DRAMATIC CLUB PRESENTS IN TIME TO COME THIS WEEKEND.

Two more plays remain on the winter schedule of the Dramatic Club, and the first of these, In Time To Come, will be presented as the Dance Weekend attraction with an evening performance on Friday and a matinee Sunday.

This timely, historical play deals with the post-war problems which faced Woodrow Wilson at the conclusion of the first Great War. Produced on Broadway several years ago, the play was an instant success and ran for a considerable length of time. The Dramatic Club's production of In Time To Come has a very large cast which includes many familiar faces from the presentations earlier in the term. The cast is as follows:

Woodrow Wilson	Tom Murphy
Edith Wilson	Helen Black
Col. House	Phil Fendig
Joseph Tumulty	Wes Baylor
Dr. Grayson	Dick Williams
Sen. Lodge	Ed Broadhurst
Henry White	Gil Williams
Elting	Tom Octigan
Judge Brandeis	...	Jack Vrieze
Prof. Seymour	Bob Wilson
Orlando	David Fosner
Mrs. Treadwell	Mrs. Cook

EARL HOOD FEATURED AT WINTER DANCE TOMORROW NIGHT.

The Winter Dance, previously cancelled because of the measles epidemic, will be staged in the main dining room of the Commons tomorrow evening. The always-popular Earl Hood and his orchestra will be featured. For a time it was feared that it might be impossible to have Hood and his band for the postponed dance but through his courtesy several dates were rearranged to accommodate the College dance committee.

Since William McMurphy has graduated from college, Bob Pennington has taken over the office of chairman of the Dance Committee.

Most of the fraternities on the Hill have made plans for parties in the divisions on Saturday afternoon and evening.

MATRICULATION

President Chalmers has announced that the annual Matriculation Service will be held on Tuesday, March the ninth, at twelve-thirty in the Church of the Holy Spirit.

At that time all freshmen, and others who have not matriculated, who have satisfactorily maintained the College standards will take the matriculation oath.

During the afternoon following the service all matriculants will have the opportunity to sign their names in the College Matriculation book in the Registrar's Office.

of the United States Senate to the American delegation headquarters in France. Scenes are set in the White House, on shipboard en route to Europe, in the Big Four conference room in France, and back again in the United States after the meeting.

The play carries Woodrow Wilson through his peace conference and includes his War Message to Congress at the outbreak of the war. At this time the play is particularly appropriate because we face many of the same post-war problems again.

Scenery by last year's play production class will be conventional rather than realistic as suggested by the author, and the play is being produced under the direction of Dr. John Black and Mr. Thomas Sawyer, of the Department of Speech.

On the following Saturday evening and Sunday afternoon, the club will present Set It In Troy, a new play on an old theme. It deals with the story of the siege of Troy and will be done in costumes. The cast will include Phil Leading, Gil Williams, Wes Baylor, I Broadhurst and Mrs. Coolidge.

To accomodate those men who plan to have their dates stay at the Hotel Curtis in Mt. Vernon, the Servais Bus Company will run several extra trips over the weekend. The 11:30 P.M. trip will be the last run on Friday evening, but on Saturday night there will be a special trip at 9:30 to Mt. Vernon and the regular 10:40 run will come out again. Special trips will be run at 4:15 to Mt. Vernon and 3:55 to Gambier on Sunday morning. The last trip to Mt. Vernon on Sunday evening will leave Gambier at 12:15. The 4:25 and 5:45 trips to Gambier on Saturday afternoon will make a special stop at the Hotel Curtis. Tickets must be bought in advance at Wilson's Market before Friday noon for the weekend trips.

COLLEGE ASSEMBLIES

The assembly speaker on Thursday, March 11th in Rosse Hall will be Mr. Philip Rhys Adams of the Columbus Gallery of Fine Arts.

Mr. Adams will be remembered by Kenyon men as he was an assembly speaker here earlier in the year.

Wing Commander R. Ashley Hall, of the Royal Air Force, will remain on the Hill until Saturday, March 6th. Men interested in talking with Commander Hall any time today may find him in the Commons before and after meals and at the new guest house during the day or evening. Commander Hall has had a wide and varied career with the British Air Force, and at present is in the Air Ministry.

UNDEFEATED LORDS POINT FOR CONFERENCE TITLE AT OBERLIN

Kenyon's great undefeated swimming team will participate in the Ohio Conference championship meet at Oberlin today and tomorrow. Coach Chuck Imel has been pointing for this meet since last November, when he first started to whip this fine squad into shape, and the Lords are out to finish off a fine undefeated season by bringing the Conference title back to Gambier.

Six or seven of the leading Ohio teams will compete in the meet. Among these will be Oberlin, Case, Cincinnati, Kent State, and Slippery Rock. The Lords have defeated three of these teams in their season competition. Case, Oberlin, and Cincinnati fell before the Purple and White natators earlier this year and the Lords are confident of repeating over them.

Last season Oberlin nosed out Kenyon for the Conference title. Captain Bill Blacka was unable to compete in last year's meet as he was recovering from an appendectomy. However, Bill will be on hand this year to wind up a brilliant career in the championship prints.

The finals of the meet will be held at 2:30 Saturday afternoon and the preliminary events will be run off this afternoon. Lack of transportation facilities has prevented Kenyon from participating in more meets this season, but in their four scheduled ones they proved beyond a doubt that they are one of the finest small college teams in the Middle West. A spectacular victory over the previously unbeaten Bowling Green was the highlight of the season.

The Lords will be seeking their third Conference title tomorrow evening, and will send the following men into the water:

BASKETBALL TEAM BOWS TO WOOSTER IN SEASON FINALE

Last Tuesday evening the Lord quintet rounded out a so-so season by bowing to a great Wooster five. The Scots, rated one of the top, if not the top team, in the Ohio Conference.

Gambier fans have had the opportunity of viewing both the candidates for the top berth and Wooster certainly impressed most of them more than the colorful Lutherans from Capital did. Of course both of these quintets have to reckon with a powerful Toledo University team in claiming the title.

Tuesday's contest was an interesting game for those fans who could appreciate the fine teamwork of the Scots and overlook the Lords' misfortunes. The 66-29 score indicates the hopelessness of the Lords' task in facing the Wooster powerhouse.

Captain Russ Lynch was unable to play his final game of the season, being confined to his home because of illness.

Bill Harsha and Bob Montigney in the 60 yard dash, Bill Blacka and Jack Montigney in the 220, Al Easter in the dive, Bill Blacka and Otto Keuhn in the 440, Tom Lechner and Bob Munson in the backstroke, Joe Kostock and Ed Shorkey in the breaststroke, and Bill Blacka and Bill Harsha in the 100. The medley relay team will include Lechner or Munson, Kostock and Twining, and the 440 relay will be swam by Harsha, Blacka, Bob Montigney, and Stewart or Twining.

MOVIE SCHEDULE

The College movie committee has announced two movies to be shown Sunday and Wednesday evenings in Roase Hall.

On Sunday the featured picture will be Sullivan's Travels, with Joel McCrea and Veronica Lake in the leading roles. This picture was one of the outstanding comedy hits of the past year. Two showings will be presented on Sunday night at 7:00 and 9:00.

On Wednesday, March 10th, the committee plans to present Ilona Massey and Peter Lorre in Invisible Agent at 8:45.

Army Metecrology students are welcome at all performances.

STUDENTS TAKING COMPREHENSIVES

Several students are preparing for comprehensives to be given before the end of the current term.

Among those taking exams will be Davv McCall, Jason McCoy, Kenneth Kadey, Robert Ballantine, Mitchell Konarski, Robert Pennington, and Ben Roselle.

All the above named men are majoring in economics with the exception of Ken Kadey, who is a history major.

BISHOP KIRCHHOFFER HERE SUNDAY

The visiting preacher at The Church of the Holy Spirit on Sunday, March 7th, will be The Right Reverend Richard A. Kirchhoffer, Bishop of Indianapolis.

Bishop Kirchhoffer is well-remembered by Kenyon men as he has visited here before. He will conduct a Communion service Sunday.

Twenty new Freshmen, including several civilian pre-meteorology students, were pledged to the several fraternities on the Hill shortly after mid-terms, when these men entered college.

Sigma Pi has taken in six new men, namely: George James, Jack Pearlman, Charles Parker, Bill Marvin, Tom Snyder, and Don Wallkes.
