasurer.

## KENYON DOWNS DEFIANCE

## Victory Starts 1920 Football Season

With three days practice and laboring under a hot sun, The Kenyon football team defeated Defiance College on Benson field Saturday afternoon, September 25th, 13 to 0.

Because of the extreme heat the game was a bit draggy in spots, but every one was roused when Defiance, trying a forward pass in the third quarter, threw the ball to Cable, and Dave showed them up by carrying the ball forty yards for a touchdown. Stock failed to kick goal. In the fourth quarter the Mauve and White played real football. After an exchange of punts, Kenyon started down the field. Successive gains by Treat, Goodell, and Stock brought the ball down to the two yard line and Stock carried it over on a line buck. The final whistle blew as Stock kicked goal. Score 13 to 0.

The first and second quarters of the game were naturally slow as it was the first appearance for both teams and they took things easy on account of the stress of weather. The boys from Defiance were a little light in the line though their back field was heavier than Kenyon's. Not gaining through Kenyon's line they tried the ends, but Maxwell and Brown broke up the plays. Berkey and Wiseman showed fine work on the defense, repeatedly breaking through and throwing Defiance for a loss. The entire Kenyon line put up a stonewall defence against any attack Defiance was able to throw against it.

In spite of the short period for training prior to the game, Coach Smith made only one substitution, putting in Ringer for Wiseman and later putting Wiseman back and bringing out McIlwain. Defiance was outconditioned, and after the first half it was necessary to take time out about every three plays.

Summary:

Kenyon (13)		Defiance (0)	
Brown	L. E.	McDermott	
Cable (Cpt.)	L. T.	Myers	
McIlwain	L. G.	Aldrich	
Berkey	C.	Morris	
Wiseman	R. G.	Smith	
Carabelli	R. T.	Sells	
Maxwell	R. E.	Stevens	
Goodell	Q.	Wissler	
Treat	L. H.	S. Seits	
Beggs	R. H.	Rice (Cpt.)	
Stock	F. B.	Wahl	
Umpire—Lamber.		Referee—Dupree.	
Timekeeper—Peters.			

Rev. P. C. Bailey, '15 has accepted a call as rector of Christ Church at Calumet, Michigan. Mr. Bailey has been formerly at Ontonagon, Michigan for the past three years, and under the jurisdiction of Bishop R. L. Harris is now taking charge of one of the largest parishes in the diocese of Marquette.

## COMMONS UNDER NEW MANAGEMENT

The new matron at the Commons is Miss Elizabeth Carrol of Cleveland. Miss Carrol has had much experience in this line, having been in charge of

Mentor Academy, a girl's school near Cleveland, for the last ten years. She is a graduate of Simons College, Boston, Mass.

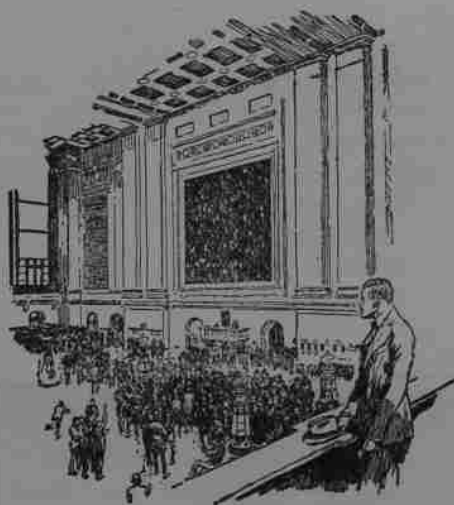

Miss Carrol is with us through the courtesy of Deacon Abbott and Bishop Leonard, who recommended her early last year.

George C. Lea, ex '22, is taking a course at Amherst College.

J. Hyslop, ex '23 is employed in Cleveland, Ohio.

Fanz Schneider, ex '21 is teaching and coaching at Green Bay, Wis.

Tom Wilson, ex '23, is at Ohio State University.

and at the  
Stock Exchange  
New York

*A fact:*

Here in the very heart of Wall Street, Fatima leads. And at the Stock Exchanges of Boston and Philadelphia, Fatima is also the largest seller.

## Instead of fewer cigarettes how about less Turkish?

SMOKERS are learning that *straights* Turkish cigarettes, delicious as they are, are so rich that they soon tire the taste. They contain *too much* Turkish tobacco.

But smokers are learning also that instead of cutting down the number of cigarettes per day, they can cut down on the proportion of Turkish tobacco in each cigarette.

They can do this by switching to part-Turkish or Turkish Blend cigarettes.

However, many men find that ordinary Turkish Blends lack taste—they contain *too little* Turkish.

And so more and more smokers, as shown by sales-reports like that above are turning to Fatima. For Fatimas are *part-Turkish*—not *all-Turkish* like straight Turkish cigarettes. Yet they contain *more* Turkish than any other Turkish Blend.

## Alumni Notes

M. McCafferty, ex '23 is employed in the Republican Headquarters at Chicago, Ill.

H. Gaines and B. Weaver, both of the class of '12 were on the Hill for the opening of the college.

Tom Eggert ex '22, is attending Case University.

Malcolm Ward, ex '22, and A. Jerpe, ex '23 are employed in Fostoria, Ohio.

"Ike" Thomas, ex '22 is working for his M. D. at Rush Medical College, Chicago, Ill.

P. T. Irvin, '04, and T. O. Dye, ex '18, were on the Hill early this semester.

Howard G. Fishack, ex '22 is attending the University of Michigan. "Shack" is studying foreign relations.

A Schafer, '17, F. Clark, '12, and the Rev. Coolidge, '02, all of Cleveland were on the Hill the later part of September.

"Fuzzy" Downe, '20, and Carter Miller, '19, of Canton, Ohio, visited the Hill for the Cane Rush.

Robert Crew, ex '22, is attending Lehigh University.

Charles Norton, ex '22, is attending Yale-Sheffield University.

John Sant, '20, who is employed in Chester, West Va., was on the Hill for the opening of college.

Richard Maxwell, '19, and H. D. Bowus, '13, of Toledo, were back for a few days early this semester.

Doctor McCafferty, '12, delivered a lecture on "Social Diseases" on Sept. 27. He already ranks with the first specialists of the country, and Kenyon has another son of honor.

William D. Williams, ex '22, is at Princeton University.

John Wilkins, ex '21, is studying law at Western Reserve.

## SENIOR CLASS ELECTS OFFICERS

### Mell Is Honored With Presidency

The Election of Senior Officers was held Monday evening, October 11th. The class of 1921 is the largest graduating class which has been on the "Hill" for some years, and with its twenty members as leaders the college should have no difficulty in getting back to its old time condition. The following men were elected to office:

Donald C. Mell, President.

Louis D. Kilgore, Vice-President.

William C. Davis, Secretary.

William J. Stewart, Treasurer.

## DR. LARWILL ACCEPTS NEW POSITION

The Collegian wishes to express the regrets of the college over the loss of Dr. Larwill, who occupied the chair of French and Italian.

Returning from abroad with his new bride, Dr. Larwill unexpectedly accepted the chair of Romance Languages at the Catholic University, Washington, D. C. His loss will be greatly felt at Kenyon, for which he has done so much during the years he spent on the Hill.

In view of the fact that the Kenyon Collegian depends a great deal upon the advertisements printed in this paper, we urge the students to patron-

ize these firms. All of these advertisers have been steady customers and have always been courteous in all our dealings with them, and we are sure that they will do the same for the students.

## Modern Motive Might

**M**OUNTAINS, miles and minutes give way before electricity, the magic motive power. Properly applied, it drives giant locomotives across the continental divide, tows ocean liners through the Panama Canal, or propels huge ships.

Through good light, safe signals, and illuminated highways, it is making travel better and safer and also is increasing the usefulness of transportation methods on land, sea or in the air.

In short, electricity is revolutionizing transportation, making it quicker, safer, more economical and reliable in all sorts of weather.

And back of this development in electric transportation, in generating and transmitting apparatus as well as motive mechanisms, are the co-ordinated scientific, engineering and manufacturing resources of the General Electric Company, working to the end that electricity may better serve mankind.

GENERAL ELECTRIC COMPANY
