DISCARDS	3
TOTAL	216

COMMENTS/DESCRIPTIONS

Light to moderate corrosion, except uluc (fresh), Petoo's & some Manacal's.
 3 Sicoras related to orange-Pink. There seems to be a M Precl component; it's difficult to spot out among the Janguillos, Manacal's, & Peñones & friends. Peñones Grp stp has perforated round decoration (single line).
