Dear George, Have just received your letter of 16th Aug with the description you want sent in. It is out of the question to send on all the news as we are very restricted on the letters we are allowed and what we can write. The rest of Lacks John Ellis etc have also asked me to mention the impossibility of sending much news as we are all very limited and we will send collectively what is possible and you can rest assured we will do our very best under these circumstances. I hear that Miss S. was very pleased with the photo and message I forwarded her my home and is hoping to send a photo sometime, while we just wait and hope for news. Hope you are keeping well and my kind regards to friends, yours sincerely, P. G.
