KENYON COLLEGE, GAMBIER, OHIO, OCTOBER 12, 1933

NO. 1

## PEOPLE'S BANK OF GAMBIER HELD UP BY GUNMEN; BROWN INJURED IN HAND

Grant Dwyer Used As Shield By Bandit  
Many Shots Fired

The People's Bank of Gambier was held up and robbed to the extent of \$714 about closing time, Friday, October 6, by four armed bandits, who wounded Mr. Ray Brown and fired a number of shots at him and in the general direction of Rowley's store, as well as at pursuers. The car with the four gunmen stopped first in front of Harcourt, according to one witness, and three men walked down to the bank, two of these going in. When ordered to raise his hands, Mr. Brown refused and fired on the robbers from behind his counter, only to have his gun shot out of his hand, painfully wounding him. One of the men used Grant Dyer, of Middleton, Conn., as a shield while he exchanged shots with Brown. Dyer escaped without injury, very fortunately.

Meanwhile the car had been driven to in front of the bank and the three bandits who had gone to the bank ran to it, forcing Mr. Brown to accompany them. The car then made off towards Shaeffer's Bridge, followed by Ralston and Armstrong, who were fired on, a bullet entering their automobile. Brown was released and the bandits then managed to escape. As yet they have not been traced.

Mr. Dwyer, when questioned after the hold-up was over, stated that he tried to duck to the floor, but was not able to. He stated that he had no chance to leave the bank as the door was guarded by the third man. Dwyer said a gun was stuck in the back of his neck and that the bandit then used him as a shield, firing over his shoulder. Both the clerks and the other customers in the building at the time were covered by guns of one of the trio and were entirely unable to do anything.

As the bandits left they were fired at from across the street, and answered with three shots, but no one else was injured. Two more Kenyon students were involved down by the bridge. Weeks and Wilson, who had been walking, were forced to lie in a ditch as the bandits fired at Ralston's car.

### Old Building Torn Down

It is perhaps not generally known that the rear end of Scott's store, which was recently torn down, was one of the original Gambier buildings, erected by Philander Chase. In it was found an old map of the United States and territories, which is being restored to condition by the Rev. Louis Bailey.

## FRATERNITIES PLEDGE SEVENTY

Kenyon's national and local fraternities pledged seventy new men at the opening of the college year. The pledge-classes of the various divisions are as follows:

### Delta Kappa Epsilon

John Alberts  
Donald Becker  
John Bingham  
Robert Clayton  
Edward Dandridge  
Francis Fernandes  
Robert Hannaford  
Robert May  
C. D. Nichols

### Alpha Delta Phi

Frank Eustis  
Charles Carpenter  
Kenneth Gass  
Jenkin Jones  
Miles MacDonald  
Allen Neff  
John Neff  
Edson Pool  
John Risher  
Wayne Stallmen  
Robert Tuttle

### Psi Upsilon

Wesley Arbuckle  
Walter Curtis  
Nelson Gage  
Russell Gruber  
Harold Henderson  
Sam Holmes  
John Lowman  
Bernard O'Neal  
Harold Sparks  
Carl Weint

### Beta Theta Pi

Merlin Ake  
Harry Brown  
Jeff Cooke  
Thomas Kemper  
Walter Kirijan  
John Lehrer  
Paul Millikan

(Continued on Page 2)

## '37 WINS CANE RUSH

### First Frosh Victory In Four Years

Outnumbering the Sophomores about seven to two, the Freshman class won the cane rush by twenty hands to nine. The rush was held on the Gambier High athletic field, September 23, where the Sophomores and large crowd of spectators awaited the arrival of the new class. The Frosh, after hearing from Dr. Peirce of the history of the cane, and receiving his best wishes, marched down over the hill singing their historic song. Altho the class of '36 was given the advantage of distance to the cane, they were unable to hold out against superior numbers, and went down to defeat.

This was the first rush won by the entering class in four years, and was the second defeat to be suffered by the Class of '36.

### DANCES PLANNED

As a result of action by the Student Assembly, the trustees will we petitioned for permission to charge each student ten dollars on his term bill for three dances, to be held at the usual times. The date for the first has been tentatively set for the weekend of November 18.

## CRUSADER'S LEADER KENYON MAN, WARNS

### Against Illicit Liquor Interest

Fred G. Clark, Kenyon '13, founder and national commander of the Crusaders, militant repealist organization, is quoted in recent press dispatches from his home city of Cleveland as having said that the work of the liberal shock-troops would not end with elimination of the eighteenth amendment. Precautions must be taken, he warns, to avert all danger of the return of certain conditions that marked the era prior to prohibition.

Charges that "political pirates" were conspiring with the present illicit liquor interests to gain control. (Continued on Page 4)

## ASHLAND OPPONENT FOR HOMECOMING

### Kenyon Looks For Victory October 14

Two football teams will seek their first victories of the season Saturday afternoon on the green turf of Kenyon field. Ashland college will face the Purple and White in the annual Homecoming game. The following Saturday the University of Toledo will play here, concluding the home schedule.

Last season Kenyon beat Ashland 2 to 0, and the team is out to make it two straight. It should be an interesting battle with both elevens fighting to snap their losing streaks of two games each. Ashland bowed to Case 20 to 0 and to Wooster 7 to 0.

As in years gone by, the Alumni of Kenyon will aid the local supporters. They will see a strong Kenyon team and a winning one if Coach Ray Navin can get some of his reverses, spinners and passes to work. It will fall to Walworth, Meeks, Wood and Tritsch to carry the offense.

The probable line-ups:

Kenyon	Pos.	Ashland
Sutton	l.e.	Berry
Hamman	l.g.	Carothers
Kayser	t.g.	Kempf
Quinby	c.	Clelan
Dhoneyau	r.g.	Boyer
Cratchfield	r.t.	Sperry
Swanson	r.e.	Hull
Mason	q.b.	Jacoby
Walworth	l.h.	Tompkins
Meeks	r.h.	Roberts
Tritsch	t.b.	Pigman

## FOOTBALL TEAM LOSES TO OBERLIN BY THREE TOUCHDOWNS AND SAFETY

### MANY CHANGES MARK OPENING OF SCHOOL THIS YEAR

#### Chapel Attendance Decreased, Beer Allowed On Campus

Kenyon College, strong though she is in tradition, has shown that she can keep in step with the changing times. The opening of this college year marks the beginning of a new era in many ways. Not only are there once again a large number of entering students, but there have been many changes made in the organization and administration of the school.

The one that has brought probably the most notice to the college is the ruling permitting legal beer on the campus and in the dormitories. This change in policy is very welcome one to many, and it is felt that such a broadening of the official point of view will do much to decrease drinking troubles on the Hill.

Another significant relaxing of the old standards is in the matter of Chapel attendance. Students are now required to attend but half the time, whereas under the old system it was necessary to attend about two times out of three.

There are three new additions to the faculty, also. Dean Gould has been brought to Gambier to take over many administrative duties. Professors Titus and Blum have charge of the Department of Economics.

Among other changes of interest are the reduction in the Commons Fee and the elimination of the account system for the Coffee Shop. The changes in curriculum were discussed in full in the last issue of the Collegian last spring.

### SOPHOMORES CHOOSE CLASS OFFICERS

#### Bill Veeck President

Soon after the beginning of school the Sophomore class met to elect officers for the coming year. Bill Veeck of Hinsdale, Ill., was elected President. Tommy Rowe of Toledo and Henry Enck of Lima were chosen Vice-President and Secretary-Treasurer, respectively. Veeck immediately started work on the Freshman Rules which were put into effect after the "crawl." The pajama parade was held, as usual, but the "storming of Old Kenyon" was not undertaken this year. The Sophomores, although greatly outnumbered, have handled the Freshman Discipline in good shape, backed by the Kenyon Clan.

### Crippled By Loss Of Three Regulars Kenyon Team Goes Down Fighting

It was the third period when Smith, 205-pound Oberlin back, fumbled on the first play after the kick-off. The pigskin had hardly touched the turf when Sutton fell on it, just 34 yards from the goal. The score stood 2 to 0 for Oberlin, and Kenyon had the ball. Wilson Meeks and Johnny Walworth each gained three yards before the latter faded back and hurled the ball into the air goalward. Two long arms reached up and took it. Sutton had the ball. He dodged and twisted but tacklers downed him with a touchdown in sight 14 yards away. It was a Kenyon threat to score. But Ruth, Oberlin's leader, intercepted another pass a moment later and the charge was stopped. Kenyon never scored and three Oberlin touchdowns made the final score 21 to 0.

Such was the story of Kenyon's second defeat of the season. There was power in the line but the offensive spark was lacking. The Purple and White gridders left their backs to carry the ball alone, to evade tacklers with only a straight arm to help them. The blockers were missing. Hence, when Walworth knifed his way through tackle in the second period for 18 yards he could elude the secondary defense by himself and Kenyon saw another scoring opportunity go for naught from the 25-yard line. Another time, Meeks gained possession of the ball for Kenyon on the 16-yard line but that was all.

The Oberlin forwards knew they were being out-played but they also knew that Correll, little 140-pound back, was fast. He could out-run the Kenyon team if they could only get him in the clear. So, they went to work with the ball on the 31-yard line and Correll sped through for the first touchdown in the third period. Then, Ruth decided to make trouble. He asked for a pass and got it in the last period. He was dropped on the four yard line. Then he tried the line and scored. Not content, he nabbed a Kenyon pass within the shadows of the goal posts. Correll took the ball again around the right side for 16 yards. Two power plays and Oberlin had (Continued on Page 3)

### Recent Graduate Gets High Honor

D. Bruce Mansfield, '30, it was learned by the Registrar's Office, has been awarded a Sterling Fellowship for graduate study at the Yale Law School. This fellowship, which is a very considerable one, represents one of the greatest honors to be received by a Kenyon man in recent years.

### FOOTBALL

The crux of this football business is this. Can we increase our enthusiasm and activity in backing our team without running the risk of becoming "Rah-rah," as so many of Ohio's other colleges have? Our answer is that we can, for after all, it is not necessary to go to one extreme or the other, it is not only possible but desirable to take a middle course.

Obviously, we do not want to go too far in our football interest. It is this extreme attitude that is responsible for the evils of the football system as it exists in universities today. There is not much danger of this, however, at Kenyon, for the feeling of the student body against what is so aptly termed "Rah-rahism" is strong enough to keep Kenyon from going too far in that direction. Our problem, then, is this, shall we increase our activity and enthusiasm in backing the football and other athletic teams at all, and if so, how?

There are excellent reasons why athletics, and particularly football, should be stronger on the Hill than they are now. To mention them all would be to rehash points brought out in our football extra of last week. Suffice it, then, to mention one, that if football is to exist at all as an intercollegiate sport it should exist in at least a fairly strong condition, as most of the benefits to be derived from it depend on its being carried on as strongly as is consistent with good sense.

The question as to how we are to improve our support of the teams is one that can scarcely be disposed of so easily. If everyone concerned were willing, the problem would take care of itself. However, if most of the men on the Hill remain indifferent there exists the problem, for those who are interested to arouse, in some way, this latent interest.

Feeling that an increase in student interest is necessary for an improvement in our football and general athletic standing, and that that improvement, as long as it is not carried too far, is a desirable thing, the Collegian intends to do all it can in the forthcoming year, to advance the cause of athletics in Kenyon College.

### SINGING

This subject has been used so many times before as a subject for an editorial that we hesitate to use it again. However, it really is an important thing at Kenyon. In the last few years the singing for which Kenyon was once famous has been on the point of dying out completely. This year, however, we look to see the beginning of the return to the good singing of former years.

The Kenyon Singers, led by Dr. Bumer, are the most important factor in the growth of enthusiasm in singing. This year their number will be almost doubled, giving more students a chance to take an active part in the work, and the Singers will be used in place of a choir at church Sundays and three mornings a week. The try-outs, held last week, gave evidence that a large number of students are interested.

The other important phase of Kenyon singing, outside of the fraternity singing on path, is the Sunday dinner singing in Commons. With a stronger group to lead it than Kenyon has seen for some years the practice of singing the traditional songs after Sunday dinner will probably be much more regular than it was last year. It depends on the cooperation of the student body whether or not the Seniors and other leaders of the singing will be able to make a success of it. It seems to us that this cooperation would be willingly given if the newer students realized, as most of the upperclassmen already do, how pleasurable the Sunday singing is when all take part.

### DRAMATICS

What has happened to dramatics at Kenyon? Has the graduation of Malcolm Haight sounded a death knell to the life of the drama? Will the venerable walls of Rosse Hall no longer hear the magic words of the old masters? We sincerely hope not, and are doing our best to promote the formation of a real dramatic society. With the dying out of the old Puff and Powder Club there has been a marked decline in dramatics on the Hill. Except for the original and unique "satires and burlesques" of Mr. Haight, there has been but one real dramatic effort in the last few years. This was the senior play, given last year under the direction of Mr. Haight. The "Mad Poet" has gone, but we must carry on. So then, all you who aspire some day to be the idol of a million fluttering hearts, heed to this call and let us reawaken the spirit of the drama.

## ALLIS, COWLES AND BARRICK DIE DURING SUMMER MONTHS

Automobile accidents this summer claimed the lives of two Kenyon men. They were Haywood Cowles of the class of '33 and Clarence Livingston Allis of the class of '34.

Cowles was fatally injured on June 24th when the car in which he was riding turned over on a curve near Havre de Grace, Md. Little is known as to the exact cause of the accident as Cowles was unconscious when his body was found by the state police. The right front wheel of the car had been smashed and the machine had overturned. Having graduated in June, Cowles was en route to Fort Hoyle to enter the Reserve Officer's Training Corps Camp.

Livingston Allis was killed a few weeks later near Hessel, Michigan. The car in which he was riding with two friends, ran off the road in a fog and struck a tree. Two of the occupants were killed and the driver was seriously injured.

At the moment of the crash Allis was thrown from the car and his body evidently struck one of the nearby trees. He was killed almost instantly. The accident occurred at night, and the fog, mixed with the smoke from nearby forest fires made it impossible for the driver to see that the road ended in time to avert the disaster.

Donald Barrick of the class of '32 was the third Kenyon man to die this past summer. Barrick's death was the result of a brain tumor, and occurred at a hospital in Canton, Ohio.

The student body feels very deeply the loss of these men. All three were very active in their support of the college.

## INTRAMURAL BOARD HOLDS ELECTIONS

The first intramural board meeting for the current year was called by Mr. Kutler Wednesday evening, October 4. On the suggestion of Kutler, a president and a secretary-treasurer were elected. Fritz Price was elected President, and Bill Parkin Secretary-Treasurer. The board voted Bexley in as a regular member, and discussed eligibility rules. The rules adopted state that no man having earned a major letter in any sport will be allowed to participate in intramural competition in that sport. Touch football was added as a new game in the schedule of intramural athletics. The usual cups will be awarded to the champions.

The board consists of Fritz Price, North Hanna; Bill Parkin, South Leonard; Warren Munger, West Wing; Steve Clarke, East Wing; Jud Johnson, North Leonard; Frank Jones, Middle Leonard; Thomas Hudgins, South Hanna; Trevor Rhys, Middle Hanna; Harold Hixon, Middle Kenyon; and Phil Brown, Bexley, with Mr. Kutler as advisor.

## COFFEE SHOP GETS NEW MENU CARDS

The Coffee Shop is now complete with nicely-printed Menu Cards in metal frames for easy reference. In the past George and the others working in the Coffee Shop have acted as walking menus. They will doubtless be glad to be relieved of this duty.

The cards are a part of George's "New Deal." Beer, of course, is the primary innovation, along with the distinctive Kenyon steins that will be put in use soon. Evans expects to be able to get draught beer almost any day now.

The University of Texas and the University of Chicago jointly are building the new McDonald Observatory in the Davis Mountains in southwestern Texas to house the second largest telescope in the world. The largest telescope in the world is the 100-inch reflector at Mount Wilson, Cal.

The influence of the Chicago Century of Progress Exposition on architecture is to be reflected at New York University this year by the establishment of a course in Form and Color in the department of architecture.

## ST. XAVIER MAKES THIRTY-THREE POINTS

The thirty-three to nothing drubbing received by Kenyon at the hands of Xavier September 29 merely indicates that Kenyon was outclassed by a school which is larger and takes its football more seriously.

It was no disgrace to receive a beating at the hands of the Musketeers, for Xavier, drilled in the fundamentals of the Notre Dame football system, was out to run up a high score and treat the 7,500 fans to a complete rout.

This Xavier team, which engages in combat with Carnegie Tech, Pitt, and the like, was completely stopped in the first quarter by the Purple and White.

But the Xavier warriors were not to be denied, and started skirting the ends for lengthy gains during the second period. Chief of the ground gainers for Joe Meyer's eleven was Kenny Jordan, who made two runs for touchdowns, each of which was over thirty yards. Incidentally, Jordan tallied three markers against Transylvania in the week previous, and his two in the game with Kenyon gave him five for the year, and first place among the backs in Ohio for scoring honors.

Kenyon made three first downs during the encounter, the first coming in the opening quarter by way of a pass, Wood to Sutton. At this time Kenyon was in the shadow of Xavier's goal posts, but a moment later a fumble gave the ball to the Cincinnati eleven.

## BEXLEY NOTES

The Rev. Wm. Foster Peirce, formally announced the reopening of Bexley Hall for its 110th academic year at Evening Prayer, Sept. 19, in St. Mary's Chapel, Bexley Hall. The Very Rev. Chas. E. Byrer, dean conducted the service. The address of welcome was delivered by the Rt. Rev. Warren Lincoln Rogers, the Bishop of Ohio. The Rt. Rev. Elmer N. Schmuck, the Missionary Bishop of Wyoming was also present in the chancel.

The following new students have entered Bexley Hall as members of the Junior Class. William Nocer; David Thornberry; Richard Clark; graduates of Kenyon College. E. Thomas Rodda, of Berea College, Ky. Glen Lewis, of Oberlin College, Ohio. Kenneth Swift, of DuBose Memorial Church Training School, Tenn.

On Sept. 21, Mr. Charles Howe, of the class of '33, Bexley Hall, was ordained to the priesthood by the Rt. Rev. Joseph Marshall Francis, the Bishop of Indianapolis.

## FROSH ELECT OFFICERS

The class of 1937 managed to elect Ray Riebs (Zeta Alpha) President and Paul Clotts (Alpha Pi Tau) Vice-President before some of the voters, indignant at the display of organized politics, left the polls.

The other offices were filled but were declared null by President Peirce because of the absence of a quorum during that part of the voting.

Riebs called a class meeting to finish with the elections, but was still unable to obtain a quorum, so decided to hold the voting for the unfilled offices in the near future, immediately following one of the Freshmen Lectures at Nu Pi Kappa Hall.

## OBERLIN WINS BY TWENTY-ONE POINTS

(Continued from Page 1)  
six more points. That was the way Oberlin made use of its scoring chances.

The men of Kenyon fought for 60 minutes with only four substitutes. They were tired when the last period rolled around. But, they stopped Oberlin cold four yards from the goal in the opening period. They threw the Yeomen ball carriers repeatedly for long losses. They tackled hard and placed two Oberlin backs on the hospital list. Defensively, they did all that could be expected. It was a colorful game to watch.

The summary:

Oberlin	Pos.	Kenyon
Dutton	l.e.	Sutton
Hinz	l.t.	Hamman
Woodward	l.g.	Kayser
Brown	c.	Quinby
Edwards	r.g.	Dhoney
Whitmer	r.t.	Critchfield
McClain	r.e.	Swanson
Brickley	q.b.	Mason
Smith	l.h.	Walworth
Baetz	r.h.	Meeks
Ruth	f.b.	Tritsch

Score by periods.

Oberlin	2	0	6	13-21
Kenyon	0	0	0	0-0
Touchdowns—Correll, Ruth, Loumis; Safety—Meeks. Point after touchdown—Baetz.

## FRATERNITY IN BEREA GETS INTO TROUBLE

Berea, O.—(IP)—The courts have been called on to decide a dispute between Mr. and Mrs. Irwin Payton and the members of Phi Kappa Phi fraternity at Baldwin-Wallace College, whose fraternity house is next to the Payton residence.

The Paytons brought suit to restrain the fraternity men from using

their year-and-a-half-old, \$30,000 fraternity house because, it was alleged, the fraternity men made too much noise and always kept the window to their shower room open.

Henry Zachman, fraternity president, admitted some noise was made, but "not anywhere near as much as the Paytons claim," and said that after the next door neighbors had complained, the shower room window had been closed and kept closed.

Please send the Collegian to \_\_\_\_\_  
(your name)  
for: one year at \$1.50 (cross out one)  
two years for \$2.25.

The address is:

Street \_\_\_\_\_

City \_\_\_\_\_

State \_\_\_\_\_

## ALUMNI NOTES

Dr. Thompson B. Wright, of the class of '83, died August 22 at his home in Pasadena, Calif., as a result of a skull fracture received in a fall at his residence. He was 68 years old.

Dr. Thompson, who in addition to his A. B. degree held another from Kenyon, A. M., in '95, was a graduate of the medical school at Ohio State as well. He was for years a professor of medicine at the University of Southern California.

His widow and two daughters survive.

Mack E. Vorhees, who attended Kenyon and Ohio University before being appointed to Annapolis in 1926, was killed June 21 near Descanso, Cal., in an airplane crash. His companion, J. A. Sheridan, was also killed. The flight was the last that Vorhees was to make before his vacation, according to his parents, who live in Findlay, O.

'23—The Rev. Arthur C. Lichtenberger, '23 Ph. B., has resigned as rector of Grace Church, College Hill, Cincinnati, to accept a similar post in St. Paul's Church, Brookline, Mass.

'29—J. Edward Sohn, Jr., of Cincinnati, married Miss Sara Jane Greenslade, of Tulsa, Okla., at the latter city last July.

'33—William H. Raines, '33, of Cincinnati, and Miss Julia Catherine Webb, of Lexington, Ky., were married in the latter city July 19.

While the wicked flee when no man pursueth, they make much better time if some one is after them.—Dr. Parkhurst.

Possibly the silliest sophistry with which we have deluded ourselves is that struggle between species being the order in nature, war is inevitable and natural.—Alexander Ruthven, president of the University of Michigan.

## CRUSADER'S HEAD, KENYONITE ISSUES WARNING

(Continued from Page 1)

trol of the liquor traffic with the passing of the dry amendment were hurled by Clark. In a statement, "Wake Up, America," he urged all battalion commanders of the Crusaders to demand a voice in forming the liquor control statutes.

"This is the time of all times when cool, dispassionate, tolerant reasoning power is necessary," he said. "The question is: are we going to allow the liquor interests and their political allies to establish a common enemy against the people, or are we going to establish legislation to protect all the people against a common enemy?"

When he was an undergraduate Clark was a Glee Club and Choir leader and one of the leaders in the Puff and Powder Club. He is a member of Psi Upsilon.
