Fragment of a hollow figurine. There is no fire core, fire charring, or surface burning. Hardness: 2.5. The interior surface is quite rough, while the exterior has been smoothed. The design includes a portion of a left arm; a clenched fist, and an arm band which is decorated with four squares, each of which has a circle in the center. The design appears to have been made by applique and incision. The back of the fragment curves away from the front. The skirt or skirt curves outward below the wrist and it is very smoothed. There is no slip or paint
