### RUDY SEES VICTORY

Fast Hiram Team Opposes  
Purple in First Home  
Game of Season

"Hiram looks big and tough, but I think we can beat them," is the forecast of Athletic Director Kuttler on the Home-Coming football game that begins on Benson Field next Saturday afternoon at two

Mike De Paola, hard-working, line-plunging, fullback for the Hiram Terriers, will see plenty of service against Kenyon on Saturday.

o'clock. If Rudy knows what he is talking about, and he generally does, the game is going to add a lot of cheer to the Home-Coming festivities of that date.

Playing its first home game with the added inspiration of hundreds of alumni in the stands, all hungry for the sight of a Kenyon victory, Coach Lambert's hustling eleven will undoubtedly give a good account of itself. The team is in fine physical condition, with its two invalids, Cann and Brown, ready for the opening kick-off.

Alumni can be assured of one thing: they will see an eleven that is fighting for victory from the first kick to the final gun. For this year's team is playing football in every game, not merely going through the motions. If morale means anything, Hiram is in for a tough afternoon.

## DRAMATISTS NAME PUBLICITY BOARD

Committee Will Furnish News To  
Kenyon, Mt. Vernon  
Papers

At the meeting of the Kenyon Players on October 7 in the lounge of Peirce Hall, John Alberts, president of the organization, appointed a publicity committee. The committee consists of members of the staffs of the two Kenyon publications, John Bingham of Hika, Jack Widmer of the Collegian, and William Turner, who will handle publicity in the Mt. Vernon paper.

## PURPLE POLO TEAM DIVIDES AT AKRON

Wins Feature Game Be-  
fore Crowd of 1500  
After Losing First  
Fray

After losing the Saturday game 12-7, Kenyon's polo team came back on the following afternoon to beat Akron's Cavalry team by a score of 9½-8½. The Saturday contest, which was little more than a preparatory game, found the Kenyon poloists on the short end of the score. The Sunday struggle turned out to be a horse of another color when the Purple by virtue of hard and accurate play subdued Akron in a night contest.

With one of the mainstays, Jack Sted, doing his bit to wallop Rochester, the polo team lost the initial contest to Akron. Lack of practice and inferior mounts did much to defeat Kenyon in the first game. It proved to be nothing more than a warm-up tilt for the Kenyon horsemen, for the following afternoon Akron was trounced after a nip and tuck battle.

The Sunday game, in which Ake and MacMahon shared scoring honors with five goals apiece, and Sted, Monro, and Cook playing a stellar defensive game, proved to demonstrate the superiority of the Purple. After dropping the first chukker, three to two, Kenyon came back to win the second period with a score of four to two. By holding their own in the final two periods, the purple shirted riders managed to whip the pride of Akron, for this team represented the cream of Akron's stick and ball artists.

The Akron team has been invited to play Kenyon at Home-Coming and should prove worthy adversaries for Kenyon's up and coming poloists.

## CHAPEL QUESTION TO BE DISCUSSED

Committee of Students Will Meet  
Trustees About Compulsory  
Attendance

Compulsory chapel will be the subject of a conference this week-end between a committee of the Board of Trustees and a representative committee composed of one member of each of the four college classes. The purpose of the meeting is to canvass the whole question of chapel attendance and to arrive at some basis of possible action by the trustees.

The undergraduate committee, appointed at a meeting of the Assembly on October 14, is composed of Henry S. Enck, '36, Lee Allen, '37, John K. Widmer, '38, and Gordon W. Reeder, '39.

The trustees' committee consists of Carl R. Ganter, '39, Wilbur L. Cummings, '02, and Robert A. Weaver, '12.

## POLO PONIES ARE BOUGHT

Two new polo ponies have been added to the string at the Riding School. The horses were purchased from the O'Neill Stables in Cleveland and bring the string of ponies used by the polo team to a total of seven. Previously the polo squad could not hold practice scrimmages, but now there are sufficient ponies to equip two indoor teams.

The Reverend Dayton Wright took a new position at Christ Church Episcopal in Hudson, Ohio, on October 1.

## KENYON BEATS ROCHESTER, 18-6 IN FIRST VICTORY OF SEASON

### M. LEONARD TOPS FOOTBALL LEAGUE

Wins Second Victory as M. Kenyon  
Beats S. Leonard, N. Hanna  
Ties M. Hanna

Still keeping their unscored upon slate clean, Middle Leonard chalked up their second victory of the intramural touchfootball playoffs Monday, October 7, when they battled out a close 6 to 0 game with West Wing. Each team's lack of its star player made the actual playing quite uneventful and sloppy. Both McVeigh from Middle Leonard and Olin from West Wing were not playing.

Middle Leonard slightly outplayed West Wing and were fortunate in making the only score of the game just before the end of the first half. The tally was made after Barber received one of West Wing's punts, ran the ball to West Wing's thirty yard line, where he lateraled to Sonnenfeld who crossed the line.

Dandridge threatened the Deltas most with his pass receiving ability. Sawyer did most of the Deke's passing.

### Hanna Teams Tie

Middle Hanna fought North Hanna to a scoreless tie in their battle for touch football honors at the Polo field last Wednesday afternoon. The game was a virtual deadlock throughout. Only once, in the first quarter, was either team nearer its opponent's goal than the

## DANCE COMES NOV. 22

Assembly Sets Date For Fall  
Week-End Party

The week-end of November 22 has been selected as the time for the Fall Dance. This was decided at the Assembly meeting on October 14. No details of the affair have as yet been settled.

The Assembly also voted to petition the faculty for a holiday on Saturday of the dance week-end, and for excuse from Saturday and Sunday chapel.

## Sensational Fourth Period Offensive Crushes Yellowjackets

### MAUVE UPSETS DOPE

McGinness and Sammon  
Dash to Touchdowns  
in Kenyon Win

"Scrappy" Lambert injected a spark of the old nerve into the Purple, Saturday, and saw his charges zoom to an impressive 18-6 win over the Yellow Jackets of Rochester. It was a splendid victory for the new coach and the boys who fought so hard to make it possible.

The Mauve showed much better form in this affair than in the Denison combat, and as a result, should finish the season with more wins than losses. The sophomores on whom Kenyon places its gridiron hopes really did themselves proud, and acted more like a team of grizzled veterans, cool as dry ice but aggressive as an ice-pick.

After the usual early-game punt exchanges, Kenyon obtained the ball on its own forty, and end runs by Jasper and Thackery picked up twenty-three yards. McGinness bucked through for four, and Sammon ran the remaining distance for the first touchdown. Jasper failed to convert the extra point.

Amazed at this sudden display of offensiveness, the Jackets tied things up in the second period. Runs by Babcock and Nordburg totes the oval to the Kenyon five, whence Babcock plunged over.

As the half ended, Kenyon began a barrage of passes, some of which narrowly missed, but the teams left the field with the tie score still prevailing.

In the third quarter a Rochester punt went out of bounds on the Kenyon one yard line, but Sebach avoided disaster by a long kick which, however, was returned third.

## JAPANESE STUDENT SOON TO ENROLL

Friend Of M. Kawasaki, '29, Will  
Enter Kenyon

Kenyon's first Japanese student since the graduation of the Kawasaki brothers will probably be enrolled within a few days. The student, Nobuyuki Yamamoto, was about to enter Oxford University, but was persuaded by Mori Kawasaki, '29, whom he met in London, that American institutions have a marked advantage over English for Japanese. Accordingly, he made application to Kenyon, and the college has sent the letter necessary to admit him to this country as a student.

Mori Kawasaki expects to visit Kenyon on his way home from England this fall. While at Kenyon he was well known and well liked, besides being one of the most redoubtable tennis players that the college has had for many years.

### WHERE ARE THE SINGERS?

Many have asked about the Kenyon Singers. Upperclassmen and Freshmen alike are wondering what has become of this widely known musical organization which, in years past, has given so much enjoyment to audiences here in Gambler and elsewhere. Especially last year were the Singers deserving of praise, for under Dr. Bumer they developed an artistic, well-balanced singing group of a quality that is seldom equalled among male choruses. But art must have an outlet for its creative expression, and it was not found in the indifferent, rowdy audience before which they had to appear in Cleveland and from whom it took months to elicit the promised money for expenses. Nor could much encouragement be gained from the apathy of the Chicago alumni, or the cancelled engagement at Toledo.

On every hand there was little but disheartening unconcern. Is it any wonder that there is no wish on the part of those few interested in working with the club to continue with the monotonous grind of several rehearsals each week for another year? The Singers can, and should still be organized. They can work up an even more artistic repertoire, can elect a business manager to arrange a concert tour, can once more go on their way giving the college one of its best advertisements and taking an important place in the more esthetic side of campus life, but first there must be complete cooperation from the college administration and a serious interest on the part of the alumni organizations in their several cities.

Kenyon needs its "Singers"!

### FOOTBALL PERSONALITIES

CARLETON "FRITZ" TAYLOR  
CENTER

The fuzzies' friend is also center. He has that initial lunge, the drive to get through.

"Consistently the first or second highest scoring center in the game," says Rudy.

"All over the field like a blanket," says someone.

"Yeah," we say.

In the locker room where spirits are roused, bolstered, or trampled down, as the case may be, is there a more cheerful gent? Does he shriek in falsetto and chatter his teeth when the heat isn't on? Does he gripe when there is no soap? Hah! No.

Certainly he sicks small snakes on our athletic director and puts fuzzy brown caterpillars in his pockets, but what of that? His scintillating remarks, if they do not justify the joke, are ever so funny. Kind of. People shake with laughter.

But back to the center of things. The Hiram game will be quite a pip. A little frightful last year, but things are expected this time. Taylor will be in the middle, not to mention everywhere else. A mainstay.

### TWENTY-FIVE TRY FOR DEBATE TEAM

Preliminary Practice Begins With  
Excellent Prospects Seen  
By Coach Black

With twenty-five students present, the Kenyon Debate club held its first meeting in Nu Pi Kappa Hall Wednesday evening. A temporary executive committee was formed, consisting of O'Neill, Hughes, Boyd, Seymour, Weeks, and Boyer, to be supplanted at some later date by regular officers. Preliminary practice will begin in the very near future.

"Prospects for the club," says Dr. Black, "are especially promising, and if we continue to have such enthusiasm and support as we have had so far, we should have a very successful first year." Dr. Black also announced that there are still a few vacancies to be filled on the freshman squad, and that anyone interested in debate who was not present at the meeting, should see him in his office.

There will be another meeting of the club on Wednesday evening, October 17, at seven o'clock in Nu Pi Kappa Hall.

Elwyn V. Jenkins, freshman, is now recovering from an appendicitis operation performed Monday, October 7 at Mercy hospital in Mt. Vernon. Jenkins was allowed to receive guests last Wednesday.

POWER OF THE PRESS

If any of you guys happened to read last week's editorial in the COLLEGIAN you should be tremendously impressed by the power which the sheet exerts in and around metropolitan Gambler. Just one day after the editorial appeared suggesting that the Coffee Shop remain open all day, George received mandate to open her up and keep her opened up. As a matter of fact, he received mandate two days before the editorial appeared. If there isn't POWER, I'm a double-jointed jack-rabbit, or something.

### ILLICIT TRAFFIC—

Because Bessie has forbidden the sale and transportation of chewing gum in the Coffee Shop, an extremely desperate situation has arisen which should be brought to the attention of every man, woman, and child in Kenyon College. Students, crazed for want of Spearmint, have gone to extreme ends to purchase the stuff and because of this unsatisfied demand, several "gum bootleggers" have opened places of business on the campus. One of the most active dealers in "Black Jack" is Anson "Easter Bunny" Weeks who, after opening a joint in South Hanna, has done an almost incalculable amount of business. To gain entrance one has to have a card attesting to membership in the "Chicle Club." Prices have risen to eighty cents a pack on most domestic brands and imported stock is almost out of reach of the average chewer. The Fox urges that a petition be presented to Bessie demanding the sale of gum in the Coffee Shop before the situation becomes out of control.

### CLUB NEWS

I have it on good authority that there is to be a national convention of the C. J.'s in the not too distant future. It will be held in Mifflinsville and there is to be team competition with handsome trophies to be awarded. I also hear that the Alphies are sending some of their more proficient men. If anyone could give me the exact date, I should appreciate it, for a stooge should be sent to witness and report the matches to our readers.

### And Still More Dirt—

Ed. "Highpockets" Hart meets old friend on the Mount Vernon bus, "all snowed under".

Gambling fever reaches new high as several swindle machines clip hard-earned specie from hopeful students.

Frank "Fogbrain" Ditmars stacks up pride and joy of Ditmars family outside Sunbury. The "Flying Romance" has gone to his head.

We wonder if there's any truth in the current statement that Uncle Bob carries a stock of apple sauce in his brief case. How about it, Bob?

It seems that the bow-tie championship has gone to West Wing, after W. Wingers display ties that stretch no less than eleven inches under chin. Delts to protest award, but have slim chance of decision reversal.

### WITH EYE AND EAR MOVIES, BOOKS, RADIO

Tonight is the last night of "Shipmates Forever" at the Vine. It will appeal to admirers of the Dick Powell and Ruby Keeler, for they sing, dance, and make goo-goo eyes all through this picture, which looks suspiciously like another "Annapolis Farewell." Tomorrow and Thursday "Freckles" is on the bill. It is a "kid" story about an orphan in a lumber camp, and is rather stodgy drama. One of the best shows to hit these parts for a long while will be screened on Friday and Saturday when a double feature combining "Annapolis Farewell" and "The Bishop Misbehaves" is showing. The first is exciting drama. In one scene a retired commander sees his old ship being sunk at target practice and takes command of an imaginary crew until the ship is scuttled, thinking all the while that he is in the midst of a real battle. There are many thrilling scenes taken at Annapolis showing midshipman life. "The Bishop Misbehaves" is taken from a mystery-comedy which was a successful play on Broadway last season. Accidentally finding some pearls involves the old gentleman in a jewel robbery plot. His aptitude as an amateur detective saves the day, however. Your reviewer strongly recommends this double-feature program. "Water Babies" is scheduled to begin with the midnight show on Saturday and run through Monday.

THE GENTLEMAN OBVIOUSLY DOESN'T BELIEVE—Done smoothly by the Dorsey Brothers in which Kay Weber languidly but convincingly sings the unusually intelligent lyrics. On the back is DIPPER MOUTH, a persuasive Dorsey "awing" number. DECCA.

ACCENT ON YOUTH—By that sensational coast band, Orville Knapp, in something of a "Lombardo-ish" manner, but with more vigor than the latter. THE GIRL I LEFT BEHIND ME is a very catchy tune handled in a subtle fashion by Knapp and orch. DECCA.

LISA and HOTTER THAN 'ELL by Fletcher Henderson. Both are better than average "business" numbers and should prove valuable in inter-fraternity warfare. DECCA.

WITHOUT A WORD OF WARNING—what we believe to be one of the year's best tunes, done by Glen Gray in his usual masterful style. TAKES TWO TO MAKE A BARBEN is found on the reverse side. Well worth having. DECCA.

### 28% PASS TESTS

The number of entering students who passed the English attainment test this Fall was 28 percent of those who attempted the test. The men were: Aho, Bronson, H. Miller, Morison and J. Patterson. Thirty-one percent were successful out of the 42 men who took the examination at the middle of last year.

It is to be noted that, in addition to the English attainment test, a student must pass before graduation an examination in the ability to read two foreign languages or an examination in advanced proficiency in one foreign language.

RIP COLLINS, of the St. Louis Cardinals: "Here's the best proof I know that Camels are mild—I can smoke them steadily, and they never get my wind or upset my nerves."

## "THEY DON'T GET YOUR WIND"

ATHLETES SAY

JAMES BAUSCH, Olympic Decathlon Champion, says: "I've been a Camel smoker for years. Camels are so mild they don't get my wind or cut down my speed. And Camel is a better-tasting cigarette; always rich, smooth, and mellow."

JENNIE ROONEY, famous circus aerialist, says: "Camels, being so mild, do not upset my nerves or get my wind. And Camels never give me any throat irritation."

## YOU'LL LIKE THEIR MILDNESS TOO

**CHAMPIONS APPROVE**  
Camel's mildness. Consider what this means. Healthy nerves—physical fitness—sound wind—help to make life more enjoyable for you too. Enjoy Camel's mildness—smoke all you wish! For athletes have found that Camels don't get their wind ... or jangle their nerves.

WILLIE MACFARLANE, former U. S. Open Champion, adds: "Camels are mild. They don't get my wind or make my nerves jittery. I'd walk a mile for a Camel!"

J. A. BROOKS, '32 and '33 All-American Lacrosse Team: "I have smoked Camels for 5 years. No matter how many I smoke, Camels never upset my nerves or my wind."

ty yards by Babcock. But then things began to happen. Sebach intercepted a Jacket pass, and raced fifty-five yards before being overtaken. McGinnis smashed to a first down on the Rochester twenty, and a pass, Milliken to Sammon, garnered a first down on the one yard line. Rochester stiffened and held for downs, but a punt was poorly made giving the ball to the Mauve on the ten yard line. McGinnis carried to the three as the quarter ended.

On the next play McGinnis, whose running was sensational all afternoon, bucked over for the winning marker. The try for extra point again failed. Then occurred a long march for a superfluous Kenyon tally, featured by runs by Sebach, McGinnis, and Sammon, and a 15 yard penalty against the home team. McGinnis got the touchdown on a line smash to finish scoring

for the day, and give Kenyon its first pigskin victory since 1933.

Judged by its showing against Rochester, who defeated Oberlin earlier in the season, Kenyon definitely established the idea that the team is capable of playing good football, and when you stop to consider that most of the boys have three years ahead of them, the outlook is brighter than at any time since the days of "Dud" Stock and "Marty" Sammon.

One thing that stands out is the fact that this team is in condition. That was proved when only three substitutes were needed. The Home-Coming game promises to be hotly contested, and it is very possible that Kenyon will win its first home game of the season.

Immediately following the football game the crowd will move

Kenyon's opponents in the polo game can not yet be definitely announced, but it is certain that there will be a game.

twenty yard line. At that time Middle Hanna pushed the ball to North's sixteen yard line by a series of lateral passes and wide end runs. They were finally held and North Hanna took the ball on downs. Morgan and Craig starred for North Hanna.

Middle Hanna gained four first downs during the game, and North Hanna five. North Hanna was able to complete nineteen forward passes to Middle Hanna's seventeen.

## M. Kenyon 18, S. Leonard 0

Middle Kenyon's touch football aggregation last Monday trimmed the South Leonard team by a score of 18-0. All three touchdowns resulted from accurate passes by Middle Kenyon's backfield star, Lipscomb. His tosses were caught rather uncannily by Fawcett, end. The scoring was confined to the first half, the second period being scoreless, when South Leonard's drive was stopped at the one-yard line.

Beginning its second year under the editorship of John C. Neff, Kenyon's popular monthly magazine "Hika," made its first appearance of this semester on Thursday, October 10. Last year's staff is intact, with Leland Allen, editor of "Spangled Sports," David Jasper, J. P. Devine, Lawrence Kenyon, David Beatty and Walter Curtis, and has been further strengthened by the addition of William Dewart, just returned from a sojourn in England during which some of his writings were published in English magazines. John Stickney and Charles Lord, business managers, are hoping to make this year's issues a financial success, having worked all summer on advertising contracts.

Special features of the "Hika" are the Spangled Sports column, John Neff's "Literary Soundings," Hans Van Ness Allen's African experiences, "Hill Tops" and Jasper's cartoons.

Herman Post and Spider Beck of the good old days of the K. M. A. and Kenyon Ninety-Four Forever will be in Gambier together on Home-Coming Day, October 19.
