DEAN BROWN ANNOUNCES HOUSING PLANS

Acting Dean Robert Brown announced this week the plans for housing the student body and meteorological students during the coming year. As previously announced, Old Kenyon will be turned over entirely to the Army, and the present occupants of the East and West Wings will move to the Alumni House.

Mr. Brown intends to use the basements and first floors of both Leonard and Hanna Halls for the non-fraternity men, now living in Middle Kenyon. This will force the fraternity men in the different divisions of these buildings to move up into the top two floors only.

CHRISTMAS PARTY THIS WEEKEND

This Sunday evening, December 6th, the annual Christmas dinner will be held in the Commons under the auspices of the Student Assembly. Members of the faculty and their wives are to be the guests of the Assembly at the dinner.

At the high table will be Dr. and Mrs. Chalmers and Mr. and Mrs. Brown. Officers of the various student organizations who will sit with them include Ken Dalby, president of the Student Assembly; Bill McMurtry, president of the Student Council; Ken Kadey, Secretary-treasurer of the Senior Class; and Bill Lewis, chairman of the executive council.

The Great Hall of the Commons will be decorated in true Christmas style. Evergreen branches will adorn the walls and corners of the room, and carol singing will be the principal form of entertainment.

DAILY TIME SCHEDULE REVISED

To accomodate and feed nearly four hundred men this winter term, the Commons has been forced to revise its schedule of meals, and serve them all in two shifts. The new plan will go into effect as soon as the meteorological students arrive on the Hill.

The change in meal times has necessitated a shift in the class schedule as well. Since the undergraduates won't be served breakfast until 7:45, classes will not begin until 8:30 in the morning. Dinner has been moved ahead to 1:15 in the afternoon, but supper will be served at 6:15 as before.

HOBSON TO SPEAK AT COMMENCEMENT

Kenyon's first special war-time commencement will be held on Thursday morning, December 10, at 10:30 in the Speech Building. The address will be given by the right Reverend Henry Wise Hobson, D.D., Bishop of Southern Ohio.

Bishop Hobson is an honorary alumnus of Kenyon College of the class of 1930, a member of the Board of Trustees, and alternating Chairman of the Board. He served in the army during World War I and was awarded the Distinguished Service Cross. Recently he founded and backed the Fight for Freedom Committee which was so effective prior to our entrance into World War II.

The traditional Latin ceremony will be held and President Chalmers will award degrees to seventeen students. So far as possible, the faculty will vote degrees to seniors completing

DAILY TIME SCHEDULE REVISED
(continued from page 1)

The schedule for the meteorology students has also been announced, although it must be remembered that these are tentative until the official contract has been completed. As far as is known the Army men will breakfast at 7:00 A.M. and commence classes at 8:00. At 11:00 the morning classes will terminate and an hour of physical training will follow. Dinner will be served them at 12:00 noon, and their afternoon classes will start at 1:00. These will continue until 4:00 when they will have an hour of military drill somewhere on the campus. Supper will wind up the day for them at 5:00. No study hour regulations or lights out rules have been announced as yet by the Army officials.

MOVIE IN ROSSE HALL SUNDAY

This Sunday evening, December 6, the final movie of the fall term will be presented in Rosse Hall. Son of Monte Cristo is the feature picture of the evening, but an excellent program has been arranged to fill out the evening. Another chapter of Spy Smasher will enliven the bill and the United States Government's sensational war picture, The Battle of Midway has been tentatively scheduled for this night, but the committee is as yet uncertain as to whether or not it will be able to obtain the film this weekend. Admission will be by pass or the usual twenty-five cents.

FRATERNITIES HOLD ELECTIONS

During the past month several of the fraternities on the Hill have held their semi-annual elections.

At the last meeting of Alpha Delta Phi the following men were elected to offices. Kenneth Kadey was re-elected president of the Chapter and F. Wesley Baylor was named vice-president. Arthur H. Veasey, Jr. is secretary and Tom F. Smith was re-elected treasurer. Mr. Stuart R. McGowan remains as Resident Counselor for the Chapter.

Delta Phi has announced the following men as elected to serve in the offices named: Don Hammitter, president of the Chapter; Max Horton, vice-president; and John Morehouse, secretary. E. Adams Daneman was elected treasurer.

At a recent meeting of the Theta Chapter of Phi Kappa Sigma the following men were elected to office. Albert Jenkins was re-elected president, James Persons is 1st vice-president, Harvey Merckens is 2nd vice-president, and William Richardson is secretary. The new corresponding secretary is John Garver, and Robert Montigney was re-elected treasurer. Pledge Master for the coming term will be Don Twining.

The officers of Psi Upsilon are Bob Pennington, president; George Hills, vice-president; Andy Bliven, 2nd vice-president; Jim Bellows, recording secretary; Charles Rees, corresponding secretary; and Fred Foster, treasurer.

Sigma Pi has announced the results of their elections held earlier this month. Myron Monck is president; Dave Taylor was elected vice-president; Had Murray is secretary; and Ed Shorkey treasurer. The first counsel is Dick Timberlake.

Lewis will receive honors in History, and Fitzsimmons, who left Kenyon last summer, received honors with his degree in Political Science.

DEAN BROWN ANNOUNCES HOUSING PLANS
(Continued from page 1)

When the men from East and West Wings move into the Alumni House they will bring a part of their furniture from the Bullseyes to furnish the first floor lounge in the house. Since all regular Alumni House furniture is to be removed for the duration of the emergency this will be necessary. It is probable that some of the furnishings from the house will be moved into the little house now occupied by Dr. Rice, which will be converted into a small guest house.

New beds and furnishings have been ordered for the Alumni House and Old Kenyon. It is possible that the Alpha Deltas and Deltas will take their own desks with them to their new house; so more will have to be provided for the meteorologists in Old Kenyon.

Whatever furniture is left in the Bullseyes by the East and West Wings will be used to make a part of these parlors into relaxation centers for the men who will be living there. The other half of the parlor will be outfitted with new desks to make it a study hall.

There are certain complications which may arise when the men move into the Alumni House. Foremost among these is the fact that the rooms are very small and it may be difficult to squeeze two desks into each room. In case that turns out to be the problem, some place in the house may have to be found to use as a study.

Moving day for everyone on the Hill will be Saturday after the student body returns from its Christmas vacation. However, the actual moving will commence on Friday and probably won't be entirely completed before Sunday night.

COMMITTEES OF CORRESPONDENCE

An interesting notice has just been placed in the hands of the editors of the Collegian Supplement. A group of scholars at Antioch College in Yellow Springs, Ohio have founded a society called Committees of Correspondence. The purpose of this society is to encourage scholars and college students to study our own way of life and that of the aggressors to be certain that no traits of their faith creep into our society.

The problems of the post-war world are analyzed by the group and they attempt to organize all of the most pertinent ones in order to have a better chance of putting them into actual discussion and obtaining a satisfactory solution.

The foremost plan of the organization is to organize correspondences among student leaders in various colleges, and encourage debates and trips by the students to other colleges interested in the subject.

Apparently the idea was conceived in Ohio and has been mainly confined to this state so far. Several colleges have shown interest in the project according to its founders.

KENYON TRUSTEE SUCCESSFUL

Judge John W. Ford, of Youngstown, Kenyon trustee and honorary alumnus, was elected to the bench in the Common Pleas Court in the November elections. Mr. Ford had a plurality more than equal to his opponents votes.

ALUMNI PLAYWRIGHTS WANTED

The Dramatic Club, in conjunction with the Department of Speech, has announced a program for the acceptance of new plays by Kenyon alumni.

DRAMATIC CLUB ANNOUNCES PROGRAM

The Dramatic Club, through its sponsors, Dr. John W. Black and Mr. Thomas Sawyer, has announced very ambitious plans for a winter program. Activity already in progress in the Speech Building indicates that the next term of the College will see the Club in its most continued activity in recent years.

Although details of the plan are not yet completely formulated, it is probable that more plays will be presented in the winter term than in any preceding term under the new program. Several casts will be in rehearsal simultaneously in order that productions may be in close succession.

The Play Production Class of Mr. Sawyer has already completed one set for the winter program, and a second one will be finished by the end of the present term. This latter setting will be used for the very popular farce, Cut of the Frying Pan, and rehearsals for the play will start in the first week of the January term. The former set has been created for the recent Broadway drama, In Time To Come. A third stage design is already awaiting the final touches.

From these preliminary indications, it appears that the Kenyon Dramatic Club will be one of the most active college groups in the country during the next season. In addition to the two plays mentioned above, it is probable that the recent success, The Eve of St. Mark, will be done again in the course of the program, and other plays are on the waiting list. Gambler playgoers may well look forward to an interesting season.
