Illustrations (circle appropriate item):

Not Drawn

Drawn on reverse

Drawn elsewhere Where?

Saved for photo—Yes No

DESCRIPTION: For ceramics only, paste group—

What is it? wheel stand

fairly fine tanish grey paste w/ small # of inclusions - thin grains

Measurements (of pieces; of parts such as feet, openings, projections, etc.)

NA

Condition (eroded; uneroded; burnt—where? how much?; etc.):

Entire piece looks like it has been lightly toasted all over, not a lot of erosion
going on.

Use wear, marking:

Edges seen chipped, but not remarkably so & shape is not what we would expect for a wheel stand.

Manufacturing marks or other info about how it was made:

There are two potential holes that may have been begun for drilling.
but these might also be pits done in other sherds.
They are on the exterior of the sherd.

Other interesting, useful info:
