Other				Hair/fur/feathers	✓
				Breasts (y or n)	
				Clothing/textile/costume (y/n; Describe below)	

Additional descriptive comments on figurative or decorative portion of the exterior:

A decorative piece of a ~~headless~~ figurine, probably a headdress, with a band around the bottom, and what seem to be 4 feathers sticking up out of it. It is molded, but with incised lines ~~then~~ making definition on the feathers. This piece appears to have been applied on to the object, for the firing core goes all the way through the base.

202BU/002-1 is a small piece broken off the lower left portion of this piece. 202BU/002-3 + 4 appear

The item is: not eroded - slightly - moderately - very - extremely eroded. to be from the same artifact, but do not re-connect with 202BU/002-1+2.

It has - does not have other damage. Describe: 202BU/002-1 broken off, fairly recently, but the edges are weathered down.

Not drawn - drawn Where? on back.

Comments: Munsell 7.5YR ~~6.5/6~~ 6.5/6
